## PROXY STATEMENT FOR ANNUAL MEETING OF SHAREOWNERS

OCTOBER 22, 2002

This Proxy Statement is being furnished to the shareowners of Kennametal Inc. (the "Corporation") in connection with the solicitation by the Board of Directors of the Corporation of proxies to be voted at the Annual Meeting of Shareowners, which is scheduled to be held October 22, 2002. Only holders of record of capital stock, par value \$1.25 per share, of the Corporation ("Capital Stock") at the close of business on September 3, 2002, will be entitled to notice of and to vote at the meeting. On that date there were 35,073,626 shares of Capital Stock outstanding and entitled to one vote per share.

Shareowners of record may vote by (a) executing and returning a proxy in the accompanying form; or (b) calling a toll-free telephone number. Specific instructions for telephone voting are included on the enclosed form of proxy card. If a shareowner votes by telephone, it is not necessary to return a proxy card. If a shareowner properly gives a proxy (including a written proxy or a proxy via telephone), the shareowner's shares will be voted as the shareowner specifies in the proxy. A shareowner may revoke a proxy prior to its exercise by delivering a written notice of revocation to the Secretary of the Corporation, by giving a valid, later dated proxy or by attending the meeting and voting in person.

The shares represented by all properly executed proxies received by the Secretary in the accompanying form of proxy prior to the meeting and not so revoked will be voted. Where a choice is specified on the form of proxy, the shares will be voted in accordance with the choice made therein. If no such choice is made, the shares will be voted in accordance with the recommendation of the Board of Directors. The form of proxy also confers discretionary authority on the named proxies to vote the shares represented by the proxy on any matter that is properly presented for action at the Annual Meeting of Shareowners. Under Pennsylvania law and the Corporation's Articles of Incorporation and By-Laws, abstentions and broker non-votes will have no effect on matters to be voted on at the Annual Meeting since directors are to be elected by plurality vote and the Stock and Incentive Plan of 2002 (the "2002 Plan") is to be approved and the selection of auditors is to be ratified by the affirmative vote of at least a majority of the votes cast by shareowners present, in person or by proxy, at the meeting; provided, that approval of the 2002 Plan is also conditioned upon a majority of shares voting for or against or abstaining on the proposal and a majority of those shares voting in favor of the proposal. A majority of the named proxies who shall be present and shall act at the meeting (or if only one shall be present and act, then that one) may exercise all powers granted to them by the proxies solicited hereunder. The address of the principal executive offices of the Corporation is 1600 Technology Way, Latrobe, Pennsylvania 15650-0231, and the date this Proxy Statement was first mailed to shareowners was on or about September 20, 2002.

### ELECTION OF DIRECTORS

Three directors are to be elected to hold office as Directors of the First Class for terms of three years and until their successors are elected and qualified.

The owners of Capital Stock have cumulative voting rights in the election of directors. In voting for directors, a shareowner has the right to multiply the total number of shares which the shareowner is entitled to vote by the number of directors to be elected in each class, and to cast the whole number of votes so determined for one nominee in the class or to distribute them among the

Edgar Filing: KENNAMETAL INC - Form DEF 14A

nominees if more than one nominee is named in such class. Proxies who vote at the meeting on behalf of a shareowner will have the discretion to and may exercise such cumulative voting rights. The three individuals who receive the largest number of votes cast will be elected as Directors of the First Class.

The persons named in the enclosed form of proxy were selected by the Board of Directors and have advised the Board of Directors that, unless authority is withheld, they intend to vote the shares represented by them at the meeting for the election of the following nominees named to serve as directors. The

nominees for election for terms of three years in the First Class of Directors are: Peter B. Bartlett, Kathleen J. Hempel and Markos I. Tambakeras who have served as directors since 1975, 2000 and 1999, respectively. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THESE NOMINEES.

If at the time of the meeting any of the foregoing nominees is not available to serve as a director, an event which the Corporation has no reason to anticipate, the Corporation has been informed that the persons named in the enclosed form of proxy intend to vote the shares represented by them at the meeting for such other person or persons, if any, as may be nominated by the Board of Directors.

### BOARD OF DIRECTORS AND BOARD COMMITTEES

The Corporation's Board of Directors held eight meetings during the year ended June 30, 2002. The committees of the Board of Directors include an Executive Committee, an Audit Committee and a Committee on Organization and Compensation. Each director attended at least 75% of the meetings of the Board of Directors and any committee of which such director is a member. The Board is currently reviewing the structure of its committees of the Board in light of the new Sarbanes-Oxley Act, proposed New York Stock Exchange rules and related regulatory changes.

**Executive Committee:** The Executive Committee met four times during the past fiscal year. The committee's duties include monitoring performance of the Corporation's business plan, reviewing corporate governance and employee ethics, reviewing certain business strategies, including acquisition integration, and reviewing management performance and succession. The committee's duties also include recommending to the Board of Directors nominees for directors to be elected at the Annual Meeting of Shareowners or to be elected to fill any vacancies which may occur in the Board of Directors. Pursuant to the By-Laws of the Corporation, shareowner recommendations of nominees for the Board must be submitted in advance of any meeting and must comply with certain requirements set forth in the By-Laws. For further information, see "Shareowner Proposals and Nominating Procedures" appearing elsewhere in this Proxy Statement. The following directors currently comprise the committee: William R. Newlin (Chairman), Markos I. Tambakeras, Peter B. Bartlett, Richard C. Alberding and Larry D. Yost.

**Audit Committee:** The Audit Committee met seven times during the past fiscal year. The committee acts under a written charter and it is responsible for monitoring (1) the integrity of the financial statements

3

of the Corporation, (2) the compliance by the Corporation with legal and regulatory requirements and (3) the independence and performance of the Corporation's internal auditor and independent public accountants. For further information, see "Report of the Audit Committee of the Board of Directors" appearing elsewhere in this Proxy Statement. The following directors currently comprise the committee: Kathleen J. Hempel (Chairperson), Peter B. Bartlett, A. Peter Held and Aloysius T. McLaughlin, Jr.

**Committee on Organization and Compensation:** The Committee on Organization and Compensation met six times during the past fiscal year. The committee's duties include the setting of compensation rates of the Corporation's officers, the determination of additional compensation, if any, to be awarded to such officers, the administration of the Corporation's stock-based incentive plans, the evaluation of plans for management succession and development and the consideration of the design and competitiveness of the Corporation's compensation plans. For further information, see "Report of the Board of Directors' Committee on Organization and Compensation" appearing elsewhere in this Proxy Statement. The following directors currently comprise the committee: Richard C. Alberding (Chairman), Ronald M. DeFeo, A. Peter Held and Aloysius T. McLaughlin, Jr.

