PROXY STATEMENT

The Board of Directors of TechTeam Global, Inc. ("TechTeam" or the "Company") is soliciting proxies for the 2006 Annual Meeting of Stockholders (the "Annual Meeting"). This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

The Board of Directors of TechTeam has set May 15, 2006 as the record date for the Annual Meeting. Stockholders of record who owned TechTeam's common stock at the close of business on that date are entitled to vote at and attend the Annual Meeting, with each share entitled to one vote. There were approximately 10,123,000 shares of TechTeam's common stock outstanding on the record date.

QUESTIONS AND ANSWERS

Q: WHEN AND WHERE IS THE ANNUAL MEETING?

A: TechTeam's 2006 Annual Meeting of Stockholders is being held on Wednesday, June 14, 2006, at 10:00 a.m. Eastern Daylight Time at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan. Please visit www.techteam.com for a map providing directions to the Annual Meeting.

Q: DO I NEED A TICKET TO ATTEND THE ANNUAL MEETING?

A: No, you will not need a ticket to attend the Annual Meeting. However, we ask that you bring evidence that you are a stockholder of record, such as your most recent account statement prior to May 15, 2006.

Q: WHY AM I RECEIVING THIS PROXY STATEMENT AND PROXY CARD?

A: You are receiving a proxy statement and proxy card from us because you owned shares of common stock of TechTeam, Inc. on the record date. This proxy statement describes proposals on which we would like you, as a stockholder, to vote. It also provides you information regarding these proposals so that you can make an informed decision. The proxy card is used for voting.

Q: WHAT AM I VOTING ON?

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

A: You are being asked to vote on:

- The election of eight nominees to serve on our Board of Directors; and
- The ratification of the appointment of Ernst & Young LLP to serve as TechTeam's independent registered public accounting firm for the year ending December 31, 2006.

Q: WHAT IS THE EFFECT OF SIGNING AND RETURNING MY PROXY CARD?

A: When you sign and return the proxy card, you appoint William C. Brown and Marc J. Lichtman as your representatives at the Annual Meeting. Mr. Brown and Mr. Lichtman will vote your shares at the Annual Meeting as you have instructed them on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, we encourage you to vote in advance of the Annual Meeting just in case your plans change. You can vote in person at the Annual Meeting, even if you have already sent in your proxy card.

If you sign and return but do not indicate on the proxy card how you want your votes cast, Mr. Brown and Mr. Lichtman will vote your shares FOR the election of all nominees for director, and FOR the ratification of Ernst & Young LLP as TechTeam's independent accountants for the 2006 fiscal year.

3

If you sign and return the proxy card, and a matter properly comes up for a vote at the Annual Meeting that is not described in this proxy statement, Mr. Brown and Mr. Lichtman will vote your shares in their discretion.

Q: HOW DO I VOTE?

A: In some cases there are four ways that you may vote, as explained in the detailed instructions on your proxy card. In summary, you may:

- Mail in your completed, signed and dated proxy card.
- If set forth on your proxy card, you may place your vote via the Internet.
- If set forth on your proxy card, you may place your vote by telephone.
- Vote in person by attending our Annual Meeting.

We will pass out written ballots to any stockholder wanting to vote in person at the Annual Meeting. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the Annual Meeting.

If you vote by Internet or telephone, you do not need to mail in your proxy card. The Internet and telephone voting procedures have been designed to verify stockholders' identities and allow stockholders to confirm that their voting instructions have been properly recorded.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: It means that you have multiple accounts at the transfer agent and/or with stockbrokers or other nominees. Please complete and provide voting instructions for all proxy cards and voting instruction cards that you

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

receive.

Q: WHAT IF I CHANGE MY MIND AFTER I HAVE VOTED?

A: You may revoke your proxy (that is, cancel it) and change your vote at any time prior to the Annual Meeting by:

- Voting again via the Internet or by telephone (only your latest vote will be counted);
- Completing, signing and returning another proxy card that is dated after the date of your earlier proxy card (again, only your latest vote will be counted);
- Sending written notice to our Corporate Secretary at our principal executive offices in Southfield, Michigan, which notice must be received prior to the date of the Annual Meeting, stating that you would like to revoke your proxy; or
- Voting in person at the Annual Meeting.

