This Proxy Statement is furnished to the Shareholders of Healthcare Services Group, Inc. (the "Company") in connection with the solicitation by the Board of Directors of the Company of proxies for the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Radisson Hotel of Bucks County, 2400 Old Lincoln Highway, Trevose, Pennsylvania 19047, on May 23, 2006 at 10:00 A.M. At the Annual Meeting, the shareholders will consider the following proposals: (1) to elect seven directors; (2) to approve and ratify the selection of Grant Thornton LLP as the independent registered public accounting firm (the "Independent Auditors") of the Company for its current fiscal year ending December 31, 2006; and (3) to consider and act upon such other business as may properly come before the Annual Meeting and any adjournment or postponement.

This Proxy Statement is being mailed to shareholders on or about April 10, 2006.

PROXIES; VOTING SECURITIES

Only holders of Common Stock \$.01 par value (the "Common Stock") of record at the close of business on April 3, 2006 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. On the Record Date, there were issued and outstanding approximately 27,227,000 shares of Common Stock. Each share of Common Stock entitles the holder thereof to one vote. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is required to constitute a quorum at the meeting. Holders of Common Stock are not entitled to cumulative voting rights.

All shares that are represented by properly executed proxies received prior to or at the Annual Meeting, and not revoked, will be voted in accordance with the instructions indicated in such proxies. If no instructions are indicated with respect to any shares for which properly executed proxies are received, such proxies will be voted FOR each of the proposals. For purposes of determining the presence of a quorum for transacting business at the Annual Meeting, abstentions and broker "non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power), if applicable, will be treated as shares that are present but which

Edgar Filing: HEALTHCARE SERVICES GROUP INC - Form DEF 14A

have not been voted.

A proxy may be revoked by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, by a subsequent proxy executed by the person executing the prior proxy and presented to the Annual Meeting, or by voting in person at the Annual Meeting.

All expenses in connection with this solicitation will be borne by the Company. It is expected that solicitation will be made primarily by mail, but regular employees or representatives of the Company may also solicit proxies by telephone, telegraph or in person, without additional compensation, except for reimbursement of out-of-pocket expenses.

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. The Company regularly monitors developments in the area of corporate governance. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley") which, among other things, establishes, or provides the basis for, a number of corporate governance standards and disclosure requirements. In addition, the NASDAQ Stock Market has recently revised its corporate governance and listing requirements.

In accordance with these latest developments and listing requirements, a majority of the members of the Company's Board of Directors are independent: namely, John M. Briggs, Robert L. Frome, Robert J. Moss and Barton D. Weisman.

CODE OF ETHICS AND BUSINESS CONDUCT

We have also adopted a Code of Ethics and Business Conduct for directors, officers and employees of the Company. It is intended to promote honest and ethical conduct, full and accurate reporting and compliance with laws as well as other matters. A copy of the Code of Ethics and Business Conduct is posted on our website at www.hcsgcorp.com.

BOARD OF DIRECTORS AND COMMITTEES

BOARD OF DIRECTORS. The business of the Company is managed under the direction of the Board of Directors (the "Board"). The Board meets on a regularly scheduled basis during the Company's fiscal year to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings when an important matter requires Board action between scheduled meetings. The Board met seven times during the 2005 fiscal year. During 2005, each member of the Board participated in at least 75% of all Board and applicable committee meetings held during the period for which he was a director or committee member. Directors are expected to attend all Board meetings and meetings of committees on which they serve, and each Annual Meeting. In 2005, all seven of the directors attended the Company's Annual Meeting.

The Board has established an Audit Committee, and a Nominating, Compensation and Stock Option Committee to devote attention to specific subjects and to assist it in the discharge of its responsibilities. The functions of those committees, their current members and the number of meetings held during 2005 with respect to the Audit Committee, and the Nominating, Compensation and Stock Option Committee are described below:

AUDIT COMMITTEE. The Audit Committee's primary responsibilities, as described in the Amended and Restated Audit Committee Charter (which was filed with the definitive proxy statement relating to the Company's May 25, 2004 Annual Meeting of Shareholders) include:

(a) appointment, compensation and oversight of the Company's Independent Auditors, who report directly to the Audit Committee, including (i) prior review of the Independent Auditors' plan for the annual audit, (ii) pre-approval of both audit and non-audit services to be provided by the Independent Auditors and (iii) annual assessment of the qualifications, performance and independence of the Independent Auditors;

(b) overseeing and monitoring the Company's accounting and financial reporting processes and internal control system, audits of the Company's financial statements and the quality and integrity of the financial reports and other financial information issued by the Company;

(c) providing an open avenue of communication among the Independent Auditors and financial and other senior management and the Board;

