ELECTION OF DIRECTORS

NOMINEES FOR DIRECTORS

The Corporation's Board of Directors is divided into two classes of four directors and one class of three directors serving staggered three-year terms. At the 2003 Annual Meeting, stockholders are being asked to elect three

Edgar Filing: ONEIDA LTD - Form DEF 14A

directors, each for a three-year term expiring at the 2006 Annual Meeting. An affirmative vote of the majority of stockholders present in person or by proxy is necessary for the election of these directors.

Two nominees, Georgia S. Derrico and Peter J. Kallet, are members of the present Board of Directors and each was elected to a three-year term in 2000. In August 2002 the Board of Directors voted to increase the size of the Board from ten to eleven members by adding an additional seat to the class of directors whose terms expire on May 28, 2003. Each nominee has consented to being named in this Proxy Statement and to serve if elected. The Management has no reason to believe that any of the nominees will be unable or unwilling to serve. Should any nominee named in the table become unable or unwilling to accept nomination or election as a director, the persons acting under the proxy intend to vote for the election in his or her stead of such other person as the Management may recommend.

Conseur -- 6 years; J. P. Fobare -- 29 years, R. Lupica -- 3 years; and C. Suttmeier -- 20 years.

The Internal Revenue Code and the Employee Retirement Income Security Act of 1974 limits the amount of benefit that can be paid under the plan to \$160,000 and the maximum compensation that can be taken into account in establishing benefits to \$200,000.

In addition to the Retirement Plan for Employees of Oneida Ltd., the named executives also participate in the Oneida Ltd. Employee Stock Ownership Plan, a defined contribution plan. Benefits received under the Employee Stock Ownership Plan are offset against the benefits to be received under the Retirement Plan. Allocations to the executives' Employee Stock Ownership Plan accounts for the past fiscal year are reported in the Summary Compensation Table.

In addition to the retirement benefits described above, the Corporation maintains a Restoration Plan for key employees and officers selected by the Compensation Committee. The Chief Executive Officer and the other named executives are participants. The Restoration Plan guarantees (a) the benefit under the Retirement Plan described above as if the limitations imposed by the Internal Revenue Code did not apply, plus (b) an annual retirement allowance equaling 50% for Mr. Kallet and 40% for other participants of their average annual compensation, actuarially reduced if the participant retires before age 62, and offset by the participating officer's other retirement benefits, including restoration benefits. The benefit is forfeited if the participant retires or otherwise terminates employment before age 55. In December 2002, the Board of Directors amended the Corporation's Retirement Plan to provide a mechanism for the payment through the Retirement Plan of all or a portion of the benefits due under the Restoration Plan to Mr. Kallet and certain other executive officers of the Corporation, none of whom is among the Corporation's four other most highly compensated executive officers for the past fiscal year.

CHANGE IN CONTROL AGREEMENTS

The Corporation has entered into Change in Control Agreements with the five named executive officers dated November 15, 1999. The agreements, in general, provide that in the event the officer's employment is terminated as a result of a Change in Control, the officer will be entitled to a severance payment equal to 2.99 times his or her average annual compensation (as defined), health insurance for three years following termination and a supplemental pension benefit.

These agreements define a 'Change in Control' as an event where (a) any individual, partnership, firm, corporation, association, trust, unincorporated organization or other entity or person, or any syndicate or group deemed to be a person under Section 14(d)(2) of the Exchange Act is or becomes the 'beneficial owner' (as defined in Rule 13d-3 of the General Rules and Regulations under the Exchange Act), directly or indirectly, of securities of the Company representing 20% or more of the combined voting power of the Company's then outstanding securities entitled to vote in the election of directors of the Company; (b) during any period of two consecutive years (not including any period prior to the effective date of this Agreement), individuals who at the beginning of such periods constituted the Board and any new directors, whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least three-fourths of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; (c) there occurs a reorganization, merger, consolidation or other corporate transaction involving the Company (a 'Business Combination'), in each case with respect to which stockholders of the Company immediately prior to such transaction do not, immediately after such transaction, own directly or indirectly more than 50% of the combined voting power of the Company or other

Edgar Filing: ONEIDA LTD - Form DEF 14A

corporation resulting from such Business Combination in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the voting securities of the Company; (d) all or substantially all of the assets of the Company are sold, liquidated or distributed; or (e) there occurs a transaction that constitutes a change in the (i) ownership of the Company, (ii) effective control of the Company or (iii) effective ownership of a substantial portion of the assets of the Company, as determined pursuant to Internal Revenue Code Section 280G and the regulations promulgated thereunder.

8

The agreements provide for a full tax gross up for all excise taxes incurred under the 'golden parachute' rules of the Internal Revenue Code.

In 1989 the Board of Directors also approved an Employee Security Plan which provides severance benefits for all eligible employees of the Corporation who lose their jobs in the event of a Change in Control. Employees are eligible for these benefits if they have one year or more of service. Executive officers who are parties to the agreements described above are not eligible for Employee Security Plan benefits.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of the Corporation's executives generally are made by the Management Development and Executive Compensation Committee of the Board of Directors ('Compensation Committee'). This committee currently consists of six non-employee directors of the Corporation. Mr. Pidot serves the committee in the capacity of counsel.

