NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)**

NOTE 1 BASIS OF PRESENTATION AND CONSOLIDATION AND BUSINESS DESCRIPTION

Prior to November 29, 2006, we were known as Paligent Inc., a Delaware corporation (Paligent). On November 29, 2006, we acquired International Fight League, Inc., a privately held Delaware corporation (Old IFL), pursuant to an agreement and plan of merger, dated as of August 25, 2006, as amended (the Merger Agreement), by and among us, IFL Corp., a Delaware corporation and our wholly owned subsidiary (Merger Sub), and Old IFL, providing for the merger of Merger Sub and Old IFL, with Old IFL being the surviving corporation and becoming our wholly owned subsidiary (the Merger). Immediately following the Merger, we changed our name to International Fight League, Inc. (IFL or collectively, the Company), and Old IFL changed its name to IFL Corp. and continued to operate Old IFL s business of organizing and promoting a mixed martial arts (MMA) sports league.

The accompanying unaudited condensed consolidated financial statements represent the accounts of IFL and IFL Corp. All intercompany accounts and transactions have been eliminated in consolidation. These unaudited condensed consolidated financial statements reflect all adjustments (consisting of normal recurring accruals) that are considered necessary for a fair presentation of consolidated financial position and results of operations as of and for the periods presented. The condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q and Regulation S-X. We are required to make estimates and assumptions that affect the amounts reported in the unaudited financial statements and footnotes. Estimates and assumptions are periodically reviewed and the effects of any material revisions are reflected in the period that they are determined to be necessary.

We organize, host and promote a significantly greater number of live and televised MMA sporting events during the first half of our fiscal year than during the second half of our fiscal year. Since we generally incur most of our costs in connection with such events, our expenses generally increase during the first half of our fiscal year and decline in the second half. This seasonality is likely to cause fluctuations in our financial results. Therefore, the results of operations for the periods presented are not necessarily indicative of the results of operations for the full year ending December 31, 2007 and should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2006 in our Annual Report on Form 10-K.

NOTE 2 SEC COMMENT LETTER AND CHANGE IN ACCOUNTING PRACTICE

The Company recently received a comment letter from the staff of the Division of Corporation Finance of the Securities and Exchange Commission (SEC) regarding its annual report on Form 10-K for the year ended December 31, 2006 regarding its treatment of television rights revenue and related direct costs for its arrangement with Fox Sports Net (FSN). The Company gave up its exclusive right to telecast in return for airtime to broadcast its mixed martial arts events. Since no cash changed hands, the Company accounted for the transaction as a barter transaction under APB 29, as amended by SFAS 153, and recorded the revenues and cost of revenues at an amount the Company estimated to be the fair value. The Company has decided to change its accounting treatment and will recognize revenue or offsetting distribution costs for its barter transaction with FSN based upon its recorded value of its television rights of \$0, which will result in \$0 revenue and \$0 distribution fee expense for the FSN transaction. This quarterly report reflects this change, and the Company will be restating any prior financial statements that are affected by this change. The impact will not affect the Company s reported net loss, net loss per common share or cash flows. The amount of television revenue and distribution fees related to the FSN arrangement previously reported in the Company s financial statements are: \$1,375,000 of the year ended December 31, 2006; \$750,000 for the three months ended March 31, 2007; \$1,000,000 and \$1,750,000 for the three and six month periods ended June 30, 2007; and \$375,000 for the three and six month periods ended June 30, 2006. See Item 5 in Part II.

NOTE 3 LIQUIDITY

Since inception, the Company has incurred losses and has an accumulated deficit of \$27.1 million at September 30, 2007. During 2006 and 2007, the Company raised \$2.5 million from the issuance of preferred stock (which was converted to common stock at the time of the Merger) and received \$33.9 million in net proceeds from the sale of common stock in two private placements. At September 30, 2007, the Company s cash balance was

Table of Contents

\$9.3 million. Based upon management's current forecast of future revenues and expenses, the Company believes its cash resources will likely be sufficient to fund operations into the third quarter of 2008. This assumes that the Company's expenses continue to decrease as a result of the Company's cost reduction efforts and that the Company realizes additional cash from the following: (i) the distribution of IFL mixed martial arts content via DVD, electronic sell through and similar media pursuant to our letter of intent with Warner Home Video; (ii) the distribution of programming internationally pursuant to our exclusive relationship with Alfred Haber Distribution, Inc.; (iii) the continuation of television rights consistent with terms contemplated by the Letter of Intent with the Fox Entities (see Note 10); and (iv) an increase in sponsorship and licensing revenue. The Company has taken, and plans to continue to take, action to reduce its operating expenses. These actions include reducing the number of employees and changing its approach to staging live events and television production. The Company is also evaluating the profitability of other revenue sources, such as digital rights and pay-per-view broadcasts. If the Company can successfully generate revenue from additional sources, the Company's cash resources could last beyond the third quarter of 2008. There can be no assurance, however, that the Company will generate sufficient cash from any of such sources or continue to realize decreases in its expenses. If the Company is not able to generate sufficient cash from operations or if the Company is unable to secure sufficient debt or equity financing for operations, the Company will experience a cash shortage, the effect of which could result in the discontinuance of operations. If additional funds are raised by issuing equity securities, further dilution to existing stockholders will result and future investors may be granted rights superior to those of existing stockholders.

