**EXPLANATORY NOTE**

The sole reason for this filing is to make certain corrections to the beneficial ownership table and related footnotes appearing on pages 29 through 30 of the definitive proxy statement, dated September 10, 2009, for the annual meeting of stockholders of SCM Microsystems, Inc. to be held on October 29, 2009.

The beneficial ownership table appearing in the proxy statement inadvertently included an incorrect calculation for the total number of shares and the total percentage of shares outstanding beneficially owned by all directors and executive officers as a group, and an incorrect calculation of the aggregate number of options exercisable within 60 days for all directors and executive officers, as shown in footnote 15. The number of shares and the percentage of shares outstanding beneficially owned by each individual director and executive officer, however, was correct.

The corrected table and footnote are included below.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT****Beneficial Ownership**

The table below sets forth information known to us as of August 31, 2009 with respect to the beneficial ownership of our common stock by:

- (1) each person who is known by us to be the beneficial owner of more than 5% of our outstanding common stock;
- (2) each of our directors and director nominees;
- (3) each of the Named Executive Officers (Felix Marx, Stephan Rohaly, Eang Sour Chhor and Manfred Mueller); and
- (4) all of our directors and Named Executive Officers, which includes all of our executive officers as of August 31, 2009, as a group.

Except as otherwise indicated, and subject to applicable community property laws, to our knowledge, the persons named in the table below have sole voting and investment power with respect to all shares held by them. Applicable percentage ownership in the following table is based on 25,134,985 shares of our common stock outstanding as of August 31, 2009.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of August 31, 2009 are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of each other person.

Unless specified below, the mailing address for each individual, officer or director is c/o SCM Microsystems, Inc., Oskar-Messter-Str. 13, 85737 Ismaning, Germany.