This Compensation Committee report provides the policies and philosophy underlying decisions regarding executive compensation for fiscal year ended 2003 and how they affected Mr. Kallet, in particular, and in general Messrs. Conseur, Fobare and Lupica and Ms. Suttmeier -- the four executive officers other than Mr. Kallet who for fiscal year ended 2003 were the Corporation's most highly paid executive officers.

ONEIDA'S EXECUTIVE COMPENSATION POLICIES

The Corporation's executive compensation programs are designed to retain and reward executives who are capable of leading the Corporation to achieve its business objectives in an industrial and market environment characterized by growth, complexity, competition and change.

Increasingly, compensation is provided in the form of cash or stock-based incentive plans intended to integrate pay with the Corporation's annual and long-term performance goals, recognizing both individual initiative and achievements as well as contributions toward overall divisional and corporate performance.

Executives other than the named executive officers are eligible for selection as participants in the Corporation's executive incentive plans. Moreover, all employees of the Corporation's Oneida Silversmiths Division participate in an annual profit sharing plan based on the performance of that business unit. However, these employees typically receive a larger percentage of their compensation in wages or salary than do senior executives.

As a result of the emphasis on tying executive compensation to business performance, compensation may fluctuate from year to year. Historically, in successful years, a substantial portion of executives' total compensation was earned through incentives. In less profitable years, less or no incentive

Edgar Filing: ONEIDA LTD - Form DEF 14A

compensation is paid.

Annual compensation for Oneida's executive management consists of three elements:

1. Salary -- In general, salaries are influenced by compensation paid to executives of corporations with similar revenues and scopes of operation. Within that framework, individual salaries reflect personal contribution and performance as well as experience and years of service. In evaluating an executive's personal contribution and performance, the Corporation considers the individual's contribution to the overall performance of the Corporation or division; effectiveness in budget management; performance in assigned special projects; and managerial ability.

2. Annual Cash Incentive -- These annual cash incentive payments are tied directly to corporate or business unit performance:

- a. Corporate -- For executives with corporate responsibilities, their incentive measurements for fiscal year ended 2003 were Return on Equity and Income before Taxes. These two factors reflect the Corporation's relative emphasis on return and growth; and
- b. Other -- For executives whose responsibilities are limited to a division or subsidiary, incentives are based on their business unit's operating income and cash flow.

3. Stock Awards and Options -- The Corporation believes its senior executives should have a greater equity interest in the Corporation as a way of aligning their interests with those of stockholders. Long-term stock incentive programs have been designed with this interest in mind:

- a. 2002 Stock Option Plan -- This Plan provides an incentive that focuses executives' attention on managing the Corporation from the perspective of an owner with an equity stake in the business. Because the option price is the fair market value of a share at the time of the grant, stock options are tied to the future performance of stock and will provide value to the recipient only when the price of the stock rises above the option grant price; and
- b. Amended and Restated Restricted Stock Award Plan -- This Plan is intended to promote the growth and profitability of the Corporation by providing long-term equity rewards to key employees who are expected to have a significant impact on the performance of the Corporation. These awards provide a long-term focus since, in general, the stock is restricted from being sold, transferred or assigned and is forfeitable until it vests.

THE CHIEF EXECUTIVE'S FISCAL YEAR ENDED 2003 COMPENSATION

SEC regulations require the Compensation Committee to discuss its basis for decisions affecting the chief executive's compensation for the fiscal year ended 2003 in relation to the Corporation's performance during that fiscal year.

Edgar Filing: ONEIDA LTD - Form DEF 14A

The Compensation Committee's general approach in setting the chief executive's annual compensation seeks to reflect compensation levels of other corporations with similar revenues and scopes of operation, but to provide a large percentage of his target compensation based on objective long-term performance criteria. This provides an incentive to work toward clearly defined long-term goals while providing stability by giving the chief executive some certainty in the level of his compensation through the non-performance based elements.

The chief executive's compensation package includes two performance-based incentive programs -- one based on the long-term performance of the Corporation's stock and the other based on corporate performance during the previous year. These incentive programs have had the effect of more directly tying compensation to the Corporation's performance. As a result, compensation for the chief executive declined last year as performance fell below the levels achieved the previous year.

In the stock performance-based program, payouts are determined by the average annual growth in earnings per share of the Corporation's Common Stock over the prior three-year period. In years when the performance goals are met, the chief executive officer may elect to receive his award in cash, restricted stock through the Corporation's Amended and Restated Restricted Stock Award Plan, or a combination of both. A stock selection is encouraged by setting the election price at 80 percent of the average Common Stock prices on the last day of each of the preceding four fiscal quarters.

Mr. Kallet earned no incentive under this program during the past fiscal year because its performance goals were not met.