NOTE 4 LOSS PER SHARE

The Company complies with the accounting and reporting requirements of Statement of Financial Accounting Standards No. (FAS) 128, Earnings Per Share. Basic earnings per share (EPS) excludes dilution and is computed by dividing income (loss) applicable to common stockholders by the weighted average number of common shares outstanding for the period. Diluted EPS is based upon the weighted average number of common shares outstanding during the period plus the additional weighted average common equivalent shares during the period. Common equivalent shares result from the assumed exercises of outstanding stock options and warrants, the proceeds of which are then assumed to have been used to repurchase outstanding shares of common stock (the treasury stock method). Common equivalent shares are not included in the per share calculations where the effect of their inclusion would be anti-dilutive. Inherently, stock options and warrants are deemed to be anti-dilutive when the average market price of the common stock during the period exceeds the exercise price of the stock options or warrants.

At September 30, 2007, the Company's common stock equivalents included stock options outstanding for 3,097,372 shares of our common stock and warrants exercisable for 14,611,180 shares of our common stock. These common stock equivalents are not included in the diluted EPS calculations because the effect of their inclusion would be anti-dilutive or would decrease the loss per common share.

NOTE 5 INCOME TAXES

On January 1, 2007, the Company adopted the provisions of Financial Accounting Standards Board (FASB) Interpretation No. 48, Accounting for Uncertainty in Income Taxes an interpretation of FAS 109 (FIN 48). As of January 1 and September 30, 2007, there were no unrecognized tax benefits. FIN 48 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. No amounts were accrued for the payment of interest and penalties at January 1, 2007. There was no change to this consolidated balance at September 30, 2007. Management is currently unaware of any issues under review that could result in significant payments, accruals or material deviations from its position. The adoption of the provisions of FIN 48 did not have a material impact on the Company's financial position, results of operations or cash flows.

Table of Contents**NOTE 6 RELATED PARTY TRANSACTIONS*****Transactions with Entities Controlled by Our Chief Executive Officer***

Certain business transactions are transacted among the Company and two business ventures that are controlled by the Company's Chief Executive Officer. Typically, the Company reimburses these related companies for charges incurred and advances made on the Company's behalf. Further, the Company purchases certain goods and services from these related companies. As of September 30, 2007, approximately \$9,200 was owed to these related companies, which is included in accounts payable, relating to transactions aggregating \$73,400 and \$654,000 for the three and nine months ended September 30, 2007, respectively, and \$169,000 and \$317,000 for the three and nine months ended September 30, 2006, respectively. As of December 31, 2006, approximately \$166,000 was owed to these related companies, of which \$119,000 is included in accounts payable and \$47,000 is included in accrued expenses.

Lease and Other Guaranty Arrangements

In connection with Old IFL's lease of our New York City headquarters in August 2006, our Chief Executive Officer executed an unconditional and irrevocable guaranty of Old IFL's obligations under the lease. This lease commenced on September 1, 2006 and expires on August 31, 2010. Rent expense initially is \$13,394 per month (not including escalations) commencing on November 1, 2006 and payable in advance. In addition, our Chief Executive Officer has, on occasion, provided personal guarantees relating to performance bonds required by certain state athletic commissions.

On March 29, 2007, the Company's Board of Directors passed a resolution authorizing the Company to enter into an indemnification agreement with our Chief Executive Officer relating to these personal guarantees. On March 30, 2007, the Company executed an indemnity agreement with our Chief Executive Officer.

NOTE 7 -EQUITY COMPENSATION PLAN

Accounting for stock options issued to employees follows the provisions of FAS 123(R), Share-Based Payment and the SEC's SAB 107, Valuation of Share-Based Payment Arrangements for Public Companies. This statement requires an entity to measure the cost of employee services received in exchange for an award of equity instruments based on the grant-date fair value of the award. That cost will be recognized over the period during which an employee is required to provide service in exchange for the award.

The Company uses the Black-Scholes option-pricing model to measure the fair value of options granted to employees.

During the year ended December 31, 2006, the Company adopted the new 2006 Equity Incentive Plan (the Plan), which permits the grant of share options and other forms of share-based awards to its employees, directors and service providers for up to 5,000,000 shares of the Company's common stock. Option awards generally vest based on 3 years of continuous service and have 10-year contractual terms. Certain option and share awards provide for accelerated vesting if there is a change in control (as defined in the Plan). As part of the Merger (see Note 1), in exchange for options to purchase 1,865,000 shares of Old IFL common stock, we issued to the holders thereof options to purchase an aggregate of 1,925,376 shares of our common stock under the Plan which has substantially the same terms and conditions as the Old IFL options.