If you do not properly revoke your proxy, properly executed proxies will be voted as you specified in your earlier proxy or by the representatives as explained in the proxy statement.

Q: WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY CARD?

A: They could be. If your shares are held in street name and you do not instruct your nominee how to vote your shares, your nominee may either use its discretion to vote your shares on "routine matters" (such as the election of directors) or leave your shares unvoted. For "non-routine matters," your nominee would not be able to vote on such matters.

We encourage you to provide instructions to your nominee by completing the instruction card or proxy that it sends to you. This will ensure that the nominee votes your shares at the Annual Meeting as you direct.

4

Q: WHAT IS A "BROKER NON-VOTE"?

A: Under the rules that govern brokers who have record ownership of shares that they hold in "street name" for their clients who are the beneficial owners of the shares, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted with respect to a proposal because the nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. Brokers normally have discretion to vote on "routine matters," such as director elections, but not on non-routine matters, such as approving stock option plans.

Q: HOW ARE BROKER NON-VOTES COUNTED?

A: Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of shares entitled to vote on a specific proposal. A broker non-vote will not affect the outcome of any proposal in this proxy statement.

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

Q: HOW MANY SHARES CAN BE VOTED AT THE ANNUAL MEETING?

A: As of the record date, approximately 10,123,000 shares of common stock were outstanding. Each outstanding share of common stock entitles the record holder to one vote on all matters covered in this proxy statement.

Q: HOW DO I VOTE IF I HOLD COMMON STOCK IN MY TECHTEAM 401(K)?

A: If you are a TechTeam employee who is a stockholder through TechTeam's Retirement Savings Plan (the "Plan"), you will receive a form proxy with respect to all of your shares so registered. You have the right to direct the Trustee of the Plan how to vote the shares allocated to your account.

Q: WHAT IS A "QUORUM"?

A: A "quorum" is the number of shares of common stock that must be present, in person or by proxy, in order for business to be transacted at the Annual Meeting. The required quorum for the Annual Meeting is a majority of the shares outstanding and entitled to vote at the Annual Meeting. There must be a quorum present for the Annual Meeting to be held. All stockholders present in person or represented by completed and signed proxy cards, Internet votes, and telephone votes, whether representing a vote for, against, withheld, or abstained or a broker non-vote, will be counted toward the quorum.

Q: WHAT IS THE REQUIRED VOTE FOR A PROPOSAL TO PASS?

A: With regard to the proposal for the election of directors, the required vote is a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal. There is no cumulative voting for the election of directors. With regard to each other proposal, the required vote is the affirmative vote of a majority of shares that are (i) present in person or represented by proxy at the Annual Meeting and (ii) entitled to vote on each such proposal.

Q: HOW ARE ABSTENTIONS AND WITHHOLD VOTES COUNTED?

A: Abstentions and withhold votes are counted for the purposes of determining both (i) the presence of a quorum and (ii) the total number of shares entitled to vote with respect to a proposal. Withheld votes will have no effect on the outcome of the election of directors. Abstentions will have the same effect as a vote "AGAINST" all other proposals being presented at this Annual Meeting.

5

Q: WHO IS SOLICITING MY VOTE?

A: This proxy solicitation is being made by the Board of Directors of TechTeam and will be paid for by the Company. In addition to this solicitation by mail, proxies may be solicited by our directors, officers and other employees by telephone, Internet, or fax, in person or otherwise. Such persons will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our common stock. We will reimburse such persons and TechTeam's transfer agent for their reasonable out-of-pocket expenses in forwarding such material.

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

Q: HOW MAY I OBTAIN A COPY OF TECHTEAM'S 2005 ANNUAL REPORT ON FORM 10-K?

TechTeam's Corporate Governance Guidelines set forth the duties and responsibilities of the Board and addresses corporate governance matters. A written charter has been developed and approved by the Board for each of the four Board Committees. The guidelines and charters are reviewed annually and modified as appropriate. The Corporate Governance Guidelines, Audit Committee Charter, Compensation Committee Charter, Governance and Nominating Committee Charter, and Strategy and Investment Committee Charter are available at <http://ir.techteam.com/phoenix.zhtml?c=91039&p=irol-govboard>.

