ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

(b) As of the conclusion of the annual meeting of stockholders (the *Annual Meeting*) of Celgene Corporation (the *Company*) held on June 15, 2011, Sol J. Barer, Ph.D. and Walter L. Robb, Ph.D. retired from the Company's Board of Directors (the *Board*). As previously disclosed in the Company's proxy statement for the Annual Meeting, Drs. Barer and Robb did not stand for re-election at the Annual Meeting. Prior to the date of retirement, Dr. Barer was a member of the Executive Committee and Dr. Robb was a member of the Audit Committee. Upon Dr. Barer's retirement as Chairman of the Board of Directors, Robert J. Hugin was named as Chairman of the Board of Directors.

(e) At the Annual Meeting, the Company's stockholders approved an amendment (the *Amendment*) to the Company's 2008 Stock Incentive Plan (the *Plan*) to, among other things:

increase the number of shares of common stock of the Company (*Common Stock*) available for issuance under the Plan by 11,200,000 shares;

extend the term of the Plan through April 13, 2021 (previously the Plan was scheduled to expire after April 15, 2019);

preclude the grant of any award to eligible employees or non-employee directors who are resident in France or subject to the French social scheme on or after the fifth anniversary of the date of the Annual Meeting unless the stockholders approve a new term for awards to such participants or this limitation is not required under French law, regulation or other authority (this limitation is intended to comply with applicable French legal requirements as commented by the French tax administration guidelines and ensure eligibility for favorable tax and social security treatment for awards granted to such French participants);

reflect best corporate governance practices, by

modifying the provisions relating to a change in control of the Company for awards granted on or after the date of the Annual Meeting and providing that unless otherwise determined at grant, such awards will not vest upon a change in control (*i.e.*, upon a *single trigger*), but will vest upon an involuntary termination without cause that occurs within 2 years following a change in control (*i.e.*, upon a *double trigger*) (awards granted prior to the date of the Annual Meeting will vest upon a *single trigger*);

providing that the Company may not repurchase stock options with an exercise price per share that is below the fair market value of Common Stock without stockholder approval;

eliminate the specified number of nonqualified stock options and restricted stock units automatically granted to non-employee directors upon election to the Board and at annual meetings (in lieu of the automatic grants, the Amendment provides for discretionary awards of non-qualified stock options and restricted stock units (*RSUs*) to non-employee directors, subject to the Plan provisions regarding vesting);

provide that if a non-employee director fails to stand for election at an annual meeting, and such annual meeting occurs prior to the date that a portion of a stock option that was granted to the non-employee director upon his initial election or appointment to the Board would have otherwise vested in the year of such annual meeting, such portion will vest on the day preceding the annual meeting subject to the non-employee director continuing as a director until such date; and

provide that all stock option grants made to a non-employee director will become fully vested upon the non-employee director's death or disability.

The foregoing summary of the Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment, which is attached as Exhibit 10.1 and incorporated herein by reference.