The fair value of each option award is estimated on the date of grant using the Black-Scholes option valuation model that used the assumptions noted in the following table. Expected volatilities are estimated based on the market prices of the Company's common stock. The expected term of options granted to employees is 3 years and is derived from the option agreement and represents the vesting period, since there is no employment history to consider. The expected term of options granted to non-employees is 2 to 5 years and is derived from the agreements with the parties. The risk-free rate for the expected term of the options is based on the U.S. Treasury yield curve in effect at the time of grant.

In connection with grants of options issued under the Plan, compensation costs of \$13,402 and \$43,079, respectively, were charged against operations for the three and nine months ended September 30, 2007. For the three and nine months ended September 30, 2006, compensation costs of \$7,738 and \$32,866 were charged against operations, respectively.

Under the Plan, the Company is authorized to grant restricted stock awards. During the three and nine month periods ended September 30, 2007, the Company recognized a cost of \$95,312 for restricted stock awards. The fair value of restricted stock awards are based upon the fair value of the Company's stock on the date of the award and the cost is recognized over the vesting period of the award.

NOTE 8 WARRANTS

During the period ended September 30, 2007, the Company granted a total of 635,000 warrants to purchase common stock at prices ranging from \$.30 per share to \$1.25 per share. The warrants are vested as to 318,333 shares as of September 30, 2007. In connection with these warrants issued, cost of \$327,777 were recorded for the three and nine month periods ended September 30, 2007, of which \$138,977 was recorded as stock based compensation expense and \$188,800 was recorded as selling, general and administrative expense.

The fair value of each warrant grant is estimated on the date of grant using the Black-Scholes option valuation model that used the assumptions noted in the following table. Expected volatilities are estimated based on the market prices of the Company's common stock. The expected term of warrants is 3 years based upon the vesting period of the warrants. The risk-free rate for the expected term of the options is based on the U.S. Treasury yield curve in effect at the time of grant.

NOTE 9 COMMITMENTS

In April 2007, the Company entered into an agreement with one of its executive officers under which the Company is obligated to make special payments and provide benefits subsequent to the effective date of the executive's resignation (see Note 11).

NOTE 10 TELEVISION RIGHTS AGREEMENTS

On various dates during the year ended December 31, 2006, the Company entered into agreements with National Sports Programming, owner and operator of Fox Sports Net (FSN) regarding IFL's series of team mixed martial arts matches held during the year ended December 31, 2006. The agreements grant FSN certain rights to the telecasts and, in return, FSN agrees to broadcast the series under specified conditions. The agreements with FSN provide that there shall be no payment of any distribution fees by the Company to FSN.

On January 15, 2007, the Company entered into a letter of intent (the Letter of Intent) with Fox Cable Networks, Inc. (Fox) and MyNetworkTV, Inc. (MNTV) and, together with Fox, the Fox Entities), which set forth certain terms and conditions under which the Fox Entities and IFL propose to create, promote and distribute IFL MMA content through a three-tier television and new media programming alliance. The Letter of Intent contains provisions requiring good faith negotiation of definitive agreements and exclusive negotiation by the Company. These terms expired on May 31, 2007, and have not been extended beyond that date. Accordingly, the parties are no longer obligated to negotiate definitive documents, nor is the Company bound by the exclusive negotiation terms contained in the Letter of Intent.

The parties have also been operating under the terms of the Letter of Intent with respect to the telecasting of IFL events by FSN and MNTV and the Company intends to continue negotiating definitive documents with the Fox Entities for telecasting IFL events. During the three and nine month periods ended September 30, 2007, the Company recorded \$675,000 and \$1,557,500 of television rights revenue relating to the telecast of events on MNTV. These amounts represent cash payments the Company has received or expects to receive from MNTV. Pursuant to the terms of the Letter of Intent, and the previous agreements between the Company and FSN, FSN is currently not paying any fees to the Company for the television rights, nor does the Company pay any distribution fees to FSN. No revenue or expense is recognized for the FSN transaction.

The Letter of Intent also contemplated Fox making an equity investment in IFL and Fox and IFL establishing a joint venture to own, manage and distribute IFL-related digital media rights including online/Internet, broadband and mobile/wireless. IFL expects that discussions will continue on these proposed transactions in the future, however, no assurance can be given that a transaction will be consummated.

The Company has also entered into an agreement for exclusive international distribution of its television shows. Under the agreement, the Company is required to deliver certain programming and will receive 75% of the revenue received from distribution with a guaranteed minimum of \$1 million. For the three and nine months ended September 30, 2007, the Company recorded \$400,000 in revenue under the arrangement based on the completed delivery of the product.

