INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Asia-Pacific Income Fund, Inc., a Maryland corporation (Fund), to be voted at the Annual Meeting of Stockholders of the Fund (Meeting) to be held at Dryden Hall, 7th Floor, Plaza Building, 751 Broad Street, Newark, New Jersey, on Tuesday, April 15, 2003, at 1:45 p.m. (Eastern time). The approximate mailing date for this Proxy Statement is February 21, 2003 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked, proxies submitted by holders of the Fund's common stock will be voted **FOR** Proposals 1 and 3, and proxies submitted by holders of the Fund's preferred stock will be voted **FOR** Proposals 2 and 3. The persons named as proxy holders will vote in their discretion on any other business that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, Gateway Center 3, 100 Mulberry Street, Newark, New Jersey 07102), or by attending the Meeting and voting in person.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

Approval of Proposal 1 (Election of Class III Directors to the Board of Directors) will require the affirmative vote of a majority of the shares of common stock present in person or by proxy at the Meeting and entitled to vote thereon. Approval of Proposal 2 (Election of Preferred Directors to the Board of Directors) will require the affirmative vote of a majority of the shares of preferred stock present in person or by proxy at the Meeting and entitled to vote thereon. Approval of Proposal 3 (Amendment and restatement of the Fund's charter) will require the affirmative vote of a majority of the shares of common and preferred stock voting together as a single class. An abstention as to Proposals 1, 2 and 3 will be treated as present and will have the effect of a vote against that proposal. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the proposal will not be voted with respect to Proposal 3, and will have the effect of a vote against Proposal 3.

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve the proposals are not received, the proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares cast at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxy holders will vote in favor of the adjournment. If a quorum is present, the proxy holders will vote those proxies required to be voted for a proposal with respect to which insufficient votes for approval have been received, in favor of such adjournment, and will vote those proxies required to be voted against a proposal, against adjournment. A stockholder vote may be taken on any proposal prior to adjournment if sufficient votes have been received for approval of that proposal.

The following table indicates which class of the Fund's stockholders is being solicited with respect to each Proposal to be considered at the Meeting.

PROPOSAL 1: ELECTION OF CLASS III DIRECTORS

The Fund's bylaws provide that the Board of Directors to be elected by holders of the Fund's common stock is divided into three classes, as nearly equal in number as possible, each of which will serve for three years and until their successors are duly elected and qualify, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Fund's Nominating Committee, which is composed entirely of Independent Directors, has nominated David L. The Board of Directors recommends that holders of preferred stock vote FOR the election of the Fund's two nominees as Preferred Directors to the Fund's Board of Directors.

PROPOSAL 3: AMENDMENT AND RESTATEMENT OF THE FUND'S CHARTER

The Fund's charter currently consists of Articles of Amendment and Restatement, various Articles of Amendment and various Articles Supplementary (Charter). The Fund currently has nine series of Auction Market Preferred Stock (AMPS), designated Series A through Series I. Each of these series was created by Articles Supplementary, which form part of the Fund's Charter. Consistent with their terms, the Articles Supplementary creating each series of the AMPS have been amended from time to time since they were adopted either by action of the Board of Directors of the Fund (Board) or by action of the stockholders.

The Board has proposed that the Fund's Charter, including each of the Articles Supplementary creating the Fund's Series A through I AMPS, as amended from time to time (collectively, the Articles Supplementary), be further amended and then restated by means of filing Articles of Amendment and Restatement with the Maryland Department of Assessments and Taxation (Articles of Amendment and Restatement). The Articles of Amendment and Restatement will restate all of the provisions of the Charter currently in effect. As part of the amendment and restatement, it is proposed that each of the separate Articles Supplementary be consolidated into a single Article of the Charter. In addition, the Board is proposing that stockholders approve, at this time, additional amendments to the text of the Charter that now appears as separate Articles Supplementary and which will comprise Article Sixth of the proposed Articles of Amendment and Restatement. The Fund has received assurances from Standard & Poor's Rating Service (S&P) and Moody's Investors Service, Inc. (Moody's) that none of the amendments proposed will adversely affect the current ratings of the AMPS if approved by stockholders and implemented by the Fund. Other than the proposed amendments to the Articles Supplementary, no other amendments to the Charter are being proposed. The terms of the Charter, other than those contained in the Articles Supplementary, will simply be restated in the Articles of Amendment and Restatement.

As more fully described below, the proposed amendments to the Articles Supplementary, subject to stockholder approval, would:

Increase the maximum allowable rate of distributions to be paid to the holders of the AMPS from 150% of the AA Composite Commercial Paper Rate to the greater of (a) 200% of the AA Composite Commercial Paper Rate or (b) 200 basis points plus the AA Composite Commercial Paper Rate;

Permit the Fund to have a Special Dividend Period consisting of a number of days or years (up to five years), rather than its current regular dividend period of seven or 28 days, depending on the series of AMPS in question;

Allow the Fund to use derivatives to the fullest extent previously approved by stockholders, subject to any limitations imposed by S&P or Moody's in order for the Fund to maintain the current ratings of the AMPS;

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

Codify prior Board interpretations regarding certain provisions of the Articles Supplementary creating the Series A through I AMPS;
and

Consolidate each of the separate Articles Supplementary establishing and setting the terms for each of the nine series of AMPS, Series A through Series I, into a single Article Sixth of the Fund's Charter and conform the language of proposed Article Sixth to a similar Article of the charter of another Aberdeen fund that also has auction market preferred stock.

The full text of the proposed Articles of Amendment and Restatement, including the amendments described above, is annexed as Exhibit A. If this Proposal 3 is approved, the Fund will file for record with the State Department of Assessments and Taxation of Maryland the proposed Articles of Amendment and Restatement.

The various modifications proposed for the terms of the AMPS are inextricably intertwined. Taken together, these proposed modifications (discussed in detail below) will reconstitute the terms of each share of AMPS (*i.e.*, each share of preferred stock) of the Fund. Common and preferred stockholders should vote FOR this Proposal 3 if they agree with all of the proposed modified terms of the AMPS, as presented herein. The Board of Directors unanimously recommends a vote FOR this Proposal 3. However, if a stockholder does not approve of any one or more of the proposed modifications set forth in this Proposal 3, the stockholder should consider whether, taken as a whole, the stockholder approves of this Proposal 3, in which case the stockholder should vote FOR Proposal 3, or whether the stockholder's disagreement with any element of the proposed modifications is such that the stockholder should consider voting against this Proposal 3.

Unless the context otherwise requires, the capitalized terms used but not defined in the discussion below will have the meaning ascribed to those terms in the proposed Articles of Amendment and Restatement. The discussion below is qualified in its entirety by reference to the proposed Articles of Amendment and Restatement included as Exhibit A.

Increasing the Maximum Rate of Distributions to Preferred Stockholders

Summary. The Articles Supplementary currently provide a cap on the rate of distributions that may be paid to the holders of the AMPS. The maximum rate of distributions is currently calculated as 150% of the AA Composite Commercial Paper Rate. Because of recent record low commercial paper rates, and the variability of other competing cash management investment yields, there have been several times in recent months when distribution rates set in the auction process have nearly reached the maximum distribution rate. If the rate set at auction had exceeded the maximum distribution rate allowed, the AMPS would have been considered illiquid until the next reset date. In order to maintain liquidity of the AMPS, the Board is proposing that the formula for calculating the maximum rate of distributions to be paid to the holders of the AMPS be changed from 150% of the AA Composite Commercial Paper Rate to the greater of (a) 200% of the AA Composite Commercial Paper Rate or (b) 200 basis points plus the AA Composite Commercial Paper Rate.

Discussion. Generally, the rate of distributions paid on each series of the AMPS is set pursuant to a Dutch auction process. This means that the lowest bid received during an auction of a series of the AMPS that allows Sufficient Clearing Bids is the one that determines the actual rate of distributions paid on that series of the AMPS during any given Dividend Period. However, distributions on the AMPS may not exceed the Maximum Applicable Rate. Thus, under normal market conditions, if there are Sufficient Clearing Bids received in any given auction, the distribution rate will be less than the Maximum Applicable Rate, which is calculated as the product of the AA Composite Commercial Paper Rate (*i.e.*, the Reference Rate) and the applicable percentage (as shown in the table below):

Credit Ratings		Applicable Percentage of Reference Rate
Moody's	S&P	
aa3 or higher	AA- or higher	150%

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

a3 to a1	A- to A+	175%
baa3 to baal	BBB- to BBB+	250%
Below baa3	Below BBB-	300%

Since the AMPS were first issued in June of 1989 and through January 15, 2003, the average rate at which the AMPS have been bid is 4.837% which is the equivalent of 99% of the average AA Composite Commercial Paper Rate for that period. Following the announcement by the Federal Reserve of a 50 basis point easing in interest rates on November 6, 2002, the AMPS auction rates dropped by a similar magnitude. However, during the period from November 8, 2002 through early 2003, the auction rates have come under steady upward pressure due to unusual market conditions and have risen as high as 149.77% of the AA Composite Commercial Paper Rate. As of January 15, 2003, the AMPS were bid at a rate of 1.49% which was the equivalent of 118% of the AA Composite Commercial Paper Rate on that date.

Common stockholders have generally benefited from the Fund's issuance of the AMPS. Since the fiscal quarter beginning August 1, 1997, there have been periods during which the shrinking yield differential between Australia and U.S. rates and a depreciating Australian dollar have resulted in the AMPS having a negative impact on returns to holders of common stock. During the 12 months prior to January 31, 2003, the key investment trend was an end to the unilateral strength of the U.S. dollar. The Australian dollar and most Asian currencies strengthened against the U.S. dollar over the period, with the Australian dollar rising 15.62%. Further, with U.S. interest rates at historic lows, the differential between the cost of the AMPS and the rates at which the Fund invests has been positive in recent months.

As mentioned above, last November the Federal Reserve abruptly lowered the Federal Funds rate to historic lows, dragging down the commercial paper rates to abnormally low levels. The AMPS, which compete with a large number of short-term tax-exempt offerings, did not decline as much as the more liquid commercial paper rates. This widened the spreads in yields between commercial paper rates and AMPS to levels nearly precluding the normally recurring AMPS auctions that provide essential investor liquidity.

Bids to purchase shares of the AMPS that exceed the Maximum Applicable Rate are not accepted. As a result, if there are not enough purchase or hold orders submitted at a rate below the Maximum Applicable Rate for all shares to be cleared, Sufficient Clearing Bids have not been obtained. If there are not Sufficient Clearing Bids made during any given auction, the auction is said to have failed. Under these circumstances, the distribution rate on the AMPS for that Dividend Period will be equal to the Maximum Applicable Rate. The holders of the AMPS during the Dividend Period immediately prior to the failed auction will continue to hold the AMPS until the next regularly scheduled auction at which Sufficient Clearing Bids are obtained. Under these circumstances, there may be limited liquidity in an AMPS investment.

In order to maintain the liquidity of the AMPS, the Board has determined that it is in the best interests of the Fund to increase the Maximum Applicable Rate. It is anticipated that, once market conditions return to their historically normal state, the average applicable rate will once again be well below the current Maximum Applicable Rate.

The Board considered the possibility of redeeming the AMPS in the event that the Maximum Applicable Rate is reached and sustained for any length of time. However, the Board rejected this option on the grounds that the AMPS have for the most part contributed positively over the years to the returns received by the holders of the Fund's common stock. In addition, the Board considered that in order to redeem the AMPS, portfolio securities may need to be sold by the Fund at inopportune times and significant unrealized foreign exchange losses might have to be realized, lowering the amount of income available for distribution to holders of the Fund's common stock. The Board also considered the fact that reissuing the AMPS at a later date would be costly. After balancing these potential costs against the costs to common stockholders of raising the Maximum Applicable Rate (including the cost of this proxy solicitation), the Board determined that this proposed amendment should be presented to stockholders for a vote as part of the Amendment and Restatement.