The remainder of Mr. Kallet's performance-based compensation for fiscal year ended 2003 derived from the program for the chief executive officer which provides for annual cash incentives as well as restricted stock awards based on corporate performance during the preceding fiscal year. The features of this program are:

1. Payouts are based on a formula of 50 percent Return on Equity and 50 percent Income before Taxes, reflecting the Corporation's present relative emphasis on return and growth;
2. The program incorporates base or platform performance objectives which must be met before any payments are made. These performance objectives are set for a two-year period. They are based on goals for good performance, rather than levels which happen to be attainable in a given year; and
3. In years when performance goals are met, in addition to his cash incentive, the Chief Executive Officer will be considered for a restricted stock award under the Corporation's Amended and Restated Restricted Stock Award Plan. The value of the stock award will be one-third of the profit sharing payout, with the number of shares determined by market price.

Mr. Kallet earned no incentives under this program during the past fiscal year because its performance goals were not met.

During the period December 2001 through July 2002, the salaries of all senior executives, including Mr. Kallet, were reduced by 10%.

Mr. Kallet, with other Corporation executives, participates in the stock option plan discussed above.

REPORT OF AUDIT COMMITTEE

To the Board of Directors

The Audit Committee is currently comprised of the six directors named below. Each member of the Audit Committee is an independent director as defined by the current New York Stock Exchange rules. The Audit Committee has adopted a written charter which has been approved by the Board of Directors.

We have reviewed and discussed with management the Corporation's audited financial statements as of and for the fiscal year ended January 25, 2003.

We have discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

We have also considered whether the provision of services by PricewaterhouseCoopers LLP not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Corporation's Forms 10-Q for the quarters ended April 27, 2002, July 27, 2002 and October 26, 2002 is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended January 25, 2003.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Pidot is regularly invited to attend meetings of the Management Development and Executive Compensation Committee by invitation as counsel, but he is not a voting member of the Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Corporation has, for over 75 years, used the services of the law firm of Shearman & Sterling, in which Mr. Pidot is a partner and member of the Executive Group, for a variety of matters. Management believes that the Corporation's relationship with Shearman & Sterling during the past fiscal year was on terms that were reasonable and in the best interests of the Corporation.

1998-2003 STOCKHOLDERS' RETURN GRAPH

The following line graph compares the cumulative total stockholder return of the Corporation's Common Stock with returns for the Russell 2000 Index and a 'Housewares Peer Group' for the period covering the Corporation's past five fiscal years. Proxy statement disclosure rules adopted by the Securities and Exchange Commission require such a total stockholder return comparison using both a broad-based stock price index and a line-of-business comparator group. The composition of the Russell 2000 Index meets the broad-based stock price index requirement, which permits market capitalization to be a factor. The median market capitalization of the Russell 2000 Index companies was approximately \$395 million as of the last reconstitution of the index. The Corporation's average start-of-year market capitalization for the five-year performance period was \$307 million.

The 'Housewares Peer Group' is comprised of those companies, currently included in the Investors Business Daily 'Housewares' stock price index, which had market capitalizations of less than \$750 million at the start of each of the fiscal years covered by the graph. These companies are: Home Products International, Inc., Libbey Inc. and Lifetime Hoan Corp.

The return values set forth below and plotted on the graph are based on an initial investment of \$100 on January 31, 1998, in the Corporation's Common Stock, and each of the two comparator investment groups, with all dividends treated as reinvested, and each component company within an investment group weighted by its start-of-year market capitalization.

ONEIDA LTD. 2003 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN

RECOMMENDATION

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE ONEIDA LTD. 2003 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN (THE 'DIRECTORS PLAN') AND THE RESERVATION OF 100,000 SHARES OF COMMON STOCK OF THE COMPANY FOR ISSUANCE UNDER THE DIRECTORS PLAN AND RECOMMENDS THAT SHAREHOLDERS VOTE 'FOR' THE DIRECTORS PLAN AND THE RESERVATION OF SHARES FOR ISSUANCE THEREUNDER.

DESCRIPTION OF THE PLAN

At its March 26, 2003 meeting, the Board of Directors unanimously adopted the Oneida Ltd. 2003 Non-Employees Directors Stock Option Plan (the 'Plan'), subject to the approval thereof by the shareholders of the Company at the Annual Meeting. A copy of the Plan is attached to this proxy statement as Exhibit A, and the description of the Plan herein is qualified by reference to the text of the attached Plan.

PURPOSES. The purpose of the Plan is to help the Company attract, retain and compensate as directors highly qualified persons who are not employees of the Company or its subsidiaries and to secure for the Company the inherent benefit of increased stock ownership by such directors.

ELIGIBILITY. Only members of the Board of Directors who are not employees of the Company or any of its subsidiaries may participate in the Plan.

SHARES AVAILABLE UNDER THE PLAN. A total of 100,000 shares of Common Stock will be reserved for issuance under the Plan, which amount will be proportionately adjusted in the event of certain changes in the Company's capitalization, a merger, or a similar transaction. Shares issued pursuant to the Plan may be either authorized but unissued treasury shares or any combination thereof.

ADMINISTRATION. The Plan will be administered by a committee consisting exclusively of members of the Board of Directors who are not non-employee directors. The committee will have full and final authority to construe and interpret the Plan, make factual and legal determinations, adopt such rules and regulations as it deems necessary to carry out the purposes of the Plan and take any other actions necessary or advisable for the administration of the Plan.

