GRAVITY REPORTS THIRD QUARTER OF 2009 RESULTS AND BUSINESS UPDATES

Seoul, South Korea November 19, 2009 GRAVITY Co., Ltd. (NasdaqGM: GRVY) (Gravity or the Company), an online game developer and publisher based in South Korea, today announced its unaudited financial results for the third quarter ended September 30, 2009, prepared in accordance with generally accepted accounting principles in the United States and business updates.

FINANCIAL RESULTS FOR THE THIRD QUARTER 2009

Revenues for the third quarter ended September 30, 2009 were KRW 13,798 million (US\$11,818 thousand), representing a 1.6% decrease from KRW 14,018 million for the second quarter ended June 30, 2009 (QoQ) and a 7.9% increase from KRW 12,782 million for the third quarter ended September 30, 2008 (YoY).

Review of financial results

Revenues

Royalty and licensing fee revenues for the third quarter ended September 30, 2009 were KRW 7,553 million (US\$6,469 thousand), representing a 9.5% decrease QoQ from KRW 8,350 million and a 4.5% increase YoY from KRW 7,226 million. The decrease QoQ was primarily due to the declining revenues from Ragnarok Online in Japanese market. The increase in YoY was mainly from the higher revenues in Japanese market due to the weakening of the Korean Won against the Japanese Yen.

Subscription revenue for the third quarter 2009 was KRW 3,122 million (US\$2,674 thousand), representing a 4.8% increase QoQ and a 11.8% decrease YoY compared to KRW 2,980 million and KRW 3,539 million, respectively. The increase QoQ result was primarily from increased revenues in Korean market, partially offset by decreased revenues in the U.S. and Canada. The decrease YoY was attributable to the decreased revenues in Korean market, partially offset by the increased revenues from the U.S., Canada, Europe, Russia and CIS countries.

Mobile game revenues were KRW 2,324 million (US\$1,990 thousand) for the third quarter 2009, representing a 32.6% increase QoQ from KRW 1,752 million and a 44.0% increase YoY from KRW 1,614 million. The increase for both QoQ and YoY was mainly due to the increased sales of Ragnarok mobile games and the revenues from development of a mobile game outsourced by LG Electronics.

Character merchandising, animation and other revenue were KRW 799 million (US\$685 thousand) for the third quarter 2009, representing a 14.6% decrease QoQ from KRW 936 million and a 98.3% increase YoY from KRW 403 million.

Cost of Revenues and Operating Expenses

Cost of revenues were KRW 5,396 million (US\$4,622 thousand) for the third quarter 2009, representing a modest decrease QoQ from KRW 5,441 million and a 19.8% decrease YoY from KRW 6,726 million. Such decrease YoY was primarily attributable to i) decrease in salaries for the headquarters and decrease in salaries for the subsidiaries in the U.S. mainly resulting from the salaries of L5 Games Inc. which existed for the third quarter 2008 but did not occur for the third quarter 2009 due to the liquidation process taken place in August 2008; and ii) fully completed amortization of intangible assets in December 2008, related to acquisition of NeoCyon in November and December 2005.

Operating expenses were KRW 7,193 million (US\$6,160 thousand) for the third quarter 2009, representing a 33.5% increase QoQ from KRW 5,389 million and a 23.7% increase YoY from KRW 5,815 million. The increase for both QoQ and YoY was primarily due to accrual for certain litigation settlement of KRW 1,676 million which is expected to be incurred with reasonable certainty. The increase QoQ was also due in part to the increased advertising expenses related to an update for Ragnarok Online. The increase YoY was partially offset by the decrease in rent expenses mainly resulting from the rent expenses for the Company's subsidiary in Dubai which existed as of the third quarter 2008 but did not occur for the third quarter 2009 due to the liquidation process taken place in September 2008.

Income before income tax expenses and others were KRW 1,323 million (US\$1,134 thousand) for the third quarter 2009, which represents a 60.2% decrease QoQ from KRW 3,327 million and a 29.6% decrease YoY from KRW 1,879 million.

Based on the foregoing factors, Gravity recorded a net income of KRW 16 million (US\$14 thousand) for the third quarter ended September 30, 2009 compared to the net income of KRW 1,938 million for the second quarter ended June 30, 2009 and a net income of KRW 869 million for the third quarter ended September 30, 2008.

The balance of cash and cash equivalents and short-term financial instruments were KRW 72,878 million (US\$62,418 thousand) as of September 30, 2009.

Note: For convenience purposes only, the KRW amounts have been expressed in the U.S. dollars at the exchange rate of KRW 1,167.60 to US\$1.00, the noon buying rate in effect on November 6, 2009, as quoted by the Federal Reserve Bank of New York.