The proposed amendment would change the calculation of the Maximum Applicable Rate to the product of the Reference Rate and the greater of (a) the applicable percentage of the Reference Rate or (b) the Applicable Spread plus the Reference Rate (as shown in the table below):

Credit Ratings		Applicable Percentage of Reference Rate	Applicable Spread Plus Reference Rate
Moody's	S&P		
aa3 or higher	AA- or higher	200%	200 bps
a3 to a1	A- to A+	210%	210 bps
baa3 to baa1	BBB- to BBB+	300%	300 bps
Below baa3	Below BBB-	325%	325 bps

Assuming the Fund continues to maintain a Aa/AA rating on the AMPS, the practical effect of this change is shown in the table below:

Reference Rate	Max. Rate Using the Applicable Percentage	Max. Rate Using the Applicable Spread	Method Used to Determine Maximum Applicable Rate
1%	2%	3%	Spread
2%	4%	4%	Either
3%	6%	5%	Percentage

Special Dividend Period Mechanism

Summary. A Dividend Period is the number of days that will elapse between resets of the distribution rate on the AMPS. Currently, the Series A, Series B, Series C and Series D AMPS have a Regular Dividend Period of 28 days, meaning that the distribution rates on those series are currently reset every 28 days. The Series E, Series F, Series G, Series H and Series I AMPS currently have a Regular Dividend Period of seven days, meaning that the distribution rates on those series is currently reset every seven days. If Proposal 3 is approved by stockholders, the Fund would be able to request that the next Dividend Period for any of Series A through I be a Special Dividend Period. Special Dividend Periods could consist of a specified number of days (other than the number included in the applicable Regular Dividend Period) evenly divisible by seven, and not fewer than seven nor more than 364 or a specified number of whole years not greater than five years. Thus, the next reset of the distribution rate would be at the end of the number of days specified in the Special Dividend Period.

In order to be able to utilize the Special Dividend Period mechanism, the Fund will be required to get the prior approval of S&P and Moody's, the Fund's Auction Agent and each Broker-Dealer that has entered into a Broker-Dealer Agreement with the Auction Agent. Those entities may only approve the use of the Special Dividend Period mechanism after the consideration of a specified set of factors, which are listed in the third bullet point below. Any Dividend Period following a Special Dividend Period would automatically be a Regular Dividend Period, unless the Fund seeks the prior approval described above for such subsequent Dividend Period.

Discussion. Cumulative cash dividends may be paid on shares of AMPS when, as, and if declared by the Board. Such dividends on shares of AMPS are paid in preference to and in priority over any dividends declared and payable on the Fund's common stock. The Fund has established a Regular Dividend Period for each of the nine series of AMPS. The Regular Dividend Period with respect to the Series A, Series B, Series C and Series D AMPS consists of 28 days. The Regular Dividend Period with respect to the Series E, Series F, Series G, Series H and Series I AMPS consists of seven days.

Under certain market conditions, it may be advantageous for the Fund to be able to reset the number of days that are in a given Dividend Period. For example, depending on then-current interest rates, the Fund may be able to lock in a relatively low interest rate on the AMPS through the use of an interest rate swap and may be able to maximize the benefit of that swap by setting a Dividend Period that corresponds to the cash flows from that swap.

If adopted as proposed, Article Sixth, paragraph 3(c)(iii) of the proposed Articles of Amendment and Restatement will provide for a Special Dividend Period, as follows:

A Special Dividend Period would include (i) a Dividend Period consisting of a specified number of days (other than the number included in the applicable Regular Dividend Period) evenly divisible by seven, and not fewer than seven nor more than 364 (a Short Term Dividend Period); or (ii) a Dividend Period consisting of a specified number of whole years not greater than five years (a Long Term Dividend Period).

The Fund may, at its sole option and to the extent permitted by law, by telephonic and written notice to the Fund's Auction Agent and to each Broker-Dealer with which the Auction Agent has entered into a Broker-Dealer Agreement, request a Special Dividend Period, provided that the Fund may not give a Request for a Special Dividend Period unless (i) the Fund has received written confirmation from S&P and Moody's that such action would not impair the ratings then assigned to the AMPS, (ii) Sufficient Clearing Bids were made in the last occurring Auction, and (iii) full cumulative dividends and any amounts due with respect to redemptions payable prior to such date have been paid in full.

Upon receiving the Fund's request for a Special Dividend Period, the Broker-Dealers have to jointly determine whether, given the following factors, it is advisable that the Fund declare a Special Dividend Period. In making such determination the Broker-Dealers must consider (A) existing short term and long term market rates and indices of such short term and long term rates, (B) existing market supply and demand for short term and long term securities, (C) existing yield curves for short term and long term securities comparable to the AMPS, (D) industry and financial conditions which may affect the AMPS, (E) the investment objective of the Fund, and (F) the Dividend Periods and dividend rates at which current and potential beneficial holders of the AMPS would remain or become beneficial holders.

A Special Dividend Period will not be effective for the AMPS unless Sufficient Clearing Bids exist at an Auction with respect to such Special Dividend Period. If Sufficient Clearing Bids do not exist at such Auction, a Regular Dividend Period will commence on the Business Day succeeding such Auction, and the holders of the outstanding AMPS prior to such Auction will be required to continue to hold such shares for the Regular Dividend Period.

The Fund may not give a Notice of Special Dividend Period or, if the Fund has given a Notice of Special Dividend Period for the AMPS, the Fund will be required to give a Notice of Revocation in respect thereof, if (i) either the 1940 Act AMPS Asset Coverage Requirement is not satisfied or the Fund fails to satisfy the AMPS Basic Maintenance Amount, in each case on each of the two Valuation Dates immediately preceding the Business Day prior to the related Auction Date for the AMPS; (ii) sufficient funds for the payment of dividends payable on the immediately succeeding Dividend Payment Date have not been irrevocably deposited with the Auction Agent by the close of business on the third Business Day preceding the related Auction Date; or (iii) the Broker-Dealers have given the Fund notice that it is not advisable to hold an Auction with respect to a Special Dividend Period. In such event, the next succeeding Dividend Period will be a Regular Dividend Period.

It is possible that, during certain interest rate climates, the holders of the AMPS could be adversely affected by this change since resets of the distribution rate will generally be less frequent. However, those Broker-Dealers who have entered into Broker-Dealer Agreements with the Auction Agent with respect to the Fund would presumably object to the declaration of a given Special Dividend Period if market conditions were such that the AMPS would be adversely affected by a longer period between resets of the distribution rate. If Broker-Dealers object to the declaration of a Special Dividend Period, the Fund may not declare a Special Dividend Period.

Use of Certain Derivatives

Summary. Despite the fact that stockholders have previously approved the Fund's use of derivatives, there is currently a provision of the Articles Supplementary that limits the Fund's ability to hedge certain portfolio securities and limits the Fund's ability to enter into futures and options with respect to certain portfolio securities. If Proposal 3 is approved, those restrictions would be removed. However, the Fund will still have to seek the written approval of S&P and Moody's prior to utilizing any types of derivatives not previously approved in writing by S&P and Moody's.

Discussion. In May 1998, the Fund's stockholders approved a series of proposals allowing the Fund, among other things, to use derivatives to manage currency and interest rate risk, as well as to replicate or substitute for physical securities, such as bonds, bills, cash and foreign exchange securities. In June 2001, the Fund's stockholders voted to expand the categories of permissible derivatives. However, the Fund's use of derivatives continues to be limited by certain provisions of its Articles Supplementary. Therefore, the proposed Amendment and Restatement includes amendments that would allow the Fund to make better use of derivative instruments. The use of derivatives would still be subject to any restrictions imposed by S&P or Moody's in order for the Fund to maintain its current ratings.

The proposed amendments would remove paragraph 9(f) of the Articles Supplementary which currently reads:

(f) So long as any shares of AMPS are outstanding, the Corporation will not engage in short sales or hedging or enter into future contracts or option contracts (other than Forward Contracts) with respect to the Eligible Portfolio Property.

If Proposal 3 is approved, paragraph 9(f) would be repealed but the following would be added to paragraph 3(d)(v) of Article Sixth of the proposed Articles of Amendment and Restatement:

(v) For so long as the AMPS shall be rated by S&P or Moody's, the Corporation shall not: . . . (C) engage in short sales of securities or reverse repurchase agreements.

The proposed amendments would also modify paragraph 7(d) of the Articles Supplementary which currently reads:

(d) Other Permitted Assets. In addition to Eligible Portfolio Property, the Corporation may own Other Permitted Assets and may also own other securities, if the inclusion of any such type of other securities is deemed by the Board of Directors to be in the best interest of the Corporation. Other Permitted Assets and such other securities may be included in Eligible Portfolio Property if the Rating Agencies have advised the Corporation in writing that the inclusion of such Other Permitted Assets or other securities in Eligible Portfolio Property would not adversely affect their respective then-current ratings of the shares of AMPS.

to read in paragraph 7(d) of Article Sixth of the proposed Articles of Amendment and Restatement as follows:

(d) Other Permitted Assets.

(i) In addition to Eligible Portfolio Property, the Corporation may own Other Permitted Assets and may also own other securities, if the inclusion of any such type of other securities is deemed by the Board of Directors to be in the best interest of the Corporation.

(ii) Other Permitted Assets and such other securities may be included in Eligible Portfolio Property if the Rating Agencies have advised the Corporation in writing that the inclusion of such Other Permitted Assets or other securities in Eligible Portfolio Property would not adversely affect their respective then-current ratings of the shares of AMPS.

(iii) The Fund may engage in transactions in Derivatives, subject to any limitations imposed by the Rating Agencies. Derivatives may be included in a Rating Agency's Eligible Portfolio Property if such Rating Agency has advised the Corporation in writing that the inclusion of such assets or securities in Eligible Portfolio Property would not adversely affect its respective then-current ratings of the shares of AMPS. With respect to options, the Fund may purchase and sell (write) options, subject to any limitations imposed by the Rating Agencies.

The proposed amendments would also add the following definition to paragraph 1(a) of Article Sixth of the Articles of Amendment and Restatement:

Derivatives include options, options on currency, futures (including, but not limited to, U.S. Treasury Bond futures), options on futures, forward contracts (including, but not limited to, Forward Contracts), forward currency contracts, interest rate swaps, currency swaps, other types of swaps (including, but not limited to, swaps on securities, financial commodities and indices), caps, collars, floors and currency-linked notes.

Finally, the proposed amendments would modify the definition of Other Permitted Assets in paragraph 1(a) of Article Sixth of the Articles of Amendment and Restatement to add the word Derivatives.

It should be noted that nothing contained in the proposed Articles of Amendment and Restatement would eliminate the need for the Fund to seek the written approval of S&P and Moody's prior to utilizing any types of derivatives not previously approved in writing by S&P and Moody's.

Codifications of Prior Board Interpretations of Certain Provisions of the Articles Supplementary

Summary. In directing the management of the business and affairs of the Fund, the Fund's Board of Directors has been required from time to time to interpret the terms of the Articles Supplementary for the Fund to take certain actions. The amendments proposed have the purpose of incorporating two of those interpretations into the terms of the Charter.

Discussion. There are two principal ways in which the Board has from time to time interpreted the terms of the Articles Supplementary. The first involves the Board's power to make modifications to the definitions contained in paragraph 1 of the current Articles Supplementary when S&P and Moody's have from time to time approved additional types of securities as Eligible Portfolio Property. The Board has taken the interpretive position that various provisions of the Articles Supplementary allow such modifications to be made to the definitions in paragraph 1. The second involves the effect that events such as September 11, 2001 have on Auction procedures. New paragraph 8(f) of Article Sixth of the proposed Articles of Amendment and Restatement simply incorporates in the form of a Charter provision the interpretation the Board made in the days following September 11, 2001 when the auction that was regularly scheduled for that week did not occur.

The Board's Power to Modify Paragraph 1(a) of Article Sixth of the Proposed Articles of Amendment and Restatement. Currently, various provisions of the Articles Supplementary authorize the Board to adjust, modify, alter, change, add or delete from time to time the types of securities (and/or the characteristics thereof) included in certain definitions (e.g., Corporate Bonds, Discount Factors, Eligible Portfolio Property) if S&P and Moody's advise the Fund in writing that such change or specification will not adversely affect their then-current rating of the AMPS. Paragraph 1(b) of Article Sixth of the proposed Amendment and Restatement centralizes this authorization into a single provision but does not change the scope of the current authorization to modify the definitions in paragraph 1.

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

However, under the new paragraph 1(b) of Article Sixth of the proposed Articles of Amendment and Restatement the Board would be authorized to adjust, modify, alter and change from time to time the definitions included in paragraph 1(a) of Article Sixth of the proposed Articles of Amendment and Restatement and the restrictions and guidelines set forth

thereunder. The Board would also be authorized to add additional definitions or delete definitions if, where relevant to the rating accorded by S&P or Moody's, S&P or Moody's, respectively, advises the Fund in writing that such adjustment, modification, alteration, change, addition or deletion will not adversely affect its then current rating of the AMPS. This means, for example, that as S&P and Moody's agree that certain types of portfolio securities in which the Fund invests are eligible to be included in the definition of Eligible Portfolio Property, the Board may approve adjustments, modifications, alterations, changes, additions or deletions to the definitions in paragraph 1(a) of Article Sixth of the Articles of Amendment and Restatement and that those modifications will have the same effect as if they were included in the Charter itself.

