**Item 2.02. Results of Operations and Financial Condition.**

This Current Report on Form 8-K is being furnished to disclose the press release issued by Pinnacle Financial Partners, Inc., a Tennessee corporation (the Company), on April 18, 2011. The press release, which is furnished as Exhibit 99.1 hereto pursuant to Item 2.02 of Form 8-K, announced the Company's results of operations for the three months ended March 31, 2011.

The press release contains for the three months ended March 31, 2011, March 31, 2010 and December 31, 2010, non-GAAP noninterest expense excluding the impact of other real estate expenses. The press release also contains for the three months ended March 31, 2011 and March 31, 2010, a non-GAAP ratio of tangible common stockholders equity to tangible assets.

The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for any measure prepared in accordance with GAAP. Because non-GAAP financial measures presented in the press release are not measurements determined in accordance with GAAP and are susceptible to varying calculations, these non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures presented by other companies.

The Company believes that these non-GAAP financial measures facilitate making period-to-period comparisons and are meaningful indications of its operating performance. In addition, because intangible assets such as goodwill and the core deposit intangible and other real estate owned expenses vary extensively from company to company, the Company believes that the presentation of this information allows investors to more easily compare the Company's results to the results of other companies.

The Company's management utilizes this non-GAAP financial information to compare the Company's operating performance for the first three months of 2011 versus the comparable period in 2010 and to internally prepared projections.