OPTION GRANTS. The Plan provides for automatic, non-discretionary grants of nonqualified stock options ('Options') to non-employee directors. Each non-employee director will receive, on the date of his or her initial election or appointment to the Board of Directors (or reelection or reappointment after a period of at least twelve months during which he or she did not serve on the Board of Directors), an option to purchase 1,000 shares of Common Stock. On the third business day immediately following the date on which the Company issues a press release announcing its earnings for the fourth quarter of the applicable fiscal year, each non-employee director who has served as a member of the Board of Directors since the preceding annual meeting will receive an additional option to purchase 1,000 shares of Common Stock. All Options will have a per share exercise price equal to the fair market value of a share of Common Stock

Edgar Filing: ONEIDA LTD - Form DEF 14A

on the date of grant. Such exercise price may be paid in cash or previously owned shares of Common Stock or a combination thereof.

Options shall automatically vest and become exercisable twelve months from the date of grant of the applicable Option. Notwithstanding this vesting schedule, an Option will become fully vested and exercisable upon a non-employee director's termination of service due to death, disability, retirement in accordance with the retirement policy for non-employee directors then in effect or a Change of Control.

All Options expire ten years from the date of grant. If a non-employee director's service as a member of the Board of Directors terminates due to death, disability, retirement or a Change of Control, all Options must be exercised within one year following such termination. If a non-employee director's service as a member of the Board of Directors terminates for any other reason, such non-employee director must exercise any Options that have vested as of the date of such termination within the six month period following such termination and all Options that have not vested as of the date of such termination will immediately expire.

14

CHANGE OF CONTROL. For purposes of the Plan, a Change of Control shall be deemed to have occurred upon the occurrence of any of the following:

(i) Any 'persons' or 'group' within the meaning of Sections 13(d) and 14(d) (2) of the Securities Exchange Act of 1934 ('Act') becomes the 'beneficial owner' as defined in Rule 13d-3 under the Act of more than 20% of the then outstanding voting securities of the Company;

(ii) Any 'person' or 'group' within the meaning of Sections 13(d) and 14(d) (2) of the Act acquires by proxy or otherwise more than 20% of the then outstanding voting securities of the Company;

(iii) During any period of twenty-four consecutive months, Present Directors and/or New Directors cease for any reason to constitute a majority of the Board of Directors.

For these purposes, 'Present Directors' shall mean individuals who at the beginning of such consecutive twenty-four month period were members of the Board of Directors and 'New Directors' shall mean any director whose election by the Board of Directors or whose nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who were Present Directors or New Directors;

(iv) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company; or

(v) there shall be consummated:

(a) a reorganization, merger or consolidation of all or substantially all of the assets of the Company (a 'Business Combination'), unless, following such Business Combination,

(1) all or substantially all of the individuals and entities who

Edgar Filing: ONEIDA LTD - Form DEF 14A

were the beneficial owners, respectively, of the outstanding Common Stock of the Company and outstanding voting securities of the Company immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination in substantially the same proportions as their ownership, immediately prior to such Business Combination of such securities,

(2) no person (excluding any company resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such company resulting from such Business Combination) beneficially owns, directly or indirectly, 20% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Business Combination, and

(3) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Board of Directors at the time of the execution of the initial agreement, or of the action of the Board of Directors, providing for such Business Combination; or

(b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Company, provided that the divestiture of less than substantially all of the assets of the Company in one transaction or a series of related transactions shall not constitute a Change of Control.

Notwithstanding the foregoing, a Change of Control shall not be deemed to occur pursuant to subparagraph (i) and (ii) above, solely because twenty percent (20%) or more of the combined voting power of the Company's then outstanding securities is acquired by one or more employee benefit plans maintained by the Company.

AMENDMENT OF THE PLAN. The Board of Directors may amend or terminate the Plan at any time, except that shareholder approval is required to increase the maximum number of shares issuable under the Plan. The consent of a non-employee director is required to the extent that any amendment or termination would adversely affect such non-employee director's right with respect to any previously Option granted.

ADJUSTMENT. In the event of any change in the outstanding Common Stock by reason of a stock dividend, recapitalization, reorganization, merger, consolidation, stock split, combination or exchange of shares or any other significant corporate event the committee, in its discretion, may make (i) such proportionate adjustments as it considers appropriate to prevent diminution or enlargement of the rights of participants under the Plan and/or (ii) such other adjustments as it deems appropriate.

Edgar Filing: ONEIDA LTD - Form DEF 14A

TERMINATION OF THE PLAN. By its terms, the Plan will remain in effect until termination by the Board of Directors. No awards may be granted after the annual meeting of shareholders to be held in 2013.

NEW PLAN BENEFITS

As of the date of this Proxy, no non-employee director has been granted an Option pursuant to the proposed Plan. It is not presently possible to determine the benefits or amounts that will be received by any non-employee director in the future.