The modifications made to the definitions contained in paragraph 1 of the current Articles Supplementary by the Board of Directors pursuant to its power under the current Articles Supplementary and Maryland law have been filed as exhibits to the Fund's registration statement on Form N-2 from time to time. In order for the Charter of the Fund to accurately reflect the current meanings of the definitions in the Articles Supplementary, the Articles of Amendment and Restatement restate those definitions as previously modified by the Board.

Force Majeure. New paragraph 8(f) of Article Sixth of the proposed Articles of Amendment and Restatement provides that in the event that an Auction does not occur on a regular auction date because of any act of God, strike, riot, act of war, act of terrorism, equipment failure, power failure or damage or other causes reasonably beyond the control of the Fund or the Auction Agent, each Existing Holder as of that auction date will continue to hold the shares of AMPS held by that Existing Holder until the next regularly scheduled auction date. The Applicable Rate for any Dividend Period during which Existing Holders continue to hold such shares of AMPS by operation of the force majeure provision will be the same Applicable Rate as applied during the last Dividend Period following an Auction at which there were Sufficient Clearing Bids prior to the applicability of the force majeure provision.

Restatement, Consolidation and Conforming Amendments

Summary. If approved, the proposed Articles of Amendment and Restatement will consolidate each of the separate Articles Supplementary creating all nine series of AMPS, and the terms and definitions used to create such series of AMPS, into a new Article Sixth of the Charter. In addition, the proposed Articles of Amendment and Restatement include a variety of changes designed to conform the terms governing the Series A through I AMPS to the terms governing the AMPS issued by Aberdeen Global Income Fund, Inc., another closed-end investment company in the same fund complex as the Fund. Such changes do not affect the contract rights of stockholders or the risk profile of the Fund. All of these changes are meant to make interpretation and administration easier.

Discussion. The Series A through Series I AMPS were created at different times over the course of more than eight years. The table below shows the inception date of each Series.

<u>Series</u>	<u>Date Created</u>
Series A, B and C	January 17, 1989
Series D	July 26, 1989
Series E	December 21, 1992
Series F	December 16, 1993
Series G	July 25, 1995
Series H and I	September 9, 1996

Over the course of those eight years, S&P and Moody's refined their requirements for the maintenance of the current rating of the Fund's AMPS. Specifically, in later series of the AMPS, S&P and Moody's did not require certain administrative provisions related to the maintenance of the ratings that had been previously required in the Articles

Supplementary with respect to the earlier series. When this happened, S&P and Moody's advised the Fund that it no longer needed to perform the calculations or take the ministerial steps required by those administrative provisions with respect to the earlier series. However, those provisions currently remain in the Articles Supplementary for the early series even though the administrative activities contemplated by those provisions are no longer required. For housekeeping purposes, those provisions have been removed in the process of integrating the terms of all nine series of AMPS into Article Sixth of the proposed Articles of Amendment and Restatement. Substantive differences among the series that continue to apply have been preserved in Article Sixth of the proposed Amendment and Restatement.

In addition, the terms and conditions of the auction market preferred stock issued by Aberdeen Global Income Fund, Inc., another closed-end investment company in the same complex as the Fund, are similar to those of the Articles Supplementary in many respects. However, there are differences in the way certain terms and conditions are phrased, even though the substance of the provisions is the same. In order to make interpretations easier and more uniform within the complex, the proposed Articles of Amendment and Restatement include a variety of amendments designed to conform the provisions of these documents to the extent practicable without otherwise changing the substance of the provisions.

Amendments to the names of service providers that have changed over the years are also included in the proposed Articles of Amendment and Restatement.

The attached Articles of Amendment and Restatement integrate (i) a restatement (without amendments) of the Fund's current Charter, including the original Articles of Amendment and Restatement, (ii) each previously filed Articles of Amendment, (iii) each previously filed Articles Supplementary not affecting the terms of Article Sixth of the proposed Articles of Amendment and Restatement, and (iv) those amendments described in Proposal 3.

The Board of Directors recommends that common and preferred stockholders vote FOR Proposal 3.

Committees and Board of Directors Meetings

The Board of Directors has a standing Audit and Valuation Committee, composed entirely of Independent Directors. Each member is also independent within the meaning of the American Stock Exchange (AMEX) listing standards. The Audit and Valuation Committee pre-approves and reviews both the audit and non-audit work of the Fund's independent accountants, submits recommendations to the Board of Directors as to the selection of independent accountants and reviews compliance of the Fund with regulations of the U.S. Securities and Exchange Commission (SEC) and the Internal Revenue Service, and other related matters.

The Board of Directors has adopted an Audit Charter and a Valuation Charter for its Audit and Valuation Committee. A copy of the Fund's Audit Charter is attached to this Proxy Statement as Exhibit A. The Audit and Valuation Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1 from PricewaterhouseCoopers LLP (PwC), the Fund's independent accountants, and has discussed with PwC its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC required to be discussed by Statement on Auditing Standards No. 61. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2002. The members of the Fund's Audit and Valuation Committee are Messrs. Anthony E. Aaronson, Peter D. Sacks and John T. Sheehy.

The Board of Directors also has a standing Contract Review Committee, composed entirely of Independent Directors. The Contract Review Committee reviews and makes recommendations to the Board of Directors with respect to entering into, renewal or amendment of the Fund's management agreement, advisory agreement, administration agreement, investor relations services agreement and other agreements. The members of the Fund's Contract Review Committee are Messrs. David L. Elsum, Neville J. Miles and William J. Potter.

The Board of Directors also has a standing Nominating Committee, composed entirely of Independent Directors. The Nominating Committee considers candidates for service as Fund Directors and remuneration to be paid to Fund Directors. The Nominating Committee does not consider nominees recommended by security holders. The members of the Fund's Nominating Committee are Messrs. Neville J. Miles, William J. Potter and John T. Sheehy.

During the Fund's fiscal year ended October 31, 2002, the Board of Directors held four meetings, the Audit and Valuation Committee held two meetings, the Contract Review Committee held no meetings, and the Nominating Committee held three meetings. Each of the Directors then in office attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

The following table sets forth information regarding compensation of Directors by the Fund and by the fund complex of which the Fund is a part for the fiscal year ended October 31, 2002. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the fund complex for performing their duties as officers or Directors, respectively. In the column headed "Total Compensation From Fund and Fund Complex Paid to Directors," the number in parentheses indicates the total number of boards in the fund complex on which the Director serves or served at any time during the fiscal year ended October 31, 2002. Directors are paid a fee of \$21,000 per year. Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons), to file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the AMEX. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, and except as provided in the following sentence, the Fund believes that during the fiscal year ended October 31, 2002, its Reporting Persons complied with all applicable filing requirements. Mr. Brian Sherman inadvertently filed a Form 4 Statement of Changes in Beneficial Ownership subsequent to the period specified in the Form.

Relationship of Directors or Nominees with the Investment Adviser and the Investment Manager. Aberdeen Asset Managers (C.I.) Limited serves as investment manager to the Fund (the Investment Manager) and Aberdeen Asset Management Limited serves as investment adviser to the Fund (the Investment Adviser) pursuant to a management agreement dated December 22, 2000 and an advisory agreement dated December 22, 2000, respectively. The Investment Adviser is a wholly-owned subsidiary of Aberdeen Asset Management Holdings Limited (AAMHL), an Australian corporation. The registered offices of the Investment Adviser and AAMHL are located at Level 6, 201 Kent Street, Sydney, NSW, Australia. Both the Investment Manager and AAMHL are wholly-owned subsidiaries of Aberdeen Asset Management PLC, a United Kingdom corporation. The registered offices of Aberdeen Asset Management PLC are located at One Albyn Place, Aberdeen, Scotland AB10 1YG.

Mr. Martin Gilbert, a Director of the Fund, also serves as a director of the Investment Manager and the Investment Adviser and as the Chief Executive and an Executive Director of Aberdeen Asset Management PLC, the parent company of the Investment Manager and the Investment Adviser. Under the terms of an Investor Relations Services Agreement, Aberdeen Fund Managers, Inc. (doing business under the name Aberdeen Asset Management Inc.), an affiliate of the Investment Manager and the Investment Adviser, provides investor relations services to the Fund for a monthly retainer of \$10,000, plus out-of-pocket expenses.

On December 22, 2000, all of the shares of the Investment Manager, of the parent of the Investment Adviser, and of EquitiLink International (Channel Islands) Limited (EICIL) were transferred to Aberdeen Asset Management PLC, pursuant to a Share Sale Agreement between Aberdeen on the one side, and entities of which Messrs. Laurence S. Freedman and Brian M. Sherman are the principal stockholders, and the stockholders of EICIL, on the other side. Total consideration for the sale was US \$80 million, subject to certain adjustments. The consideration was paid in a combination of cash and preference shares issued by Aberdeen. At the time of the execution of the Share Sale Agreement, Messrs. Freedman and Sherman were Directors and the principal stockholders of the Investment Manager, and also served as, respectively, Joint Managing Director, and Joint Managing Director and Chairman, of the Investment Adviser. In connection with this sale, Messrs. Freedman and Sherman resigned as Joint Managing Directors of the Investment Adviser and as Directors of the Investment Manager.

INFORMATION REGARDING INDEPENDENT ACCOUNTANTS

The Board of Directors of the Fund, upon recommendation of the Audit and Valuation Committee, has selected PricewaterhouseCoopers LLP, independent accountants, to audit the financial statements of the Fund for the fiscal year ending October 31, 2003. During the fiscal year ended October 31, 2002, the fees for services rendered by PwC were:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees*

* This amount includes fees for services rendered by PwC to the Fund, the Investment Manager and Investment Adviser, and entities controlling, controlled by, or under common control with, the Investment Manager and Investment Adviser that provide services to the Fund.

The Audit and Valuation Committee of the Fund has reviewed information presented by the Fund's independent accountants that addressed the matters set forth in Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered whether the provision of non-audit services to the Fund and of professional services to the Fund's Investment Adviser and to entities controlling, controlled by, and under common control with, the Fund's Investment Adviser that provide services to the Fund is compatible with maintaining the independence of the Fund's independent accountants. The Fund knows of no direct or indirect interest of PwC in the Fund.

Representatives from PwC are expected to be present at the Meeting and will have the opportunity to respond to questions from stockholders and to make a statement if they so desire.

Aa3/AA- or better	100%
Below Aa3/AA-	50%
Below A3/A-	25%
Below BBB3/BBB-	10%

(a) Holders of shares of AMPS shall be entitled to receive, when, as, and if declared by the Board of Directors of the Corporation, out of funds legally available therefor, cumulative cash dividends at the Applicable Rate per annum (determined as set forth below), and no more, payable on the respective dates set forth below. Dividends on the shares of AMPS so declared and payable shall be paid in preference to and in priority over any dividends declared and payable on the Common Stock.

(b) (i) Cash dividends on shares of AMPS shall accumulate from the Date of Original Issue and shall be payable, when, as, and if declared by the Board of Directors commencing on the Initial Dividend Payment Date. Accumulated dividends shall be payable commencing on (A) February 14, 1989 (the 27th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series A; (B) February 22, 1989 (the 35th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series B; (C) February 28, 1989 (the 41st day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series C; (D) August 22, 1989 (the 21st day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series D; (E) January 5, 1993 (the 13th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series E; (F) January 10, 1994 (the 21st day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series F; (G) August 9, 1995 (the 13th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series G; (H) September 19, 1996 (the 9th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series H; and (I) on September 20, 1996 (the 10th day after the Date of Original Issue), with respect to the Auction Market Preferred Stock, Series I (hereinafter, with respect to a series of AMPS, such date is referred to as the Initial Dividend Payment Date). Following the Initial Dividend Payment Date, the dividends on each series of the AMPS will be payable, at the option of the Corporation, either (A) with respect to any Regular Dividend Period or any Short Term Dividend Period of 91 or fewer days, on the day next succeeding the last day thereof, (B) with respect to any Short Term Dividend Period of more than 91 and fewer than 365 days, on the 92nd day thereof, the 183rd day thereof, if any, the 274th day thereof, if any, and on the day next succeeding the last day thereof and (C) with respect to any Long Term Dividend Period, quarterly on the first day of each January, April, July and October during such Long Term Dividend Period and on the day next succeeding the last day thereof (each such date referred to in clause (A), (B) or (C) being herein referred to as a Normal Dividend Payment Date), except that if such Normal Dividend Payment Date is not a Business Day, dividends payable on such Normal Dividend Payment Date shall be paid on the first Business Day succeeding such Normal Dividend Payment Date. The Initial Dividend Periods, Regular Dividend Periods and Special Dividend Periods are hereinafter sometimes referred to as Dividend Periods. Each dividend payment date determined as provided above is hereinafter referred to as a Dividend Payment Date.