NOTE 11 ARRANGEMENTS WITH CERTAIN OFFICERS

On April 2, 2007, we entered into an agreement and general release (the Original Agreement), pursuant to which Salvatore A. Bucci, our former Chief Financial Officer, Executive Vice President and Treasurer voluntarily resigned effective at the close of business on June 30, 2007 (the Separation Date). Mr. Bucci was to continue to serve as our Chief Financial Officer, Executive Vice President and Treasurer and as one of our directors through the Separation Date. As provided for under the Original Agreement, we paid Mr. Bucci his annual base salary plus benefits and reimbursed Mr. Bucci for out-of-pocket expenses incurred by him in connection with the performance of his duties and obligations. The Original Agreement had also required us to make a one-time payment of \$40,000 to Mr. Bucci on June 29, 2007 and that we pay Mr. Bucci six monthly payments of \$15,000 from July to December 2007.

Table of Contents

On June 19, 2007, the Company and Mr. Bucci amended the Original Agreement by entering into an Amended and Restated Agreement and General Release (the Amended Agreement). Under the Amended Agreement, Mr. Bucci continued in his positions of Chief Financial Officer, Executive Vice President and Treasurer of the Company through September 30, 2007. Mr. Bucci was paid a salary of \$20,000 per month from July 1 to September 30, 2007, regardless of whether Mr. Bucci's resignation became effective prior to September 30, 2007. Further, in lieu of the one-time payment of \$40,000 due to Mr. Bucci on June 29, 2007 and the six monthly payments of \$15,000 that were payable from July to December 2007, Mr. Bucci was paid one special payment of \$60,000 on June 29, 2007 and received a second special payment of \$70,000 on September 28, 2007. The Company also made a \$10,000 payment directly to Mr. Bucci's law firm for services rendered to Mr. Bucci in connection with these agreements. The remaining terms of the Original Agreement were substantially unchanged. Under these arrangements, Mr. Bucci continued to serve as our Chief Financial Officer, Executive Vice President and Treasurer through September 30, 2007, at which time his resignation became effective.

Pursuant to the terms of his employment with us, Mr. Larkin, our President and Chief Operating Officer, is being paid an annual base salary of \$275,000 during his first six months of employment, then his annual salary will increase to \$325,000. Mr. Larkin is eligible to receive an annual bonus award based upon, and subject to, the achievement of target annual performance objectives established by the Company's Board of Directors or its Compensation Committee after consultation with him. As part of his employment agreement, Mr. Larkin was awarded options to purchase 500,000 shares of our common stock at an exercise price of \$.46 per share under our 2006 Equity Incentive Plan (the Plan). The options will vest as to 1/12 of the options every three months, beginning December 21, 2007, and will expire on September 21, 2017. In addition, Mr. Larkin is entitled to an additional award of 250,000 stock options in January 2008. These options will have an exercise price equal to the market value of our common stock on the date of grant, will vest as to 1/12 upon award, 1/12 on March 21, 2008 and 1/12 every three months thereafter, and will have an expiration date of September 21, 2017. If the exercise price of the stock option grant for the January 2008 options are greater than \$.46 per share, then Mr. Larkin shall be entitled to an award of restricted stock for a number of shares (not to exceed 250,000 shares) equal to (i) the product of (x) the amount the exercise price of the January 2008 option grant exceeds \$.46, multiplied by (y) 250,000, divided by (ii) the exercise price of the January 2008 options. This award of restricted stock will vest as to 1/12 upon award, 1/12 on March 21, 2008 and 1/12 every three months thereafter. The foregoing equity awards will fully vest upon a Change of Control Event (as defined in the Plan).

NOTE 12 RECENT ACCOUNTING PRONOUNCEMENTS

In September 2006, the FASB issued FAS 157, Fair Value Measurements. This Statement defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, expands disclosures about fair value measurements, and applies under other accounting pronouncements that require or permit fair value measurements. FAS 157 does not require any new fair value measurements. However, the FASB anticipates that for some entities, the application of FAS 157 will change current practice. FAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, which for the Company would be its fiscal year beginning January 1, 2008. The Company is currently evaluating the impact of FAS 157 but does not expect that it will have a material impact on its condensed consolidated interim financial statements.

On November 5, 2007, the Securities and Exchange Commission issued Staff Accounting Bulletin No. 109, Written Loan Commitments Recorded at Fair Value Through Earnings (SAB 109). SAB 109 provides guidance on the accounting for written loan commitments recorded at fair value under generally accepted accounting principles (GAAP). Specifically, the SAB revises the Staff's views on incorporating expected net future cash flows related to loan servicing activities in the fair value measurement of a written loan commitment. SAB 109, which supersedes SAB 105, Application of Accounting Principles to Loan Commitments, requires the expected net future cash flows related to the associated servicing of the loan be included in the measurement of all written loan commitments that are accounted for at fair value through earnings. SAB 109 is effective in fiscal quarters beginning after December 15, 2007. The Company is currently evaluating the potential impact, if any, that the adoption of SAB 109 will have on its condensed consolidated interim financial statements.

In February 2007, the FASB issued FAS 159, The Fair Value Option for Financial Assets and Financial Liabilities. This Statement permits entities to choose to measure many financial instruments at fair value. Unrealized gains and

losses on items for which the fair value option has been elected are reported in earnings. FAS

159 is effective for fiscal years beginning after November 15, 2007. The Company is currently assessing the impact of FAS 159 on its condensed consolidated interim financial position and results of operations.

