RISK FACTORS

The Plan is solely intended to provide a useful service to current holders of our common stock. We are not recommending that you buy or sell shares of our common stock. Investing in our common stock involves risks. You should participate in the Plan only after you have independently researched your investment decision and have considered, among others, the investment considerations set forth below as well as the risk factors discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009, which is incorporated into this Prospectus by reference. You should also consider information contained in any prospectus supplement or other information we may incorporate into this Prospectus by reference, including any of our filings with the Securities and Exchange Commission made after the date of this prospectus. Any of these risks, as well as other risks and uncertainties, could harm our financial condition, results of operations or cash flows.

Risks Related to the Purchase of Shares Under the Plan

There is a limited trading market for our common stock.

Although the shares of our common stock are listed on Nasdaq, our common stock is not widely traded and is not expected to be widely traded in the near future. There can be no assurance that our common stock will trade at prices at or above the applicable price per share on each dividend payment date. An inactive or illiquid trading market may have an adverse impact on the market price of the common stock. Moreover, price fluctuations in the common stock may not necessarily be dependent upon or reflective of the performance of Evans Bancorp.

We may in the future issue additional shares of common stock.

The Board of Directors of Evans Bancorp will continue to have authority to issue additional shares of common stock from time to time. Any future issuances of common stock may result in dilution of the value of the shares you acquire pursuant to the Plan.

Our management has discretion in the allocation of proceeds of this offering.

Evans Bancorp intends to use the net proceeds from the sale of the shares of common stock pursuant to the Plan for general corporate purposes to support the growth and expansion of Evans Bancorp and its subsidiaries. Our management, however, has discretion in determining the actual manner in which the net proceeds will be applied. The precise use, amounts and timing of the application of proceeds will depend upon, among other things, the funding requirements of our subsidiaries, the availability of other funds, and the existence of business opportunities. See USE OF PROCEEDS below for more information.

We may discontinue paying dividends in the future.

A substantial portion of our revenue and operating income is generated by our operating subsidiaries. Accordingly, we are dependent on the earnings and cash flows of, and dividends and distributions or advances from, our subsidiaries to provide the

Table of Contents

funds necessary to meet our obligations. Our ability to pay dividends is materially dependent on the earnings of our operating subsidiaries. The amount of future dividends is at the discretion of our Board of Directors and principally depends upon our earnings, financial condition, the capital requirements of our operating subsidiaries and other factors. There can be no assurance that we will continue to pay dividends on shares of our common stock, and if paid, the timing and amount of such dividends.

THE PLAN

The following is a question and answer statement of the provisions of the Plan as in effect for cash dividends paid to holders of record of our common stock on and after August 1, 1997. Those holders of Evans Bancorp common stock who do not wish to participate in the Plan will receive cash dividends, when and as declared, in the usual manner.

1. WHAT IS THE PURPOSE OF THE PLAN?

The purpose of the Plan is to provide record holders of our common stock with a simple and convenient method of investing cash dividends on our common stock in additional shares of common stock without payment of any brokerage commission or service charge. To the extent shares are purchased directly from Evans Bancorp, and not in market transactions, we will receive the net proceeds from those purchases, and will use the net proceeds as described under **USE OF PROCEEDS** below.

2. WHAT OPTIONS ARE AVAILABLE TO PARTICIPANTS IN THE PLAN?

As a participant in the Plan, you may choose Full Dividend Reinvestment or Partial Dividend Reinvestment.

(a) Full Dividend Reinvestment directs Evans Bancorp to invest, in accordance with the Plan, all of your cash dividends on all of the shares of common stock currently or subsequently registered in your name, as well as on the shares credited to your Plan account.

(b) Partial Dividend Reinvestment directs Evans Bancorp to invest, in accordance with the Plan, the cash dividends on the number of shares (not more than the total registered in your name) of common stock indicated in the appropriate space on your Enrollment Authorization Form, as well as on all the shares credited from time to time to your Plan account.

3. WHAT ARE THE ADVANTAGES OF THE PLAN?

(a) You will not pay any brokerage commission or service charge in connection with your purchases under the Plan.

(b) The funds of stockholders of record will be fully invested because the Plan permits fractions of shares to be credited to the accounts of stockholders of record. Dividends on such fractions, as well as on whole shares, will be reinvested in additional shares of common stock, and such additional shares will be credited to your account.

