PROXY STATEMENT
FOR HOLDERS OF CLASS A COMMON STOCK
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON FEBRUARY 25, 2003

This Proxy Statement is furnished to holders of the Class A common stock,

Edgar Filing: FRIEDMANS INC - Form DEF 14A

\$.01 par value per share ("Class A Common Stock"), of Friedman's Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors from holders of the outstanding shares of Class A Common Stock for use at the 2003 Annual Meeting of Stockholders. The Annual Meeting will be held at Hyatt Regency Savannah, 2 West Bay Street, Savannah, Georgia on Tuesday, February 25, 2003, at 9:00 a.m., local time (the "Annual Meeting").

With respect to the holders of Class A Common Stock, the Annual Meeting will be held for the following purposes: (i) to elect three directors to serve until the 2004 Annual Meeting of Stockholders and (ii) to transact such other business as may properly come before the Annual Meeting or any adjournments thereof.

The approximate date on which this Proxy Statement and the accompanying Proxy are first being sent or given to stockholders of the Company is January 22, 2003.

STOCKHOLDERS ENTITLED TO VOTE

Only stockholders of record of the Company at the close of business on January 6, 2003 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, there were 17,423,706 shares of the Class A Common Stock issued and outstanding held by 62 stockholders of record. In addition, there were 1,196,283 shares of the Company's Class B common stock, \$.01 par value per share ("Class B Common Stock"), issued and outstanding held by one stockholder of record. Notwithstanding the passing of the Record Date specified above, the Company's stock transfer books will not be closed and shares may be transferred after the Record Date. However, all votes must be cast in the names of stockholders of record on the Record Date.

The Certificate of Incorporation of the Company (the "Certificate") provides that holders of Class A Common Stock have the right, as a class, to elect a minimum of 25% of the members of the Company's Board of Directors (rounding up the number of directors to be elected by Class A Common Stockholders if 25% of the Board Directors is not equal to a whole number). The Board of Directors has the right to determine the precise number of directors, if any, to be elected by the Class A Common Stockholders in excess of 25%. The Company's current Board of Directors has been set at six members, and, pursuant to the Certificate, the holders of Class A Common Stock are entitled to elect at least two directors. The Board of Directors has determined, however, that holders of Class A Common Stock will elect three directors at the Annual Meeting. Holders of Class A Common Stock are entitled to one vote for each share held. Holders of Class B Common Stock also are entitled to one vote for each share held.

QUORUM AND VOTING REQUIREMENTS

In accordance with Delaware law (under which the Company is organized) and the Company's Bylaws, the presence of a majority of the issued and outstanding shares of Class A Common Stock entitled to vote at the Annual Meeting, present in person or by proxy, is required to establish a quorum. For the purpose of determining the presence of a quorum, abstentions and votes withheld from any nominee will be considered to be "votes entitled to be cast" and therefore will be counted as present for purposes of determining the presence or absence of a quorum. Broker non-votes will not be considered to be "votes entitled to be cast" and will not be counted as present for quorum purposes. Broker non-votes are votes that brokers holding shares of record for their customers are not permitted to cast under applicable stock exchange rules because the brokers have

not received specific instructions from their customers as to certain proposals

Edgar Filing: FRIEDMANS INC - Form DEF 14A

and as to which the brokers advised the Company that they lack voting authority.

The election of three directors by the holders of Class A Common Stock will require the affirmative vote of a majority of the shares of Class A Common Stock represented and entitled to vote in the election at the Annual Meeting, provided a quorum is present. With respect to the election of directors, stockholders may (1) vote "for" each of the nominees, (2) "withhold" authority to vote for each of such nominees, or (3) withhold authority to vote for one or more nominees but vote for the other nominee(s). Because the directors are elected by the holders of a majority of the shares represented and entitled to vote, withholding authority to vote with respect to one or all nominees or an abstention from voting will have the effect of a vote "against" such nominee or nominees. Broker non-votes will not be considered "votes entitled to be cast" and will have no effect on the outcome of the election of directors.