NOTE 13 PRIVATE PLACEMENT OF COMMON STOCK AND WARRANTS

On August 6, 2007, the Company completed a private offering for the sale of a total of 25,330,000 shares of common stock at a price of \$0.50 per share for gross proceeds of \$12,665,000 and issued five year warrants to acquire up to 12,665,000 shares of common stock at an exercise price \$1.05 per share from which the Company received net proceeds of \$11.7 million. In connection with this August 2007 private placement, the Company issued to the placement agent, as partial compensation for its services in connection with the private placement, a five year warrant to purchase up to 729,900 shares of our common stock at an exercise price of \$1.05 per share

Our Company

We are the world's first professional mixed martial arts (or MMA) sports league. In MMA matches, athletes combine a variety of fighting styles, such as boxing, judo, jiu jitsu, karate, kickboxing, muay thai, tae kwon do and/or wrestling, in each fight. Our business was founded in 2005 to organize, host and promote live and televised MMA sporting events and to capitalize on the growing popularity of MMA in the United States and around the world. At the core of our business are our twelve MMA teams, which comprise some of the world's most highly regarded athletes and coaches. Our sporting events typically showcase four teams, in two-team match-ups, with athletes competing in one-on-one matches across five weight divisions. These events create a body of television programming content that we currently distribute through an arrangement with both Fox Sports Net (FSN), a national sports cable network available to over 80 million households across the U.S., MyNetworkTV, Inc. (MNTV), a broadcast network available to over 100 million homes across the U.S., and internationally through our arrangement with Alfred Haber Distribution, Inc., an international distributor of U.S. television programming. We earn revenue from live event ticket sales, sponsorships and promotions and licensing of our intellectual property. We have held eighteen live events, the first of which took place during the second quarter of 2006, the first period in which we recognized revenues.

Corporate History

Prior to November 29, 2006, we were known as Paligent Inc., a Delaware corporation (Paligent). On November 29, 2006, we acquired International Fight League, Inc., a privately held Delaware corporation (Old IFL), pursuant to an agreement and plan of merger, dated as of August 25, 2006, as amended (the Merger Agreement), by and among us, IFL Corp., a Delaware corporation and our wholly owned subsidiary (Merger Sub), and Old IFL, providing for the merger of Merger Sub and Old IFL, with Old IFL being the surviving corporation and becoming our wholly owned subsidiary (the Merger). Immediately following the Merger, we changed our name to International Fight League, Inc. (IFL or collectively, the Company), and Old IFL changed its name to IFL Corp. and continued to operate Old IFL's business of organizing and promoting a mixed martial arts sports league.

The Merger has been accounted for as a reverse acquisition under the purchase method of accounting for business combinations in accordance with generally accepted accounting principles in the United States of America. Reported results of operations of the combined group reflect the operations of Old IFL and IFL.

Old IFL's predecessor, International Fight League, LLC (the LLC), was organized on March 29, 2005 as a New Jersey limited liability company. On January 11, 2006, the LLC merged into Old IFL, whereupon the existence of the LLC ceased, and at which time the members of the LLC received an aggregate of 18,000,000 shares of Old IFL common stock, par value \$0.0001 per share, in exchange for their membership interests in the LLC. Old IFL operated as a development stage enterprise through March 31, 2006.

The first event of the tournament took place on November 3, 2007 and the finals of the grand prix are scheduled for December 29, 2007.

During 2006, IFL entered into agreements with National Sports Programming, owner and operator of FSN. The agreements with FSN granted FSN exclusive rights to broadcast episodes of IFL's 2006 events through June 30, 2007. In January 2007, we entered into a Letter of Intent with Fox Cable Networks, Inc. (Fox) and MyNetworkTV, Inc. (MNTV) and, together with Fox, the Fox Entities (the Letter of Intent), which set forth certain terms and conditions under which the Fox Entities and IFL proposed to create, promote and distribute IFL MMA content. Under the proposed terms, FSN would retain exclusive distribution rights to all IFL regular season, playoff and championship events. The provision of the Letter of Intent relating to the broadcasts on MNTV provide for MNTV to pay IFL \$50,000 for each initial telecast, \$20,000 for each second telecast and \$12,500 for each third telecast and any re-cuts. Stock-based compensation expenses relating to option grants and warrants of \$248,000 and \$277,000, respectively, were recorded to the statement of operations for the quarterly and nine month periods ended September 30, 2007 as compared to charges of \$8,000 and \$33,000 for the similar periods in 2006.

During the quarterly and nine-month periods ended September 30, 2007, interest income of \$88,000 and \$322,000, respectively, was earned on available cash balances as compared to \$3,000 and \$26,000 during the comparable period in 2006.