(ii) Each dividend shall be paid to Holders as they appear in the Stock Register as of 12:00 noon, New York City time, on the Business Day preceding the dividend Payment Date. Dividends in arrears for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holders as they appear on the Stock Register on a date, not exceeding 15 days prior to the payment date therefor, as may be fixed by the Board of Directors of the Corporation.

(c) (i) During the period from and including the Date of Original Issue to, but excluding, the Initial Dividend Payment Date (the Initial Dividend Period), the Applicable Rate shall be the Initial Dividend Rate. The Applicable Rate (A) for the Auction Market Preferred Stock, Series A shall be 9.4% per annum for the Initial Dividend Period; (B) for the Auction Market Preferred Stock, Series B shall be 9.4% per annum for the Initial Dividend Period; (C) for the Auction Market Preferred Stock, Series C shall be 9.4% per annum for the Initial Dividend Period; (D) for the Auction Market Preferred Stock, Series D shall be 9.125% per annum for the Initial Dividend Period; (E) for the Auction Market Preferred Stock, Series E shall be 4.125% per annum for the Initial Dividend Period; (F) for the Auction Market Preferred Stock, Series F shall be 3.5% per annum for the Initial Dividend Period; (G) for the Auction Market Preferred Stock, Series G shall be 5.875% per annum for the Initial Dividend Period; (H) for the Auction Market Preferred Stock, Series H shall be 5.35% per annum for the Initial Dividend Period; and (I) for the Auction Market Preferred Stock, Series I shall be 5.35% per annum for the Initial Dividend Period. Commencing on the Initial Dividend Payment Date, the Applicable Rate for each subsequent dividend period (hereinafter referred to as a Subsequent Dividend Period), which Subsequent Dividend Period shall commence on and include a Dividend Payment Date and shall end on and include the calendar day prior to the

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

next Dividend Payment Date, shall be equal to the rate per annum that results from implementation of the Auction Procedures.

The Applicable Dividend Rate for each Dividend Period commencing during a Non-Payment Period shall be equal to the Non-Payment Period Rate; and each Dividend Period, commencing after the first day of, and during, a Non-Payment Period shall be a Regular Dividend Period. Any amount of any dividend due on any Dividend Payment Date (if, prior to the close of business on the second Business Day preceding such Dividend Payment Date, the Corporation has declared such dividend payable on such Dividend Payment Date to the Holders of such shares of AMPS as of 12:00 noon, New York City time, on the Business Day preceding such Dividend Payment Date) or redemption price with respect to any shares of AMPS not paid to such Holders when due may be paid to such Holders in the same form of funds by 12:00 noon, New York City time, on any of the first three Business Days after such

A-25

Dividend Payment Date or due date, as the case may be, provided that, such amount is accompanied by a late charge calculated for such period of non-payment at the Non-Payment Period Rate applied to the amount of such non-payment based on the actual number of days comprising such period divided by 360. For the purposes of the foregoing, payment to a person in same-day funds on any Business Day at any time shall be considered equivalent to payment to such person in New York Clearing House (next-day) funds at the same time on the preceding Business Day, and any payment made after 12:00 noon, New York City time, on any Business Day shall be considered to have been made instead in the same form of funds and to the same person before 12:00 noon, New York City time, on the next Business Day.

(ii) The amount of cash dividends per share of AMPS payable (if declared) on each Dividend Payment Date of each Regular Dividend Period and each Short Term Dividend Period shall be computed by multiplying the Applicable Rate for such Dividend Period by a fraction, the numerator of which will be the number of days in such Dividend Period such share was outstanding and the denominator of which will be 360, multiplying the amount so obtained by \$25,000, and rounding the amount so obtained to the nearest cent. During any Long Term Dividend Period, the amount of dividends per share payable on any Dividend Payment Date shall be computed on the basis of a year consisting of twelve 30-day months.

(iii) With respect to each Dividend Period that is a Special Dividend Period, the Corporation may, at its sole option and to the extent permitted by law, by telephonic and written notice (a Request for Special Dividend Period) to the Auction Agent and to each Broker-Dealer, request that the next succeeding Dividend Period for the AMPS be a number of days (other than the number of days in the applicable Regular Dividend Period), evenly divisible by seven, and not fewer than seven or more than 364 in the case of a Short Term Dividend Period or a number of whole years not greater than five years in the case of a Long Term Dividend Period, specified in such notice, provided that for any Auction occurring after the initial Auction, the Corporation may not give a Request for Special Dividend Period (and any such request shall be null and void) unless the Corporation has received written confirmation from Moody's and S&P that such action would not impair the ratings then assigned to the AMPS by Moody's and S&P and unless Sufficient Clearing Bids were made in the last occurring Auction and unless full cumulative dividends and any amounts due with respect to redemptions payable prior to such date have been paid in full. Such Request for Special Dividend Period, in the case of a Short Term Dividend Period, shall be given on or prior to the fourth day but not more than seven days prior to an Auction Date for the AMPS and, in the case of a Long Term Dividend Period, shall be given on or prior to the 14th day but not more than 28 days prior to an Auction Date for the AMPS. Upon receiving such Request for Special Dividend Period, the Broker-Dealer(s) shall jointly determine whether, given the factors set forth below, it is advisable that the Corporation issue a Notice of Special Dividend Period for the AMPS as contemplated by such Request for Special Dividend Period and the Optional Redemption Price of the AMPS during such Special Dividend Period and the Specific Redemption Provisions and shall give the Corporation and the Auction Agent written notice (a Response) of such determination by no later than the third day prior to such Auction Date. In making such determination the Broker-Dealer(s) will consider (A) existing short term and long term market rates and indices of such short term and long term rates, (B) existing market supply and demand for short term and long term securities, (C) existing yield curves for short term and long term securities comparable to the AMPS, (D) industry and financial conditions which may affect the AMPS, (E) the investment objective of the Corporation, and (F) the Dividend Periods and dividend rates at which current and potential beneficial holders of the AMPS would remain or become beneficial holders. If the Broker-Dealer(s) shall not give the Corporation and the Auction Agent a Response by such third day or if the Response states that given the factors set forth above it is not advisable that the Corporation give a Notice of Special Dividend Period for the AMPS, the Corporation may not give a Notice of Special Dividend Period in respect of such Request for Special Dividend Period. In the event the Response indicates that it is advisable that the Corporation give a Notice of Special Dividend Period for the AMPS, the Corporation may by no later than the second day prior to such Auction Date give a notice (a Notice of Special Dividend Period) to the Auction Agent, the Securities Depository and each Broker-Dealer which notice will specify (A) the duration of the Special Dividend Period, (B) the Optional Redemption Price as specified in the related Response and (C) the Specific Redemption Provisions, if any, as specified in the related Response. The Corporation shall not give a Notice of Special Dividend Period or, if the Corporation shall have already given a Notice of Special Dividend Period, the Corporation is required to give telephonic and written notice (a Notice of Revocation) to the Auction Agent, each Broker-Dealer, and the Securities Depository on or prior to the Business Day prior to the relevant Auction Date if (x) either the 1940 Act AMPS Asset Coverage is not satisfied or the Corporation shall fail to maintain the AMPS Basic Maintenance Amount on each of the two Valuation Dates immediately preceding the Business Day prior to the relevant Auction Date on an actual basis and on a pro forma basis giving effect to the proposed Special Dividend Period (using as a pro forma dividend rate with respect to such special Dividend Period the dividend rate which the Broker-Dealers shall advise the Corporation is an approximately equal rate for securities similar to the AMPS with an equal dividend period), provided that in calculating the aggregate Discounted Value of Eligible Portfolio Property, the Moody's exposure period shall be deemed to be one week longer than the period utilized to produce the discount factors assigned by Moody's under the definition of Discount Factors found in paragraph 1(a), (y) sufficient funds for the payment of dividends payable on the immediately succeeding Dividend Payment Date have not been irrevocably deposited with the Auction Agent by the close of business on the third Business Day preceding the related Auction Date or (z) the Broker-Dealer(s) jointly advise the Corporation that after consideration of the factors listed above they have concluded that it is advisable to give a Notice of Revocation. If the Corporation is prohibited from giving a

Notice of Special Dividend Period as a result of any of the factors enumerated in clause (x), (y) or (z) of the prior sentence or if the Corporation gives a Notice of Revocation with respect to a Notice of Special Dividend Period for the AMPS, the next succeeding Dividend Period for that series will be a Regular Dividend Period. In addition, in the event Sufficient Clearing bids are not made in the applicable Auction or such Auction is not held for any reason, such next succeeding Dividend Period will be a Regular Dividend Period and the Corporation may not again give a Notice of Special Dividend Period for the AMPS (and any such attempted notice shall be null and void) until Sufficient Clearing Bids have been made in an Auction with respect to a Regular Dividend Period.

(d) (i) Holders shall not be entitled to any dividends, whether payable in cash, property or stock, in excess of full cumulative dividends and applicable late charge, as herein provided, on the shares of AMPS. Except for the late charge payable pursuant to paragraph 3(c)(i) of this Article Sixth, no interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment on the shares of AMPS that may be in arrears.

(ii) For so long as any share of AMPS is Outstanding, the Corporation shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Stock or other stock, if any, ranking junior to the shares of AMPS as to dividends or upon liquidation) in respect of the Common Stock or any other stock of the Corporation ranking junior to or on a parity with the shares of AMPS as to dividends or upon liquidation, or call for redemption, redeem, purchase or otherwise acquire for consideration any shares of the Common Stock or any other such junior stock (except by conversion into or exchange for stock of the Corporation ranking junior to the shares of AMPS as to dividends and upon liquidation), unless, in each case, immediately thereafter, (A) the AMPS Basic Maintenance Amount would be met, (B) the 1940 Act AMPS Assets Coverage Requirement would be met, (C) all mandatory redemptions of shares of Preferred Stock pursuant to paragraph 5(b) of this Article Sixth have been completed, and (D) all accumulated and unpaid dividends for all past dividend periods for all Preferred Stock shall have been or are contemporaneously paid in full (or declared and sufficient Deposit Securities have been set apart for their payment). Prior to the payment of any such dividend or other distribution, the Corporation will provide the Auction Agent and the Rating Agencies with an AMPS Basic Maintenance Report (which may be the regular weekly report) and a certificate demonstrating compliance with the foregoing conditions.

(iii) For so long as any shares of AMPS are Outstanding, the Corporation shall not create, incur or suffer to exist, or agree to create, incur or suffer to exist, or consent to cause or permit in the future (upon the happening of a contingency or otherwise) the creation, incurrence or existence of any material lien, mortgage, pledge, charge, security interest, security agreement, conditional sale or trust receipt or other material encumbrance of any kind (collectively Liens) upon any of its Eligible Portfolio Property, except for (A) Liens the validity of which are being contested in good faith by appropriate proceedings, (B) Liens for taxes that are not then due and payable or that can be paid thereafter without penalty, (C) Liens to secure payment for services rendered by the Auction Agent in connection with the AMPS, and (D) Liens otherwise incurred in connection with borrowings made in the ordinary course of business in accordance with the Corporation's stated investment objective, policies and restrictions.

(iv) Any dividend payment made on the shares of AMPS shall first be credited against the dividends accumulated with respect to the earliest Dividend Period for which dividends have not been paid.

(v) For so long as the AMPS shall be rated by S&P or Moody's, the Corporation shall not:

(A) issue any other series or class of stock which is senior to the AMPS;

(B) issue any series or class of stock which is on a parity with the shares of AMPS unless it has been advised in writing by the Rating Agencies that such issuance will not adversely affect their respective then-current ratings of the AMPS; or

(C) engage in short sales of securities or reverse repurchase agreements.

(e) Not later than 12:00 noon, New York City time, on the Business Day next preceding each Dividend Payment Date, the Corporation shall deposit with the Paying Agent Deposit Securities constituting immediately available funds in an amount sufficient to pay the dividends that are payable on such Dividend Payment Date. The Corporation may direct the Paying Agent with respect to the investment of any such Deposit Securities, provided that the proceeds of any such investment will be available at the opening of business on such Dividend Payment Date in immediately available funds.

