**DEREGISTRATION OF UNSOLD SECURITIES**

On January 27, 2007, CanArgo Energy Corporation, a Delaware corporation (the Company), filed a Registration Statement on Form S-3 (File No. 333-137993) with the Securities and Exchange Commission in which it registered an aggregate of 41,763,368 shares of common stock ( Shares ) for resale from time to time. The Shares were registered to permit resales of such Shares by the selling stockholders, as named in the Registration Statement, who owned Shares and warrants to purchase Shares.

The Company is filing this Post-Effective Amendment No. 1 to the Registration Statement to deregister all the Shares that were previously registered under the Registration Statement but remain unsold as of the date hereof. The Company assumes that all Shares registered under the Registration Statement have been sold but cannot accurately estimate the number of Shares (if any) that remain unsold as of the date hereof. The Company is seeking to deregister all Shares that remain unsold pursuant to the Registration Statement in accordance with its undertaking to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering and the Company's obligation to keep the Registration Statement effective pursuant to the terms of its registration rights agreements with the selling stockholders has terminated with respect to the Shares. The Registration Statement is hereby amended to reflect the deregistration of all remaining unsold Shares.