PROXIES

If a stockholder is unable to attend the Annual Meeting in person or is able to attend but does not wish to vote in person, he or she may submit their proxy voting instructions via the Internet or by telephone by 5:00 p.m. Eastern Standard Time on February 24, 2003, or by completing the enclosed proxy in time for receipt no later than the close of business on February 24, 2003. Stockholders may submit their proxy voting instructions via the Internet by accessing the web site identified on the enclosed proxy and following the instructions on the web site. Stockholders who choose to submit their proxy voting instructions by telephone should call the telephone number identified on the enclosed proxy and follow the prompts. The Internet and telephone voting procedures are designed to authenticate stockholders' identities, allow stockholders to vote their shares and confirm that their instructions have been properly recorded. If a stockholder's shares are held in the name of a bank or broker, the availability of Internet or telephone voting will depend on the voting processes of the applicable bank or broker. It is therefore recommended that stockholders follow the voting instructions on the form received from their banks or brokers. Stockholders who choose not to vote via the Internet or by telephone should specify their choices with regard to each proposal on the enclosed proxy card.

When a proxy is timely delivered via the Internet, by telephone or by the enclosed proxy, and not subsequently revoked as described below, it will be voted at the Annual Meeting in accordance with the instructions given. If no specific instructions are given, however, the shares represented will be voted "FOR" the election of the three director nominees named in this Proxy Statement. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment as further described in the next paragraph.

The Board of Directors is not aware of any business to be presented and voted upon by the stockholders at the Annual Meeting other than that which is set forth in this Proxy Statement. As permitted by Rule 14a-4(c) of the of the Securities and Exchange Commission (the "SEC"), the persons named as proxies on the proxy cards will have discretionary authority to vote in their judgment on any proposals presented by stockholders for consideration at the Annual Meeting that were submitted to the Company after December 19, 2002. Such persons named as proxies also will have discretionary authority to vote in their judgment upon the election of any person as a director if a director nominee is unable to serve for good cause or will not serve, and on matters incident to the conduct of the Annual Meeting.

The giving of a proxy does not affect a stockholder's right to vote in person should he or she attend the Annual Meeting. Any stockholder who has given a proxy has the power to revoke it at any time before it is voted by (1) giving written notice of revocation to Victor M. Suglia, the Secretary of the Company,

Edgar Filing: FRIEDMANS INC - Form DEF 14A

at 4 West State Street, Savannah, Georgia 31401, (2) executing and delivering to the Secretary a proxy card bearing a later date, or (3) voting in person at the Annual Meeting; provided, however, that no such revocation under clause (1) or (2) shall be effective until written notice of revocation is received by the Secretary at or before the Annual Meeting. If a stockholder is not attending the Annual Meeting, any proxy or notice should be returned to the Company in time for receipt no later than the close of business on the day preceding the Annual Meeting.

ELECTION OF DIRECTORS

The Bylaws of the Company provide that the Board of Directors shall consist of not less than three individuals, with the exact number of directors determined by resolution of the Board of Directors. Pursuant to Article III of the Company's Bylaws, the Board of Directors has set the number of directors of the Company at six and has nominated the following individuals for election to the Board of Directors by the holders of Class A Common Stock and Class B Common Stock, respectively

CLASS A COMMON STOCK NOMINEES -----	DIRECTOR SINCE -----
Robert W. Cruickshank.....	1993
David B. Parshall.....	1993
Mark C. Pickup.....	1993

CLASS B COMMON STOCK NOMINEES -----

Sterling B. Brinkley.....	1993
John E. Cay III.....	1997

Each of the directors will be elected to hold office until the 2004 Annual Meeting of Stockholders or until his earlier death, resignation or removal.