(c) You will avoid the need for safekeeping of stock certificates for shares credited to your account under the Plan. In addition, you may deposit certificates you currently hold in your name with the Agent for safekeeping. See Question 20 below for more detailed information.

(d) Regular periodic statements reflecting all year-to-date activity in your account, including purchases and withdrawals of shares and latest account balance, will simplify your recordkeeping. These statements will generally be issued following dividend payment dates.

4. WHO ADMINISTERS THE PLAN FOR PARTICIPANTS?

The Agent, Computershare Investor Services, LLC, will administer the Plan, keep records, send statements of account to each participant, and perform other duties related to the Plan. Shares purchased for you under the Plan will be held for you in safekeeping by or through the Agent, and will be reflected on your account statement, until you terminate your participation in the Plan or request in writing that the Agent issue certificates for whole shares credited to your Plan account. The Agent also acts as transfer agent and registrar for our common stock.

We may adopt additional rules and regulations from time to time to facilitate the administration of the Plan.

Table of Contents

5. WHO IS ELIGIBLE TO PARTICIPATE?

If you are a stockholder of record of shares of our common stock, you are eligible to participate in the Plan. There is no requirement to hold a minimum number of shares of common stock in order to participate.

A beneficial owner whose shares are registered in a name other than his or her own (for example, in the name of a broker or bank nominee) must either become a stockholder of record by having such shares transferred into his or her own name or make arrangements with his or her broker or bank to participate on his or her behalf. A broker or nominee may participate in the Plan on behalf of beneficial owners by signing and returning the Enrollment Authorization Form.

The opportunity of a holder of common stock to participate in the Plan is not transferable to another person apart from a transfer of his or her common stock.

You will not be eligible to participate in the Plan if you reside in a jurisdiction in which Evans Bancorp has been advised by counsel that it may be unlawful for Evans Bancorp to offer or sell to you common stock issued pursuant to the Plan.

6. HOW DOES AN ELIGIBLE STOCKHOLDER PARTICIPATE?

As a stockholder of record of our common stock, you may join the Plan by obtaining and completing an Enrollment Authorization Form and returning it to the Agent. If the shares are registered in more than one name (i.e., joint tenants, trustees, etc.), all registered holders must sign. On the Enrollment Authorization Form, you must designate whether you want the Full Dividend Reinvestment or Partial Dividend Reinvestment option.

You may obtain an Enrollment Authorization Form by contacting the Agent at the address or telephone number listed below under IF YOU HAVE QUESTIONS CONCERNING THE PLAN, or by visiting the Agent's website at <http://www.computershare.com>.

7. WHEN MAY AN ELIGIBLE STOCKHOLDER JOIN THE PLAN?

As an eligible stockholder, you may join the Plan at any time. You will remain a participant in the Plan until you withdraw all shares of common stock credited to your Plan account and either (a) elect to discontinue the reinvestment of dividends or (b) sell or otherwise dispose of all the shares of common stock held in your own name.

If a signed Enrollment Authorization Form is received by the Agent not later than 5 business days prior to the record date for the next dividend payment, reinvestment of your dividends will begin with the next dividend payment. If the Enrollment Authorization Form is received after such date, reinvestment of your dividends will begin with the second succeeding dividend payment. Dividend payment dates for the common stock ordinarily will be in April and October of each year and corresponding record dates usually will precede dividend payment dates by about three to four weeks.

Stockholders are cautioned that the Plan does not represent a change in our dividend policy or a guarantee of future dividends, which will continue to depend upon Evans Bancorp's earnings, financial requirements and other factors.

8. HOW MAY A PARTICIPANT CHANGE OPTIONS UNDER THE PLAN?

You may change your investment option at any time by requesting a new Enrollment Authorization Form and returning it to the Agent or by other written notice to the Agent. The Enrollment Authorization Form or other written notice must be signed by all of the registered holders on the account.

9. ARE STOCKHOLDERS ENROLLED IN THE PLAN REQUIRED TO SEND IN A NEW ENROLLMENT AUTHORIZATION FORM ANNUALLY?

No. Once enrolled in the Plan, you will continue to be enrolled without further action on your part, unless you give notice to the Agent in writing that you wish to terminate participation in the Plan.