U.S. FEDERAL INCOME TAX CONSEQUENCES

OPTION GRANTS. The grant of an Option will not result in the recognition of taxable income by the non-employee director or in a deduction to the Company. Upon exercise, a non-employee director will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Stock purchased over the exercise price, and tax deduction is allowable to the Company equal to the amount of such income. Gain or loss upon a subsequent sale of any Common Stock received upon the exercise of an Option generally would be taxed as capital gain or loss (long-term or short-term, depending upon the holding period of the Common Stock sold). Certain additional rules apply if the exercise price for an Option is paid in shares of Common Stock previously owned by the non-employee director.

APPROVAL OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has recommended, and the Board of Directors has affirmed, the reappointment of PricewaterhouseCoopers LLP as independent certified public accountants for the Corporation's fiscal year ended January 31, 2004, subject to ratification by the Corporation's Stockholders. In the event the Stockholders fail to ratify the reappointment of PricewaterhouseCoopers LLP, the selection of alternate independent auditors will be considered by the Audit Committee and the Board of Directors. Since the Corporation's Certificate of Incorporation and By-Laws do not require Stockholder approval or ratification of the Board's appointment of independent auditors, the Audit Committee and the Board of Directors may, in their discretion, appoint alternate independent auditors at any time during the fiscal year, notwithstanding Stockholder ratification of the reappointment of PricewaterhouseCoopers LLP.

The Board of Directors considers PricewaterhouseCoopers LLP to be well qualified and recommends a vote FOR the ratification of the reappointment of PricewaterhouseCoopers LLP.

PricewaterhouseCoopers LLP fees for services provided to the Corporation for the fiscal year ended January 25, 2003 are as follows: Audit Fees -- \$302,680; Financial Information Systems Design and Implementation Fees -- \$0; All Other Fees -- \$233,550. All Other Fees includes \$129,000 for tax services and \$104,550 for employee benefits services.

Representatives from PricewaterhouseCoopers LLP will attend the Annual

Edgar Filing: ONEIDA LTD - Form DEF 14A

Meeting with the opportunity to make a statement and to answer questions from stockholders.

STOCKHOLDER PROPOSALS

Pursuant to amendments to Rule 14a-4(c) of the Securities Exchange Act of 1934, as amended, if a stockholder who intends to present a proposal at the 2004 Annual Meeting of Stockholders does not notify the Corporation of such proposal on or prior to February 25, 2004, then management proxies will be allowed to use their discretionary voting authority to vote on the proposal when the proposal is raised at the Annual Meeting, even though there is no discussion of the proposal in the 2004 proxy statement.

Notwithstanding the above, in order to be included in the Corporation's proxy statement relating to the 2004 Annual Meeting, proposals of stockholders intended to be presented to the Corporation's 2004 Annual Meeting of Stockholders must be received at the Corporation's principal executive offices not later than January 2, 2004. Common Stock of the Company and outstanding voting securities of the Company immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in

A-1

substantially the same proportions as their ownership, immediately prior to such Business Combination of the outstanding Common Stock of the Company and outstanding voting securities of the Company, as the case may be,

(2) no person (excluding any company resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such company resulting from such Business Combination) beneficially owns, directly or indirectly, 20% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Business Combination and

(3) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Company, provided, that the divestiture of less than substantially all of the assets of the Company in one transaction or a series of related transactions, whether effected by sale, lease, exchange, spin-off, sale of the stock or merger of a subsidiary or otherwise, shall not constitute a Change of Control.

Notwithstanding the foregoing, a Change of Control shall not be deemed to occur pursuant to subparagraphs (i) and (ii) above, solely because twenty percent (20%) or more of the combined voting power of the Company's then outstanding securities is acquired by one or more employee benefit plans maintained by the Company.

In addition, it is the intent of the Company that transactions pursuant to this Plan satisfy and be interpreted in a manner that satisfies the applicable conditions for exemption under Rule 16b-3 promulgated under the Exchange Act ('Rule 16b-3') so that the granting of Options, and the distribution of shares of Common Stock pursuant to the exercise of Options, hereunder will be entitled to the benefits of Rule 16b-3 or other exemptive rules under Section 16 of the Exchange Act and will not be subjected to avoidable liability thereunder. The Committee may, subject to Section 14 hereof, grant Options that would not qualify for exemption under Section 16(b) of the Exchange Act, so long as the availability of any exemption thereunder for other Non-Employee Directors participating under this Plan is not compromised.

3. SHARES AVAILABLE; ADMINISTRATION

(a) Plan Limit. Subject to the provisions of Section 10(b) of the Plan, the maximum number of shares of Common Stock which may be delivered upon exercise or Option granted under the Plan shall be (i.) 100,000 shares of Common Stock, plus (ii.) any shares of Common Stock that are available for issuance or that become available for issuance under the Oneida Ltd. 1998 Non-Employee Directors Stock Option Plan (the 'Plan Limit'). Either authorized and unissued shares of Common Stock or treasury shares may be delivered upon exercise of Options awarded pursuant to the Plan.

(b) Rules Applicable to Determining Shares Available for Issuance. If Options have been forfeited to the Company as described in Section 6(c) or are terminated unexercised, the Options Shares underlying such Options shall again be available for issuance in connection with future awards under the Plan. In addition, the number of shares of Common Stock tendered to pay the exercise price of an Option or to satisfy a Participant's tax withholding obligations shall be added back to the Plan Limit and again be available for the grant of Options.