Holders of Class A Common Stock are entitled to vote only on the Class A Common Stock nominees, and holders of Class B Common Stock are entitled to vote only on the Class B Common Stock nominees. The persons designated as proxies on the enclosed proxy card intend to vote the shares represented thereby in favor of the election of the Class A Common Stock nominees whose names appear above, unless either authority to vote for one or all of the nominees is withheld or such proxy has previously been revoked. The Company believes that the nominees will be available and able to serve as directors. In the event that a nominee is unable to serve, the Board of Directors, in its discretion, may designate a substitute nominee or nominees (in which case it is anticipated that the persons designated as proxies will vote for the election of such substitute nominee or nominees), allow the vacancy or vacancies to remain open until the Board of Directors locates a suitable candidate or candidates, or reduce the authorized number of directors. The Company anticipates that management stockholders of the Company will vote for the election of the nominees.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ELECTION

The Board of Directors, acting as a whole, nominates those persons whom it recommends that the stockholders elect as directors of the Company. The Board of Directors also considers Class A Common Stock nominees submitted by holders of Class A Common Stock and will do so for the 2004 Annual Meeting if nominees are submitted to the Company on or before September 24, 2003. The annual grants are made on the day following each annual meeting of stockholders. The option price for each option granted under the Director Plan is the "Fair Market Value," as defined in the Director Plan, of the shares of Class A Common Stock subject to the option on the date the option is granted. An option is exercisable six months after it is granted and remains exercisable for five years from the date of grant. The Company has reserved 100,000 shares of Class A Common Stock for issuance under the Director Plan, and, as of September 28, 2002, there were 42,600 outstanding options to purchase shares under the Director Plan.

EMPLOYMENT ARRANGEMENTS

As further incentive to enhance the value of the Company for the benefit of its stockholders, in October 1994, when the Class A Common Stock price was \$16.38, the Company adopted an incentive plan that provided each of Mr. Brinkley and Mr. Stinn a loan in the amount of \$1.5 million, the repayment of which is forgiven upon the attainment of specific targets for the market price of the Company's Class A Common Stock ranging from \$22.50 to \$32.50. The plan was structured such that if the Company is able to achieve nearly 100% appreciation in its stock price within a designated period, the entire amount of all advances to Messrs. Brinkley and Stinn will be forgiven and related tax consequences will be paid by the Company. The loans are due and payable in ten years and carry an interest rate equal to the minimum rate allowable under the Internal Revenue Code of 1986, as amended. The incentive features of the loans provide that: (i) as long as Mr. Brinkley or Mr. Stinn are employed by the Company on the date on which interest is due on the loans, the interest will be forgiven; (ii) a percentage of the outstanding principal of the loans will be forgiven upon the attainment of certain targets for the market price of the Company's Class A Common Stock; and (iii) the Company will pay any taxes due as the result of the forgiveness of interest and principal. In addition, in the event of the death or

Edgar Filing: FRIEDMANS INC - Form DEF 14A

disability of Mr. Brinkley or Mr. Stinn, or a Change in Control of the Company (as defined in the loan agreements), the remaining principal amount and any unpaid and unforgiven interest accrued on the loans will be forgiven. The first stock price target (\$22.50 per share) was attained in July 1995, the second stock price target (\$25.00 per share) was attained in April 1996 and the third stock price target (\$27.50 per share) was attained in May 1996. To date, 50% of the principal amount of the loans has been forgiven. The remaining principal amount will be forgiven through 2003 if the Company's stock price reaches targets ranging from \$32.50 to \$60.00. The Company incurred a charge of \$2.1 million in the quarter ended June 30, 1996 related to the attainment of the \$25.00 and \$27.50 price targets.

In January 1999, the Company entered into an Indemnification Agreement with Mr. Stinn pursuant to which the Company agreed to assume and pay certain indemnification obligations of Crescent Jewelers to Mr. Stinn should Crescent Jewelers fail to promptly pay such obligations. The only indemnification obligations the Company agreed to assume under the agreement are those which (i) constitute indemnifiable claims under Crescent Jewelers' Articles of Incorporation or Bylaws, and (ii) arise out of or relate to a transaction between the Company and Crescent Jewelers for any liability incurred in a proceeding.