(f) The Board of Directors, or any duly authorized committee thereof, may make or change allocations of income and/or any designation of sources with respect to dividends declared on the AMPS, if, in its sole judgment, it deems it advisable to do so for the purpose of maintaining the qualification of the Corporation as a regulated investment company for federal income tax purposes and/or to avoid tax consequences which, in the sole judgment of the Board of Directors, would be adverse to the Corporation or its shareholders.

4. Liquidation Rights.

(a) In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the Holders of shares of AMPS shall be entitled to receive, out of the assets of the Corporation available for distribution to shareholders, before any distribution or payment is made upon any Common Stock or any other capital stock of the Corporation ranking junior to the AMPS as to liquidation payments, the sum of \$25,000 per share, plus an amount equal to all unpaid dividends accumulated to and including the date fixed for such distribution or payment (whether or not earned or declared by the Corporation, but excluding interest thereon), but such Holders shall be entitled to no further participation in any distribution or payment in connection with any such liquidation, dissolution or winding up.

(b) If, upon any such liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the assets of the Corporation available for distribution among the Holders of all Outstanding shares of AMPS shall be insufficient to permit the payment in full of such Holders of the amounts to which they are entitled, then such available assets shall be distributed among the Holders of shares of Preferred Stock, including the AMPS, ratably in any such distribution of assets according to the respective amounts which would be payable on all such shares if all amounts thereon were paid in full.

(c) Neither the consolidation or merger of the Corporation with or into any other corporation or entity, nor the sale, lease or exchange by the Corporation of all, substantially all, or any part of the property or assets of the Corporation, shall be deemed or construed to be a voluntary or involuntary liquidation, dissolution or winding up of the Corporation for purposes of this paragraph 4.

5. Redemption.

Shares of the AMPS shall be redeemable by the Corporation as provided below:

(a) To the extent permitted under the Investment Company Act and Maryland law, the Corporation at its option, upon filing with the Commission, mailing and publishing a Notice of Redemption as described in paragraph 5(e) of this Article Sixth, may redeem shares of AMPS, in whole or in part, on the next succeeding scheduled Dividend Payment Dates for those shares of AMPS called for redemption, out of funds legally available therefor, at the Optional Redemption Price per share, provided that no share of AMPS may be redeemed at the option of the Corporation during a Non-Call Period to which such share is subject. The Corporation may not give a Notice of Redemption relating to an optional redemption as described in this paragraph 5 unless, at the time of giving such Notice of Redemption, the Corporation has available Deposit Securities with maturity or tender dates not later than the day preceding the applicable redemption date and having a value not less than the amount due to Holders of shares of AMPS by reason of the redemption of their shares on such redemption date.

(b) The Corporation shall redeem, out of funds legally available therefor, at the Mandatory Redemption Price, shares of AMPS to the extent permitted under the Investment Company Act and Maryland law, on a date fixed by the Board of Directors applicable to those shares of AMPS called for redemption, if the Corporation fails to maintain the AMPS Basic Maintenance Amount or 1940 Act AMPS Asset Coverage Requirement, as the case may be, and such failure is not cured on or before the AMPS Basic Maintenance Cure Date or the 1940 Act Cure Date (hereinafter respectively referred to as a Cure Date), as the case may be, as reflected in an AMPS Basic Maintenance Report delivered to the Auction Agent and the Rating Agencies and confirmed by the Corporation's Independent Accountants. The number of shares of AMPS to be redeemed shall be equal to the lesser of (i) the minimum number of shares of AMPS the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, together with all shares of other Preferred Stock subject to redemption or retirement, would result in the satisfaction of the AMPS Basic Maintenance Amount or the 1940 Act AMPS Asset Coverage Requirement, as the case may be, on such Cure Date (provided that, if there is no such minimum number of shares of AMPS and shares of other Preferred Stock the

redemption of which would have such result, all shares of AMPS together with all shares of other Preferred Stock subject to redemption or retirement then Outstanding shall be redeemed), and (ii) the maximum number of shares of AMPS, together with all shares of other Preferred Stock subject to redemption or retirement, that can be redeemed out of funds expected to be legally available therefor on such redemption date. In determining the number of shares of AMPS required to be redeemed in accordance with the foregoing, the Corporation shall allocate the amount required to be redeemed which would result in the achievement of (x) the 1940 Act AMPS Asset Coverage Requirement, and (y) the AMPS Basic Maintenance Amount, pro rata, among the AMPS and any other Preferred Stock, subject to redemption pursuant to provisions similar to those contained in this paragraph 5(b); provided that, shares of AMPS which may not be redeemed at the option of the Corporation due to the designation of a Non-Call Period applicable to such shares (A) will be subject to mandatory redemption only to the extent that other shares are not available to satisfy the number of shares required to be redeemed and (B) will be selected for redemption in an ascending order of outstanding number of days in the Non-Call Period (with shares with the lowest number of days to be redeemed first) and by lot in the event of shares having an equal number of days in such Non-Call Period. The Corporation shall effect such redemption on a Business Day which is not later than 30 days (45 days in the case of Series A, Series B, Series C and Series D) after such Cure Date, except that if the Corporation does not have funds legally available for the redemption of all of the required number of shares of AMPS and shares of other Preferred Stock which are subject to mandatory redemption or the Corporation otherwise is unable to effect such redemption on or prior to such 30th day (45th days in the case of Series A, Series B, Series C and Series D) after such Cure Date, the

Corporation shall redeem those shares of AMPS which it is unable to redeem on the earliest practicable date on which it is able to effect such redemption out of funds legally available therefor.

(c) Notwithstanding any other provision of this paragraph 5, no shares of AMPS may be redeemed other than as specified below, unless (i) all accumulated and unpaid dividends on all Outstanding shares of AMPS and all remaining Outstanding shares of other Preferred Stock for all past dividend periods shall have been or are contemporaneously paid or declared and Deposit Securities maturing on or prior to the date fixed for redemption are set apart for the payment of such dividends and (ii) if redemption thereof would result in the Corporation's failure to maintain the 1940 Act AMPS Asset Coverage Requirement and the AMPS Basic Maintenance Amount; provided, however, that the Corporation without regard to such limitations, (x) may redeem, purchase or otherwise acquire shares of AMPS (A) with other Preferred Stock as a whole, pursuant to an optional redemption or (B) pursuant to a purchase or exchange offer made for all of the Outstanding shares of AMPS and other Preferred Stock, and (y) shall redeem, purchase or otherwise acquire shares of AMPS with other Preferred Stock as a whole if required pursuant to a mandatory redemption, to the extent permitted under the Investment Company Act, Maryland law and the Charter. In the event that less than all the outstanding shares of AMPS are to be redeemed and there is more than one Holder, the shares of AMPS to be redeemed shall be selected by lot, on a pro rata basis, or in such other manner as will not discriminate unfairly against any record holder of shares of such AMPS.

(d) So long as the AMPS shall be rated by Moody's, the Corporation shall, by the fifth Business Day after a Failure to Cure, be required to hold an amount, composed of Cash or any other asset constituting Eligible Portfolio Property which has a Moody's Discount Factor as of such fifth Business Day of 1.000 and which matures prior to the date set for redemption which has an aggregate Discounted Value at least equal to the redemption payment for the shares of AMPS to be redeemed; provided, however that this obligation may be satisfied by depositing Cash in trust as contemplated by paragraph 5(f) below; and provided further that the Corporation shall sell assets prior to such fifth Business Day if necessary to meet the requirements of this paragraph (d), it being understood that in no event shall it sell any asset prior to maturity which had a Moody's Discount Factor of 1.000 measured as of the last Valuation Date on which the AMPS Basic Maintenance Amount was met if it would be necessary to utilize such asset in order to make any redemption payment contemplated by this paragraph 5.

(e) Whenever shares of AMPS are to be redeemed, the Corporation shall, not less than five nor more than 30 days prior to the applicable redemption date, file with the Commission as required under the Investment Company Act, a written notice of redemption (a Notice of Redemption). The Notice of Redemption shall be (i) mailed by first-class mail, postage prepaid or sent by facsimile transmission, to each Holder of shares of AMPS to be redeemed, and (ii) published by the Corporation in an Authorized Newspaper, not fewer than 15 nor more than 20 days prior to such redemption date. Not fewer than five nor more than 10 days before such mailing date, the Corporation shall mail the Notice of Redemption to the Paying Agent. Each Notice of Redemption shall state (A) the series of AMPS or other Preferred Stock to be redeemed, (B) the redemption date, (C) the redemption price, (D) the place or places where such AMPS are to be surrendered for payment of the redemption price, (E) that dividends on the shares to be redeemed will cease to accumulate on such redemption date, (F) the provision of this Article Sixth under which the redemption is being made, (G) if less than all the Outstanding shares of AMPS are to be redeemed, the number of shares to be redeemed and the basis upon which the shares to be redeemed are to be selected, and (H) the CUSIP number or numbers of the shares to be redeemed. No defect in the Notice of Redemption or in the mailing or publication thereof shall affect the validity of the redemption proceedings, except as required by applicable law.

(f) If the Corporation shall give a Notice of Redemption, then by 12:00 noon, New York City time, on the Business Day next preceding the date fixed for redemption the Corporation shall deposit with the Paying Agent Deposit Securities constituting immediately available funds in an amount sufficient to redeem the shares of AMPS to be redeemed. In such event the Corporation shall give the Paying Agent irrevocable instructions and authority to pay the redemption price to the Holders of the shares of AMPS called for redemption upon the redemption date. The Corporation may direct the Paying Agent with respect to the investment of any Deposit Securities so deposited provided that the proceeds of any such investment will be available at the opening of business on such redemption date. The Deposit Securities deposited with the Paying Agent pursuant to the immediately preceding sentence and the shares of AMPS to be redeemed and funds deposited with a paying agent with irrevocable instructions to pay the redemption price with respect to any other shares of Preferred Stock for which a notice of redemption has been duly given shall be excluded from the calculation of the AMPS Basic Maintenance Amount, the 1940 Act AMPS Asset Coverage Ratio, and the 1940 Act AMPS Asset Coverage Requirement. Upon the date of such deposit, or if no such deposit is made, then upon such date fixed for redemption (unless the Corporation shall default in making payment of the redemption price), all rights of the Holders of the shares of AMPS so called for redemption shall cease and terminate except the right of the Holders thereof to receive the redemption price thereof inclusive of accumulated but unpaid dividends, but without any interest, and such shares shall no longer be deemed Outstanding for any purpose. The Corporation shall be entitled to receive, promptly after the date fixed for redemption, any cash in excess of the aggregate redemption price of the

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

shares of AMPS called for redemption on such date and any remaining Deposit Securities. Any assets so deposited which are unclaimed at the end of one year from such redemption date shall, to the extent permitted by law, be repaid to the Corporation, after which the Holders of the shares of AMPS so called for redemption shall look

A-29

only to the Corporation for payment thereof. The Corporation shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the Deposit Securities so deposited.

(g) Shares of AMPS that have been redeemed, purchased or otherwise acquired by the Corporation may not be reissued, shall not be deemed Outstanding, and shall be retired and cancelled.

(h) In addition to redemption rights expressly established under this Article Sixth, the Corporation may repurchase shares of AMPS to the extent now or hereafter permitted by the laws of the State of Maryland and by the Investment Company Act.

(i) If the Corporation shall not have funds legally available for the redemption of all the shares of the AMPS to be redeemed on any redemption date (or is otherwise legally unable to effect such redemption), the Corporation shall redeem on such redemption date the number of shares of AMPS as it shall be legally able to redeem, ratably from each Existing Holder whose shares are to be redeemed and the remainder of the shares of the AMPS required to be redeemed shall be redeemed, as provided in paragraph 5(b) above.

6. Voting Rights.

(a) General. Each holder of AMPS shall be entitled to one vote for each share held on each matter on which the holders of the AMPS are entitled to vote and, except as otherwise provided in the Charter, the By-Laws, this Article Sixth or by law, the holders of the AMPS and the Common Stock shall vote together as one class on all matters submitted to the shareholders; provided, however, that at any meeting of shareholders of the Corporation at which directors are to be elected, the holders of Preferred Stock of all series, voting separately as a single class, shall be entitled to elect two members of the Board of Directors, and the holders of Common Stock, voting separately as a single class, shall be entitled to elect the balance of the members of the Board of Directors.

(b) Right to Elect Majority of Board of Directors.

