SCHEDULE 13D

Item 1 Security and Issuer.

The class of equity securities to which this Statement on Schedule 13D relates is the common stock, par value \$0.01 per share (the "Shares"), of Plug Power Incorporated, a Delaware corporation ("Plug Power" or the "Issuer"), with its principal executive offices located at 968 Albany-Shaker Road, Latham, New York 12110.

Item 2. Identity and Background.

This Statement is being filed by First Albany Companies Inc., a New York Corporation ("FAC"), George C. McNamee ("McNamee") and Alan P. Goldberg ("Goldberg") (FAC, McNamee and Goldberg, collectively, the "Reporting Persons"). FAC is a holding company which, through its principal wholly-owned subsidiary, First Albany Corporation ("First Albany"), is an investment banking, securities trading and brokerage firm serving corporations, governments and institutional investors. The address of FAC's principal office and principal business is 30 South Pearl Street, Albany, New York 12207-1599.

McNamee is Chairman of the Board of Directors of Plug Power. His principal occupation is as Co-Chief Executive Officer and Chairman of the Board of Directors of FAC. His business address is at FAC's principal offices at 30 South Pearl Street, Albany, New York 12207-1599.

Alan Goldberg is President and Co-Chief Executive Officer of FAC. His business address is at FAC's principal offices at 30 South Pearl Street, Albany, New York 12207-1599.

McNamee and Goldberg are each citizens of the United States of America.

During the last five years, neither McNamee, Goldberg, FAC nor any of FAC's Executive Officers and Directors has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws.

The name, business address and present principal occupation or employment of each executive officer and director (the "Executive Officers and Directors") of FAC are set forth in Schedule I hereto, which is incorporated herein by reference. Each of such individuals is a citizen of the United States of America, except for J. Anthony Boeckh, Ph.D., who is a citizen of Canada.

Item 3 Source and Amount of Funds or Other Consideration.

FAC entered into an Exchange Agreement with Mechanical Technology Incorporated ("MTI") dated December 20, 2002 whereby FAC agreed to exchange 8,000,000 shares of MTI owned

5

by FAC for 2,721,088 shares of Plug Power owned by MTI. The agreement is incorporated herein by reference and attached to this Schedule 13D as Exhibit A. On December 20, 2002 the closing sale price for MTI was \$2.27 per share and the

Edgar Filing: PLUG POWER INC - Form SC 13D

closing sale price for Plug Power was \$5.00 per share. The 2,500 shares of Plug Power beneficially owned by Goldberg were purchased on April 12, 2001 with his personal funds at an aggregate purchase price of \$37,241. Of the 250,000 shares of Plug Power beneficially owned by McNamee, 10,000 were acquired on October 29, 1999 with his personal funds for a total purchase price of \$150,000 and 240,000 are subject to currently exercisable options and were granted by the Issuer pursuant to its non-employee director stock option plan.

Item 4 Purpose of Transaction.

FAC acquired the Shares in an exchange transaction reported in Item 3 which was effected in order to diversify FAC's investment holdings and to simplify its financial reporting through the elimination of equity accounting as it relates to MTI. McNamee and Goldberg acquired the Shares reported in Item 3 as owned by them for investment purposes. McNamee acquired the 240,000 Shares reported in Item 3 as subject to options as compensation for his services as a director of Plug Power. From time to time, FAC has engaged in discussions with the Issuer, its officers and directors and other significant shareholders relating to the Issuer's policies, management, directors, business, operations, financial condition, strategies and other developments, and FAC intends to engage in such discussion in the future. From time to time, the Reporting Persons may buy or sell additional Shares, on the open market, in private negotiated transactions, from the Issuer or otherwise.

As a significant shareholder of the Issuer and through any of its representatives that may be members of the Issuer's Board of Directors, FAC may consider, from time to time, (i) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries, (ii) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries, (iii) material changes in the present capitalization or dividend policy of the Issuer, (iv) other material changes in the Issuer's business or corporate structure, (v) changes in the Issuer's Certificate of Incorporation and by-laws or other actions which may impede the acquisition of control of the Issuer by any person, (vi) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized in an inter-dealer quotation system of a registered national securities association, (vii) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act or (viii) any action similar to any of those enumerated above.

Item 5 Interest in Securities of the Issuer.

(a) FAC is the direct beneficial owner of 2,721,088 Shares which represent approximately 5.3% of Shares outstanding based on 50,865,304 Shares outstanding, as set forth in Plug Power's Quarterly Report on Form 10-Q for the quarter ending September 30, 2002. McNamee and Goldberg expressly disclaim beneficial ownership of the Shares reported on this Statement as beneficially owned by FAC and are Reporting Persons on this Statement due to their indirect ownership of FAC. McNamee is a direct beneficial owner of 250,000 Shares, which represent .5% of the Shares outstanding on September 30, 2002. McNamee disclaims beneficial ownership of the 2,721,088 Shares owned by FAC. Goldberg is the direct beneficial owner of 2,500 Shares, which represent .005% of the Shares outstanding on September 30, 2002. Goldberg disclaims beneficial ownership the 2,721,088 Shares owned by FAC.

6

(c) Except for the exchange transaction described in Item 3, neither McNamee, Goldberg, FAC nor any Executive Officer or Director thereof, has effected any transactions in Shares during the past 60 days.

(d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such Shares.

(e) Not applicable.

Item 6 Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Except as previously described, none of the Reporting Persons has any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