(c) Administration. The Plan will be administered by a committee designated by the Board and composed exclusively of members of the Board who are not Non-Employee Directors (the 'Committee'). Subject to the provisions of this Plan, the Committee shall have full and final authority to (i) interpret the Plan; (ii) establish, amend and rescind any rules and regulations relating to the Plan; (iii) prescribe award documentation; (iv) make factual and legal determinations in connection with the administration or interpretation of the Plan; and (v) take any other actions necessary or advisable for the administration of the Plan. A-3

4. ELIGIBILITY

Options awarded pursuant to the Plan shall be granted only to active members of the Board who are not, as of the date of any Option grants, employees of the Company or any of its Subsidiaries or affiliates.

5. OPTION GRANT

(a) Initial Award. On the date of a Non-Employee Director's initial election or appointment to the Board, such Non-Employee Director (including any Non-Employee Director reelected or reappointed after a period of at least 12 calendar months during which he did not serve on the Board) shall be granted an Initial Award consisting of an Option to purchase 1,000 shares of Common Stock. Such Option shall have a per share exercise price equal to the Fair Market Value of the Common Stock on the date of the award and shall be subject to the vesting schedule provided for in Section 6(a) and the other terms and conditions provided for herein.

(b) Annual Awards. On each third business day immediately following the date on which the Company issues a press release announcing its earnings for the fourth quarter of the applicable fiscal year during the term of the Plan, each person who has continuously served as a member of the Board since the immediately preceding Annual Meeting shall be awarded an Annual Award consisting of an Option to purchase 1,000 shares of Common Stock. The Option shall have a per share exercise price equal to the Fair Market Value of the Common Stock on the date such Option is granted and shall be subject to the vesting schedule provided for in Section 6(a) and the other terms and conditions provided for herein.

6. VESTING

(a) Vesting. Options awarded pursuant to the Plan shall vest and become exercisable twelve months from the date of the Option grant.

(b) Accelerated Vesting. Notwithstanding anything to the contrary in Section 6(a), an Option shall become fully vested and exercisable upon the earlier to occur of (i) a Non-Employee Director ceasing to be a member of the Board as a result of death, Permanent Disability or Retirement, or (ii) a Change of Control of the Company.

(c) Forfeiture. In the event of a Non-Employee Director's termination of service as a member of the Board for any reason other than death, Permanent Disability, Retirement or a Change of Control of the Company prior to the satisfaction of the vesting period described in Section 6(a), the unvested portion of any Options awarded to the Non-Employee Director shall be forfeited to the Company as of the date of termination of service, and the Non-Employee Director shall have no further rights or interest therein.

Edgar Filing: ONEIDA LTD - Form DEF 14A

7. TERM OF OPTIONS

(a) Ten-Year Term. Each Option shall expire ten (10) years from the date of its grant, subject to earlier termination as provided herein.

(b) Exercise Following Certain Terminations of Service. If a Non-Employee Director's service as a member of the Board terminates for any reason other than death, Permanent Disability, Retirement or a Change of Control of the Company, the Non-Employee Director shall have the right, subject to the terms and conditions hereof, to exercise the Option, to the extent it has vested as of the date of such termination of service, at any time within six months after the date of such termination, subject to the earlier expiration of the Option as provided in Section 7(a). At the end of such six-month period the Option shall expire.

(c) Exercise Following Termination of Service Due to Death, Permanent Disability, Retirement or a Change of Control of the Company. If a Non-Employee Director's service as a member of the Board terminates by reason of death, Permanent Disability, Retirement or a Change of Control of the Company, all Options awarded to such Non-Employee Director that remain outstanding may be exercised by such Non-Employee Director, or by his or her estate, personal representative or beneficiary, as the case may be, at any time within one year after the date of termination of service, subject to the earlier expiration of the Option as provided in Section 7(a). At the end of such one-year period the Option shall expire.

(d) Exercise Following Termination of Service Subject to Company Policies and Procedures on Insider Trading. Any exercise of an Option pursuant to Section 7(b) or 7(c) following termination of a Non-Employee Director's service as a member of the Board for any reason other than death shall be subject to, and shall be

A-4

permitted only to the extent such exercise complies with, the policies and procedures of the Company concerning insider trading that were applicable to the Non-Employee Director on the date of such termination of service (as such policies and procedures may be amended by the Company during the period provided in Section 7(b) or 7(c), as the case may be, for exercise of the Option).