In August 2002, the Company entered into indemnity agreements with Mr. Stinn and Mr. Suglia. Pursuant to these agreements, the Company agreed to indemnify each of Mr. Stinn and Mr. Suglia for any liability, including reasonable expenses, incurred in connection with any proceeding to which either one of them is a party by reason of the fact that he is or was an officer or director of the Company. Under these agreements, however, the Company will not indemnify Mr. Stinn or Mr. Suglia for (i) any breach of their duty of loyalty to the Company or its stockholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) for liabilities relating to Section 174 of the Delaware General Corporation Law; or (iv) for a transaction in which they derived an improper personal benefit. Under these agreements, before final disposition of a proceeding, the Company shall advance funds for reasonable payment of expenses, subject to Mr. Stinn or Mr. Suglia's written undertaking to repay any funds advanced, if it is ultimately determined that they are not entitled to indemnification.

LONG-TERM INCENTIVE PLAN

The Company currently maintains the Friedman's Inc. 1999 Long-Term Incentive Plan, as amended (the "LTIP"), which the holders of Class B Common Stock approved at the 1999 Annual Meeting. The Company had no options available to be granted pursuant to the LTIP as of September 28, 2002. The Company has reserved 1,000,000 shares of the authorized but unissued shares of its Class A Common Stock for issuance upon the grant or exercise of awards pursuant to the LTIP. The Board of Directors has approved an amendment to the LTIP to increase the number of shares reserved under the plan from 1,000,000 to 3,000,000. The amendment will be presented to the Class B common stockholders at the Annual Meeting for their approval.

REPORT ON EXECUTIVE COMPENSATION OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

INTRODUCTION

The Compensation Committee of the Board of Directors is responsible for developing the Company's executive compensation policies and advising the Board of Directors with respect to such policies. The members of the Compensation

Edgar Filing: FRIEDMANS INC - Form DEF 14A

Committee are Robert W. Cruickshank, who serves as Chairman of the Compensation Committee, David B. Parshall and Mark C. Pickup.

COMPENSATION POLICIES

The objectives of the Company's executive compensation program are to:

- Encourage the achievement of the Company's goals by providing compensation that relates directly to the performance of the individual and the achievement of strategic objectives.
- Establish compensation policies and guidelines that will attract and retain qualified personnel through a total compensation opportunity that is competitive within the Company's industry.
- Promote a direct relationship between compensation and the Company's performance by facilitating executive officer stock ownership through long-term incentive compensation, specifically stock based compensation.

COMPENSATION PRACTICES

The Company's executive officer compensation program is comprised of base salary, annual cash incentive bonus compensation and long-term incentive compensation in the form of stock options and restricted stock, as well as various other benefits that are generally available to all employees of the Company.

BASE SALARY

The base salaries for the Company's executive officers vary depending on the responsibilities of the officers. An executive officer's base salary may not necessarily be competitive with those of executive officers of other companies in the Company's industry. The Company believes, however, that its emphasis on incentive bonus compensation, as described below, better serves the Company's interests, and such incentive bonus compensation may enable an executive officer's total compensation to exceed the total compensation that the Company's competitors pay to their executives.

ANNUAL CASH INCENTIVE COMPENSATION

In order to best serve the Company's and its stockholders' interests, the Company makes extensive use of cash bonuses as a component of management compensation. The Company awards these bonuses based on the Company's operating performance and the individual executive officer's contribution to that performance. The Company's financial performance goals are set at the beginning of each fiscal year. At the end of each fiscal year, cash bonuses are recommended in the judgment of the Compensation Committee based on the achievement of financial targets and the individual performance of the executive officer. The Compensation Committee believes that this program provides a direct financial incentive that motivates the Company's executive officers to achieve the Company's performance goals and to work toward the Company's overall success.