10. HOW WILL SHARES OF COMMON STOCK BE PURCHASED UNDER THE PLAN?

Evans Bancorp may, at its sole discretion, direct either the original issuance of authorized but unissued shares or treasury shares or the purchase of shares in transactions on any securities exchange where such shares are traded, in the over-the-

Table of Contents

counter market or by negotiated transactions, or a combination of original issuances and market transactions. Market transactions may be on such terms as the Agent may determine. We will not receive any proceeds from market transactions.

11. WHEN WILL SHARES OF COMMON STOCK BE PURCHASED UNDER THE PLAN?

Purchases from Evans Bancorp of original issue shares or treasury shares will be made no later than 30 days after the relevant Investment Date (as defined in the next paragraph). Purchases through market transactions may occur on any date or dates commencing with the relevant Investment Date and ending no later than 30 days from the relevant Investment Date except where completion at a later date is necessary or advisable, in the opinion of Evans Bancorp, under any applicable federal securities laws (the purchase period). Shares purchased will be allocated and credited to participants' accounts as of the date purchases have been completed for the purchase period by the Agent. For the purpose of making purchases, the Agent will commingle each participant's funds with those of all other participants. An Investment Date is the dividend payment date. Evans Bancorp's decision whether to issue new shares or treasury shares of common stock or to direct the Agent to purchase shares in market transactions will be made no later than 30 days after the relevant Investment Date.

12. WHAT WILL BE THE PRICE OF SHARES OF COMMON STOCK PURCHASED UNDER THE PLAN?

In the case of original issue shares or treasury shares purchased from Evans Bancorp, the purchase price will be:

- (a) if the shares of common stock are listed on a national securities exchange or traded in the over-the-counter market and sales prices are regularly reported for the shares, the average of the closing or last prices of the shares on the Composite Tape or other comparable reporting system for the 10 consecutive trading days immediately preceding the Investment Date;
- (b) if the shares of common stock are traded on the over-the-counter market, but sales prices are not regularly reported for the shares for the 10 days referred to in paragraph (a) above, and if bid and asked prices for the shares are regularly reported, the average of the mean between the bid and the asked price for the shares at the close of trading in the over-the-counter market for such 10 days; and
- (c) if the shares of common stock are neither listed on a national securities exchange nor traded on the over-the-counter market, such value as Evans Bancorp's Board of Directors, in good faith, shall determine on the Investment Date.

In the case of market transactions, the price will be the weighted average purchase price of those shares purchased for the relevant Investment Date.

In the case where shares are purchased in a combination of original issuances and market transactions, the applicable purchase price of all shares will be the weighted average purchase price of all shares purchased in market transactions for the relevant Investment Date.

13. HOW MANY SHARES WILL BE PURCHASED FOR PARTICIPANTS?

The number of shares purchased for you depends on the amount of your dividends and the purchase price per share on the relevant Investment Date. Your account will be credited with that number of shares, including fractions of shares, equal to the total amount to be invested divided by the applicable purchase price per share. Fractional shares will be calculated to at least three decimal places.

14. WHAT ARE THE COSTS OF PARTICIPATION IN THE PLAN?

A participant will incur no brokerage commissions or service charges for purchases made under the Plan. See Questions 15 and 16 below for additional tax-related information. All costs of administration of the Plan and brokerage commissions or service charges incurred in connection with the purchase of shares will be paid by Evans Bancorp. We reserve the right to establish service charges in connection with the Plan in the future. You will be notified prior to any such charges becoming effective. See Question 24 below for costs which will be incurred if you request that the Agent sell shares deposited in your account under the Plan.

Table of Contents

15. WHAT ARE THE FEDERAL INCOME TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN?

Based on the current position of the Internal Revenue Service, when stock is acquired directly from Evans Bancorp, the holder who reinvests dividends under the Plan will be treated as receiving a taxable dividend on the Investment Date in an amount equal to the fair market value of the shares of common stock purchased for the participant's account. Fair market value is defined for this purpose as the purchase price as described in Question 12 above. A participant's tax basis for shares purchased from Evans Bancorp will be equal to the amount of dividend income recognized for Federal income tax purposes. The participant's holding period for the shares will commence on the day after the Investment Date.

Although the Internal Revenue Service has not ruled on the tax aspects of a plan pursuant to which a company elects to purchase shares in market transactions, it is our view that a participant's tax basis for shares purchased in market transactions will be equal to the weighted average purchase price of all shares purchased for the relevant Investment Date (see Question 12 above for more detailed information). In addition, a participant will also realize a taxable dividend to the extent of an allocated portion of brokerage commissions and any other expenses paid by Evans Bancorp with respect to shares credited to the participant's account.

