EXPLANATORY NOTE

This Amendment No. 1 (the “Amendment”) is being jointly filed on behalf of CSP Alpha Holdings Parent Pte Ltd, a private limited company formed under the laws of Singapore (the “Aegis Stockholder”), CSP Alpha Investment LP, a limited partnership formed under the laws of the Cayman Islands (“CSP Alpha LP”), CSP Alpha GP Limited, an exempted limited company formed under the laws of the Cayman Islands (“CSP Alpha GP”) and CSP Management Limited, an exempted limited company formed under the laws of the Cayman Islands (“CSP Management”) (collectively, the “Reporting Persons,” and each a “Reporting Person”), and amends the Statement on Schedule 13D filed on March 23, 2018 (the “Initial Schedule,” together with the Amendment, the “Schedule 13D”), which relates to the shares of common stock (the “StarTek Common Stock”), par value \$0.01 per share of StarTek, Inc., a Delaware corporation (the “Issuer”).

This Amendment is being filed in connection with the completion of the transactions contemplated by the Transaction Agreement, dated as of March 14, 2018, by and among CSP Alpha Midco Pte Ltd, a Singapore private limited company (“Aegis”), the Aegis Stockholder, and the Issuer, as amended by that certain First Amendment to Transaction Agreement, dated as of July 3, 2018 (as amended, the “Transaction Agreement”). On July 20, 2018, upon completion of the Transactions, the Issuer acquired all of the outstanding capital stock of Aegis and issued 20,600,000 shares of the StarTek Common Stock to the Aegis Stockholder (the “Initial Issuance”). Concurrently, the Aegis Stockholder purchased 166,667 newly issued shares of StarTek Common Stock at a price of \$12.00 per share for a total cash payment to the Issuer of \$2,000,000 (collectively, with the Initial Issuance and all other transactions contemplated by the Transaction Agreement, the “Transactions”). As a result of the completion of the Transactions, Aegis became a wholly-owned subsidiary of the Issuer.

This Amendment amends and supplements the Initial Schedule. Except as set forth herein, the Initial Schedule is unmodified and remains in full force and effect. Each capitalized term used but not defined herein has the meaning ascribed to such term in the Initial Schedule.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Initial Schedule is amended to add the following:

On July 3, 2018, the Issuer, Aegis and the Aegis Stockholder entered into an amendment to the Transaction Agreement (the “First Amendment”). Pursuant to the First Amendment, the number of shares of StarTek Common Stock that the Aegis Stockholder additionally purchased was reduced from 833,333 to 166,667 shares and the additional cash payment amount paid to the Issuer was reduced from \$10,000,000 to \$2,000,000, which continued to represent a purchase price of \$12 per share of StarTek Common Stock. The source of funds for the \$2,000,000 payment was the Reporting Persons’ working capital.

As of July 20, 2018, upon the completion of the Transactions, the Reporting Persons are no longer deemed to have shared voting power with respect to the shares of StarTek Common Stock owned by the Stockholders, who had previously held approximately 29.9% of the outstanding StarTek Common Stock in the aggregate and each of whom had entered into a Support Agreement with the Aegis Stockholder.

A copy of the First Amendment, listed as Exhibit 99.6 hereto, is incorporated by reference to Annex A to the Supplement to the Proxy Statement filed by the Issuer with the SEC on July 3, 2018.

Item 4. Purpose of Transaction.

Item 4 of the Initial Schedule is amended and restated as follows:

Purpose of the Transaction

The Reporting Persons acquired the StarTek Common Stock pursuant to the terms of the Transaction Agreement for the purposes of acquiring control of the Issuer. Pursuant to the Transaction Agreement, at the closing of the Transactions, (a) the Issuer delivered certificates representing 20,766,667 shares of StarTek Common Stock to the Aegis Stockholder; (b) the Aegis Stockholder delivered \$2,000,000 and stock certificates representing all of the shares of the outstanding capital stock of Aegis, including all documents necessary to transfer good and valid title, to the Issuer. As a result, Aegis became a wholly-owned subsidiary of the Issuer, and the Aegis Stockholder holds approximately 56.2% of the outstanding shares of StarTek Common Stock.

Plans or Proposals

Pursuant to the Transaction Agreement and the Stockholders Agreement, dated as of July 20, 2018, by and between the Aegis Stockholder and the Issuer (the “Stockholders Agreement”), the Issuer’s board of directors (the “Board”) will consist of (a) nine (9) members comprised of five (5) directors, including the chairman, designated by the Aegis Stockholder (the “Aegis Designated Directors”), (b) the President and Chief Executive Officer of the Issuer, and (c) three (3) independent directors (the “Non-Stockholder Directors”). Upon the consummation of the Transactions, four Aegis Designated Directors, the new President and Chief Executive Officer of the Issuer and three Non-Stockholder Directors were appointed, with the Aegis Stockholder reserving its right to fill the vacancy of the additional Aegis Designated Director at any time. The Aegis Stockholder has the right to designate a majority of the directors on the Issuer’s board of directors so long as it holds 50% or more of the outstanding shares of StarTek Common Stock and intends to do so for so long as it has such right.

The Reporting Persons, as majority shareholders of the Issuer, intend to continue to evaluate the combined business of the Issuer and Aegis and will seek to increase the value of the Issuer, including by implementing changes to the combined business, which could include changes to senior management. The Reporting Persons may also at any time and from time to time determine (subject to applicable law and the terms of the Stockholders Agreement) to take an action which could involve one or more of the types of transactions contemplated in clauses (a) through (j) of Item 4 of Schedule 13D, including the Reporting Persons or other persons acquiring securities or additional securities of the Issuer, through open market purchases, private agreements or otherwise; disposing of all or a portion of the securities of the Issuer owned by them through open market sales or private agreements; and business combinations or other extraordinary corporate transactions, sales or purchases of material assets, changes in the present capitalization or dividend policy of the Issuer, changes to the Issuer’s business or corporate structure, changes in the Issuer’s certificate of incorporation or bylaws, shared service agreements, collaborations, joint ventures and other business arrangements involving the Issuer. Any action or actions the Reporting Persons might undertake in respect of the Issuer’s securities will be dependent upon the Reporting Persons’ review of numerous factors, including, among other things, the price level and liquidity of the StarTek Common Stock; general market and economic conditions; ongoing evaluation of the Issuer’s and the Reporting Persons’ business, financial condition, operations, prospects and strategic alternatives; the relative attractiveness of alternative business and investment opportunities; tax considerations; and other factors and future developments. Notwithstanding anything to the contrary herein, the Reporting Persons specifically reserve the right to change their intentions with respect to any or all of the foregoing.
