On September 20, 2006, Sterling Financial Corporation ( Sterling ) completed a private placement of an aggregate amount of \$50 million in trust preferred securities (the Preferred Securities ) through a newly formed, wholly owned subsidiary, Sterling Capital Statutory Trust VIII (the Trust ), as part of a pooled transaction. In connection with the issuance of the Preferred Securities, on September 20, 2006, Sterling entered into an Indenture (the Indenture ) by and between Sterling and Wilmington Trust Company, as trustee.

The Preferred Securities mature on September 20, 2036 and are redeemable beginning in 2011, but may be redeemed earlier on the occurrence of certain events. The Preferred Securities bear an initial rate of 7.02%. The rate will be adjusted quarterly at the 90-day LIBOR plus 1.63% and mature in 30 years. The Preferred Securities are part of larger pooled offerings, are subordinate to other borrowings and qualify as capital for regulatory purposes. The Trustee or the holders of at least 25% of the aggregate principal amount of the Preferred Securities outstanding may declare the entire principal of the Preferred Securities and the interest accrued thereon, if any, to be due and payable immediately upon the occurrence of certain events, including defaults in payment by Sterling, or the commencement of a bankruptcy, insolvency or reorganization action by or against Sterling. The Preferred Securities have not been registered and are not expected to be registered under the Securities Act of 1933, as amended, and may not be sold in the absence of registration or an exemption from applicable registration requirements. The proceeds are expected to be used for general corporate purposes.

The foregoing description of the Preferred Securities is qualified in its entirety by reference to the text of the Indenture, a copy of which is attached as Exhibit 10.1 to this report and incorporated by reference herein.

On September 21, 2006, Sterling issued a press release announcing the issuance of the Preferred Securities. The text of the press release is attached as Exhibit 99.1 to this report.