Directors who are not employees of the Corporation each receive compensation from the Corporation for services as a director at an annual rate of \$30,000 plus \$3,000 in restricted stock or deferred stock credits plus an

Edgar Filing: KENNAMETAL INC - Form DEF 14A

option for 4,500 shares. Effective November 1, 2001 and continuing through the date of this Proxy Statement, there has been implemented a six percent (6%) reduction in such directors' cash retainer fees. In addition, the non-employee members of the Board of Directors were not awarded any stock options during fiscal 2002 for serving on the Board, except for Ronald M. DeFeo who was awarded stock options for 9,000 shares with an exercise price of \$39.15500 and a restricted stock grant for 47 shares upon his joining the Board of Directors. The exercise price for the option award was equal to the fair market value of the Capital Stock on the date of grant as defined in the stock option plan. The Lead Director receives total annual compensation of \$60,400 plus restricted stock or deferred stock credits valued at \$5,000 plus an option for 4,500 shares. Effective July 1, 2002, the Corporation designated William R. Newlin as Lead Director. Members of the Audit Committee and members of the Committee on Organization and Compensation who are not employees of the Corporation each receive additional annual compensation of \$4,000, and the chair of each of these committees receives an additional \$2,000 per year. Non-employee directors who are members of the Executive Committee, except for the Lead Director, receive a fee of \$1,100 per Executive Committee meeting.

Under the Deferred Fee Plan for Outside Directors (the "Deferred Fee Plan"), directors are permitted annually to request that the payment of any compensation that may be payable to them for services as a director or committee member be deferred for payment, with interest, at a later time. The deferred payments would be actually funded by a transfer of cash into a deferred compensation trust (a so-called "Rabbi Trust"), administered by an independent trustee, upon the occurrence of a threatened or actual change in control of the Corporation (as defined in the deferred compensation trust agreement). Under the Corporation's Directors Stock Incentive Plan, any director who is not an employee may elect to receive shares of the Corporation's Capital Stock in lieu of all or a portion of any consideration payable for services as a director that is not deferred pursuant to the Deferred Fee Plan. In addition, any director who is not an employee may elect to receive credits, representing shares of the Corporation's Capital Stock ("Stock Credits"), with respect to all or a portion of any consideration deferred pursuant to the Deferred Fee Plan. Directors who are not employees of the Corporation also receive \$50,000 of life insurance coverage which is paid for by the Corporation. Directors who are employees of the Corporation do not receive any compensation for services as a director or as a member of any committee of the Board of Directors.

### EMPLOYMENT AND SEVERANCE AGREEMENTS

The Corporation has agreements with Messrs. Mahanes, Breisinger, Grasberger and Chand whereby, subject to review by the Board of Directors and a provision for termination without cause by either party upon written notice, each will be employed by the Corporation. The agreements generally provide that the officers will devote their entire time and attention to the business of the Corporation, will refrain during employment and for three years thereafter from competing with the Corporation (unless employment is terminated by the Corporation without cause or following a change-in-control) and will not disclose

7

confidential or trade secret information belonging to the Corporation. These agreements also require the officers to assign to the Corporation all inventions conceived or made during their employment by the Corporation. The agreements provide for severance payments upon termination of employment occurring either before or after a change-in-control of the Corporation.

In the event of termination of his employment by the Corporation prior to a change-in-control, each officer would receive as severance pay an amount equal to three months' base salary at the time of such termination unless otherwise mutually agreed. In the event of termination by the officer prior to a change-in-control, or without good reason following a change-in-control, no severance payments will be made. In general, in the event of termination of employment after a change-in-control by the officer for good reason or by the employer other than for cause or disability, each officer would receive as severance pay 2.8 times the sum of (i) his respective annual base salary at the date of termination or, at the officer's election, his salary as of the beginning of the month preceding the month in which the change-in-control occurs, and (ii) the average of any bonuses which he was entitled to or paid during the three most recent fiscal years ending prior to the date of termination or, at the officer's election, the average of any bonuses which the officer was entitled to or paid for the three fiscal years preceding the fiscal year in which the change-in-control occurred. In addition, for a three-year period the officer would receive the same medical and group insurance benefits that he received at the date of termination. The officer would also receive three years of additional credit for purposes of computing benefits under the Corporation's supplemental retirement plan.

The Corporation had an agreement with Markos I. Tambakeras which was to expire on June 30, 2002, Accordingly, the Corporation entered into a new agreement with him dated as of May 1, 2002, effective July 1, 2002, pursuant to which Mr. Tambakeras serves as Chairman, President and Chief Executive Officer of the Corporation. Pursuant to the agreement, Mr. Tambakeras is entitled to a minimum annual base salary of \$780,000 (which, at Mr. Tambakeras's request, has temporarily been reduced to \$634,500) and is eligible to receive future bonuses targeted at one hundred percent of his base salary under the Corporation's bonus plan for executive officers, the actual amount to be based on the performance of the Corporation and Mr. Tambakeras. The agreement is for a three-year term and will be automatically renewed each year for an additional year subject to twelve months' notice by either party. Pursuant to the agreement, Mr. Tambakeras received the awards described in footnote 7 of the Summary Compensation Table.

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

The agreement with Mr. Tambakeras provides that if, during the term of the agreement and prior to a change-in-control, Mr. Tambakeras is terminated other than for cause, death or disability, or if he terminates the agreement due to the Corporation's breach, he will be entitled to (A) 12 month's notice or payment of his current base salary and most recent cash bonus; plus (B) a lump sum payment equal to two times his current base salary plus the average of his two most recent cash bonuses. In addition, his options and restricted stock awards would vest.

In the event Mr. Tambakeras' employment is terminated by Mr. Tambakeras without good reason following a change-in-control or prior to a change-in-control other than for the Corporation's breach, Mr. Tambakeras will not be entitled to receive any severance pay other than the amounts, if any, due him at the date of termination but will be entitled to receive pension benefits.

In the event that, at or after a change-in-control and prior to the third anniversary of the date of the change-in-control, Mr. Tambakeras' employment is terminated by him during the term for good reason, the Corporation's breach, or by the Corporation other than for cause, death or disability, or if Mr. Tambakeras terminates his employment during the thirty (30) day period commencing twelve (12) months after the change-in-control, then Mr. Tambakeras would receive a lump sum payment equal to three times his base salary and average of his three most recent cash bonuses. Severance payments upon change-in-control would be grossed-up for the excise tax during the three-year term.

### STOCK OPTIONS AND AWARDS

The Kennametal Inc. Stock Option and Incentive Plan of 1992 (the "1992 Plan") provides for the granting of nonstatutory and incentive stock options and certain share awards covering the lesser of 1,650,000 shares (gross) and 1,115,633 shares (net) of the Corporation's Capital Stock. The Kennametal Inc. Stock Option and Incentive Plan of 1996 (the "1996 Plan") provides for the granting of nonstatutory and incentive stock options and certain share awards covering 1,500,000 shares of the Corporation's Capital Stock. The Kennametal Inc. 1999 Stock Plan (the "1999 Stock Plan") is a non-shareowner approved plan that provides for the granting of nonstatutory stock options and certain share awards covering 600,000 shares of the Corporation's Capital Stock. This plan was implemented in connection with the hiring of Mr. Tambakeras in 1999. This plan was not submitted for shareowner approval because the New York Stock Exchange at that time permitted the listing of shares under non-shareowner approved plans for stock awards to new employees and other limited circumstances. The Corporation generally only uses this plan to make initial awards to new employees. The Kennametal Inc. Stock Option and Incentive Plan of 1999 (the "1999 Plan") provides for granting nonstatutory and incentive stock options and share awards covering 2,500,000 shares of the Corporation's Capital Stock. Although options are still outstanding under the Kennametal Inc. Stock Option and Incentive Plan of 1988 (the "1988 Plan"), no further grants of options may be made under that plan.