8. TIME AND MANNER OF EXERCISE

(a) Notice of Exercise. Subject to the other terms and conditions hereof, a Non-Employee Director may exercise any Options (to the extent vested) by giving written notice of exercise to the Company; provided, however, that no less than 100 Option Shares may be purchased upon any exercise of the Option unless the number of Option Shares purchased at such time is the total number of Option Shares in respect of which an Option is then exercisable, and provided, further, that in no event shall an Option be exercisable for a fractional share. The date of exercise of an Option shall be the later of (i) the date on which the Company receives such written notice or (ii) the date on which the conditions provided in Section 8(b) are satisfied. Notwithstanding any other provision of the Plan or of the notice of award relating to an Option provided for in Section 9, no Option may be exercised, whether in whole or in part, and no Option Shares will

Edgar Filing: ONEIDA LTD - Form DEF 14A

be issued by the Company in respect of any such attempted exercise, at any time when such exercise is prohibited by Company policy then in effect concerning transactions by a Non-Employee Director in the Company's securities. In the event that a Non-Employee Director gives written notice of exercise to the Company at a time when such exercise is prohibited by such policy, the Company in its sole discretion may disregard such notice of exercise or may consider such notice to be delivered as of the first date that the Non-Employee Director is permitted to exercise such Option in accordance with such Company policy.

(b) Payment. Prior to the issuance of a certificate pursuant to Section 8(e) hereof evidencing the Option Shares in respect of which all or a portion of an Option shall have been exercised, a Non-Employee Director shall have paid to the Company the exercise price for all Option Shares purchased pursuant to the exercise of such Option. Payment shall be made upon exercise of the Option, and such Option price shall be paid (i) by personal check, bank draft or postal or express money order (such modes of payment are collectively referred to as 'cash') payable to the order of the Company in U.S. dollars, (ii) in whole shares of Common Stock of the Company owned by the Non-Employee Director prior to exercising the Option, or (iii) in a combination of cash and delivery of shares of Common Stock as the Board in its sole discretion may approve. In addition to the exercise methods described above, a Non-Employee Director may exercise an Option through a procedure whereby the Non-Employee Director delivers to the Company an irrevocable notice of exercise in exchange for the Company issuing the shares of Common Stock subject to the Option to a broker previously designated or approved by the Company, subject to the rules and procedures as the Committee may determine.

(c) Stockholder Rights. A Non-Employee Director shall have no rights as a stockholder with respect to any shares of Common Stock issuable upon exercise of an Option until a certificate evidencing such shares shall have been issued to the Non-Employee Director pursuant to Section 8(e), and no adjustment shall be made for dividends or distributions or other rights in respect of any share for which the record date is prior to the date upon which the Non-Employee Director shall become the holder of record thereof.

(d) Limitation on Exercise. No Option shall be exercisable unless the Common Stock subject thereto has been registered under the Securities Act and qualified under applicable state 'blue sky' laws in connection with the offer and sale thereof, or the Company has determined that an exemption from registration under the Securities Act and from qualification under such state 'blue sky' laws is available.

(e) Issuance of Shares. Subject to the foregoing conditions, as soon as is reasonably practicable after its receipt of a proper notice of exercise and payment of the Option price for the number of shares with respect to which the Option is exercised, the Company shall deliver to the Non-Employee Director (or following the Non-Employee Director's death, such other person entitled to exercise the Option), at the principal office of the Company or at such other location as may be acceptable to the Company and the Non-Employee Director (or such other person), one or more stock certificates for the appropriate number of shares of Common Stock issued in connection with such exercise. Such shares shall be fully paid and nonassessable and shall be issued in the name of the Non-Employee Director (or such other person).

(f) Tax Withholding. If the Company or a Subsidiary shall be required to withhold any amounts by reason of any federal, state or local tax rules or regulations in respect of the issuance of Option Shares, the Company or

Edgar Filing: ONEIDA LTD - Form DEF 14A

a Subsidiary, as applicable, shall have the right, prior to the delivery of any certificates evidencing such Option Shares to be issued upon full or partial exercise of an Option, to require a Non-Employee Director to remit to the Company or a Subsidiary, as applicable, any amount sufficient to satisfy any Federal, state or local tax withholding requirements. The Company or a Subsidiary, as applicable, may permit the Non-Employee Director to satisfy, in whole or in part, such obligation to remit taxes, by directing the Company to withhold shares of Common Stock that would otherwise be received by the Non-Employee Director in an amount equal to the amount of the minimum withholding tax obligation, pursuant to such rules as the Committee may establish from time to time, by delivering to the Company or a Subsidiary, as applicable, shares of Common Stock owned by the Non-Employee Director prior to exercising the Option, or by making a payment to the Company or such Subsidiary consisting of a combination of cash and such shares of Common Stock. Such an election shall be subject to the following:

(i) the election shall be made in such manner as may be prescribed by the Committee and the Committee shall have the right, in its discretion, to disapprove such election; and

(ii) the election shall be made prior to the date to be used to determine the tax to be withheld and shall be irrevocable.

The value of any share of Common Stock to be withheld by the Company or delivered to the Company pursuant to this Section 8(f) shall be the Fair Market Value of the Common Stock on the date to be used to determine the amount of tax to be withheld.

The Company or a Subsidiary, as applicable, shall also have the right to deduct from all cash payments made pursuant to or in connection with the Option any Federal, state or local taxes required to be withheld with respect to such payments. The Committee may establish such rules and procedures, including, without limitation, any rules or procedures necessary to comply with Rule 16b-3, as it may deem necessary or advisable in connection with the withholding of taxes relating to the exercise of any Option.