The Code of Business Conduct is also available on our website at <http://ir.techteam.com/phoenix.zhtml?c=91039&p=irol-govboard>.

BOARD INDEPENDENCE

The Board has determined that each of the nominees standing for election, except William C. Brown, the Company's President and Chief Executive Officer, have no material relationship with TechTeam (either directly or as a partner, shareholder, or officer of an organization that has a relationship with TechTeam) and is independent within the meaning of the NASDAQ Stock Market, Inc. ("NASDAQ") director independence standards as of the date of this proxy statement. Furthermore, the Board has determined that no member of the Audit Committee, Compensation Committee, or Governance and Nominating Committee have a material relationship with TechTeam (either directly or as a partner, shareholder, or officer of an organization that has a relationship with TechTeam) and they are "independent" within the meaning of the NASDAQ standards.

PROCEDURES FOR CONTACTING DIRECTORS

The Board has established a process for Stockholders to send communications to the Board. Stockholders may communicate generally with the Board or with a specific director at any time by writing to TechTeam's Secretary at 27335 W. 11 Mile Road, Southfield, Michigan, 48034. The Secretary will review all messages received and forward any message that reasonably appears to be a communication from a Stockholder about a matter of stockholder interest that is intended for communication to the Board or a specific director. Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

PROPOSAL 1. ELECTION OF DIRECTORS

The Stockholders elect TechTeam's directors annually, as TechTeam does not have staggered board terms. Each director will serve until the 2007 Annual Meeting of Stockholders or until he or she is succeeded by another qualified director who has been duly elected. As of the date of this proxy statement, there are eight members of the TechTeam Board of Directors.

On February 23, 2006, the Company was notified by Costa Brava Partnership III, L.P. ("Costa Brava") of its intent to nominate seven directors to replace the Company's current Board of Directors. On February 27, 2006, TechTeam announced its intention to contest the slate of nominees proposed by Costa Brava (the contest between the two slates of nominees being referred to herein as the "Proxy Contest"). On May 3, 2006, the Company entered into a Settlement Agreement with Costa Brava ending the Proxy Contest (the "Settlement Agreement"). Under the terms of the Settlement Agreement, Costa Brava agreed to withdraw its slate of nominees, and the Company agreed to nominate the following individuals to stand for election at the Company's Annual Meeting: William C. Brown, the Company's President and Chief Executive Officer, Kent Heyman, John P. Jumper, James A. Lynch, Alok Mohan, James G. Roche, Andrew R. Siegel, and Richard R. Widgren. Messrs. Heyman, Lynch, Mohan, and Siegel were recommended by Costa Brava. See Certain Relationships, Related Transactions and Litigation on page 21 of this proxy statement for more information on the settlement.

If a nominee is unavailable for election, the proxy holders may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected at the Annual Meeting. Accordingly, common stockholders will be electing eight (8) directors. Proxies may not be voted for a greater number of persons than the number of nominees (eight) named in this proxy statement.

The following is a description of the background of the persons nominated for election as directors of TechTeam.

COMPENSATION COMMITTEE

The Compensation Committee discharges the Board's responsibilities relating to compensation of TechTeam's executives and directors; produces an annual report on executive compensation for inclusion in TechTeam's proxy statement; conducts an evaluation of the Chief Executive Officer; provides general oversight of TechTeam's compensation structure, including TechTeam's equity compensation plans; and retains and approves the terms of the retention of any compensation consultants and other compensation experts. The report of the Compensation Committee is included herein beginning on page 19.

GOVERNANCE AND NOMINATING COMMITTEE

The Governance and Nominating Committee identifies and nominates individuals qualified to become Board members, consistent with criteria approved by the Board, and identifies best practices and recommends corporate governance principles. Other specific duties and responsibilities of the Governance and Nominating Committee include the following: annually assessing the size and composition of the Board; defining specific criteria for director independence; monitoring compliance with Board and Board committee membership criteria; annually reviewing and recommending directors for continued service; coordinating and assisting management and the Board in recruiting new members to the Board; and overseeing the annual evaluation of the Board.