Under each of the plans, the price at which shares covered by an option may be purchased must not be less than the fair market value of such shares at the time the option is granted or, in the case of the non-qualified stock options granted under the 1992 Plan, at not less than 75% of the fair market value. The purchase price must be paid in full at the time of exercise either in cash or, in the discretion of the Committee administering the plan, by delivering shares of the Corporation's Capital Stock or a combination of shares and cash having an aggregate fair market value equal to the purchase price.

Edgar Filing: KENNAMETAL INC - Form DEF 14A

The Kennametal Inc. Employee Stock Purchase Plan ("ESPP") provides for the issuance of not more than 1,500,000 shares. The ESPP provides employees with the opportunity to purchase shares of the Corporation's Capital Stock at 85% of the fair market value and is intended to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code. The Kennametal Thrift Plan ("Thrift Plan") and the Greenfield Industries Inc. Retirement Income Savings Plan ("Greenfield Plan") provide for the issuance of not more than 1,500,000 shares. The Thrift Plan and the Greenfield Plan are defined contribution employee benefit plans, established to encourage investment and savings for eligible employees of the Corporation and certain subsidiaries and to provide a method to supplement their retirement income benefits. The Thrift Plan and the Greenfield Plan provide these employees the opportunity to defer a portion of their annual compensation for federal income tax purposes in accordance with Section 401 of the Internal Revenue Code, as amended (the Code). The Corporation may match a portion of the contribution in cash or Capital Stock. The Thrift Plan and the Greenfield Plan are subject to certain provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(1) Options with respect to the Corporation's Capital Stock were granted with an exercise price equal to the fair market value of the Capital Stock on the date of grant. These options vest in three equal, annual amounts on the first three anniversaries of the date of grant, however, certain of these options also provide for accelerated vesting in two years if certain performance goals are achieved.

(2) Based on the Black-Scholes Option Valuation model adjusted for dividends to determine grant date present value of the options. The Corporation does not advocate or necessarily agree that the Black-Scholes model properly reflects the value of an option. The assumptions used in calculating the option value with respect to the Corporation's Capital Stock include the following: a risk-free interest rate of 4.6% (the rate applicable to a five-year treasury security at the time of the awards); a dividend yield of 1.8% (the annualized yield at the date of grant); volatility of 34.0% (calculated using daily stock returns for the Capital Stock for the five-year period preceding the option award); and a stock price at date of grant of \$38.435

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

(the exercise price at which these options were granted was equal to the fair market value of the Capital Stock on the date of grant). The value of these options under the Black-Scholes model of option valuation applying the preceding assumptions is \$12.11611 per share.

The following table sets forth information concerning options to purchase the Corporation's Capital Stock held by the Named Executive Officers:

the Directors Stock Incentive Plan. For a description of the material terms of each of these plans, see "Stock Options and Awards", the Summary Compensation Table footnote 2, and "Board of Directors and Board Committees" appearing elsewhere in this Proxy Statement. The number of securities available for issuance at June 30, 2002 as certain share awards under the 1992 Plan, 1996 Plan and 1999 Plan are 2,609; 0; and 686,668; respectively. The number of securities available for issuance at June 30, 2002 under the Management Performance Bonus Plan and the Directors Stock Incentive Plan are 401,075, and 14,267, respectively.

- (3) The 1999 Stock Plan is a non-shareowner approved plan. For a description of the material terms of this plan, see "Stock Options and Awards" appearing elsewhere in this Proxy Statement. The number of securities available for issuance as certain share awards under the 1999 Stock Plan is 135,254.

As of August 1, 2002 under the 1992 Plan, the 1996 Plan, the 1999 Stock Plan and the 1999 Plan, collectively, there were: (i) 163,731 shares of Capital Stock remaining for issuance; (ii) 4,121,269 outstanding options with an average exercise price of \$33.23 and an average term of 7.69 years; and (iii) 382,920 outstanding share awards with an average term of 2.02 years.

### APPROVAL OF THE KENNAMETAL INC. STOCK AND INCENTIVE PLAN OF 2002

In July 2002, the Board of Directors adopted, subject to shareowner approval, the new Kennametal Inc. Stock and Incentive Plan of 2002 (the "2002 Plan"). THE BOARD UNANIMOUSLY RECOMMENDS THAT THE 2002 PLAN BE APPROVED BY THE SHAREOWNERS.

As noted above, as of August 1, 2002 only 163,731 shares of Capital Stock remain available for grant under the 1992 Plan, the 1996 Plan, the 1999 Stock Plan and the 1999 Plan. In the judgment of the Board of Directors, it is important that the Corporation be in a position to continue to grant stock options and make stock awards to directors, officers, employees and others who are responsible for the Corporation's continued growth, development and future financial success, in order to secure to the Corporation the advantages of incentive and the sense of proprietorship inherent in stock ownership by such person, to reward prior performance and to assist in the Corporation's efforts to recruit, retain and motivate high quality employees. Furthermore, the Board believes that it is important to have the ability to grant stock-based compensation to non-employee directors in order to recruit and retain highly qualified directors and to further align their interests with those of shareowners. Additionally, the Board believes that it is prudent to adopt a flexible plan that will allow the Corporation to offer long-term incentive compensation that meets the changing demands and takes into account the competitive market as well as changing tax and accounting concerns.

### GENERAL

The following description is intended to summarize certain provisions of the new 2002 Plan if adopted as proposed. The full text of the 2002 Plan is set forth in Exhibit A hereto and the following description is qualified in its entirety by reference to Exhibit A.

Administration. The 2002 Plan is to be administered by the Board of Directors and/or any committee appointed by the Board to administer the 2002 Plan (the "Plan Administrator"). Subject to the terms of the 2002 Plan, the Plan Administrator will select from any employee or consultant those eligible individuals to whom awards may be granted. The Plan Administrator will determine the terms and conditions of the award, not inconsistent with the 2002 Plan,

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

including any conditions which must be met in order for such award to have value.

**Eligibility.** Awards, in the form of stock options, stock appreciation rights, performance share awards, performance unit awards, restricted stock awards, restricted unit awards, share awards, stock unit awards and cash bonuses may be granted under the 2002 Plan to officers and employees of the Corporation and its subsidiaries and any parent including prospective officers and employees. There currently are approximately 271 officers and employees of the Corporation who may be eligible for discretionary grants generally under the 2002 Plan, including officers named in the table shown under "Compensation of Executive Officers" in this Proxy Statement, although other employees are expected to receive awards under the 2002 Plan. Awards also may be made to consultants under the 2002 Plan. No determination has been made as to the individuals to whom discretionary awards may be granted or the amount or terms and conditions of any such award that may be granted under the 2002 Plan. Directors who are not employees of the Corporation will be entitled under the 2002 Plan to receive annual grants of options for up to 5,000 shares and restricted stock awards with a fair market value of up to \$7,500. The options will be granted with an exercise price equal to the fair market value of the Capital Stock on the date of grant. The options and restricted stock awards will be subject to a three-year vesting period. If the 2002 Plan had been in effect as of July 1, 2001, the non-employee directors of the Corporation would have received the same awards described under the caption "Board of Directors and Board Committees" in this proxy statement.