(i) During any period in which (A) dividends on any Outstanding Preferred Stock of any series shall be due and unpaid in an amount equal to two full years' dividends; or (B) the Corporation fails to redeem any shares of Preferred Stock that are required to be redeemed pursuant to paragraph 5(b) above or that would have been so redeemed but for the requirement that redemption be made out of legally available funds, or (C) holders of any other shares of Preferred Stock are entitled to elect a majority of the directors of the Corporation (the Voting Period), the number of directors constituting the Board of Directors shall automatically be increased by the smallest number that, when added to the two directors elected by the holders of Preferred Stock pursuant to paragraph 6(a) above, will constitute a majority of the total number of directors so increased; and at a special meeting of shareholders, which shall be called and held as soon as practicable, and at all subsequent meetings at which directors are to be elected, the holders of Preferred Stock of all series voting separately as a single class shall be entitled to elect the smallest number of additional directors of the Corporation who, together with the two directors elected by the holders of Preferred Stock pursuant to paragraph 6(a) above, will constitute a majority of the total number of directors of the Corporation so increased. The terms of office of the persons who are directors at the time of that election shall continue.

(ii) If the Corporation thereafter shall pay, or declare and set apart for payment, in full all dividends payable on all Outstanding shares of Preferred Stock of all series for all past dividend periods and if the Corporation has remedied any failure to redeem shares of Preferred Stock that are required to be redeemed pursuant to paragraph 5(b) above, and holders of no other series of Preferred Stock are entitled to elect a majority of the directors of the Corporation, the Voting Period and the voting rights stated in this paragraph 6(b) shall cease, and the terms of office of all additional directors elected by the holders of Preferred Stock (but not of the directors elected by the holders of Common Stock or the two

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

directors regularly elected by the holders of Preferred Stock as provided in paragraph 6(a)) shall terminate automatically, subject always, however, to the revesting of such voting rights in the holders of shares of Preferred Stock upon the further occurrence of any of the events described in clauses (A), (B) or (C) of paragraph 6(b)(i).

(c) Voting Procedures.

(i) As soon as practicable after the accrual of any right of the holders of shares of Preferred Stock to elect directors pursuant to paragraph 6(b), the Corporation shall call a special meeting of, and mail a notice to, such holders of shares of Preferred Stock. Such special meeting shall be held not less than 10 nor more than 80 days after the date of mailing of such notice. If the Corporation fails to send such notice, the meeting may be called by any holder of shares of Preferred Stock on like notice. The record date for determining the holders of shares of Preferred Stock entitled to notice of and to vote at such special meeting shall be the close of business on the fifth Business Day preceding the day on which such notice is given. At any such special meeting and at each meeting at which directors are elected held during a Voting Period, the holders of shares of Preferred Stock, voting together as a class (to the exclusion of the holders of shares of Common Stock), shall be entitled to elect the number of directors prescribed in paragraph 6(b) above on a one-vote-per-share basis. At any such meeting or adjournment thereof in the absence of a quorum, a majority of the holders of shares of Preferred Stock, present in person or by proxy or any officer of the Corporation present entitled to preside or act as Secretary of such meeting shall have the power to adjourn the meeting without further notice to a date not more than 120 days after the original record date for such meeting.

(ii) For purposes of determining any rights of the holders of shares of Preferred Stock to vote on any matter, whether such right is created by the Charter, by statute or otherwise, only Holders of shares of Outstanding Preferred Stock shall be entitled to vote.

(iii) The directors elected by the holders of shares of Preferred Stock pursuant to paragraph 6(b) shall (subject to the provisions of any applicable law) be subject to removal only by the vote of the holders of a majority of the shares of Preferred Stock Outstanding. Any vacancy on the Board of Directors occurring by reason of such removal or otherwise (in the case of directors subject to election by the holders of shares of Preferred Stock) may be filled only by vote of the holders of at least a majority of shares of Preferred Stock Outstanding, and if not so filled, such vacancy shall (subject to the provisions of any applicable law) be filled by a majority of the remaining directors (or the remaining director) who were elected by the holders of shares of Preferred Stock. Any other vacancy on the Board of Directors during a Voting Period shall be filled as provided in the Corporation's By-Laws.

(iv) At any time when the holders of shares of Preferred Stock become entitled to elect additional directors pursuant to paragraph 6(b), the maximum number of directors fixed by the By-Laws of the Corporation or otherwise shall automatically be increased by the number of such additional directors if required; and at such time as the holders of shares of Preferred Stock shall no longer be entitled to elect directors pursuant to paragraph 6(b), such exact number shall automatically be decreased by the number by which they were increased by reason of this provision.

(d) Corporate Acts. So long as any shares of AMPS are Outstanding, the Corporation shall not, subject to the requirements of the Investment Company Act and Maryland law, without the affirmative vote or consent of the holders of at least two-thirds of the votes of the shares of AMPS Outstanding at the time, either in person or by proxy, either in writing or at a meeting (voting separately as one class) in addition to any vote required by Article Fifth of this Charter: (i) amend, alter or repeal the provisions of the Charter, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of shares of AMPS or the Holders, or (ii) create, authorize, issue, incur or suffer to exist any indebtedness for borrowed money or any direct or indirect guarantee of any such indebtedness, provided, however, that the Corporation may authorize the issuance of indebtedness for borrowed money, for temporary or emergency purposes or for the clearance of transactions, in an aggregate amount not to exceed the lesser of \$10,000,000 or 10% of the aggregate liquidation preference of the shares of AMPS Outstanding at any one time without any such consent or approval, provided that, with or without the consent or approval of the holders, such action would not result in the lowering of the then-current rating of the shares of AMPS by the Rating Agencies (as evidenced in writing by the Rating Agencies); provided that any increase in the amount of the authorized AMPS or the creation and issuance of other series of Preferred Stock, or any increase in the amount of authorized shares of such series or of any other series of Preferred Stock, in each case ranking on a parity with or junior to the AMPS will not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers unless such issuance would cause the Corporation not to satisfy the 1940 Act AMPS Asset Coverage Requirement or the AMPS Basic Maintenance Amount.

The foregoing voting provisions shall not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all Outstanding shares of AMPS shall have been redeemed or called for redemption and sufficient funds shall have been deposited in trust to effect such redemption.

(e) Exclusive Remedy. Unless otherwise required by law, the Holders shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. In the event that the Corporation fails to pay any dividends on the shares of AMPS or the Corporation fails to redeem any shares of AMPS which it is required to redeem, or any other event occurs which requires the mandatory redemption of AMPS and the required Notice of Redemption has not been given, the exclusive remedy of the Holders shall be the right to vote for directors pursuant to the provisions of this paragraph 6. In no event shall the Holders have any right to sue for, or bring a proceeding with respect to, such dividends or redemptions or damages for the failure to receive the same.

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

(f) Notification to Rating Agencies. In the event a vote of Holders of AMPS is required pursuant to the provisions of Section 13(a) of the Investment Company Act, the Corporation shall, not later than ten Business Days prior to the date on which such vote is to be taken, notify the Rating Agencies that such vote is to be taken and the nature of the action with respect to which such vote is to be taken and, not later than ten Business Days after the vote is taken, notify S&P and Moody's of the result of such vote.

7. Asset Coverage.

(a) 1940 Act AMPS Asset Coverage Requirement.

The Corporation shall maintain, as of the last Valuation Date of each month in which any share of AMPS is Outstanding, the 1940 Act AMPS Asset Coverage Requirement. The calculation of the 1940 Act AMPS Asset Coverage Ratio shall be included in each AMPS Basic Maintenance Report.

A-31

(b) AMPS Basic Maintenance Amount.

(i) For so long as any shares of AMPS are Outstanding, the Corporation will maintain, on each Valuation Date, as evidenced by the completion of an AMPS Basic Maintenance Report, Eligible Portfolio Property having an aggregate Discounted Value at least equal to the AMPS Basic Maintenance Amount, each as of such Valuation Date. Upon any failure to maintain the AMPS Basic Maintenance Amount, the Corporation will use its best efforts to alter the composition of its portfolio so as to satisfy such test on or prior to the AMPS Basic Maintenance Cure Date.

(ii) On or before 10:00 A.M., New York City time, on the fourth Business Day after (A) the Date of Original Issuance, (B) each Quarterly Surprise Valuation Date thereafter, (C) any Valuation Date on which the Corporation shall fail to meet the AMPS Basic Maintenance Amount, (D) any Valuation Date on which it cures its failure to satisfy the AMPS Basic Maintenance Amount, (E) any Valuation Date on which it fails to meet the AMPS Basic Maintenance Amount by 25% or more, or (F) any Valuation Date as may be specified by S&P, the Corporation shall complete and deliver to Moody's and S&P and the Auction Agent, in the case of clauses (A) and (B) and to the relevant Rating Agency, in the case of clauses (C) (F), an AMPS Basic Maintenance Report as of the relevant Valuation Date. All such AMPS Basic Maintenance Reports shall be deemed to have been delivered to Moody's, S&P or the Auction Agent upon receipt of a copy or telecopy or other electronic transcription thereof if on the same day the Corporation mails the AMPS Basic Maintenance Report for delivery on the next possible Business Day. A failure by the Corporation to deliver an AMPS Basic Maintenance Report as contemplated by this paragraph 7(b)(ii) shall be deemed to be delivery of an AMPS Basic Maintenance Report indicating a failure to satisfy the AMPS Basic Maintenance Amount.

(iii) Within seven Business Days after the required date of delivery of the initial AMPS Basic Maintenance Report or any AMPS Basic Maintenance Report delivered with respect to a Quarterly Surprise Valuation Date in accordance with paragraph 7(b)(ii) above, the Corporation shall deliver to the Auction Agent and the Rating Agencies a report or reports (the Accountant's Confirmation) reviewing the portfolio calculations, prepared by the Corporation's Independent Accountants, relating to such AMPS Basic Maintenance Report substantially to the effect that (A) the Independent Accountants have read such AMPS Basic Maintenance Reports (each, a Report); (B) with respect to the 1940 Act AMPS Asset Coverage Ratio and the AMPS Basic Maintenance Amount, the result of the calculations set forth in each Report have been recalculated and are numerically correct; (C) with respect to the excess or deficiency of the aggregate Discounted Value of the Eligible Portfolio Property amount when compared to the AMPS Basic Maintenance Amount, the results of the calculation set forth in each Report have been recalculated and are numerically correct; (D) with respect to (x) any trade price, bid or mean price (or such alternative permissible factor used in calculating the Market Value) provided to the Corporation for purposes of valuing securities in the Corporation's portfolio, the Independent Accountant has compared the price used in such Report to the trade price, the bid or mean price listed in such Report as provided to the Corporation and verified that such information agrees; (y) with respect to the lower of two bid prices provided to the Corporation for purposes of valuing securities in the portfolio, the Independent Accountants have compared the price used in each Report with the lower of the two bid prices listed in the Report and verified that such information agrees (in the event such information does not agree, the Independent Accountants will provide a listing in their report of such differences); and (E) that the assets listed in each Report conform with the definition of Eligible Portfolio Property. If any letter reviewing the portfolio calculations delivered pursuant to this paragraph shows that an error was made in an AMPS Basic Maintenance Report for a particular Valuation Date for which such Accountant's Confirmation was required to be delivered or shows that a lower aggregate Discounted Value for the aggregate of all Eligible Portfolio Property was determined by the Independent Accountants, the calculation or determination made by such Independent Accountants shall be final and conclusive and shall be binding on the Corporation, and the Corporation shall promptly amend the AMPS Basic Maintenance Report and deliver the amended AMPS Basic Maintenance Report to the Auction Agent, S&P and Moody's.

(iv) For so long as shares of AMPS are rated by Moody's, in managing the Corporation's portfolio, the Investment Manager will not alter the composition of the Corporation's portfolio if, in the reasonable belief of the Investment Manager, the effect of any such alteration would be to cause the Corporation to have Eligible Portfolio Property with an aggregate Discounted Value, as of the immediately preceding Valuation Date, less than the AMPS Basic Maintenance Amount as of such Valuation Date; provided, however, that in the event that, as of the immediately preceding Valuation Date, the aggregate Discounted Value of Eligible Portfolio Property exceeded the AMPS Basic Maintenance Amount by 25% or less, the Investment Manager will not alter the composition of the Corporation's portfolio in a manner reasonably expected to reduce the aggregate Discounted Value of Eligible Portfolio Property unless the Corporation shall have confirmed that, after giving effect to such alteration, the aggregate Discounted Value of Eligible Portfolio Property would exceed the AMPS Basic Maintenance Amount.

(c) Calculation of AMPS Basic Maintenance Amount; Accounting Treatment.

(i) Eligible Portfolio Property of the Corporation shall be determined on an accrual basis in accordance with customary practice under which Eligible Portfolio Property purchased and not yet received are so reflected as Eligible Portfolio Property.

