PROXY STATEMENT  
-----

MAILING DATE  
APRIL 29, 2004

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of REX Stores Corporation, a Delaware corporation (the 'Company'), for use for the purposes set forth herein at its Annual Meeting of Shareholders to be held on May 27, 2004 and any adjournments thereof. All properly executed proxies will be voted as directed by the shareholder on the proxy card. If no direction is given, proxies will be voted in accordance with the Board of Directors' recommendations and, in the discretion of the proxy holders, in the transaction of such other business as may properly come before the Annual Meeting and any adjournments thereof. Any proxy may be revoked by a shareholder by delivering written notice of revocation to the Company or in person at the Annual Meeting at any time prior to the voting thereof.

The Company has one class of stock outstanding, namely Common Stock, \$.01 par value, of which there were 11,355,253 shares outstanding as of April 22, 2004. Only holders of Common Stock whose names appeared of record on the books of the Company at the close of business on April 22, 2004 are entitled to notice of and to vote at the Annual Meeting. Each shareholder is entitled to one vote per share.

A majority of the outstanding shares of Common Stock will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Directors are elected by a plurality of the votes cast by the holders of Common Stock at a meeting at which a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee's achievement of a plurality and thus will have no effect. A broker non-vote occurs when a broker submits a proxy with respect to shares held in a fiduciary capacity (or 'street name') that indicates the broker does not have discretionary authority to vote the shares on a particular matter. Brokers normally have discretion to vote shares held in street name on 'routine' matters, such as election of directors, but not on non-routine matters such as approval of stock plans.

FISCAL YEAR

All references in this Proxy Statement to a particular fiscal year are to the Company's fiscal year ended January 31. For example, 'fiscal 2003' means the

## Edgar Filing: REX STORES CORP - Form DEF 14A

period February 1, 2003 to January 31, 2004.

### ELECTION OF DIRECTORS

Seven directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting of Shareholders and until their successors are elected and qualified. Unless otherwise directed, it is the intention of the persons named in the accompanying proxy to vote each proxy for the election of the nominees listed below. All nominees, with the exception of Mr. Harris, are presently directors of the Company.

If at the time of the Annual Meeting any nominee is unable or declines to serve, the proxy holders will vote for the election of such substitute nominee as the Board of Directors may recommend. The Company and the Board of Directors have no reason to believe that any substitute nominee will be required.

Set forth below is certain information with respect to the nominees for director.

STUART A. ROSE, 49, has been the Chairman of the Board and Chief Executive Officer of the Company since its incorporation in 1984 as a holding company to succeed to the ownership of Rex Radio and Television, Inc., Kelly & Cohen Appliances, Inc. and Stereo Town, Inc. company located in Nashville, Tennessee that owns, operates and develops real estate in the healthcare field, which HCP acquired in October 2003. From 1992 to 1997, Mr. Elcan was a founder and investor in

2

Furman Selz was acquired by ING in 1997 and the investment banking operations of ING were acquired by ABN in 2001. Mr. Harris is also a nominee for director of Steiner Leisure Limited.

### BOARD OF DIRECTORS

Following the Annual Meeting, the Board of Directors will consist of seven directors. The Board has determined that four of the seven directors, Robert Davidoff, Lee Fisher, Charles A. Elcan and David S. Harris, are independent within the meaning of Section 303A.02 of the New York Stock Exchange ('NYSE') Listed Company Manual.

To be considered independent, the Board must determine that the director has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, including commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships, among others. The Board has established the following guidelines, consistent with Section 303A.02 of the NYSE listing standards, to assist it in determining independence of directors.

A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship.

A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation. (Compensation received by an immediate family member for service as a non-executive employee need not be considered in determining independence under this test.)

A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company is not 'independent' until three years after the end of the affiliation or the employment or auditing relationship.

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee is not 'independent' until three years after the end of such service or the employment relationship.

## Edgar Filing: REX STORES CORP - Form DEF 14A

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not 'independent' until three years after falling below such threshold.

3

Mr. Elcan's brother provides real estate brokerage services to the Company and has acted as a finder in connection with the Company's investments in synthetic fuel limited partnerships and facilities. The Board has determined that this is not a material relationship affecting Mr. Elcan's independence.

The Board of Directors held one meeting and took action by unanimous written consent one time during the fiscal year ended January 31, 2004. Each incumbent director attended all meetings of the Board of Directors and Board Committees on which he served.