(d) reviewing with management and, where applicable, the Independent Auditors, prior to release, required annual, quarterly and interim filings by the Company with the Securities and Exchange Commission and the type and presentation of information to be included in earnings press releases;

(e) reviewing material issues, and any analyses by management or the Independent Auditors, concerning accounting principles, financial statement presentation, the adequacy of the Company's internal controls and significant financial reporting issues and judgments and the effect of regulatory and accounting initiatives on the Company's financial statements;

(f) reviewing with the Company's legal counsel any legal matters that could have a significant effect on the Company's financial statements, compliance with applicable laws and regulations and inquiries from regulators or other governmental agencies;

(g) reviewing and approving all related party transactions between the

Edgar Filing: HEALTHCARE SERVICES GROUP INC - Form DEF 14A

Company and any director, executive officer, other employee or family member;

(h) reviewing and overseeing compliance with the Company's Code of Ethics and Business Conduct;

(i) establishing procedures regarding the receipt, retention and treatment of, and the anonymous submission by employees of the Company of, complaints regarding the Company's accounting, internal controls or auditing matters; and

(j) reporting Audit Committee activities to the full Board of Directors and issuing annual reports to be included in the Company's proxy statement. Each of Messrs. Moss, Weisman and Briggs are independent Directors as such term is defined by Rule 4200(a)(15) of the NASDAQ Stock Market listing standards.

Mr. Briggs has been designated the "audit committee financial expert" and he satisfies the attributes required of "audit committee financial experts" pursuant to Section 407 of Sarbanes-Oxley. The Audit

4

Committee met five times during 2005. The report of Audit Committee for the fiscal year ended December 31, 2005 is included herein under "Audit Committee Report" below.

Additionally, the Amended and Restated Audit Committee Charter is provided on the Company's website, www.hcsgcorp.com.

NOMINATING, COMPENSATION AND STOCK OPTION COMMITTEE. The Nominating, Compensation and Stock Option Committee's (composed of Messrs. Briggs & Moss) primary responsibilities are to assist the Board by:

(a) developing and recommending to the Board a set of effective corporate governance policies and procedures applicable to the Company;

(b) identifying, reviewing and evaluating individuals qualified to become Board members and recommending to the Board director nominees for each annual meeting of the Company's shareholders;

(c) discharging the Board's responsibilities relating to the compensation of Company executives; and

(d) administering the Company's stock option plans or other equity-based compensation plans.

Each of Messrs. Briggs and Moss are Independent Directors as such term is defined by Rule 4200(a)(15) of the NASDAQ Stock Market listing standards. The Nominating, Compensation and Stock Option Committee met once during 2005.

The Nominating, Compensation and Stock Option Committee has not adopted a policy or process by which shareholders may make recommendations to the Committee of candidates to be considered by this Committee for nomination for election as Directors. The Committee has determined that it is not appropriate to have such a policy because such recommendations may be informally submitted to and considered by the Committee under its Charter. (The Charter of the Nominating, Compensation and Stock Option Committee is provided on the Company's website: www.hcsgcorp.com). The Committee has not established a formal process for identifying and evaluating nominees for Director, although generally the Committee may use multiple sources for identifying and evaluating nominees for Director, including referrals from current Directors and stockholders. The Committee has identified certain qualifications it believes an individual should possess before it recommends such person as a

Edgar Filing: HEALTHCARE SERVICES GROUP INC - Form DEF 14A

nominee for election to the Board of Directors. The Committee believes that nominees for Director should possess the highest personal and professional ethics, integrity, values and judgment and be committed to representing the long-term interests of the Company's shareholders. The Committee seeks to ensure that the composition of the Board at all times adheres to the independence requirements of the NASDAQ Stock Market, Inc. and reflects a range of talents, skills, and expertise, particularly in the areas of management, leadership, and experience in the Company's and related industries, sufficient to provide sound and prudent guidance with respect to the operations and interests of the Company. See below for the Report of the Nominating, Compensation and Stock Option Committee regarding executive compensation.

(1) The potential realizable value portion of the foregoing table illustrates value that might be realized upon exercise of the options immediately prior to the expiration of their term, assuming the specified compounded rates of appreciation on the Common Stock over the term of the options. These numbers do not take into account provisions of certain options providing for termination of the option following termination of employment, nontransferability or differences in vesting periods. Regardless of the theoretical value of an option, its ultimate value will depend on the market value of the Common Stock at a future date, and that value will depend on a variety of factors, including the overall condition of the stock market and the

9

Company's results of operations and financial condition. There can be no assurance that the values reflected in this table will be achieved.

(2) The option exercise price may be paid in shares of Common Stock owned by the Named Executive Officer for more than six months (based on the Fair Market Value of the Stock on the trading day before the Option is exercised), in cash, or a combination of any of the foregoing, as determined by the Nominating, Stock Option and Compensation Committee.