A-32

(ii) Dividends on the Common Stock which are payable in Common Stock shall, after the effective date of any election by a holder of Common Stock to receive such dividend, be excluded from current liabilities.

(iii) Withholding taxes with respect to interest earned on any asset of the Corporation if such interest is not included in Eligible Portfolio Property, shall be excluded from current liabilities.

(iv) With respect to Eligible Portfolio Property sold by the Corporation as of or prior to the Valuation Date, the Market Value of such property will be reflected in Eligible Portfolio Property and will be discounted at the appropriate Discount Factor, provided, however, that if the determination is being made by Moody's, the sales price of such property will be reflected as Cash or Australian Currency, as appropriate, to the extent that such receivable is due and payable within five Business Days (determined as for a Valuation Date) and trades generating the receivable are (A) settled through clearing house firms with respect to which the issuer has received prior authorization from Moody's or (B) with counterparties having a long term rating by Moody's of at least Baa3 and if the determination is being made for S&P, the sales price of such property will be reflected in Cash or Australian Currency, as appropriate, to the extent that such receivable is due and payable within five Business Days (determined as for a Valuation Date).

(d) Other Permitted Assets.

(i) In addition to Eligible Portfolio Property, the Corporation may own Other Permitted Assets and may also own other securities, if the inclusion of any such type of other securities is deemed by the Board of Directors to be in the best interest of the Corporation.

(ii) Other Permitted Assets and such other securities may be included in Eligible Portfolio Property if the Rating Agencies have advised the Corporation in writing that the inclusion of such Other Permitted Assets or other securities in Eligible Portfolio Property would not adversely affect their respective then-current ratings of the shares of AMPS.

(iii) The Fund may engage in transactions in Derivatives, subject to any limitations imposed by the Rating Agencies. Derivatives may be included in a Rating Agency's Eligible Portfolio Property if such Rating Agency has advised the Corporation in writing that the inclusion of such assets or securities in Eligible Portfolio Property would not adversely affect its respective then-current ratings of the shares of AMPS. With respect to options, the Fund may purchase and sell (write) options, subject to any limitations imposed by the Rating Agencies.

(xvi) Winning Bid Rate shall have the meaning specified in paragraph 8(d)(i) below.

(b) Orders by Beneficial Owners, Potential Beneficial Owners, Existing Holders and Potential Holders.

(i) Unless otherwise permitted by the Corporation, Beneficial Owners and Potential Beneficial Owners may only participate in Auctions through their Broker-Dealers. Broker-Dealers will submit the Orders of their respective customers who are Beneficial Owners and Potential Beneficial Owners to the Auction Agent, designating themselves as Existing Holders in respect of shares subject to Orders submitted or deemed submitted to them by Beneficial Owners and as Potential Holders in respect of shares subject to Orders submitted to them by Potential Beneficial Owners. A Broker-Dealer may also hold shares of AMPS in its own account as a Beneficial Owner. A Broker-Dealer may thus submit Orders to the Auction Agent as a Beneficial Owner or a Potential Beneficial Owner and therefore participate in an Auction as an Existing Holder or Potential Holder on behalf of both itself and its customers. On or prior to the Submission Deadline on each Auction Date:

(A) each Beneficial Owner may submit to its Broker-Dealer information as to:

(1) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner desires to continue to hold without regard to the Applicable Rate for the next succeeding Dividend Period;

(2) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner desires to continue to hold, provided that the Applicable Rate for the next succeeding Dividend Period shall not be less than the rate per annum specified by such Beneficial Owner; and/or

(3) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner offers to sell without regard to the Applicable Rate for the next succeeding Dividend Period; and

(B) each Broker-Dealer, using a list of Potential Beneficial Owners that shall be maintained in good faith for the purpose of conducting a competitive Auction, shall contact Potential Beneficial Owners, including Persons that are not Beneficial Owners, on such list to determine the number of Outstanding shares, if any, of AMPS which each such Potential Beneficial Owner offers to purchase, provided that the Applicable Rate for the next succeeding Dividend Period shall not be less than the rate per annum specified by such Potential Beneficial Owner.

For the purposes hereof, the communications by a Beneficial Owner or Potential Beneficial Owner to a Broker-Dealer, or the communication by a Broker-Dealer acting for its own account to the Auction Agent, or the communications by a Broker-Dealer on behalf of a Beneficial Owner or Potential Beneficial Owner to the Auction Agent, of information referred to in clause (A) or (B) of this paragraph 8(b)(i) is hereinafter referred to as an Order and each Beneficial Owner and each Potential Beneficial Owner placing an Order, including a Broker-Dealer acting in such capacity for its own account and each Broker-Dealer placing an Order on behalf of a Beneficial Owner or Potential Beneficial Owner, is hereinafter referred to as a Bidder; an Order containing the information referred to in clause (A)(1) of this paragraph 8(b)(i) or clause (C) of paragraph 8(b)(ii) is hereinafter referred to as a Hold Order; an Order containing the information referred to in clause (A)(2) or (B) of this paragraph 8(b)(i) is hereinafter referred to as a Bid; and an Order containing the information referred to in clause (A)(3) of this paragraph 8(b)(i) is hereinafter referred to as a Sell Order. Inasmuch as a Broker-Dealer participates in an Auction as an Existing Holder or a Potential Holder only to represent the interests of a Beneficial Owner or Potential Beneficial Owner, whether it be its customers or itself, all discussion herein relating to the consequences of an Auction for Existing Holders and Potential Holders also applies to the underlying beneficial ownership interests represented.

(ii) (A) A Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the number of Outstanding shares of AMPS specified in such Bid if the Applicable Rate determined on such Auction Date shall be less than the rate per annum specified in such Bid; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(i)(D) if the Applicable Rate determined on such Auction Date shall be equal to the rate per annum specified therein; or

(3) a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(ii)(C) if such specified rate per annum shall be higher than the Maximum Applicable Rate and Sufficient Clearing Bids do not exist.

(B) A Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the number of Outstanding shares of AMPS specified in such Sell Order; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(ii)(C) if Sufficient Clearing Bids do not exist.

(C) A Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(1) the number of Outstanding shares of AMPS specified in such Bid if the Applicable Rate determined on such Auction Date shall be higher than the rate per annum specified in such Bid; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(i)(E) if the Applicable Rate determined on such Auction Date shall be equal to the rate per annum specified therein.

(c) Submissions of Orders by Broker-Dealers to Auction Agent.

(i) Each Broker-Dealer shall submit in writing or through the Auction Agent's Auction Processing System to the Auction Agent prior to the Submission Deadline on each Auction Date all Orders obtained by such Broker-Dealer, designating itself (unless otherwise permitted by the Corporation) as an Existing Holder in respect of shares subject to Orders submitted or deemed submitted to it by Beneficial Owners and as a Potential Holder in respect of shares subject to Orders submitted to it by Potential Beneficial Owners, and specifying with respect to each Order:

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

(A) the name of the Bidder placing such Order (which shall be the Broker-Dealer unless otherwise permitted by the Corporation);

(B) the aggregate number of Outstanding shares of AMPS that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(1) the number of Outstanding shares, if any, of AMPS subject to any Hold Order placed by such Existing Holder;

(2) the number of Outstanding shares, if any, of AMPS subject to any Bid placed by such Existing Holder and the rate per annum specified in such Bid; and

(3) the number of Outstanding shares, if any, of AMPS subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate per annum specified in such Potential Holder's Bid.

(ii) If any rate per annum specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one-thousandth (.001) of 1%.

(iii) If an Order or Orders covering all of the Outstanding shares of AMPS held by an Existing Holder are not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order (in the case of an Auction relating to a Dividend Period which is not a Special Dividend Period) and a Sell Order (in the case of an Auction relating to a Special Dividend Period) to have been submitted on behalf of such Existing Holder covering the number of Outstanding shares of AMPS held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

(iv) If one or more Orders on behalf of an Existing Holder covering in the aggregate more than the number of Outstanding shares of AMPS held by such Existing Holder are submitted to the Auction Agent, such Orders shall be considered valid as follows and in the following order of priority:

(A) any Hold Order submitted on behalf of such Existing Holder shall be considered valid up to and including the number of Outstanding shares of AMPS held by such Existing Holder; provided that if more than one Hold Order is submitted on behalf of such Existing Holder and the number of shares of AMPS subject to such Hold Orders exceeds the number of Outstanding shares of AMPS held by such Existing Holder, the number of shares of AMPS subject to each of such Hold Orders shall be reduced pro rata so that such Hold Orders, in the aggregate, will cover exactly the number of Outstanding shares of AMPS held by such Existing Holder;

(B) any Bids submitted on behalf of such Existing Holder shall be considered valid, in the ascending order of their respective rates per annum if more than one Bid is submitted on behalf of such Existing Holder, up to and including the excess of the number of Outstanding shares of AMPS held by such Existing Holder over the number of shares of AMPS subject to any Hold Order referred to in paragraph 8(c)(iv)(A) above (and if more than one Bid submitted on behalf of such Existing Holder specifies the same rate per annum and together they cover more than the remaining number of shares that can be the subject of valid Bids after application of paragraph 8(c)(iv)(A) above and of the foregoing portion of this paragraph 8(c)(iv)(B) to any Bid or Bids specifying a lower rate or rates per annum, the number of shares subject to each of such Bids shall be reduced pro rata so that such Bids, in the aggregate, cover exactly such remaining number of shares); and the number of shares, if any, subject to Bids not valid under this paragraph 8(c)(iv)(B) shall be treated as the subject of a Bid by a Potential Holder; and

(C) any Sell Order shall be considered valid up to and including the excess of the number of Outstanding shares of AMPS held by such Existing Holder over the number of shares of AMPS subject to Hold Orders referred to in paragraph 8(c)(iv)(A) and Bids referred to in paragraph 8(c)(iv)(B); provided that if more than one Sell Order is submitted on behalf of any Existing Holder and the number of shares of AMPS subject to such Sell Orders is greater than such excess, the number of shares of AMPS subject to each of such Sell Orders shall be reduced pro rata so that such Sell Orders, in the aggregate, cover exactly the number of shares of AMPS equal to such excess.

(v) If more than one Bid is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate per annum and number of shares of AMPS therein specified.

(vi) Any Order submitted by a Beneficial Owner or a Potential Beneficial Owner to its Broker-Dealer, or by a Broker-Dealer to the Auction Agent, prior to the Submission Deadline on any Auction Date shall be irrevocable.

(d) Determination of Sufficient Clearing Bids, Winning Bid Rate and Applicable Rate.

(i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a Submitted Hold Order, a Submitted Bid or a Submitted Sell Order, as the case may be, or as a Submitted Order) and shall determine:

(A) the excess of the total number of Outstanding shares of AMPS over the number of Outstanding shares of AMPS that are the subject of Submitted Hold Orders (such excess being hereinafter referred to as the Available AMPS);

(B) from the Submitted Orders whether the number of Outstanding shares of AMPS that are the subject of Submitted Bids by Potential Holders specifying one or more rates per annum equal to or lower than the Maximum Applicable Rate exceeds or is equal to the sum of:

(1) the number of Outstanding shares of AMPS that are the subject of Submitted Bids by Existing Holders specifying one or more rates per annum higher than the Maximum Applicable Rate; and

(2) the number of Outstanding shares of AMPS that are subject to Submitted Sell Orders.

If such excess or such equality exists (other than because the number of Outstanding shares of AMPS in clauses (1) and (2) above are each zero because all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders), then Sufficient Clearing Bids exist; and

(C) if Sufficient Clearing Bids exist, the lowest rate per annum specified in the Submitted Bids (the Winning Bid Rate) that if:

(1) each Submitted Bid from Existing Holders specifying the Winning Bid Rate and all other Submitted Bids from Existing Holders specifying lower rates per annum were rejected, thus entitling such Existing Holders to continue to hold the shares of AMPS that are the subject of such Submitted Bids, and

(2) each Submitted Bid from Potential Holders specifying the Winning Bid Rate and all other Submitted Bids from Potential Holders specifying lower rates per annum were accepted, thus entitling those Potential Holders to purchase the shares of AMPS that are the subject of such Submitted Bids, would result in the number of shares subject to all Submitted Bids specifying the Winning Bid Rate or a lower rate per annum being at least equal to the Available AMPS.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph 8(d)(i), the Auction Agent shall advise the Corporation of the Maximum Applicable Rate and, based on such determinations, the Applicable Rate for the next succeeding Dividend Period as follows:

(A) if Sufficient Clearing Bids exist, that the Applicable Rate for the next succeeding Dividend Period shall be equal to the Winning Bid Rate;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders), that the Applicable Rate for the next succeeding Dividend Period shall be equal to the Maximum Applicable Rate; or

(C) if all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders, that the Dividend Period next succeeding the Auction shall automatically be the same length as the immediately preceding Dividend Period and the Applicable Rate for the next succeeding Dividend Period shall be equal to 90% of the Reference Rate on the date of the Auction.

