Items 2.02 and 7.01. Results of Operations and Financial Condition, and Regulation FD.

On May 6, 2010, we filed a Current Report on Form 8-K under Item 2.02 Results of Operations and Financial Condition and Item 7.01 Regulation FD Disclosure. As part of that filing, we filed certain financial information in an attachment to the press release and certain supplemental financial information as Exhibits 99.1 and 99.2, respectively. Subsequent to the May 6th filing, we determined that cash flows from certain changes in accounts receivable relating to joint venture settlements should have been included in investing, rather than operating, activities. Accordingly, the consolidated statement of cash flows for the three months ended March 31, 2010 included in the aforementioned Exhibits has been revised by (1) net cash provided by operating activities decreased from \$5,160,000 to \$3,687,000, and (2) net cash provided by investing activities increased from \$671,000 to \$2,144,000. As a result, we are filing new Exhibits 99.1 and 99.2 with the corrected information.

The adjustment did not affect overall consolidated cash flow, revenues, net operating income, net income (loss) attributable to common shareholders, funds from operations, adjusted funds from operations or funds available for distribution, nor did it affect the Company's consolidated balance sheet. We expect that these receivables will be collected during the second quarter and included in net cash provided by operating activities at that time.

Item 9.01. Financial Statements and Exhibits.

(c) Exhibits.

99.1 Press release dated May 6, 2010.

99.2 Cedar Shopping Centers, Inc. Supplemental Financial Information for the quarter ended March 31, 2010.