In fiscal 2002, performance measures for incentive compensation payments were based on specific criteria associated with each executive officer's performance within his area of responsibility and the achievement of certain financial performance targets based on the Company's fiscal 2002 financial plan. At a meeting on November 14, 2002, the Compensation Committee approved the payment of annual executive officer bonuses for the 2002 fiscal year as follows: Mr. Stinn -- \$352,000, Mr. Brinkley -- \$272,000, Mr. Anderson -- \$100,000, Mr. Suglia -- \$137,000.

For fiscal 2003, the Compensation Committee has determined that the performance measures for incentive compensation payments will be based on specific performance criteria associated with each executive officer's area of responsibility and the achievement of a range of annual financial performance targets. The financial performance targets are based on the Company's fiscal 2003 financial plan. The Compensation Committee has also reserved the discretion to award bonuses if it determines that an executive officer's individual performance justifies such an award.

LONG-TERM INCENTIVE COMPENSATION

Long-term incentives are designed to link management compensation with the long-term interests of the Company's stockholders. Although the LTIP provides for several types of long-term incentive based compensation, the Company has historically granted only stock options as long-term incentives. Stock options generally have a vesting period of three years. Individual stock option awards are based on level of responsibility, the Company's stock ownership objectives for management and the Company's performance relative to certain financial performance objectives. The Company's long-term performance ultimately determines the level of compensation resulting from stock options, since stock option value is entirely dependent on the long-term growth of the price of the Company's Class A Common Stock.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The base salary of the current Chief Executive Officer of the Company, Bradley J. Stinn, was \$550,000 for fiscal 2002. Mr. Stinn was paid a bonus of \$352,000 for fiscal 2002.

POLICY WITH RESPECT TO DEDUCTIBILITY OF COMPENSATION EXPENSE

It is the responsibility of the Compensation Committee to ensure that the Company receives the maximum tax benefit from its compensation expenses. In addition, the LTIP is designed to comply with the Internal Revenue Service requirements for deductibility of performance-based compensation.

CONCLUSION

The Company's compensation program is designed to link compensation closely with the Company's performance and the creation of stockholder value. The Compensation Committee believes that the program has been, and will continue to be, successful in supporting the Company's financial, growth and other business objectives.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is composed of three independent directors and operates under a written charter adopted by the Board of Directors. The members of the Committee are Mark C. Pickup, who serves as Chairman of the Audit Committee, Robert W. Cruickshank and David B. Parshall.

Edgar Filing: FRIEDMANS INC - Form DEF 14A

The Audit Committee recommends to the Board of Directors, subject to ratification by the holders of a majority of the outstanding shares of Class B Common Stock, the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report on those financial statements. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principals, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Audit Committee the written disclosures required by Independent Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K of the year ended September 28, 2002, filed with the Securities and the Exchange Commission.

CERTAIN TRANSACTIONS

MS Jewelers Limited Partnership. All of the Company's Class B Common Stock is owned by MS Jewelers Limited Partnership (the "Partnership"), which was formed by an investor group led by the investment banking firm Morgan Schiff and its principals in order to purchase the Company's predecessor. The Company is controlled by Mr. Phillip Ean Cohen through his sole ownership of MS Jewelers Corporation ("MS Jewelers"), the general partner of the Partnership. As a result of his control of those entities, Mr. Cohen controls all decisions with respect to major corporate transactions affecting the Company. Mr. Cohen also controls Morgan Schiff, for which Mr. Brinkley serves as a consultant, and Crescent Jewelers, of which Mr. Brinkley serves as a director, Mr. Stinn serves as Chairman and Chief Executive Officer, and Mr. Suglia serves as Chief Financial Officer.

Mr. Brinkley has served in the uncompensated position of Chairman of the Board of MS Jewelers since May 1990. Mr. Stinn has served as an uncompensated director of MS Jewelers since May 1990.

Effective August 9, 1993, the Partnership established the MS Jewelers Limited Partnership 1993 Incentive Plan (the "Partnership Incentive Plan"). The Partnership Incentive Plan provided for the granting of options to purchase up to six units of limited partnership interest (a "Unit" or "Units") at option prices determined by the Board of Directors of MS Jewelers. Each Unit represents

Edgar Filing: FRIEDMANS INC - Form DEF 14A

a partnership capital percentage equal to approximately .84%, which represents an indirect interest in 41,955 shares of Class B Common Stock on a fully diluted basis, assuming the exercise of all outstanding options. Effective August 9, 1993, Bradley J.