(3) The exercise price was the market value (i.e., closing market price) of

the Common Stock on the date of grant.

AUDIT COMMITTEE REPORT

The members of the Audit Committee from January 1, 2005 to December 31, 2005 were Messrs. John M. Briggs, Robert J. Moss and Barton D. Weisman. The Audit Committee met seven times during the fiscal year. The Audit Committee is responsible for the appointment of the Independent Auditors for each fiscal year, recommending the discharge of the Independent Auditors to the Board and confirming the independence of the Independent Auditors. It is also

Edgar Filing: HEALTHCARE SERVICES GROUP INC - Form DEF 14A

responsible for: reviewing and approving the scope of the planned audit, the results of the audit and the Independent Auditors' compensation for performing such audit; reviewing the Company's audited financial statements; and reviewing and approving the Company's internal accounting controls and disclosure procedures, and discussing such controls and procedures with the Independent Auditors.

The Audit Committee adopted an Amended and Restated Audit Committee Charter on February 12, 2004, a copy of which is available on the Company's website at www.hcsgcorp.com and was previously filed with the Company's Proxy Statement for its 2004 Annual Meeting of Shareholders.

The Company's Independent Auditors are responsible for auditing the financial statements, as well as auditing the Company's internal controls over financial reporting. The activities of the Audit Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the Independent Auditors.

In connection with the audit of the Company's financial statements for the year ended December 31, 2005, the Audit Committee met with representatives from Grant Thornton LLP, the Company's Independent Auditors, and the Company's internal auditor. The Audit Committee reviewed and discussed with Grant Thornton LLP and the Company's internal auditor, the Company's financial management and financial structure, as well as the matters relating to the audit required to be discussed by Statements on Auditing Standards 61 and 90, and Public Company Accounting Oversight Board Auditing Standard No. 2.

The Audit Committee and Grant Thornton LLP also discussed Grant Thornton LLP's independence. On November 15, 2005, the Audit Committee received from Grant Thornton LLP the written disclosures and the letter regarding Grant Thornton LLP's independence required by Independence Standards Board Standard No. 1.

In addition, the Audit Committee reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2005, as well as management's assessment of internal controls over financial reporting.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board of Directors determined, that the Company's financial statements and Management's Annual Report On Internal Control Over Financial Reporting, both audited by Grant Thornton LLP, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

NOMINATING, COMPENSATION AND STOCK OPTION COMMITTEE REPORT

The compensation of the Chief Executive Officer of the Company is determined

Edgar Filing: HEALTHCARE SERVICES GROUP INC - Form DEF 14A

by the Nominating, Compensation and Stock Option Committee. Such Committee's determinations regarding such compensation are based on a number of factors including, in order of importance:

- o Consideration of the operating and financial performance of the Company, primarily its income before income taxes during the preceding fiscal year, as compared with prior operating periods;
- o Attainment of a level of compensation designed to retain a superior executive in a highly competitive environment; and
- o Consideration of the individual's overall contribution to the Company.

Compensation for the Named Executive Officers (referred to in the summary compensation table) other than the Chief Executive Officer is determined by the Nominating, Compensation and Stock Option Committee based upon consultation with the Chief Executive Officer, taking into account the same factors considered by the Board in determining the Chief Executive Officer's compensation as described above. Except as set forth below, the Company has not established a policy with regard to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), since the Company has not paid compensation in excess of \$1 million per annum to any employee. Under the 1995 Plan no recipient of options may be granted options to purchase more than 125,000 shares of Common Stock. Therefore, compensation received as a result of options granted under the 1995 Plan qualify as "performance-based" for purposes of Section 162(m) of the Code. In addition, under the 2002 Plan, no recipient of options may be granted options to purchase more than 50,000 shares of Common Stock in any calendar year. Therefore, compensation received as a result of options granted under the 2002 Plan, qualify as "performance-based" for purposes of Section 162(m) of the Code (the options exercised by the Named Executive Officers in fiscal 2005 were granted under either the 1995 Plan or the 2002 Plan).

The Company applies a consistent approach to compensation for all employees, including senior management. This approach is based on the belief that the achievements of the Company result from the coordinated efforts of all employees working toward common objectives.

Mr. Daniel P. McCartney and Mr. Thomas A. Cook each received an annual base salary of \$227,000 for the year ending December 31, 2005 and an additional 3% of the income from operations before income taxes of the Company attributable to the fiscal year immediately preceding the year for which his annual salary is calculated. Their compensation with respect to the calendar year ending December 31, 2006 will be determined with each receiving a base salary of \$75,000 and an additional 3% of the income from operations before income taxes of the Company attributable to 2005.
