Enclosure: A press release dated December 7, 2010 announcing that Turkcell has learned from the website of the Information and Communication Technologies Authority (ICTA) that the ICTA is asking for a payment of TRY 279 million corresponding to a treasury share payment and another related fine.

INFORMATION AND COMMUNICATION TECHNOLOGIES AUTHORITY'S DECISION ON TREASURY
SHARE PAYMENT

Subject: Statement made pursuant to Circular VIII, No: 54 of the Capital Markets Board

Istanbul Stock Exchange

ISTANBUL

Special Subjects:

Although Turkcell has not been officially notified, an announcement posted on the Information and Communication Technologies Authority's ("ICTA") website states that the Information and Communication Technologies Authority's Board has decided that Turkcell is being asked to make a payment of TRY279 million. This figure comprises a TRY73 million Treasury Share payment - as per the claim that Turkcell underpaid its Treasury Share between March 10, 2006, and December 31, 2008 - and a related fine of TRY206 million based on this amount.

It is understood that the Treasury Share which Turkcell is being asked to pay has been calculated based on the following: amounts not in the scope of our Company's revenue due to the ICTA's retrospective decisions or reimbursed revenues to related operators based on specific court decisions; donations collected through the Company as an intermediary; pre-sales discounts; reimbursed or cancelled invoices due to unrealized sales transactions; and amounts which are not related to Turkcell's main operations.

Since such items requested from the Company are not in the scope of Turkcell's revenue and according to the license agreement should not be included while calculating its Treasury Share, it is believed that the request of Treasury Share on such items has no legal ground.

Turkcell has ongoing court cases at the International Arbitration Courts in regards to some of the items claimed. As for some of the remaining requests, we will take further legal actions.