12

Stinn was granted an option to purchase five Units under the Partnership Incentive Plan. The exercise price of these options was \$100,000 per Unit, which equates to \$2.38 per share of Class B Common Stock. See "Stock Ownership."

Stock Purchase Loans to Directors and Executive Officers. On November 5, 1998, the Company's Board of Directors authorized the Company to make incentive stock purchase loans to the directors and certain executive officers of the Company. Pursuant to the terms of the loan agreements, the directors and executive officers were required to use the proceeds from the loans to purchase shares of the Company's Class A Common Stock, thereby more closely linking the personal interests of the directors and executive officers to those of the Company's stockholders. On November 23, 1998, loans in the following amounts were made to the following directors and executive officers: Sterling B. Brinkley (\$250,000); John E. Cay III (\$50,000); Robert W. Cruickshank (\$50,000); David B. Parshall (\$50,000); Mark C. Pickup (\$50,000); Bradley J. Stinn (\$250,000) and Victor M. Suglia (\$150,000). The principal balance of all such loans will be due on November 23, 2003, and interest, which accrues at 5.0% annual simple interest, is payable annually. Effective November 23, 2001, the Board of Directors approved the forgiveness of the annual interest payment and 5% of the principal balance of each loan. The current principal balance of each loan is: Sterling B. Brinkley (\$237,500); John E. Cay (\$47,500); Robert W. Cruickshank (\$47,500); David B. Parshall (\$47,500); Mark C. Pickup (\$47,500); Bradley J. Stinn (\$237,500); and Victor M. Suglia (\$142,500). Effective January 15, 2003, the board of directors approved the forgiveness of the annual interest payment on these loans due on November 23, 2002, and interest thereon. This action by the board of directors did not modify any term of the loans or any remaining obligations thereunder.

Real Estate Bridge Loan to Chief Financial Officer. On July 22, 2002, the Company, pursuant to authorization from the Board of Directors, made a real estate bridge loan in the amount of \$300,000 to the Company's Chief Financial Officer, Victor Suglia. Pursuant to the terms of the promissory note, the Chief Financial Officer agreed to use the entire principal amount of the real estate bridge loan to purchase a primary residence for himself in or near the San Francisco/Oakland Bay Area, California. The principal balance of the loan was due in full upon the closing of the sale of the Chief Financial Officer's residence located in Savannah, Georgia, or if sooner, 120 days following the earlier of his death or termination of his employment with the Company. Interest accrued in simple terms at the prime rate of interest, or approximately 4.75%, and was payable annually. The principal amount of the loan, including all accrued interest, was repaid on January 3, 2003.

Incentive Loan to President and Chief Operating Officer. On September 4, 2001, the Company, pursuant to authorization from the Board of Directors, made an incentive loan in the amount of \$200,000 to the Company's President and Chief Operating Officer, Douglas Anderson. The loan agreement provides that upon each of the first, second and third anniversaries of the President and Chief Operating Officer's employment with the Company, if the President and Chief Operating Officer is actively employed with the Company, \$66,667 of the principal balance of the loan will be forgiven. On September 4, 2002, \$66,667 of the principal balance of the loan was forgiven. Unless forgiven under the terms of the loan, the principal balance of the loan will otherwise be due in full on August 30, 2004. Interest accrues in simple terms at the prime rate of interest and is payable quarterly.

Edgar Filing: FRIEDMANS INC - Form DEF 14A

Morgan Schiff. In December 1994, the Company entered into a Financial Advisory Services Agreement (the "Services Agreement") with Morgan Schiff under which Morgan Schiff agreed to provide the Company with certain financial advisory services with respect to capital structure, business strategy and operations, budgeting and financial controls, and mergers, acquisitions and other similar transactions for an annual fee of \$400,000. The Financial Advisory Services Agreement has a term of one year with an automatic renewal unless either party terminates by written notice 30 days prior to the end of the then current term.