Under current tax law, the amount of any dividend realized by a taxable corporate participant may be eligible for the dividend received deduction, subject to certain holding period requirements (normally 46 days). The deduction is generally 70% of the dividend received.

A participant will not realize taxable income on the receipt of a certificate for whole shares of common stock credited to his or her Plan account, either upon withdrawal of those shares from such account or upon termination of the Plan. Taxable gain or loss may be realized, however, when shares are sold or otherwise disposed of or when a cash payment is received from Evans Bancorp for a fractional share withdrawn from a participant's account. Generally, any such gain or loss will be measured by the difference between the amount realized on the disposition and the tax basis of the disposed shares or fractional share.

The Agent will report to participants and to the Internal Revenue Service information sufficient to apprise them of the amount that would constitute dividend income.

The above positions of the Internal Revenue Service have not been tested in the courts and thus the rules stated above have not been established by judicial decision. The rules stated above are also subject to change. All Plan participants should consult their own tax advisors to determine the particular tax consequences of their participation in the Plan.

Please keep your statements for your tax and cost basis information.

16. HOW ARE INCOME TAX WITHHOLDING PROVISIONS APPLIED TO STOCKHOLDERS WHO PARTICIPATE IN THE PLAN?

If you fail to provide your taxpayer identification number (or certification of exemption for withholding for nonresident aliens) to the Agent in the manner required by law, dividends on the common stock or proceeds from the sale of shares held for your account are subject to Federal income tax withholding at the rate of 28% or the current tax withholding rate. In addition, you may be required to certify that you are not subject to withholding on interest and dividend payments as a result of failure to report all interest and dividend income on prior tax returns, and, absent such certification, you may be subject to withholding of 28% of your dividends or the current federal withholding rate in effect. Also, the Internal Revenue Service may notify us to begin withholding if you have furnished an incorrect taxpayer identification number or you have failed to report all interest or dividend income on prior tax returns. In such cases, the appropriate amount of tax will be withheld and the balance in shares will be credited to your account.

Certain stockholders (including corporations and, in many cases, foreign stockholders) are, however, exempt from the above withholding requirements.

If you are a nonresident alien stockholder whose dividends are subject to United States income tax withholding at the 28% rate (or lower treaty rate), the appropriate amount will be withheld and the balance will be credited to your account in shares.

These rules are subject to change. All Plan participants should consult their own tax advisors to determine the current effect of these rules on their participation in the Plan.

17. WHAT KIND OF REPORTS WILL BE SENT TO PARTICIPANTS IN THE PLAN?

As soon as practical after each purchase of common stock under the Plan for your account, a statement of account will be mailed to you by the Agent. These statements are your record of current activity plus the cost of your purchases and should be

Table of Contents

retained for tax purposes. In addition, you will receive copies of other communications sent to holders of our common stock, including our Annual Report, Notice of Annual Meeting and Proxy Statement, and the information you will need for reporting your dividend income for Federal income tax purposes.

18. WILL PARTICIPANTS BE CREDITED WITH DIVIDENDS ON SHARES HELD IN THEIR ACCOUNTS UNDER THE PLAN?

Yes. Dividends on all shares of common stock, including fractional shares, credited to your account under the Plan will be reinvested automatically in additional shares of common stock.

19. WILL CERTIFICATES BE ISSUED FOR SHARES PURCHASED?

No. Shares purchased through the Plan will be credited to your account under your name, but they will not be registered in your name. Certificates will not be issued to you for shares credited to your account unless you request the Agent in writing to do so or unless your account is terminated. Shares of common stock purchased under the Plan and held by the Agent will be registered in the name of the Agent's nominee and credited to your account. The number of shares credited to your account under the Plan will be shown on the periodic statement of your account. This service eliminates the need for safekeeping by you to protect against loss, theft or destruction of stock certificates. At any time, you may request in writing that the Agent send you a certificate for all or part of the whole shares credited to your account. Any remaining whole shares and fractional shares will continue to be credited to your account. Certificates for fractional shares will not be issued under any circumstances.

20. MAY I DEPOSIT WITH THE AGENT STOCK CERTIFICATES FOR THOSE SHARES FOR WHICH CASH DIVIDENDS ARE BEING REINVESTED UNDER THE PLAN?

