Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On February 3, 2010, the Compensation Committee (the "Committee") of the Board of Directors of Nuance Communications, Inc. (the "Company") approved adjustments to the Company's existing compensation arrangements with Thomas L. Beaudoin, the Company's Senior Vice President and Chief Financial Officer and Steven Chambers, the Company's Senior Vice President Worldwide Sales and Chief Marketing Officer based on expansion of their responsibilities and continued strong performance. The Committee approved an increase in Mr. Beaudoin's base salary from \$350,000 to \$400,000. Mr. Beaudoin's annual bonus opportunity remains at sixty percent of his base salary. The amount of the bonus actually paid to Mr. Beaudoin will be based upon the achievement of certain individual performance objectives as approved by the Committee. The Committee also approved an additional incentive bonus for Mr. Chambers in the amount of \$100,000, subject to the achievement of revenue targets for fiscal year 2010. Mr. Chambers also has an incentive bonus of \$250,000 payable upon the achievement of certain individual performance objectives as approved by the Committee.

In addition to the above actions, the Committee also approved the issuance of two restricted stock awards totaling 500,000 shares to Paul A. Ricci, the Company's Chairman and Chief Executive Officer. Of the 500,000 shares granted, 375,000 are performance based and will only vest upon achievement of fiscal 2011 goals and the remaining 125,000 shares will time-vest on September 30, 2011, subject to Mr. Ricci's continued service relationship with the Company. Consistent with practice in prior years, the Committee also approved a Company Bonus Program for fiscal 2010 for all Company employees. Target bonuses vary based on position and tenure with the Company, and the amount of target bonus actually paid to individual employees will be based on the achievement of certain Company and individual objectives. The bonuses for the Company's executive officers are tied collectively to the achievement of total revenue and net income targets. In addition, each executive officer's bonus individually is based upon achievement of certain operational objectives.