Liquidity and Capital Resources

At September 30, 2007, our cash and cash equivalents were \$9.3 million, an increase of \$9.0 million from the end of the comparable period in the prior year. During the nine months ended September 30, 2007, we received \$11.7 million in proceeds from a private placement and \$1.2 million from the receipt of the remaining subscription receivable relating to the December 2006 private placement of common stock, and used \$18.3 million to fund operating activities and \$1.6 million to pay accrued commissions on the private placement that was completed in December 2006. Our net decrease in cash and cash equivalents was \$7.3 million for the nine months ended September 30, 2007.

Future Capital Requirements

Since inception, our MMA operations have incurred losses, and we have funded these operating deficits through proceeds of \$2.5 million from the 2006 issuance of preferred stock and from net proceeds of approximately \$22.2 million from our December 2006 private placement. During August 2007, we completed a second private placement, from which we received net proceeds of approximately \$11.7 million. Based upon management's current forecast of future revenues and expenses, the Company believes its cash resources will likely be sufficient to fund operations into the third quarter of 2008. This assumes that the Company's expenses continue to decrease as a result of the Company's cost reduction efforts and that the Company realizes additional cash from the following: (i) the distribution of IFL mixed martial arts content via DVD, electronic sell through and similar media pursuant to our letter of intent with Warner Home Video; (ii) the distribution of programming internationally pursuant to our exclusive relationship with Alfred Haber Distribution, Inc.; (iii) the continuation of television rights consistent with terms contemplated by the Letter of Intent with the Fox Entities (see Note 10); and (iv) an increase in sponsorship and licensing revenue. The Company is also evaluating the profitability of other revenue sources, such as digital rights and pay-per-view broadcasts. If the Company can successfully generate revenue from additional sources, the Company's cash resources could last beyond the third quarter of 2008.

We have taken several steps in an effort to reduce our expenses and are planning to take more. We have reduced the number of our total employees by approximately 20%, most of these reductions occurring after September 30, 2007. We are also reviewing and analyzing our entire live event and television production activities and structure to realize additional cost savings. We are also investigating moving our office space to reduce our real estate costs. We are also considering changes to our events and league structure to generate even more fan interest.

However, we cannot provide assurance that we will generate sufficient cash from any of such sources or continue to realize decreases in expenses. If we are not able to generate sufficient cash from operations or if we are unable to secure sufficient debt or equity financing for operations, we will experience a cash shortage, the effect of which could result in the discontinuance of operations. If additional funds are raised by issuing equity securities, further dilution to existing stockholders will result and future investors may be granted rights superior to those of existing stockholders.

Changes in Directors and Officers

On April 2, 2007, we entered into an agreement and general release (the "Original Agreement"), pursuant to which Salvatore A. Bucci, our Chief Financial Officer, Executive Vice President and Treasurer voluntarily

resigned effective at the close of business on June 30, 2007 (the Separation Date). Mr. Bucci was to continue to serve as our Chief Financial Officer, Executive Vice President and Treasurer and as one of our directors through the Separation Date. As provided for under the Original Agreement, we paid Mr. Bucci his annual base salary plus benefits and reimbursed Mr. Bucci for out-of-pocket expenses incurred by him in connection with the performance of his duties and obligations. The Original Agreement had also required us to make a one-time payment of \$40,000 to Mr. Bucci on June 29, 2007 and that we pay Mr. Bucci six monthly payments of \$15,000 from July to December 2007.

On June 19, 2007, the Company and Mr. Bucci amended the Original Agreement by entering into an Amended and Restated Agreement and General Release (the Amended Agreement). Under the Amended Agreement, Mr. Bucci continued in his positions of Chief Financial Officer, Executive Vice President and Treasurer of the Company through September 30, 2007. Mr. Bucci was paid a salary of \$20,000 per month from July 1 to September 30, 2007, regardless of whether Mr. Bucci's resignation became effective prior to September 30, 2007. Further, in lieu of the one-time payment of \$40,000 due to Mr. Bucci on June 29, 2007 and the six monthly payments of \$15,000 that were payable from July to December 2007, Mr. Bucci was paid one special payment of \$60,000 on June 29, 2007 and received a second special payment of \$70,000 on September 28, 2007. The Company also made a \$10,000 payment directly to Mr. Bucci's law firm for services rendered to Mr. Bucci in connection with these agreements. The remaining terms of the Original Agreement were substantially unchanged. Under these arrangements, Mr. Bucci continued to serve as our Chief Financial Officer, Executive Vice President and Treasurer through September 30, 2007, at which time his resignation became effective. We have not yet replaced Mr. Bucci, but are searching for a successor. In the interim, Gareb Shamus, our Chairman of the Board and Chief Executive Officer, will serve in that role.

On September 21, 2007, Jay Larkin became our President and Chief Operating Officer. Gareb Shamus, Chairman of the Board of Directors and Chief Executive Officer, relinquished his title as President of the Company. Mr. Larkin will report directly to Mr. Shamus and will oversee all the day-to-day operational details of the Company.