**Shares Available for Issuance.** The 2002 Plan provides for the issuance of 1,750,000 shares of Capital Stock. In addition, shares covered by awards granted under the 2002 Plan or under the Corporation's prior stock plans that terminate or expire or are forfeited to the Corporation and shares delivered to the Corporation in payment of the purchase price, for tax payments, or otherwise, under the 2002 Plan or under the Corporation's prior stock plans will remain or be added to the shares available for the future granting of options and share awards under the 2002 Plan. The number of shares available under the 2002 Plan is subject to adjustment to prevent dilution or enlargement of rights. The shares may be either authorized and unissued shares or shares held in the treasury of the Corporation.

**Stock Options.** The 2002 Plan provides for the Plan Administrator, in its discretion, to grant options either in the form of incentive stock options ("Incentive Stock Options") qualified as such under the Internal Revenue Code of 1986, as amended (the "Code"), or other options ("Nonstatutory Stock Options"). Only employees may receive Incentive Stock Options. See "Federal Income Tax Consequences" below for a summary of the differing tax consequences of Incentive Stock Options and Nonstatutory Stock Options. The aggregate fair market value of the shares with respect to which Incentive Stock Options are first exercisable by the optionee in any calendar year may not exceed the limitations, if any, imposed by Section 422(d) of the Code. Options designated as Incentive Stock Options in excess of such limitation automatically are reclassified as Nonstatutory Stock Options, as described in the 2002 Plan.

The price at which each share covered by an option granted under the 2002 Plan may be purchased will be determined in each case by the Plan Administrator but may not be less than the fair market value at the time the option is granted. Fair market value is defined to be the mean between the highest and lowest sales prices for the Capital Stock of the Corporation as quoted on the New York Stock Exchange -- Composite

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

determination. On September 3, 2002, such fair market value for the Corporation's Capital Stock was \$34.81 per share.

An option may be exercised in whole at any time or in part from time to time within such period as may be determined by the Plan Administrator provided that the option period for an Incentive Stock Option may not exceed ten years from the granting of the option. Unless otherwise provided by the Plan Administrator, if the optionee ceases to be employed by the Corporation or any of its subsidiaries by reason of the Optionee's voluntary termination or a termination of the optionee other than for cause, the option may be exercised only within three months after the termination of employment and within the original option period, or, if the optionee is a non-employee director that ceases to serve on the Board, the option may be exercised only within three months after cessation of service and within the original option period, or, if such termination of employment or cessation of service as a director was due to death, disability or retirement, the option may be exercised within three years after termination of employment or cessation of service and within the original option period; unless such termination of employment or cessation of service shall be for cause, in which case the option shall terminate. If the optionee shall die, the option may only be exercised by the optionee's personal representatives or persons entitled thereto under the optionee's will or the laws of the descent and distribution.

The option price of each share purchased pursuant to an option shall be paid in full at the time of each exercise of the option (i) in cash, (ii) through a cashless exercise procedure in which a broker sells sufficient shares to deliver the exercise price to the Corporation or (iii) by delivering shares to the Corporation of previously-owned shares (purchased in the open market or held by the participant for at least six (6) months) having an aggregate fair market value equal to the option price of the shares being purchased; or through any combination of the foregoing.

Stock Appreciation Rights ("SAR"). The 2002 Plan provides for the Plan Administrator, in its discretion, to grant stock appreciation rights, which is the right to receive an amount equal to the appreciation, if any, in the fair market value of a share of capital stock from the date of the grant of the right to the date of its payment, payable in cash, shares or stock units. Stock units are the right to receive shares in the future.

Performance Share/Unit Awards. The 2002 Plan provides for the Plan Administrator, in its discretion, to grant performance share awards or performance unit awards. A performance share award is the grant of a right to receive shares or stock units contingent on the achievement of performance or other objectives during a specified period. A performance unit award is a grant of a right to receive a designated dollar value amount of stock or stock units contingent on the achievement of performance or other objectives during a specified period.

Restricted Stock/Unit Awards. The 2002 Plan provides for the Plan Administrator, in its discretion, to grant restricted stock or restricted unit awards. A restricted stock award is a grant of shares, and a restricted unit award is a grant of stock units, in each case subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the grantee or participant, or achievement of performance or other objectives, as determined by the Plan Administrator.

Share/Stock Unit Awards. The Plan Administrator may from time to time award shares or stock units to eligible individuals without risk of forfeiture or restriction; provided that no single share award or stock unit award to any one grantee in any fiscal year may exceed 200 shares or units.

Restrictions on Awards. Notwithstanding anything contained in the 2002

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

Plan, the Plan Administrator may not grant any option or SAR in substitution for an outstanding option or SAR except pursuant to certain mergers, consolidations or reorganizations, and may not reprice options or SARs. In addition, the Plan Administrator may not: (i) make a restricted stock/unit award or performance share/unit award vest earlier than over a three-year period except for a performance-based award which may vest after one (1) year; (ii) permit to lapse or waive restrictions applicable to any restricted stock/unit award or performance

13

share/unit award; or (iii) grant any share/stock unit award to an officer or director other than in lieu of salary or cash bonus.

Allotment of Shares. Not more than 500,000 shares subject to the 2002 Plan may be optioned or awarded in the aggregate to any one eligible individual subject to certain adjustments.

Change in Control. The 2002 Plan provides that, unless the Board shall determine by resolution prior to a change in control, in the event of a change in control of the Corporation (as defined in the 2002 Plan), (a) all options that become exercisable in installments shall become immediately exercisable in full prior to the change in control, and (b) all awards which have not previously vested shall become vested and all restrictions on awards shall lapse prior to the change in control. In addition, in the event of an employee's termination of employment by the Corporation or a director's removal from the Board for any reason within two years of a change in control, all options and SARs shall vest and remain exercisable for three months and all other awards shall vest and restrictions shall lapse.

Tax Withholding. When shares are issued or vested under the 2002 Plan, or if an optionee makes a disqualifying disposition of shares acquired upon exercise of an Incentive Stock Option, the Corporation has the right to require the optionee to remit to the Corporation an amount sufficient to satisfy required income tax withholding. In the discretion of the Plan Administrator, the grantee may elect to satisfy this withholding obligation by requesting that the Corporation withhold shares of stock otherwise issuable to him or her or by delivering to the Corporation previously owned shares. All such elections will be subject to the approval of the Plan Administrator.

Amendment or Discontinuance. The Board of Directors may alter, amend, suspend or discontinue the 2002 Plan, provided that no such action may deprive any person without such person's consent of any rights granted under the plan, and provided further, that the Board may not materially amend the 2002 Plan without shareowner approval.