In fiscal 2002, the Company incurred management fees, transaction fees and related expenses to Morgan Schiff under the Financial Advisory Services Agreement in the total amount of \$2.4 million, consisting of the annual fee, additional fees associated with financial advisory services provided to the Company in connection with its February 2002 sale of Class A Common Stock, its August 2002 credit facility refinancing and an

13

investment in Crescent Jewelers, and reimbursement of expenses associated with all of the services provided under the Services Agreement.

Crescent. Crescent operates 163 stores in seven western states. The Company and Crescent are affiliated through common controlling ownership and executive management. Crescent is controlled by Mr. Cohen through his sole ownership of CJ Morgan Corp., the special purpose general partner of CJ Limited Partnership, which owns substantially all of the capital stock of Crescent. (Through CJ Morgan Corp. and CJ Limited Partnership, Mr. Cohen owns approximately 13.9% of Crescent). In addition, Bradley J. Stinn serves as Chief Executive Officer and Victor M. Suglia serves as Chief Financial Officer of both the Company and Crescent. Mr. Stinn and Mr. Suglia are separately compensated by Crescent Jewelers for their services to that company.

Effective April 1, 2000, the Company signed a licensing agreement granting Crescent the right to use certain trademarks owned by the Company. The Company received \$30,000 from Crescent during fiscal 2002 as license fees under this agreement. Effective May 1, 2000, the Company signed an agreement with Crescent to provide Crescent with merchandising, inventory management and replenishment systems, accounting and systems support and certain other back office processing services. Also effective May 1, 2000, the Company signed an agreement with Crescent to provide Crescent with integration services resulting from the installation of new information technology systems at Crescent. During fiscal 2002, the Company received \$0.8 million from Crescent pursuant to these agreements.

In connection with the refinancing of the Company's credit facility in August 2002, Friedman's restructured its financial support of Crescent Jewelers by terminating its guarantee of Crescent's previous \$112.5 million senior secured revolving credit facility and making a direct investment in Crescent of \$85.0 million. The investment consists of \$50.0 million of Series A Preferred Stock and \$35.0 million of a Senior Subordinated Note. Based in part on the Company's financial support of \$85.0 million, on August 28, 2002, Crescent Jewelers replaced its previous \$112.5 million senior secured revolving credit facility with a \$50.0 million secured credit facility. The Company still holds a warrant to purchase 7,942,904 shares of Crescent's non-voting Class A Common Stock, or approximately 50% of the capital stock of Crescent Jewelers on a fully diluted basis, for an exercise price of \$500,000 that was received in consideration of the guarantee of Crescent's previous credit facility.

The Series A Preferred Stock carries a floating rate dividend equal to the all-in cost of funds under the Company's credit facility, plus a pre-tax amount

Edgar Filing: FRIEDMANS INC - Form DEF 14A

approximating a proportionate share of the 2% guarantee fee payable by Crescent under the Company's guarantee of Crescent's previous credit facility, less the tax benefit the Company receives from the dividends received deduction. This calculation currently yields an approximate initial dividend rate of 6.26%. Cumulative dividends on the Series A Preferred Stock are payable semi-annually on January 15th and July 15th. The Company can request that the preferred stock be redeemed by Crescent Jewelers at any time after August 28, 2007. The preferred stock carries no voting rights, but does have a preference in liquidation or upon a change of control.

The Senior Subordinated Note carries a floating interest rate equal to the all-in cost of funds under the Company's credit facility, plus an amount approximating a proportionate share of the 2% guarantee fee payable by Crescent under the Company's guarantee of Crescent's previous credit facility. This calculation currently yields an initial interest rate of approximately 7.61%. Interest on the note is payable semi-annually on January 15th and July 15th. The note is due August 28, 2007. All amounts due under the note are subordinate to Crescent's senior credit facility.