Consideration of Director Nominees. The Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Governance and Nominating Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Governance and Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Governance and Nominating Committee through current Board members, professional search firms, stockholders, or other persons. These candidates are evaluated at meetings of the Governance and Nominating Committee, and may be considered at any point during the year.

The Board believes that all of its directors should have the highest personal integrity and have a demonstrated record of ability and judgment. There are no firm minimum qualifications or skills that a candidate must possess. Consistent with the Company's Corporate Governance Guidelines, the Committee evaluates director candidates on a number of qualifications, including their independence, judgment, leadership ability, expertise in the industry, experience in developing and analyzing business strategies, financial literacy, and for incumbent directors, past performance.

PROPOSAL 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected Ernst & Young LLP ("Ernst & Young") to serve as TechTeam's independent registered public accounting firm for the fiscal year ending December 31, 2006. The Stockholders are asked to ratify the selection at the Annual Meeting.

Representatives of Ernst & Young are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

INFORMATION ABOUT OUR INDEPENDENT AUDITORS

Ernst & Young, or its predecessors, have audited our consolidated financial statements since TechTeam became a public company in 1987. As our independent auditors, Ernst & Young will audit our consolidated financial statements for fiscal 2006 and perform audit-related services in connection with various accounting and financial reporting matters. Ernst & Young also performs certain non-audit services for TechTeam that are permitted under the Sarbanes-Oxley Act of 2002 and related rules of the SEC. The Audit Committee has determined that the provision of audit-related and permitted non-audit services by Ernst & Young is compatible with maintaining Ernst & Young's independence pursuant to the

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

auditor independence rules of the SEC.

FEES OF ERNST & YOUNG LLP FOR 2005

The aggregate fees for professional services by Ernst & Young in 2005 and 2004 were as follows:

TYPE OF FEES	2005	2004
-----	-----	-----
	(\$ in thousands)	
Audit Fees	\$1,042	\$402
Audit-Related Fees ..	22	49
Tax Fees	154	111
	-----	-----
Total	\$1,218	\$562
	=====	=====

In the above table, in accordance with SEC definitions and rules, "audit fees" are fees for professional services for the audit of the Company's consolidated financial statements included in Form 10-K and the related assessment of the Company's internal controls over financial reporting and disclosure and management's assessment, and review of financial statements included in Form 10-Qs, or for services that are normally provided by the independent auditor in connection with statutory and regulatory filings; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit of the Company's financial statements such as audits of employee benefit plans, accounting consultation, and pre-acquisition financial due diligence; and "tax fees" are fees for tax compliance and tax planning and consulting, including expatriate tax services.

PRE-APPROVAL POLICIES AND PROCEDURES

All audit and non-audit services to be performed by TechTeam's independent auditor were approved in advance by the Audit Committee. All audit and non-audit services provided in 2005 were pre-approved. As permitted by the SEC's rules, the Audit Committee adopted a policy that provides for pre-approval by the Audit Committee of specifically defined audit, non-audit and tax-related services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to approve permitted services provided that the Chairman reports any decisions to the Committee at its next scheduled meeting.

REQUIRED VOTE AND BOARD OF DIRECTORS RECOMMENDATION

The affirmative vote of a majority of votes cast at the meeting, at which a quorum is present, is required to approve this proposal. Abstentions and broker no-votes will each be counted as present for the purposes of determining the presence of a quorum, but will not have any effect on the outcome of the vote.