### FEDERAL INCOME TAX CONSEQUENCES

Stock Options. The grantee of an Incentive Stock Option under the 2002 Plan will not be required to recognize any income for federal income tax purposes at the time of award nor is the Corporation entitled to any deduction. The exercise of an Incentive Stock Option is also not a taxable event although the difference between the option price and the fair market value on the date of exercise is an item of tax preference for purposes of the alternative minimum tax. If stock acquired upon exercise of an Incentive Stock Option is held for two years from the date the option was granted and one year from the date the stock was transferred to the grantee (the "ISO Holding Period"), then the grantee will have a long-term capital gain or loss on the sale of such stock measured by the difference between the amount realized and the option price. If the ISO Holding Period is not met, upon disposition of such shares (a "disqualifying disposition"), the grantee will realize compensation taxable as ordinary income

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

in an amount equal to the excess of the fair market value of the shares at the time of exercise over the option price limited, however, to the gain on sale. Any additional gain would be taxable as long-term or short-term capital gain. If the Incentive Stock Option is exercised by delivery of previously owned shares of Capital Stock in partial or full payment of the option price, no gain or loss will ordinarily be recognized by the grantee on the transfer of such previously owned shares. However, if the previously owned shares transferred were acquired through the exercise of an Incentive Stock Option, the grantee may realize ordinary income with respect to the shares used to exercise an Incentive Stock Option if such transferred shares have not been held for the ISO Holding Period. If the grantee recognizes ordinary income upon a disqualifying disposition, the Corporation will be entitled to a tax deduction in the same amount.

The grantee of a Nonstatutory Stock Option under the 2002 Plan will not be required to recognize any income for federal income tax purposes at the time of award nor is the Corporation then entitled to any deduction. Upon exercise of a Nonstatutory Stock Option (or, in certain cases, six months after the date of

14

grant), the grantee will realize compensation taxable as ordinary income in an amount measured by the excess, if any, of the fair market value of the shares on the date of exercise (or, if applicable, the date six months from the date of grant) over the option price. The Corporation will be entitled to a deduction in the same amount and at the same time. Upon the sale of shares acquired on exercise of a Nonstatutory Stock Option, the grantee will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date of exercise (or, if applicable, the date six months later). If the exercise price of a Nonstatutory Stock Option is paid in whole or in part in shares of Capital Stock, the tax results to the grantee are (i) a tax-free exchange of previously owned shares for an equivalent number of new shares and (ii) the realization of ordinary income in an amount equal to the fair market value on the date of exercise of any additional shares received in excess of the number exchanged.

**Restricted Stock Awards.** The grantee of a Restricted Stock Award under the 2002 Plan will normally not be required to recognize any income for federal income tax purposes at the time of the Award, nor is the Corporation entitled to any deduction, to the extent that the shares awarded have not vested. When any part of a Restricted Stock Award vests, the grantee will realize compensation taxable as ordinary income in an amount equal to the fair market value of the vested shares on the vesting date. The grantee may, however, make an election (the "Tax Election"), within thirty days following the grant of the Restricted Stock Award, to be taxed at the time of the Award based on the fair market value of the shares on that date. The Corporation will be entitled to a deduction in the same amount and at the same time that the grantee recognizes ordinary income. Upon the sale of the shares awarded, the grantee will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date the award vested (or on the date of grant if the grantee made the Tax Election).

**Share Awards.** The grantee of shares awarded under the 2002 Plan will be required to realize compensation taxable as ordinary income in an amount equal to the fair market value of the shares on the date the Award is made. The Corporation is entitled to a deduction in the same amount and at the same time that the grantee recognizes ordinary income. Upon the sale of the shares awarded, the grantee will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date of grant.

Incentive Bonus Awards, Performance Share Awards, Performance Unit Awards,

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

Restricted Unit Awards, Stock Appreciation Rights, Stock Unit Awards. The grantee of an Incentive Bonus Award, Performance Share Award, Performance Unit Award, Restricted Unit Award, Stock Appreciation Rights or Stock Unit Award will not be required to recognize any income for federal income tax purposes at the time of the grant of such Award, nor is the Corporation entitled to any deduction at such time. (The grantee is not permitted to make an election to be taxed at the time of the Award based on the fair market value of any shares that may be delivered to the grantee at a future date under any such Award.) When any part of an Award is paid (in the case of cash) or delivered (in the case of shares) to the grantee, the grantee will realize compensation taxable as ordinary income in an amount equal to the cash paid or the fair market value of shares delivered to the grantee pursuant to the Award. The Corporation will be entitled to a deduction in the same amount and at the same time that the grantee recognizes ordinary income. Upon the sale of any shares that are delivered to the grantee pursuant to an Award, the grantee will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date the shares were delivered to the grantee pursuant to the Award.

### VOTE REQUIRED FOR ADOPTION OF THE 2002 PLAN

The affirmative vote of holders of a majority of the shares present and voting at the meeting is required for approval of the 2002 Plan, provided, that approval of the 2002 Plan is also conditioned upon a majority of shares voting for or against or abstaining on the proposal and a majority of those shares voting in favor of the proposal. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE 2002 PLAN.

### RETIREMENT BENEFITS

The following table indicates, for purposes of illustration, the approximate annual retirement benefits that would be payable at the present time (assuming retirement at age 65) on a straight life annuity basis pursuant to the Kennametal Inc. Retirement Income Plan and the Supplemental Executive Retirement Plan under various assumptions as to salary, bonus and years of service to employees in higher salary classifications. ### REPORT OF THE BOARD OF DIRECTORS' COMMITTEE ON ORGANIZATION AND COMPENSATION

#### EXECUTIVE COMPENSATION PHILOSOPHY

Executive and managerial compensation programs at the Corporation are designed and implemented with certain guiding principles in mind:

- To link the interests of executives and managers to the interests of the shareowners and other potential investors.
- To provide incentives for working toward increasing the market value of the Corporation's stock and to increase shareowner value through achieving financial and business objectives.
- To provide incentives for strategic vision and decision-making that will promote the longer-term health and viability of the Corporation.
- To provide incentives for innovation, quality management, responsiveness to customer needs, value-added products and services, and an action-oriented approach to opportunities in the marketplace.
- To attract and retain individuals with the leadership and technical skills required to carry the Corporation forward into the future, given the belief that the Corporation's human resources can provide a competitive advantage in the marketplace.

#### GENERAL COMPENSATION PLAN DESIGN

Executive and management compensation plans consist of (1) a long-term element, (2) annual performance rewards, (3) basic compensation, and (4) stock ownership goals.

- The primary vehicles for providing long-term incentives are the Corporation's stock option plans and a limited participation restricted

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

stock grant plan, with vesting of restricted stock dependent on an annual schedule and performance metrics. The belief is that key executives and certain managers should hold stock options in such quantities as to provide an incentive to make decisions and take actions that will enhance the performance of the Corporation and increase its value. The interests of shareholders and executives are tied together by the market value of the stock.

- Annual performance rewards include a management performance bonus plan and annual base salary merit increases.
- The Prime Bonus Plan for executives and managers is designed to closely tie bonus awards to corporate performance, unit performance, and individual contribution, relative to the Corporation's business plans and strategies. The Prime Bonus Plan is also intended to maintain management compensation at a competitive level, as indicated by published compensation surveys.
- The annual Base Salary Merit Increase Review for executives and managers provides rewards for more qualitative achievements in innovation, quality, service to the customer and leadership. Consideration is given to competitive salary increases that are being awarded by other industrial firms, as indicated by published salary surveys. In November 2001, this review process was suspended temporarily due to adverse business conditions.
- Basic compensation for executives, including the Chief Executive Officer, is intended to be competitive in the employment market and is designed to attract, retain and motivate high-quality individuals. Basic compensation includes base salary, flexible and fixed-benefit plans, minor executive perquisites and the Supplemental Executive Retirement Plan.