Directors are invited and encouraged to attend the Company's annual meeting of shareholders. All directors attended the 2003 Annual Meeting.

The Nominating/Corporate Governance Committee may solicit advice from the CEO and other members of the Board.

The Nominating/Corporate Governance Committee will consider director candidates recommended by the Company's shareholders. Shareholders must submit the name of a proposed shareholder candidate to the Nominating/Corporate Governance Committee at the Company's corporate offices by the date specified under 'Shareholder Proposals.'

Executive Committee. The Executive Committee is empowered to exercise all of the powers and authority of the Board of Directors between meetings of the Board, other than the power to fill vacancies on the Board or on any Board committee and the power to declare dividends. The members of the Executive Committee are Messrs. Rose and Tomchin. The Executive Committee met informally throughout the year and took formal action by unanimous written consent six times during fiscal 2003.

incentive awards. The 1999 Omnibus Plan also provides for yearly grants of nonqualified stock options to directors who are not employees of the Company. ### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves Chief Executive Officer (CEO) compensation, makes recommendations to the Board with respect to non-CEO compensation and compensatory plans, and administers the Company's 1995 and 1999 Omnibus Stock Incentive Plans.

### EXECUTIVE COMPENSATION POLICIES

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policies integrate base salary with annual bonuses based upon corporate and individual performance, supplemented with long-term equity-based incentive awards.

9

Base salary is intended to be set at a level below the base salaries paid to executives of similarly-sized companies within the industry and the peer group. Salaries for executive officers are reviewed by the Committee on an annual basis, subject to the terms of any existing employment agreements.

Annual bonuses are intended to comprise a substantial portion of each senior executive officer's annual cash compensation and are based upon corporate financial performance. For fiscal 2003, to reflect tax savings realized from the Company's investments generating income tax credits, the Committee established the amount of the Company's after-tax earnings as a percentage of net sales (the 'After-Tax Earnings Percentage') as the performance measure for determining senior executives' bonuses. In calculating after-tax earnings for this purpose, the Company's effective federal income tax rate cannot go below 0%. Annual bonuses for the executive officers other than senior executives are established by the Chief Executive Officer based on his assessment of the individual's performance.

Long-term incentive awards are made in the form of annual grants of incentive stock options and nonqualified stock options pursuant to the Omnibus Plans. Stock appreciation rights, restricted stock and other stock-based awards may also be granted under the Plans. The Committee feels that stock options and other stock-based awards are an effective long-term incentive for executive officers to create value for shareholders, since their value bears a direct

## Edgar Filing: REX STORES CORP - Form DEF 14A

relationship to the Company's stock price. Stock options are granted at the fair market value of the underlying shares at the date of grant (unless otherwise required by applicable law), and generally vest in installments over multiple years. During fiscal 2003, nonqualified stock options were granted under the 1999 Omnibus Plan to 74 employees, including one executive officer, based primarily on the individual's contribution to the Company's growth and profitability.

### CEO COMPENSATION

Stuart A. Rose, the Chairman and Chief Executive Officer of the Company, received a base salary of \$154,500 in fiscal 2003 pursuant to the terms of his employment agreement.

Mr. Rose earned a cash bonus of \$984,225 for fiscal 2003, compared to his fiscal 2002 cash bonus of \$882,800. This increase was based on the fiscal 2003 After-Tax Earnings Percentage of 5.965% (compared to the fiscal 2002 After-Tax Earnings Percentage of 5.35%). In determining Mr. Rose's cash bonus, the Committee utilized a measure of a \$165,000 cash bonus for each After-Tax Earnings Percentage point.

### INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to a public company for compensation paid in excess of \$1 million in any taxable year to the corporation's chief executive officer or any of its other named executive officers in the proxy statement. Depending upon the number of options exercised by an executive officer in a particular year and the value of the underlying shares at that time, exercise of the 1998 or 2001 nonqualified executive stock options or the nonqualified options granted under the 1999 Omnibus Plan could result in the individual's annual compensation exceeding the \$1 million deduction limitation. For fiscal 2003, a portion of Mr. Rose's compensation from salary and bonus exceeded the \$1 million deduction limitation.

No event of the type described in Item 304(a)(1)(v) of Regulation S-K occurred during the period described above.

Prior to the Board's determination to engage Deloitte & Touche LLP as the Company's independent auditors for the year ending January 31, 2003, Deloitte & Touche LLP was not consulted on accounting treatment and disclosure requirements.