All executive officers of TechTeam have entered into Employment Agreements Relating to Change of Control with TechTeam. These agreements provide these executives, in the event of their involuntary termination after a change-in-control, with (i) payments by TechTeam of 100% of his/her base annual salary, (ii) accelerated vesting of all unvested options to purchase common stock of TechTeam, (iii) employee benefits for an one-year period, and (iv) one year of company-paid outplacement services. "Change of Control" is defined in the agreement as (1) the sale of (a) all then outstanding shares of common stock of TechTeam or (b) 51% of outstanding voting securities of TechTeam entitled to vote generally in the election of the directors; or (2) the consummation of the sale or other disposition of all or substantially all of the assets or operations of TechTeam.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board establishes the compensation plans and specific compensation levels for all executive officers of TechTeam. Our philosophy for the Company's total compensation and equity incentive package is

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

to promote the achievement of TechTeam's performance objectives, to ensure that the executive's interests are aligned with stockholders in promoting the success of TechTeam, and to provide compensation that attracts, retains and motivates superior executive personnel. We believe that compensation and equity incentives should be significantly influenced by performance. The Compensation Committee met nine (9) times during 2005.

EXECUTIVE COMPENSATION PROGRAM. TechTeam's executive compensation program consists of base salary, the Annual Incentive Plan, and the Long Term Incentive Plan.

BASE SALARY. The base salaries for executives are targeted at competitive market levels for their respective positions, levels of responsibility, their impact on TechTeam, and their knowledge and experience. Base salaries for executives are maintained at levels that the Compensation Committee believes, based upon its own judgment and external data, are competitive with other companies of comparable size and complexity.

ANNUAL INCENTIVE PLAN. The Committee believes executives should receive cash bonus incentives based upon the attainment of high levels of corporate performance during a fiscal year. The Executive Annual Incentive Plan ("AIP") provides for a cash bonus to executive management (including named executive officers and others) if certain performance metrics are reached. The metrics are operating income (operating income, as reported in the Company's periodic reports filed with the SEC), revenue, and individual objectives. Prior to the start of a fiscal year, the Board of Directors sets targets for the Company's operating income and revenue. Each officer's individual objectives are also set. If eighty percent of the operating income target is achieved, a bonus pool of 25% of the adjusted net income of the Company (reported net income before recognition of the expense and associated tax benefit of the bonus pool, less net interest income or expense and the associated tax effect of net interest income) is created. In 2005, each executive's target bonus was based on a percentage of the executive's annual salary, which varied from 45% for the President and Chief Executive Officer, 40% for the Chief Operating Officer, Vice Presidents of Sales and Operations, and the Chief Financial Officer, and 25% for other corporate officers. Each metric (operating income, revenue, and individual objectives) is allocated a percentage of the officer's potential total bonus. For example, executive officers' bonus is comprised of 60% from operating income, 20% from revenue, and 20% from individual objectives. If the Company's performance for operating income or revenue is exceeded, the respective portion of the bonus is increased as provided in the Plan.

Executives of the Company earned an AIP bonus in 2005, which was paid in March 2006. While the Company did not fully attain its operating income target, it exceeded its revenue target. Accordingly, executive bonuses were reduced from their target bonuses. The Committee determined that the individual performance of the Company's executive officers, other than CEO, warranted a bonus in excess of the amount that would have been paid under the terms of the AIP. The bonus amounts earned by the named executive officers are set forth in the Summary Compensation Table.

LONG TERM INCENTIVE PLAN. In December 2003, the Board approved a Long-Term Incentive Plan (the "LTIP"). Under the LTIP, awards of restricted stock are based upon the attainment of the Company's operating income (operating income, as reported in the Company's periodic reports filed with the SEC) targets for a rolling three-year period. If the operating income goals, in aggregate, have been met over the measured period, restricted stock will be granted to the executive in a percentage of base salary ranging from 30% for the President and Chief Executive Officer, 25% for the Chief Operating Officer, 20% for Vice Presidents of Sales and Operations and the Chief Financial Officer, and 15% for other corporate officers. If the operating income target, in aggregate, is exceeded for the measured period, the amount of restricted stock is increased by

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

the percentage that aggregate operating income exceeded the aggregate target for the measured period. The restricted stock granted under the LTIP cannot be transferred and is subject to forfeiture unless the participant remains employed by the Company for five (5) years after the date of issuance. The amount of restricted stock awarded is determined by dividing the percentage of the executive's salary by the fair market value of the Company's common stock, as determined by the average closing price for thirty (30) trading days prior to the grant date.