17

- In 1995, executive stock ownership goals were established by the Chief Executive Officer, ratified by the Board of Directors Committee on Executive Compensation (the predecessor of the Committee on Organization and Compensation) and presented to the Board of Directors. In 2001, executive stock ownership goals were strengthened and stock ownership goals were extended to certain other managers.

### COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

- Markos I. Tambakeras became Chairman of the Board on July 1, 2002 and President and Chief Executive Officer on July 1, 1999.
- Pursuant to his employment agreement, Mr. Tambakeras is entitled to a minimum annual base salary of \$780,000, which at Mr. Tambakeras's request, has been temporarily reduced to \$634,500.
- Under the plan design of the Prime Bonus Plan for fiscal 2002, a bonus pool was calculated by management and approved by the Board of Directors. Based on specific personal achievements, the Committee recommended a bonus award of \$300,000 for Mr. Tambakeras pursuant to the terms of his original employment agreement with the Corporation. On July 23, 2002, Mr. Tambakeras' bonus award was approved by the Board of Directors.

### COMPENSATION OF EXECUTIVE OFFICERS

- Stock options were awarded to certain executive officers on July 23, 2002 for the purpose of providing an incentive for managing the continuing

performance and value of the Corporation. The awards, as recommended by Mr. Tambakeras, were approved by the Board of Directors Committee on Organization and Compensation on July 23, 2002.

### REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is composed of four directors, each of whom meets the independence and experience requirements of the New York Stock Exchange.

During the last fiscal year, the Audit Committee reviewed with management, the internal auditors and the independent public accountants, the overall scope and specific plans for their respective audits. On April 30, 2002, upon the joint recommendation of management and the Audit Committee, the Board of Directors of the Corporation ratified the dismissal of Arthur Andersen LLP (Arthur Andersen) as the Corporation's independent auditors following the completion by Arthur Andersen of its review report on the financial statements of the Corporation for the quarter ended March 31, 2002, and the selection of PricewaterhouseCoopers LLP (PricewaterhouseCoopers) as independent auditors for fiscal year ending June 30, 2002. This change in independent auditors became effective on May 14, 2002 following the completion by Arthur Andersen of its review report on the financial statements of the Corporation for the quarter ended March 31, 2002 in conjunction with the May 14, 2002 filing by the Corporation of the quarterly report on Form 10-Q for the quarter ended March 31, 2002. The appointment and engagement of PricewaterhouseCoopers was made after careful consideration by the Board of Directors, the Audit Committee and management of the Corporation, and concludes an extensive evaluation process.

Through May 14, 2002, the Audit Committee discussed with Arthur Andersen matters required to be discussed under accounting standards generally accepted in the United States, including, among other things, matters related to the conduct of the audit of the Corporation's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, concerning communication with audit committees. After May 14, 2002 these matters and the recently adopted legislative and regulatory financial statement certifications by the Chief Executive Officer and Chief Financial Officer were discussed with PricewaterhouseCoopers. The Audit Committee also reviewed and discussed the audited financial statements with management.

PricewaterhouseCoopers provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, concerning independence discussions with audit committees. The Audit Committee discussed with PricewaterhouseCoopers their independence from the Corporation. In so doing, the Audit Committee considered, in the case of Arthur Anderson, whether the provision of financial information systems design and implementation services and other non-audit services to the Corporation were compatible with the auditors' independence. The Audit Committee also reviewed

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

the amount of fees paid to each of Arthur Andersen and PricewaterhouseCoopers for both audit and non-audit services.

Based on this review and these meetings, discussions and reports, the Audit Committee approved, on behalf of the Board of Directors, the Corporation's audited consolidated financial statements for the fiscal year ended June 30, 2002, to be included in the Corporation's Annual Report on Form 10-K. The Audit Committee has also recommended the selection of the Corporation's independent auditors and, based on the recommendation of the Audit Committee, the Board of Directors has selected PricewaterhouseCoopers as the Corporation's independent auditors for the fiscal year ending June 30, 2003.

### RATIFICATION OF THE SELECTION OF AUDITORS

The Board of Directors, upon recommendation of the Audit Committee, has selected PricewaterhouseCoopers as the Corporation's independent auditors for the fiscal year ending June 30, 2003. On April 30, 2002, upon the joint recommendation of management and the Audit Committee, the Board of Directors of the Corporation ratified the dismissal of Arthur Andersen as the Corporation's independent auditors following the completion by Arthur Andersen of its review report on the financial statements of the Corporation for the quarter ended March 31, 2002, and also ratified the selection of PricewaterhouseCoopers as independent auditors for

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

fiscal year ending June 30, 2002. This change in independent auditors became effective on May 14, 2002. The appointment and engagement of PricewaterhouseCoopers was made after careful consideration by the Board of Directors, the Audit Committee and management of the Corporation following an extensive evaluation process.

In connection with the audits for the two most recent fiscal years and through May 14, 2002, there have been no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen, would have caused Arthur Andersen to make reference thereto in its report on financial statements of the Corporation for such time periods. Also, during those time periods, there have been no "reportable events," as such term is used in Item 304(a)(1)(v) of the Regulation S-K.

21

Arthur Andersen's reports on the financial statements of the Corporation for the last two years neither contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years ended June 30, 2001, and the subsequent interim period through May 14, 2002, the Company did not consult with PricewaterhouseCoopers regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of the Regulation S-K.

Representatives of Arthur Andersen attended all meetings of the Audit Committee during fiscal year 2002 and through April 29, 2002. The Audit Committee reviewed the non-audit services provided by Arthur Andersen to the Corporation in 2002 through May 14. Based on that review, the Audit Committee determined that the provision of certain non-audit services was compatible with the provision of independent auditor services.

**Audit Fees:** The aggregate fees billed or expected to be billed for the audit of the Corporation's annual financial statements for 2002 and reviews of quarterly unaudited financial statements were approximately \$1,265,959, of which \$904,228 were billed by PricewaterhouseCoopers and \$361,731 was billed by Arthur Andersen.

**Financial Information Systems Design and Implementation Fees:** The aggregate fees billed or expected to be billed for 2002 for information technology services were approximately \$225,222 which was billed by Arthur Andersen.

**All Other Fees:** The aggregate of all other fees billed or expected to be billed by Arthur Andersen and PricewaterhouseCoopers for 2002 were approximately \$1,745,903 of which \$543,529 was billed by PricewaterhouseCoopers and \$1,202,374 was billed by Arthur Andersen. All other fees billed by PricewaterhouseCoopers consist of other audit related services of approximately \$122,291 primarily related to audits of the Corporation's employee benefits plans and the review of registration statements and non-audit services of approximately \$421,238 related to tax planning services.

Representatives of PricewaterhouseCoopers will attend the annual meeting, and will be available to make a statement at the meeting if they wish. They also will be available to respond to appropriate questions from shareowners in accordance with the rules of the meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF PRICEWATERHOUSECOOPERS AS THE CORPORATION'S INDEPENDENT AUDITORS FOR THE

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

(a) The aggregate number of Shares which may be issued pursuant to the Plan shall be 1,750,000 plus Shares added to the Plan from the Prior Stock Plans pursuant to Sections 4(d) and 4(e) hereof.

