Purchasers), relating to the offering and sale (Offering) by PPL WEM Holdings of \$960 million aggregate principal amount of its Senior Notes, consisting of two series: \$460 million aggregate principal amount of its 3.900% Senior Notes due 2016 and \$500 million aggregate principal amount of its 5.375% Senior Notes due 2021 (collectively, the Senior Notes). The Senior Notes were issued under PPL WEM Holdings Indenture dated as of April 21, 2011 with The Bank of New York Mellon as trustee, as supplemented by Supplemental Indenture No. 1 dated as of April 21, 2011 (collectively, the Indenture).

The Indenture contains customary covenants, events of default and remedies which, subject to customary cure periods and procedural requirements, include provisions for acceleration of indebtedness upon certain events of default.

Events of default under the indentures include a failure to make timely payments associated with the Senior Notes, a continuing default in performance of applicable covenants, and certain bankruptcy or insolvency-related conditions, in each case subject to customary cure provisions.

The Senior Notes were offered in transactions exempt from registration under the Securities Act of 1933, as amended (the Act), only to qualified institutional buyers in accordance with Rule 144A under the Act and outside the United States to non-U.S. persons in accordance with Regulation S under the Act.
