prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

See Item 4 below for a description of the Stock Purchase Agreement.

Item 4. Purpose of Transaction.

The response set forth in item 4 is hereby amended and supplemented with the following:

On July 30, 2010, the Issuer entered into a Stock Purchase Agreement (the “Stock Purchase Agreement”) with Buyer providing for the issuance by the Issuer to Buyer in a private placement of 26,000,000 Shares (the “New Shares”) in consideration for the termination of all of the Issuer’s obligations under the Promissory Note and Security Agreement dated July 3, 2006 (the “Promissory Note”). The Promissory Note evidenced, among other things, a loan made by Buyer to the Issuer in the principal amount of \$7.5 million, bearing interest accruing at 5% per annum with the principal, along with the accrued interest, payable in three equal payments of approximately \$3.5 million at July 2, 2012, July 1, 2013 and June 30, 2014. As at July 30, 2010, the amount outstanding under the Promissory Note, including accrued interest, was approximately \$9.1 million.

Among other conditions, the Stock Purchase Agreement required that the Issuer obtain approval of its shareholders to increase the number of authorized shares of the Issuer’s common stock in an amount sufficient to authorize the issuance of the New Shares. At a special meeting of the Issuer’s shareholders duly called and held on September 14, 2010, the requisite shareholders of the Issuer approved the proposal to amend the Issuer’s Articles of Incorporation to increase the number of authorized shares of the Issuer’s common stock in an amount sufficient to authorize the issuance of the New Shares. Buyer acquired the New Shares on September 15, 2010.

The Issuer also entered into a Registration Rights Agreement with Buyer on July 30, 2010 (the “Registration Rights Agreement”). As required by the Registration Rights Agreement, on August 11, 2010, the Issuer filed a registration statement covering, among other securities, the New Shares acquired by Buyer pursuant to the Stock Purchase Agreement.

Buyer intends to continuously review its holdings in the Issuer on a regular basis and may at any time or from time to time determine to dispose of any Shares it owns in the open market, in privately negotiated transactions or otherwise, in such quantities and at such times as may be determined from time to time, or take any other available course of action, which could involve, among other things, the acquisition or disposition by Buyer or any other person of additional Shares of the Issuer. In reaching any decision as to its course of action, Buyer currently expects that it would take into consideration a variety of factors, including the Issuer’s business, financial condition and prospects, other developments concerning the Issuer and its business generally, other developments and other business opportunities available to Buyer, developments with respect to Buyer’s business and general economic outlook, changes in law and regulations, general economic conditions, and money, currency, commodity and stock market conditions, including the market price of the securities of the Issuer.

Item 5. Interest in Securities of the Issuer.

(a), (b) For the purposes of Rule 13d-3 promulgated under the Securities Exchange Act of 1934, as amended, Buyer may be deemed to beneficially own 27,573,672 Shares, or approximately 16.9% of the outstanding Shares.

(c) None of Buyer, any of the persons named in Item 2 or any of the persons set forth on Schedule A, has effected any transaction in the Shares during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

See response to Item 4.

In addition, in connection with the Stock Purchase Agreement, the Issuer, Buyer and NN Inc. entered into a Payoff and Termination Letter dated July 30, 2010 (the "Termination Letter") to, among other things, terminate the Amended and Restated Stock Purchase Agreement dated January 26, 2005 by and among the Issuer, Buyer and NN Inc. further described in Amendment No. 4 to the statement on Schedule 13D filed on September 29, 2004.

The Voting Agreement dated September 28, 2004 (described in Amendment No. 4 to the statement on Schedule 13D filed on September 29, 2004) by and among Novo Nordisk Delivery Technologies, Inc. and certain owners of Shares including V. Bryan Lawlis, Jr., President and Chief Executive Officer of Issuer, Thomas C. Chesterman, Senior Vice President and Chief Financial Officer of Issuer, Babatunde A. Otulana, M.D., Vice President for Clinical and Regulatory Affairs of Issuer, Richard Thompson, Chairman and a member of the board of directors of Issuer, Igor Gonda, a director of Issuer, Virgil D. Thompson, a director of Issuer and New Enterprise Associates 10, Limited Partnership terminated pursuant to its terms and is no longer in effect.

Item 7. Material to be Filed as Exhibits.

Exhibit 1: Stock Purchase Agreement dated as of July 30, 2010 between Issuer and Buyer (incorporated by reference to Exhibit 10.1 to the Issuer's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 2, 2010).