You may deposit with the Agent for safekeeping any certificates for shares of common stock for which dividends are being reinvested under this Plan. There is no charge for this custodial service and, by making the deposit, you will be relieved of the responsibility for loss, theft or destruction of the certificate. Because you bear the risk of loss in sending certificates to the Agent, it is recommended that you send certificates to the Agent by registered mail, return receipt requested and properly insured. Certificates should not be endorsed. Whenever certificates are issued to you either upon request or upon termination of participation, new, differently numbered certificates will be issued. Dividends will be reinvested on all shares represented by the certificates deposited with the Agent.

21. IN WHOSE NAME WILL CERTIFICATES BE REGISTERED WHEN ISSUED TO PARTICIPANTS?

Accounts under the Plan are maintained in the name in which your shares are registered at the time you enter the Plan. Consequently, certificates for whole shares purchased under the Plan will be similarly registered when issued to you upon your request. Should you want these shares registered and issued in a different name, you must so indicate in a written request. This would constitute re-registration, and you would be responsible for any transfer taxes that may be due and for compliance with any applicable transfer requirements.

22. MAY SHARES IN A PLAN ACCOUNT BE PLEDGED?

Generally, shares credited to your account under the Plan may not be pledged or assigned. If you want to pledge or assign such shares, you should contact the Agent.

23. WHAT HAPPENS WHEN A PARTICIPANT SELLS OR TRANSFERS SHARES REGISTERED IN THE PARTICIPANT'S NAME?

If you dispose of shares of common stock registered in your name (those for which you hold certificates), the dividends on the shares credited to your account under the Plan will continue to be reinvested until you notify the Agent that you wish to terminate your participation in the Plan.

If you are reinvesting the cash dividends on all of the shares registered in your name (i.e., if you have elected the Full Dividend Reinvestment option described in Question 2 above) and you dispose of a portion of such shares, we will continue to reinvest the dividends on the remainder of the shares registered in your name.

Table of Contents

If you are reinvesting the cash dividends on less than all shares registered in your name (i.e., if you have elected the Partial Dividend Reinvestment option described in Question 2 above) and you dispose of a portion of such shares, we will continue to reinvest the dividends on the remainder of the shares registered in your name, up to the total number of shares last indicated on the Enrollment Authorization Form.

For example, if you authorize Evans Bancorp to reinvest the cash dividends on 50 shares of a total of 100 shares registered in your name, and then you dispose of 25 shares, we would continue to reinvest the cash dividends on 50 of the remaining 75 shares. If, instead, you dispose of 75 shares, we would continue to reinvest the cash dividends on all of the remaining 25 shares; if you later acquire an additional 100 shares registered in your name, dividends would again be reinvested on a total of 50 shares registered in your name.

24. MAY A PARTICIPANT DIRECT THE AGENT TO SELL HIS SHARES DEPOSITED WITH THE AGENT UNDER THE PLAN?

Yes. You may authorize the Agent to sell all or part of your shares deposited with the Agent on your behalf by completing and submitting the Other Transactions Form portion of your Plan account statement. The Agent will cause your shares to be sold on the open market on the first Friday following its receipt of such instructions (or the next business day the markets are open, if the markets are closed on such date, or if such date is a bank holiday), provided that the request is received at least three business days prior to the sale date. The Agent will send you a check for the proceeds, less any applicable brokerage commissions. You will not receive interest on sales proceeds held pending disbursement.

Please bear in mind that the Plan is not a market timing investment vehicle. The price of the common stock may rise or fall during the period between a request for sale, its receipt by the Agent and the ultimate sale in the open market. Instructions sent to the Agent to sell shares are binding and may not be rescinded. Should you elect to sell all or a portion of your shares, you will receive a Form 1099-B for the gross proceeds of your sale shortly after the close of the calendar year. Please contact the Agent for further information.

25. HOW DOES A PARTICIPANT TERMINATE PARTICIPATION IN THE PLAN?

To terminate your participation in the Plan, you must direct the Agent in writing to discontinue the reinvestment of dividends on both common stock held of record by you and common stock held in your Plan account. You must also withdraw the shares of common stock credited to your Plan account. See Question 27 below for more detailed information.