(g) Restrictions on Transfer. An Option may not be transferred, pledged, assigned, or otherwise disposed of, except by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code or Title I of ERISA ('QDRO'). The Option shall be exercisable, during the Non-Employee Director's lifetime, only by the Non-Employee Director or by the person to whom the Option has been transferred pursuant to a QDRO. No assignment or transfer of the Option, or of the rights represented thereby, whether voluntary or involuntary, by operation of law or otherwise, except by will or the laws of descent and distribution or pursuant to a QDRO, shall vest in the assignee or transferee any interest or right in the Option, but immediately upon any attempt to assign or transfer the Option the same shall terminate and be of no force or effect.

(h) Non-Qualified Status of Options. Options awarded under the Plan are not intended to qualify, and shall not be treated, as an 'incentive stock options' within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended.

9. NOTICE OF AWARD

The terms and conditions of each award of Options shall be embodied in a

Edgar Filing: ONEIDA LTD - Form DEF 14A

certificate which shall incorporate the Plan by reference. Each certificate shall state the date on which the Options were granted, the number of shares subject to such Option and the per share exercise price therefor.

10. NO RESTRICTION ON RIGHT OF COMPANY TO EFFECT CORPORATE CHANGES

(a) Authority of the Company and Stockholders. The existence of the Plan, any award certificates and the Options granted hereunder shall not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

A-6

(b) Change in Capitalization. Notwithstanding any provision of the Plan or any award certificates, the number and kind of shares authorized for issuance under Section 3(a) may be equitably adjusted in the sole discretion of the Committee in the event of a stock split, stock dividend, recapitalization, reorganization, merger, consolidation, extraordinary dividend, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below Fair Market Value or other similar corporate event affecting the Common Stock in order to preserve, but not increase, the benefits or potential benefits intended to be made available under the Plan. In addition, upon the occurrence of any of the foregoing events, the number of outstanding Options and the number and kind of shares subject to any outstanding Option and the purchase price per share, if any, under any outstanding Option may be equitably adjusted (including by payment of cash to a Non-Employee Director) in the sole discretion of the Committee in order to preserve the benefits or potential benefits intended to be made available to Non-Employee Directors granted Options. Such adjustments shall be made by the Committee, in its sole discretion, whose determination as to what adjustments shall be made, and the extent thereof, shall be final. Unless otherwise determined by the Committee, such adjusted Options shall be subject to the same vesting schedule and restrictions to which the underlying Option is subject.

11. EFFECTIVE DATE; TERM OF THE PLAN

Subject to approval by the majority of the shareholders of the Company at the 2003 Annual Meeting, the effective date of the Plan shall be May 28, 2003. If the Plan is not approved by the stockholders at such Annual Meeting, the Plan and all interests in the Plan awarded to Non-Employee Directors before the date of such Annual Meeting shall be void ab initio and of no further force and effect. Unless terminated earlier in accordance with Section 12 below, the Plan shall terminate on the Annual Meeting of shareholders of the Company in 2013. After such date, no further awards of Options may be made hereunder, but previously granted awards shall remain outstanding subject to the terms hereof.

12. AMENDMENTS; TERMINATION

Edgar Filing: ONEIDA LTD - Form DEF 14A

The Board may at any time and from time to time alter, amend, suspend or terminate the Plan in whole or in part, provided, however, that in no event may the provisions of the Plan respecting eligibility to participate or the timing or amount of awards be amended more frequently than once every six months, other than to comply with changes in the Code, ERISA or any rules or regulations thereunder. Any amendment to the Plan, which under the requirements of applicable law must be approved by the stockholders of the Company, shall not be effective unless and until such stockholder approval has been obtained in compliance with such law. Any amendment to the Plan that must be approved by the stockholders of the Company in order to maintain the continued qualification of the Plan under Rule 16b-3 under the Exchange Act, or any successor provision, shall not be effective unless and until such stockholder approval has been obtained in compliance with such rule. No termination or amendment of the Plan may, without the written consent of the Non-Employee Director, affect any such person's rights under the provisions of the Plan with respect to awards of Options which were made prior to such action.

13. NO RIGHT TO CONTINUE AS DIRECTOR

Nothing in the Plan shall be deemed to create any obligation on the part of the Board to nominate any of its members for reelection by the Company's stockholders, nor confer upon any Non-Employee Director the right to remain a member of the Board for any period of time, or at any particular rate of compensation.

14. COMPLIANCE WITH SECTION 16(B) OF THE EXCHANGE ACT.

Notwithstanding anything contained in the Plan or any agreement under the Plan to the contrary, if the consummation of any transaction under the Plan, or the taking of any action by the Committee in connection with a change of control of the Company, would result in the possible imposition of liability on a Participant pursuant to Section 16(b) of the Exchange Act, the Committee shall have the right, in its sole discretion, but shall not be obligated, to defer such transaction or the effectiveness of such action to the extent necessary to avoid such liability, but in no event for a period longer than six months.

15. GOVERNING LAW

The Plan and all award documents issued shall be construed in accordance with and governed by the laws of the state of New York.