(b) Upon shareowner approval of this Plan, no further grants or awards of any kind shall be made by the Company under its Prior Stock Plans.

(c) The number of Shares which may be issued under the Plan and covered by outstanding Awards is subject to adjustment as provided in Section 10.

(d) To the extent that Options granted under the Plan or under the Prior Stock Plans shall expire or terminate without being exercised or Shares awarded under the Plan or under the Prior Stock Plans shall be forfeited, such Shares shall remain available or be added to and shall increase the number of Shares available for purposes of the Plan.

(e) Shares delivered in payment of the purchase price in connection with the exercise of Options or Shares delivered or withheld to pay tax withholding obligations or otherwise under the Plan or under the Prior Stock Plans shall be added to and shall increase the number of Shares available for purposes of the Plan.

(f) The aggregate number of Shares that may be issued pursuant to Incentive Stock Options shall be limited to 1,750,000. Notwithstanding anything to the contrary in this Plan, the foregoing limitation shall be subject to adjustment under Section 10, but only to the extent that such adjustment will not affect the status of any Award intended to qualify as an Incentive Stock Option. The foregoing limitation shall not apply to the extent that it is no longer required in order for Options to qualify as Incentive Stock Options.

(g) The aggregate number of Shares issuable under all Awards granted under this Plan during any fiscal year to any one Eligible Individual shall not exceed 500,000. Notwithstanding anything to the contrary in this Plan, the foregoing limitation shall be subject to adjustment under Section 10, but only to the extent that such adjustment will not affect the status of any Award intended to qualify as "performance-based

compensation" under Section 162(m) of the Code. The foregoing limitation shall not apply to the extent that it is no longer required in order for compensation in connection with grants under this Plan to be treated as "performance-based compensation" under Section 162(m) of the Code.

(h) Capital Stock to be issued under the Plan may be either authorized and unissued Shares or Shares held in treasury by the Company.

Section 5. TERMS OF OPTIONS AND SARs. Each Option and SAR granted under the Plan shall be evidenced by a written document (including an electronic version thereof) and shall be subject to the following terms and conditions:

(a) Subject to adjustment as provided in Section 10 of this Plan, the price at which a Share covered by an Option may be purchased shall not be less than the Fair Market Value thereof at the time the Option is granted. If required by the Code, if an Optionee owns (or is deemed to own under applicable provisions of the Code and rules and regulations promulgated thereunder) more than ten percent (10%) of the combined voting power of all classes of the stock of the Company (or any Parent or Subsidiary of the Company) and an Option granted to such Optionee is intended to qualify as an Incentive Stock Option, the price at which a Share covered by an Option may be purchased shall be not less than 110%

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

of the Fair Market Value thereof at the time the Option is granted.

(b) The aggregate Fair Market Value of Shares with respect to which Incentive Stock Options are first exercisable by the Optionee in any calendar year (under all plans of the Company and its Subsidiaries and Parent) shall not exceed the limitations, if any, imposed by the Code.

(c) If any Option designated as an Incentive Stock Option, either alone or in conjunction with any other Option or Options, exceeds the foregoing limitation, or does not otherwise qualify for treatment as an Incentive Stock Option, all or the portion of such Option in excess of such limitation shall automatically be reclassified (in whole Share increments and without fractional Share portions) as a Nonstatutory Stock Option, with later granted Options being so reclassified first.

(d) Except as otherwise provided by the Plan Administrator, during the lifetime of the Optionee the Option or SAR may be exercised only by the Optionee and the Option or SAR shall not be transferable by the Optionee other than by will or by the laws of descent and distribution or pursuant to a domestic relations order. After the death of the Optionee, the Option or SAR may be transferred to the Company upon such terms and conditions, if any, as the Plan Administrator and the personal representative or other person entitled to the Option may agree within the period specified in this Section 5.

(e) An Option or SAR may be exercised in whole at any time, or in part from time to time, within the Original Option Period; provided, however, that, unless otherwise provided by the Plan Administrator:

(i) If the Optionee is an Employee who shall cease to be employed by the Company or any Subsidiary or Parent of the Company by reason of death, Disability or Retirement, the Option or SAR may be exercised only within three years after termination of employment and within the Original Option Period;

(ii) If the Optionee is an Employee who shall cease to be employed by the Company or any Subsidiary or Parent of the Company by reason of termination of the Optionee for cause, the Option or SAR shall forthwith terminate and the Optionee shall not be permitted to exercise the Option or SAR following the Optionee's termination of employment;

(iii) If the Optionee is an Employee who shall cease to be employed by the Company or any Subsidiary or Parent of the Company by reason of the Optionee's voluntary termination or a termination of the Optionee other than for cause, the Option or SAR may be exercised only within the three months after the termination of employment and within the Original Option Period;

A-6

(iv) If the Optionee is a Non-Employee Director who shall cease to serve on the Board, the Option or SAR may be exercised only within three months after the cessation of Board service and within the Original Option Period or, if such cessation was due to death, Disability or Retirement, within three years after cessation of Board service and within the Original Option Period, unless such cessation of service as a Non-Employee Director was the result of removal for cause, in which case the Option or SAR shall forthwith terminate;

(v) Notwithstanding anything to the contrary contained in this Plan, each Option or SAR held by an Employee who is terminated by the Company or any Subsidiary or Parent of the Company for any reason during the two-year

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

period following a Change in Control or a Non-Employee Director who is removed from the Board for any reason during the two-year period following a Change in Control shall immediately vest and may be exercised at any time within the three-month period after the termination of employment or cessation of Board service regardless of the Original Option Period;

(vi) If the Optionee shall die, the Option or SAR may be exercised by the Optionee's personal representative or persons entitled thereto under the Optionee's will or the laws of descent and distribution;

(vii) Except as provided in Sections 5(e)(v), (ix) and (x), the Option or SAR may not be exercised for more Shares (subject to adjustment as provided in Section 10) after the termination of the Optionee's employment, cessation of service as a Non-Employee Director or the Optionee's death (as the case may be) than the Optionee was entitled to purchase thereunder at the time of such Optionee's termination of employment, cessation of service as a Non-Employee Director or the Optionee's death;

(viii) To the extent provided by the Code, if an Optionee owns (or is deemed to own under applicable provisions of the Code and rules and regulations promulgated thereunder) more than 10% of the combined voting power of all classes of stock of the Company (or any Parent or Subsidiary of the Company) at the time an Option is granted to such Optionee and such Option is intended to qualify as an Incentive Stock Option, the Option, if not exercised within five years from the date of grant or any other period proscribed by the Code, will cease to be an Incentive Stock Option;

(ix) If the Optionee is an Employee who shall cease to be employed by the Company or any Subsidiary or Parent of the Company or is a Non-Employee Director who shall cease to serve on the Board by reason of death or Disability, as the case may be, all Options and SARs held by the Optionee shall automatically vest and become exercisable in full as of the date that the Optionee's employment with the Company or any Subsidiary or Parent of the Company or service on the Board ceased; and

(x) In the event that an Optionee ceases to be employed by the Company or any Subsidiary or Parent of the Company or to serve on the Board, as the case may be, as a result of such Optionee's Retirement, all Options and SARs held by the Optionee which are not vested on the date of Retirement shall continue to vest and become exercisable in accordance with their original vesting schedule during the two-year period following such Optionee's Retirement. Any Options or SARs which remain unvested on the second anniversary of such Optionee's Retirement shall forthwith terminate on such date. In the event of the death or Disability of such Optionee during the two-year period following Retirement, all Options or SARs held by the Optionee shall automatically vest and become exercisable in full.