26. WHEN MAY A PARTICIPANT TERMINATE PARTICIPATION IN THE PLAN?

You may terminate your participation in the Plan at any time. If the notice to discontinue reinvestment is received by the Agent at least 5 business days before the record date for the next dividend payment, the next dividend will be paid to you in cash. If the notice to discontinue reinvestment is received by the Agent less than 5 business days before the record date for the next dividend payment, the next dividend will be reinvested for your account. Thereafter, all dividends on common stock held of record by you will be paid to you in cash unless you re-enroll in the Plan, which you may do at any time.

27. HOW DOES A PARTICIPANT WITHDRAW SHARES PURCHASED UNDER THE PLAN?

You may withdraw all or a portion of the shares of common stock credited to your Plan account by notifying the Agent in writing to that effect and specifying in the notice the number of shares to be withdrawn. Certificates for whole shares of common stock so withdrawn will be issued. In no case will certificates for fractional shares be issued. If your request to withdraw shares is received between 5 business days prior to a record date and the related dividend payment date, your account will not be closed until after you receive the shares resulting from the pending dividend reinvestment.

28. WILL DIVIDENDS ON SHARES WITHDRAWN FROM THE PLAN CONTINUE TO BE REINVESTED?

If you have authorized Full Dividend Reinvestment, cash dividends with respect to shares withdrawn from your account will continue to be reinvested. If, however, you have authorized only Partial Dividend Reinvestment, the Agent will continue to reinvest dividends on only the number of shares specified by you on the Enrollment Authorization Form unless a new Enrollment Authorization Form specifying a different number of shares is delivered to the Agent at least 5 business days prior to the record date for the next dividend payment.

29. WHAT HAPPENS TO ANY FRACTION OF A SHARE WHEN A PARTICIPANT TERMINATES PARTICIPATION AND WITHDRAWS ALL SHARES FROM HIS PLAN ACCOUNT?

Any fractional share will be converted to its cash equivalent value and a check therefor, together with the certificates for whole shares, will be mailed directly to you. The cash payment will be based on the price at which the shares were sold, less the applicable brokerage commission.

30. WHAT HAPPENS IF EVANS BANCORP DECLARES A STOCK DIVIDEND OR A STOCK SPLIT?

Any shares of common stock distributed by Evans Bancorp pursuant to a stock dividend or a stock split with respect to shares credited to your account under the Plan will be added to your account.

Shares of common stock distributed pursuant to a stock dividend or a stock split with respect to shares registered in your name will be mailed directly to you in the same manner as to stockholders who are not participating in the Plan.

31. HOW WILL PARTICIPANTS' SHARES HELD BY THE AGENT BE VOTED AT STOCKHOLDERS MEETINGS?

Shares held by the Agent for you will be voted as you direct. A proxy card will be sent to you in connection with any annual or special meeting of stockholders, as in the case of stockholders not participating in the Plan. This proxy will apply to all shares registered in your own name and all shares credited to your account under the Plan and, if properly signed, will be voted in accordance with the instructions that you give on the proxy card.

As in the case of non-participating stockholders, if no instructions are indicated on a properly signed and returned proxy card, all of the shares credited to your account under the Plan will be voted in accordance with the recommendations of Evans Bancorp management. If the proxy card is not returned or is returned unsigned, your shares will not be voted unless you or a duly appointed representative vote in person at the meeting.

32. WHAT ARE THE RESPONSIBILITIES OF EVANS BANCORP AND THE AGENT UNDER THE PLAN?

Evans Bancorp and the Agent, in administering the Plan, will not be liable for any act done in good faith or for any good faith omission to act, including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon such participant's death prior to receipt of notice in writing of such death, the prices at which shares are purchased or sold for the participant's account, the time when purchases or sales are made or fluctuations in the market value of the common stock. PARTICIPANTS SHOULD RECOGNIZE THAT NEITHER EVANS BANCORP NOR THE AGENT CAN ASSURE THEM OF A PROFIT OR PROTECT THEM AGAINST A LOSS ON THE SHARES PURCHASED BY THEM UNDER THE PLAN.

33. MAY THE PLAN BE CHANGED OR DISCONTINUED?

While we hope to continue the Plan indefinitely, we reserve the right to suspend, terminate or modify the Plan at any time, including the period between a record date and a dividend payment date. Evans Bancorp and the Agent also reserve the right to terminate any participant's participation in the Plan at any time. You will be notified of any suspension, termination or modification. Upon a termination of the Plan, a certificate for whole shares credited to your account under the Plan will be issued, and a cash payment (based on the prevailing market price, less applicable brokerage commission) will be made for any fraction of a share credited to your account.