(e) Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Shares.

Based on the determinations made pursuant to paragraph 8(d)(i), the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, subject to the provisions of paragraph 8(e)(iii) and paragraph 8(e)(iv), Submitted Bids and Submitted Sell Orders shall be accepted or rejected in the following order of priority and all other Submitted Bids shall be rejected:

(A) the Submitted Sell Orders of Existing Holders shall be accepted and the Submitted Bid of each of the Existing Holders specifying any rate per annum that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the Outstanding shares of AMPS that are the subject of such Submitted Sell Order or Submitted Bid;

(B) the Submitted Bid of each of the Existing Holders specifying any rate per annum that is lower than the Winning Bid Rate shall be accepted, thus entitling each such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid;

(C) the Submitted Bid of each of the Potential Holders specifying any rate per annum that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the shares of AMPS that are the subject of such Submitted Bids;

(D) the Submitted Bid of each of the Existing Holders specifying a rate per annum that is equal to the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid, unless the number of Outstanding shares of AMPS subject to all such Submitted Bids shall be greater than the number of Outstanding shares of AMPS (Remaining Shares) equal to the excess of Available AMPS over the number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(i)(B) and paragraph 8(e)(i)(C), in which event the Submitted Bids of each such Existing Holder shall be accepted, and each such Existing Holder shall be required to sell Outstanding shares of AMPS, but only in an amount equal to the difference between (1) the number of Outstanding shares of AMPS then held by such Existing Holder subject to such Submitted Bid and (2) the number of shares of AMPS obtained by multiplying (x) the number of Remaining Shares by (y) a fraction, the numerator of which shall be the number of Outstanding shares of AMPS held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the numbers of Outstanding shares of AMPS subject to such Submitted Bids made by all such Existing Holders that specified a rate per annum equal to the Winning Bid Rate; and

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

(E) the Submitted Bid of each of the Potential Holders specifying a rate per annum that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the shares of AMPS that are the subject of such Submitted Bids, but only in an amount equal to the number of Outstanding shares of AMPS obtained by multiplying (x) the difference between the Available AMPS and the number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(i)(B), paragraph 8(e)(i)(C) and paragraph 8(e)(i)(D) by (y) a fraction the numerator of which shall be the number of Outstanding shares of AMPS subject to such Submitted Bids and the denominator of which shall be the sum of the number of Outstanding shares of AMPS subject to such Submitted Bids made by all such Potential Holders that specified rates per annum equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding shares of AMPS are subject to Submitted Hold Orders), subject to the provisions of paragraph 8(e)(iii), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) the Submitted Bid of each Existing Holder specifying any rate per annum that is equal to or lower than the Maximum Applicable Rate shall be rejected, thus entitling such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid;

(B) the Submitted Bid of each Potential Holder specifying any rate per annum that is equal to or lower than the Maximum Applicable Rate shall be accepted, thus requiring such Potential Holder to purchase the Outstanding shares of AMPS that are the subject of such Submitted Bid; and

(C) the Submitted Bids of each Existing Holder specifying any rate per annum that is higher than the Maximum Applicable Rate shall be accepted and the Submitted Sell Orders of each Existing Holder shall be accepted, thus requiring each such Existing Holder to sell shares of AMPS that are the subject of such Submitted Bid or Submitted Sell Order, in both cases only in an amount equal to the difference between (1) the number of Outstanding shares of AMPS then held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and (2) the number of shares of AMPS obtained by multiplying (x) the difference between the Available AMPS and the aggregate number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(ii)(A) and paragraph 8(e)(ii)(B) by (y) a fraction the numerator of which shall be the number of Outstanding shares of AMPS held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the number of Outstanding shares of AMPS subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If, as a result of the procedures described in paragraph 8(e)(i) or paragraph 8(e)(ii), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a fraction of a share of AMPS on any Auction Date, the Auction Agent shall, in such manner as in its sole discretion it shall determine, round up or down the number of shares of AMPS to be purchased or sold by an Existing Holder or Potential Holder on such Auction Date so that each Outstanding share of AMPS purchased or sold by each Existing Holder or Potential Holder on such Auction Date shall be a whole share of AMPS.

(iv) If, as a result of the procedures described in paragraph 8(e)(i), any Potential Holder would be entitled or required to purchase less than a whole share of AMPS on any Auction Date, the Auction Agent, in such manner as in its sole discretion it shall determine, shall allocate shares of AMPS for purchase among Potential Holders so that only whole shares of AMPS are purchased on such Auction Date by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any shares of AMPS on such Auction Date.

(v) Based on the results of each Auction, the Auction Agent shall determine, with respect to each Broker-Dealer that submitted Bids or Sell Orders on behalf of Existing Holders or Potential Holders, the aggregate number of Outstanding shares of AMPS to be purchased and the aggregate number of Outstanding shares of AMPS to be sold by such Potential Holders and Existing Holders and, to the extent that such aggregate number of Outstanding shares to be purchased and such aggregate number of Outstanding shares to be sold differ, the Auction Agent shall determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Outstanding shares of AMPS.

(f) Force Majeure. Notwithstanding any other provision of this Article Sixth, in the event that an Auction does not occur on an Auction Date because of any act of God, strike, riot, act of war, act of terrorism, equipment failure, power failure or damage or other causes reasonably beyond the control of the Corporation or the Auction Agent, each Existing Holder as of such Auction Date will continue to hold the shares of AMPS held by such Existing Holder until the next Auction Date. The Applicable Rate for any Dividend Period during which Existing Holders continue to hold such shares of AMPS by operation of this paragraph 8(f) shall be the same Applicable Rate as applied during the last Dividend Period following an Auction at which there were Sufficient Clearing Bids prior to the applicability of this paragraph 8(f). Any Dividend Period during which Existing Holders continue to hold such shares of AMPS by operation of this paragraph 8(f) shall consist of the same number of days as the last Dividend Period following an Auction at which there were Sufficient Clearing Bids prior to the applicability of this paragraph 8(f).

9. Miscellaneous.

(a) To the extent permitted by applicable law, the Board of Directors may interpret or adjust the provisions of this Article Sixth to resolve any inconsistency or ambiguity, remedy any formal defect or make any other change or modification which does not adversely affect the rights of Beneficial Owners of shares of AMPS and if such inconsistency or ambiguity reflects an incorrect provision hereof then the Board of Directors may authorize the filing of a Certificate of Amendment or a Certificate of Correction, as the case may be.

(b) A Beneficial Owner or an Existing Holder (A) may sell, transfer or otherwise dispose of shares of AMPS only pursuant to a Bid or Sell Order in accordance with the procedures described in paragraph 8 or to or through a Broker-Dealer, provided that in the case of all transfers other than pursuant to Auctions such Existing Holder or Broker-Dealer (acting on its own behalf or on behalf of a Beneficial Owner), if applicable, or its Agent Member advises the Auction Agent of such transfer and (B) except as otherwise required by law, shall have the ownership of the shares of AMPS held by it maintained in book entry form by the Securities Depository in the account of its Agent Member, which in turn will maintain records of such Beneficial Owner's beneficial ownership. Neither the Corporation nor any Affiliate shall submit an Order in any Auction. Any Beneficial Owner that is

an Affiliate shall not sell, transfer or otherwise dispose of shares of AMPS to any Person other than the Corporation. All of the Outstanding shares of AMPS shall be represented by a single certificate registered in the name of the nominee of the Securities Depository unless otherwise required by law or unless there is no Securities Depository. If there is no Securities Depository, at the Corporation's option and upon its receipt of such documents as it deems appropriate, any shares of AMPS may be registered in the Stock Register in the name of the Beneficial Owner thereof and such Beneficial Owner thereupon will be entitled to receive certificates therefor and required to deliver certificates therefor upon transfer or exchange thereof.

(c) The Corporation will exercise its best efforts to maintain an Auction Agent pursuant to an agreement containing terms not materially less favorable to the Corporation than the terms of the Auction Agent Agreement first entered into by the Corporation pursuant to the resolutions adopted by the Board of Directors on December 13, 1988.

(d) The Corporation will use its best efforts to maintain a rating of the AMPS from each of the Rating Agencies.

(e) All notices or communications, unless otherwise specified in the By-Laws of the Corporation or this Article Sixth, will be sufficiently given if in writing and delivered in person or mailed by first-class mail, postage prepaid. Notice will be deemed given on the earlier of the date received or the date seven days after which such notice is mailed.

AUDIT AND VALUATION COMMITTEE

AUDIT CHARTER

Mission

The mission of the Audit and Valuation Committee (the Committee) of Aberdeen Asia-Pacific Income Fund, Inc. (the Fund), under this Audit Charter, is to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, and to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof. The Committee will also report to the Board of Directors (the Board), if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment manager and investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditors to plan and carry out a proper audit. The independent auditors are directly accountable to the Committee.

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an interested person (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund (an Independent Director) and, in addition, each member shall have the additional qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment manager, Aberdeen Asset Managers (C.I.) Limited (the Manager), and the staff of the Fund's investment adviser, Aberdeen Asset Management Limited (the Adviser).

Qualifications of Committee Members

1. Members of the Committee may not be officers of the Fund and should be free of any relationships that would interfere with the exercise of independent judgment. A director with any of the following relationships will not be considered independent for this purpose:
 - A. Employment by the Fund or any of its affiliates for the current year or any of the past three years;
 - B.

Edgar Filing: ABERDEEN ASIA PACIFIC INCOME FUND INC - Form DEF 14A

Acceptance of any compensation from the Fund or any of its affiliates in excess of \$60,000 during the previous fiscal year, other than compensation for board service, benefits under a tax-qualified retirement plan, or non-discretionary compensation;

- C. Member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Fund or any of its affiliates as an executive officer. Immediate family includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, brothers and sisters-in-law, sons and daughters-in-law, and anyone who resides in such person's home;
 - D. Partnership in, or being a controlling shareholder or an executive officer of, any for-profit business organization to which the Fund made, or from which the Fund received, payments (other than those arising solely from investments in the Fund's securities) that exceed 5% of the Fund's gross income for that year, or \$200,000, whichever is more, in any of the past three years; or
 - E. Employment as an executive of another entity where any of the Fund's executives serve on that entity's compensation committee.
2. One member of the Committee may be a non-independent director, under exceptional and limited circumstances, if the Board determines that membership on the Committee by that non-independent director is required in the best interests of the Fund and its shareholders. To be eligible for this consideration, the non-independent director may not be a current

B-1

employee or immediate family member of an employee of the Fund. If such a determination is made, the Board must disclose, in the Fund's next annual proxy statement subsequent to making the determination, the nature of the relationship and the reasons for that determination.

3. Each member of the Committee must be able to read and understand basic financial statements, including the Fund's balance sheet, income statement and statement of cash flows, or must become able to do so within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which result in that individual's having financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.
4. Unless exempted by order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board accept any consulting, advisory, or other compensatory fee from the Fund.
5. If at least one member of the Committee is not a financial expert (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.

13. To investigate matters brought to its attention within the scope of its duties;
14. To develop, establish and periodically review procedures for: (i) the receipt, retention and treatment of complaints received by the Fund from any source regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund or its service providers of concerns regarding questionable accounting or auditing matters related to the Fund;
15. To assure that all its actions are recorded in minutes of its meetings and maintained with the Fund's records; and
16. To report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

Other Powers and Responsibilities

2. Each December, the Committee shall make a report indicating whether the Committee (i) reviewed and discussed the financial statements with management; (ii) discussed the matters required by SAS 61, as modified or supplemented; and (iii) received from the auditors the letter and written disclosure required by ISB Standard No. 1, and discussed with the auditors their independence. The Committee's report should also indicate whether the Committee, based on its review and its discussions with management and the auditors, recommends to the Board that the financial statements be included in the Fund's annual report for the last fiscal year.
3. The Fund's officers shall provide, or arrange to provide, such information, data and service as the Committee may request. The Committee shall conduct interviews or discussions as it deems appropriate with personnel of the Fund, and/or others whose views would be considered helpful to the Committee. The Committee may ask management and representatives of the service providers to attend meetings as necessary.
4. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to engage legal counsel and to retain experts or other persons with specific competence at the expense of the Fund.

5. The Committee shall review this Charter at least annually and recommend any changes to the full Board of Directors.
