**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Westwood One, Inc. (the Company) has determined that it is unable to file its Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2010 (the Form 10-Q) by its prescribed due date, Monday, August 16, 2010. On August 17, 2010, the Company and its lenders entered into definitive documentation to relax the Company's debt leverage covenants as described in more detail below. As part of this process, over the last several weeks, the Company's financial staff and resources have been substantially committed to the negotiation of this new agreement with the holders of the Company's 15.0% Senior Secured Notes due July 15, 2012 (the Senior Notes). The significant efforts associated therewith have had an impact on the Company's ability to timely file its Form 10-Q and ultimately the Company's staff has been unable to complete all of the steps necessary to file its Form 10-Q by its prescribed due date. The Company believes filing this Form 12b-25 is a prudent step and intends to file its Form 10-Q as promptly as practicable and in any event before August 23, 2010, the prescribed due date pursuant to this Form 12b-25.

As part of the Company's agreement with its lenders, the Company's debt leverage covenants will be modified to 11.25 times (from the 7.0 times currently in place) for the next three quarters beginning on September 30, 2010, then stepping down to 11.0, 10.0, and 9.0 times in the last three quarters of 2011 and 8.0 and 7.5 times in the first two quarters of 2012 (the Senior Notes mature on July 15, 2012). Additionally, Gores Radio Holdings, LLC, the Company's ultimate parent (together with certain related entities, Gores) agreed to provide the Company with \$20 million of liquidity, as follows: \$5 million cash on or prior to September 7, 2010, a guarantee of an additional \$5 million for the Company's revolving credit facility (revolver) and \$10 million cash on or prior to February 28, 2011,

depending on the liquidity needs of the Company. In connection with Gores' agreement to increase its guarantee, Wells Fargo Capital Finance, LLC agreed to increase the amount of the Company's revolving credit facility from \$15 million to \$20 million which will provide the Company with necessary additional liquidity for working capital purposes. In exchange for the \$15 million cash investments to be made by Gores, Gores will receive additional common stock in the Company valued as follows: (1) 769,231 shares valued at a \$6.50 per share price for the first \$5 million investment and (2) for the second \$10 million investment, shares valued at the average of the per share volume-weighted average price for a period of thirty consecutive trading days ended before the second Gores investment. The amendments to the Company's debt agreements will be filed as exhibits to the Company's 10-Q for the quarterly period ended June 30, 2010 and the summary set forth above is qualified in its entirety by reference to the actual amendments.