Pursuant to the terms of his employment with us, Mr. Larkin is being paid an annual base salary of \$275,000 during his first six months of employment, then his annual salary will increase to \$325,000. Mr. Larkin is eligible to receive an annual bonus award based upon, and subject to, the achievement of target annual performance objectives established by the Company's Board of Directors or its Compensation Committee after consultation with him. As part of his employment agreement, Mr. Larkin was awarded options to purchase 500,000 shares of our common stock at an exercise price of \$.46 per share under our 2006 Equity Incentive Plan (the Plan). The options will vest as to 1/12 of the options every three months, beginning December 21, 2007, and will expire on September 21, 2017. In addition, Mr. Larkin is entitled to an additional award of 250,000 stock options in January 2008. These options will have an exercise price equal to the market value of our common stock on the date of grant, will vest as to 1/12 upon award, 1/12 on March 21, 2008 and 1/12 every three months thereafter, and will have an expiration date of September 21, 2017. If the exercise price of the stock option grant for the January 2008 options are greater than \$0.46 per share, then Mr. Larkin shall be entitled to an award of restricted stock for a number of shares (not to exceed 250,000 shares) equal to (i) the product of (x) the amount the exercise price of the January 2008 option grant exceeds \$0.46, multiplied by (y) 250,000, divided by (ii) the exercise price of the January 2008 options. This award of restricted stock will vest as to 1/12 upon award, 1/12 on March 21, 2008 and 1/12 every three months thereafter. The foregoing equity awards will fully vest upon a Change of Control Event (as defined in the Plan).

Mr. Larkin is an employee-at-will, and either Mr. Larkin or we can terminate his employment at any time, with or without Cause or Good Reason and with or without notice. If Mr. Larkin's employment is terminated for Cause or Mr. Larkin resigns without Good Reason, Mr. Larkin will not receive the post-termination payments described below.

Cause means (a) gross negligence, or willful or wanton breach, by Mr. Larkin of any of his material duties to us, (b) gross malfeasance by Mr. Larkin in the performance of his material duties to us, (c) material violation by Mr. Larkin of a material Company policy, (d) conduct by Mr. Larkin constituting fraud or dishonesty, or (e) Mr. Larkin is convicted of a felony. Good Reason shall mean a material breach of this agreement by us, including the failure to award to Mr. Larkin the stock options and restricted stock in January 2008 as set forth above.

Table of Contents

If Mr. Larkin is terminated without Cause, or Mr. Larkin terminates his employment for Good Reason, we will continue to pay Mr. Larkin his then rate of base salary for a period of three (3) months, his stock options, restricted stock and any other equity awards he may have received will immediately vest, and he will have one year to exercise any unexercised stock options, and he will be entitled to up to six months of paid health insurance coverage.

Off-Balance Sheet Arrangements

As of September 30, 2007, we had no off-balance sheet arrangements.

Critical Accounting Policy

For the nine months ended September 30, 2007, we made one significant change to our critical accounting policies as identified in our Annual Report on Form 10-K for the year ended December 31, 2006 for revenue recognition for our television rights related to our arrangement with FSN. See Note 2 to the condensed consolidated financial statements in this report.

We previously recognize revenue under our television distribution agreements with FSN as barter transactions in accordance with FAS 153 Exchanges of Nonmonetary Assets, an amendment of APB Opinion No. 29 because there is no exchange of cash between us and FSN relating to the broadcast of our programs. We recognized television rights revenue and corresponding charges to costs of revenue for this arrangement with FSN based upon what management believed was the fair value of the air time for our broadcast on FSN, for which we did not pay any fees to FSN. We have changed our accounting policy and only recognized revenue for television rights to the extent we are paid (or expect to be paid) in cash or other monetary assets, and recognize distribution fee expense only to the extent we are obligated to make payments to FSN.

We recognize revenue for our MNTV programming in amounts equal to the cash payments we receive or expect to receive from MNTV related to the broadcast of our programming.

Seasonality

During 2007, we have organized, hosted and promoted a significantly greater number of live and televised MMA sporting events during the first half of our fiscal year than during the second half of our fiscal year. Since we generally incur most of our costs in connection with such events, our expenses will be higher during the first half of our fiscal year than the second half. This seasonality is likely to cause fluctuations in our financial results.

In 2007, we held all nine of our regular season events during the six months ended June 30, 2007, of which five events occurred during the second quarter. During the third quarter of 2007, we held a two event post-season, which contributed significantly to the reduction in our loss for the three months ended September 30, 2007 to \$3.6 million, as compared to \$7 million and \$6.9 for the three months ended March 31, 2007 and June 30, 2007, respectively. In the fourth quarter of 2007, we are scheduled to hold our grand prix, a two event tournament in which the top athletes in each weight class will compete for the title belt to be awarded to the champion of each weight class. During 2006, we held a total of six events, of which two were held in the third quarter,

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures: Under the supervision and with the participation of management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the Company's effectiveness of disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the Exchange Act)) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded

Table of Contents

that our disclosure controls and procedures have not been operating effectively as of the end of the period covered by this report.