In the event that Evans Bancorp, or any successor, hereafter terminates the Plan and establishes another dividend reinvestment plan, each participant in the Plan will be enrolled automatically in such other dividend reinvestment plan and shares credited to the participant's account under the Plan will be credited automatically to such other dividend reinvestment plan, unless notice is received to the contrary.

34. IF THE PLAN IS SUSPENDED, DOES PARTICIPATION IN THE PLAN CONTINUE?

Unless notified otherwise, during a suspension of the Plan, a participant will continue to be regarded as a participant in the Plan, and shares of common stock in a participant's Plan account will continue to be held at or through the Agent.

Table of Contents

35. CAN PARTICIPATION BE TERMINATED IF THE PLAN IS SUSPENDED?

Participation in the Plan may be terminated by you at any time in the manner described in Question 26 above.

36. IF THE PLAN IS RESUMED AFTER SUSPENSION, WILL A PARTICIPANT AUTOMATICALLY PARTICIPATE IN THE PLAN?

Unless a participant terminates participation in the Plan or a changed Enrollment Authorization Form is received by the Agent, the instructions previously given on the participant's Enrollment Authorization Form will be followed subject to the terms of the Plan in effect after the suspension ends.

USE OF PROCEEDS

We have no basis for estimating precisely either the number of shares of common stock that may be sold under the Plan or the prices at which such shares may be sold. We intend to use the proceeds of original issue and treasury shares sold pursuant to the Plan for general corporate purposes, including investments in and extensions of credit to our subsidiaries. The precise amounts and timing of such uses will depend upon, among other factors, the funding requirements of Evans Bancorp and its subsidiaries, the availability of proceeds of shares sold pursuant to the Plan, and the availability of other funds to Evans Bancorp and its subsidiaries. Pending such applications, the proceeds will be temporarily invested or applied to the reduction of short-term indebtedness. To the extent that shares are purchased in market transactions instead of original issue or treasury shares from Evans Bancorp, we will not receive any proceeds from such purchases.

PLAN OF DISTRIBUTION

Except to the extent the Agent purchases shares of our common stock on the open market, the common stock acquired under the Plan will be sold directly by us through the Plan. We will pay all costs of administration of the Plan. You will not be charged any brokerage commissions or other fees or expenses in connection with the purchase of shares under the Plan, although we reserve the right to establish a service charge in the future. You will, however, be charged brokerage commissions in connection with any sale of your shares deposited with the Agent under the Plan. See Question 24 for more information. The price of shares of common stock purchased under the Plan is determined as described in answer to Question 12 above.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The New York Business Corporation Law authorizes a court to award, or a corporation's Board of Directors to grant, indemnity to directors and officers in terms sufficiently broad to permit indemnification (including reimbursement of expenses incurred) under certain circumstances for liabilities incurred in their capacity as officers and directors, including liabilities arising under the Securities Act of 1933, as amended. Evans Bancorp's Bylaws provide for indemnification of our directors and officers to the fullest extent authorized by the New York Business Corporation Law. In addition, we maintain directors' and officers' liability insurance under which our directors and officers are insured against loss (as defined in the policy) as a result of certain claims brought against them in such capacities. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling Evans Bancorp pursuant to the foregoing provisions, Evans Bancorp has been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The New York Business Corporation Law authorizes a court to award, or a corporation's Board of Directors to grant, indemnity to directors and officers in terms sufficiently broad to permit indemnification (including reimbursement of expenses incurred) under certain circumstances for liabilities incurred in their capacity as officers and directors, including liabilities arising under the Securities Act of 1933, as amended (the Securities Act). The Registrant's Bylaws provide for indemnification of its directors and officers to the fullest extent authorized by the New York Business Corporation Law. In addition, the Registrant maintains directors' and officers' liability insurance under which its directors and officers are insured against loss (as defined in the policy) as a result of certain claims brought against them in such capacities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

ITEM 16. EXHIBITS.

The information called for by this item is incorporated by reference to the Exhibit Index included immediately following the signature page to this Registration Statement on Form S-3.

ITEM 17. UNDERTAKINGS.

(a) The registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Table of Contents

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), that are incorporated by reference in this Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Table of Contents

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