19

The Company exceeded its aggregate operating income target for 2004 and 2005. Accordingly, executives of the Company earned, for the performance in 2005, an award of restricted stock in 2006. A total of 42,306 shares of restricted stock were awarded in March 2006.

Awards of performance stock may be awarded to participants for extraordinary individual achievement during the year, regardless of the Company's achievement of its annual goals. The performance stock granted under the LTIP cannot be transferred and is subject to forfeiture unless the participant remains employed by the Company for one (1) year after the date of issuance. No performance stock was awarded in 2005.

The Committee can also award non-qualified stock options under the LTIP for extraordinary achievements or as an employment incentive. In December 2005, the Committee determined to award nonqualified options to employees of the Company. Executive officers of the Company received an aggregate 90,000 stock options as part of this grant.

CHIEF EXECUTIVE COMPENSATION. The Compensation Committee annually reviews and approves the compensation of TechTeam's Chief Executive Officer. In May 2005, the Company entered into a three year employment contract with Dr. Coyro, under which Dr. Coyro's base salary from \$330,000 to \$360,000 based upon the Company's performance, his skills and experience, and the competitive salaries for comparable positions paid by companies of similar size. Based upon the Company's performance for 2005, Dr. Coyro was paid \$73,397 under the AIP, which did not include any amount for Dr. Coyro's achievement of his individual objectives. Based upon the terms of the LTIP, Dr. Coyro received a restricted stock award in March 2006 of 11,137 shares.

COMPENSATION NOT QUALIFYING FOR TAX DEDUCTIBILITY. Section 162(m) of the Internal Revenue Code provides, in general, that compensation to certain individual executives during any year in excess of \$1 million is not deductible by a public company. The Committee believes that, given the range of salaries and number of stock options of executive officers, the \$1 million threshold will not be reached by an executive officer of TechTeam in the near future. Accordingly, the Committee has not considered what its policy regarding compensation not qualifying for tax deductibility might be. The Committee will assess this issue when it appears the threshold may be reached.

Respectfully Submitted,

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: TECHTEAM GLOBAL INC - Form DEF 14A

During the past fiscal year, the Compensation Committee was comprised solely of non-employee directors. No member of the Compensation Committee was an officer or employee of TechTeam or any of its subsidiaries during the fiscal year 2005. None of the executive officers of TechTeam has served on the board of directors or on the compensation committees of any other entity of whose officers have served either on the Board of Directors or on the Compensation Committee of TechTeam.

CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS AND LITIGATION

From February 20, 2006 to April 23, 2006, the Company and a major customer were engaged in a pilot program testing software that is intended to evaluate and motivate help desk agents. The software is owned by an affiliate of Kim A. Cooper, the Chairman of the Board of the Company. The pilot program involved personnel of the Company but no significant out-of-pocket expense to the Company.

As previously noted, on February 23, 2006, the Company was notified by Costa Brava of its intent to nominate seven directors to replace the Company's current Board of Directors. On February 27, 2006, TechTeam announced its intention to contest the slate of nominees proposed by Costa Brava (the contest between the two slates of nominees being the "Proxy Contest"). On or about January 24, 2006, Costa Brava filed suit against TechTeam in the Court of Chancery in the State of Delaware seeking access to certain of TechTeam's books and records. On May 4, 2006, the Company entered into a Settlement Agreement with Costa Brava ("Settlement Agreement") resolving the Proxy Contest and the litigation, which Costa Brava agreed to dismiss with prejudice after the Annual Meeting.

Under the terms of the Settlement Agreement, the Company agreed to nominate four individuals from Costa Brava's slate of nominees: Kent Heyman, James A. Lynch, Alok Mohan, and Andrew R. Siegel. Mr. Siegel is Senior Vice President at Roark, Rearden & Hamot Capital Management LLC, an investment management firm that is the general partner of Costa Brava Partnership III, L.P., which owns 9.0% of the

21

Company's common stock. Further, pursuant to the Settlement Agreement, the Company agreed to reimburse Costa Brava up to \$700,000 for their expenses incurred as a result of the Proxy Contest and its request to inspect the Company's books and records.