In connection with the preparation of this Quarterly Report on Form 10-Q, management identified a material weakness due to insufficient resources in the accounting and finance department, resulting in (i) ineffective review, monitoring and analysis of schedules, reconciliations and financial statement disclosures and (ii) the misapplication of U.S. GAAP and SEC financial reporting requirements. Due to the pervasive effect of the lack of resources that are appropriately qualified in the areas of U.S. GAAP and SEC financial reporting, and the potential impact on the financial statements and related disclosures and the importance of the interim financial closing and reporting process, in the aggregate, there is more than a remote likelihood that a material misstatement of the interim financial statement would not have been prevented or detected.

Changes in Internal Control Over Financial Reporting:- Our former Chief Financial Officer resigned effective September 30, 2007. We have not yet replaced him, and our Chief Executive Officer is serving as the interim chief financial officer. Inherent with such a situation is deterioration in our internal controls over financial reporting, particularly as our Chief Executive Officer does not have background or experience in the areas of internal controls or financial reporting of an SEC reporting company. Accordingly, we have experienced changes in our internal control over financial reporting during the last fiscal quarter to which this report relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II OTHER INFORMATION

Item 1. *Legal Proceedings*

Not applicable.

Item 1A. *Risk Factors*

Aside from the risk factor(s) noted below, there have been no material changes to the risk factors previously disclosed in Risk Factors under Item 1A, Part I of the Company's Annual Report on Form 10-K for the year ended December 31, 2006.

Our mixed martial arts (MMA) content is being televised in the United States under a letter of intent with Fox Sports Net (FSN) and MyNetworkTV, Inc. (MNTV), which could be terminated at any time. If we do enter into a definitive agreement, FSN and MNTV will require exclusive rights to telecast our MMA content in the U.S.

We are currently televising our MMA content in the U.S. pursuant to a letter of intent with Fox Cable Networks, Inc. (Fox) and MNTV (Fox, together with MNTV, the Fox Entities). The letter of intent obligated both parties to negotiate definitive agreements in good faith and restricted us from discussing a television distribution arrangement with other parties. These obligations expired on May 31, 2007, and have not been renewed. However, we continue to produce shows for telecasting by FSN and MNTV, FSN and MNTV are continuing to broadcast our shows and have indicated they plan to continue to telecast them in the future, and MNTV has been paying us telecasting fees in accordance with the letter of intent. However, either the Fox Entities or we can terminate this arrangement at anytime. Accordingly, we cannot be certain the FSN or MNTV will continue to air our shows.

In addition, under the terms of the letter of intent, FSN and MNTV have, and we expect will require in any definitive documents we execute, the exclusive right to telecast our MMA content for regular season, playoff and championship events in the U.S., its territories and military bases. Given our arrangements with FSN and MNTV, we are prohibited from acquiring any additional third-party television coverage in the U.S. and its territories for our regular season, playoff and championship events. If MNTV decides to discontinue broadcasting our programming, we will have only a limited commitment from FSN to broadcast our league programming. In addition, under the current letter of intent, FSN will require in any definitive documents the unilateral option to extend the proposed three-year distribution agreement for two additional three-year terms. If we do execute definitive agreements with FSN and MNTV, and FSN exercises each of these options and the MNTV contract is terminated or not renewed, we may be unable to obtain other television coverage in the United States for our league regular season and playoff events.

No assurance can be given that we will be able to negotiate a definitive television rights agreement for our MMA content with the Fox Entities or with any other broadcaster or that such agreement will be favorable to us. Our revenues are dependent, indirectly, on the distribution of our free televised programming. Accordingly, any failure to maintain or renew arrangements with the Fox Entities or enter into agreements with other distributors, or a decision by the Fox Entities or these distributors to discontinue telecasting our programming, could adversely affect our operating results.

Item 2. *Unregistered Sales of Equity Securities and Use of Proceeds*

We did not repurchase any of our equity securities during the quarter ended September 30, 2007.

The following are all of our unregistered sales of our equity securities during the quarter ended September 30, 2007:

On August 6, 2007, we completed a private sale with a number of institutional and individual accredited investors for 25,330,000 shares of common stock at a price of \$.50 per share, for gross proceeds of \$12,665,000, and

warrants to purchase up to 12,665,000 shares of our common stock with an exercise price of \$1.05 per share and an expiration date of August 6, 2012.

In connection with this August 2007 private placement, we issued to the placement agent, as partial compensation for its services in connection with the August 2007 private placement, a five year warrant to purchase up to 729,900 shares of our common stock at an exercise price of \$1.05 per share.

None of the above transactions involved a public offering, and we believe that each transaction was exempt from the registration requirements of the Securities Act by virtue of Section 4(2) of the Securities Act and Rule 506 of Regulation D as promulgated by the SEC.

On November 19, 2007, we filed a Current Report on Form 8-K stating that we will restate our financial statements contained within our Form 10-K for the year ended December 31, 2006, Form 10-Q for the three months ended March 31, 2007 and Form 10-Q for the three months ended June 30, 2007 to reflect changes in the accounting for our barter transaction with FSN to record this barter at our recorded value of our television rights, which is zero (\$0).