(f) Except as otherwise provided by the Plan Administrator, the purchase price of each Share purchased pursuant to an Option shall be paid in full at the time of each exercise (the "Payment Date") of the Option (i) in cash; (ii) by delivering to the Company a notice of exercise with an irrevocable direction to a registered broker-dealer under the Securities Exchange Act of 1934, as amended, to sell a sufficient portion of the Shares and deliver the sale proceeds directly to the Company to pay the exercise price; (iii) through the delivery to the Company (by attestation of Share ownership or as otherwise provided by the Plan Administrator) of previously-owned Shares having an aggregate fair market value equal to the price of

A-7

the Shares being purchased pursuant to the Option; provided, however, that

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

Shares delivered in payment of the Option price must have been purchased in the open market or held by the Participant for at least six (6) months in order to be utilized to pay the purchase price of the Option or must meet such other conditions as established by the Plan Administrator; or (iv) through any combination of the payment procedures set forth in subsections (i)-(iii) of this Section 5(f).

(g) Exercise of an Option or SAR in any manner shall result in a decrease in the number of Shares which thereafter may be available under the Option or SAR by the number of Shares as to which the Option or SAR is exercised. In addition, in the event of an Option granted in tandem with an SAR, the exercise of the Option in any manner shall result in a decrease in the number of Shares which thereafter may be available under the SAR by the number of Shares as to which the Option is exercised, and the exercise of the SAR in any manner shall result in a decrease in the number of Shares which thereafter may be available under the Option by the number of Shares as to which the SAR is exercised.

(h) The Plan Administrator, in its discretion, may authorize the issuance of "stock retention Options" under this Plan which provide, upon the exercise of an Option granted under this Plan or under any other stock plan (a "prior Option") and payment of the purchase price using previously-owned Shares, for the automatic issuance of a new Option under this Plan for up to the number of Shares equal to the number of previously-owned Shares delivered in payment of the exercise price of the prior Option, with an exercise price equal to the current Fair Market Value and for a term equal to the term of the prior Option.

(i) The Plan Administrator may include such other terms and conditions of Options or SARs not inconsistent with the foregoing as the Plan Administrator shall approve. Without limiting the generality of the foregoing sentence, the Plan Administrator shall be authorized to determine that Options or SARs shall be exercisable in one or more installments during the term of the Option or SAR as determined by the Plan Administrator.

### Section 6. PERFORMANCE SHARE AWARDS, PERFORMANCE UNIT AWARDS, RESTRICTED STOCK AWARDS, RESTRICTED UNIT AWARDS, SHARE AWARDS AND STOCK UNIT AWARDS.

(a) Subject to the terms of this Plan, including Section 3(c) hereof, Performance Share Awards, Performance Unit Awards, Restricted Stock Awards, Restricted Unit Awards, Share Awards or Stock Unit Awards may be issued by the Plan Administrator to Eligible Individuals, either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of this Plan. Such Awards shall be evidenced by a written document (including an electronic version thereof) containing any provisions regarding (i) the number of Shares or Stock Units subject to such Award or a formula for determining such, (ii) the purchase price of the Shares or Stock Units, if any, and the means of payment for the Shares or Stock Units, (iii) the performance criteria, if any, and level of achievement versus these criteria that shall determine the number of Shares or Stock Units granted, issued, retainable and/or vested, (iv) such terms and conditions on the grant, issuance, vesting and/or forfeiture of the Shares or Stock Units as may be determined from time to time by the Plan Administrator, including continued employment or service, (v) restrictions on the transferability of the Shares and Stock Units and (vi) such further terms and conditions in each case not inconsistent with this Plan as may be determined from time to time by the Plan Administrator.

(b) The grant, issuance, retention and/or vesting of Shares or Stock Units pursuant to any Performance Share Award, Performance Unit Award, Restricted Stock Award or Restricted Unit Award shall occur at such time and in such installments as determined by the Plan Administrator or under criteria established by the Plan Administrator and consistent with this Plan, including Section 3(c) hereof. The Plan Administrator shall have the right to make the timing of the grant and/or the issuance, ability to retain and/or vesting of

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

Shares or Stock Units subject to continued employment, passage of time and/or such performance criteria as deemed appropriate by the Plan Administrator and consistent with this Plan, including Section 3(c) hereof. Notwithstanding anything to the contrary herein, the performance criteria for any Award that is intended to

A-8

satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code shall be a measure based on one or more Qualifying Performance Criteria selected by the Plan Administrator and specified at the time the Award is granted.

(c) Notwithstanding the foregoing, no single Share Award or Stock Unit Award to any one Grantee in any fiscal year shall be for more than 200 Shares.

(d) With respect to any Performance Share Award, Performance Unit Award, Restricted Stock Award or Restricted Unit Award:

(i) If, prior to a Change in Control, the designated goals have not been achieved within the designated period or the Grantee ceases to be employed by the Company or ceases to serve on the Board for any reason other than death, Disability or Retirement prior to the lapse of any restrictions or vesting of the Award, the Grantee shall forfeit such Award;

(ii) In the event that a Grantee ceases to be an Employee or to serve on the Board as a result of such Grantee's death, Disability or Retirement, all outstanding Awards held by such Grantee shall automatically vest and all restrictions shall lapse as of the date of such Grantee's death, Disability or Retirement;

(iii) Notwithstanding anything to the contrary contained in this Plan, each Award held by an Employee who is terminated by the Company or any Subsidiary or Parent of the Company for any reason during the two-year period following a Change in Control or a Non-Employee Director who is removed from the Board for any reason during the two-year period following a Change in Control shall automatically vest and all restrictions shall lapse as of the date of such Grantee's termination of employment or cessation of Board service; and

(iv) During the lifetime of the Grantee, the Award shall not be transferable otherwise than by will or by the laws of descent and distribution or pursuant to a domestic relations order.

(e) Except as otherwise provided by the Plan Administrator, a Grantee who has received a Restricted Stock Award shall have all rights of a shareowner in such Shares including, but not limited to, the right to vote and receive dividends with respect thereto from and after the date of grant of such Award; provided, however, that Shares awarded pursuant to the Plan which have not vested or which contain restrictions or conditions may not be sold or otherwise transferred by the Grantee and stock certificates representing such Shares may bear a restrictive legend to that effect.

### Section 7. INCENTIVE BONUS AWARDS.

(a) Each Incentive Bonus Award will confer upon the Employee the opportunity to earn a future payment tied to the level of achievement with respect to one or more performance criteria established for a performance period established by the Plan Administrator.

(b) Each Incentive Bonus Award shall be evidenced by a document containing

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

provisions regarding (a) the target and maximum amount payable to the Employee, (b) the performance criteria and level of achievement versus these criteria that shall determine the amount of such payment, (c) the term of the performance period as to which performance shall be measured for determining the amount of any payment, (d) the timing of any payment earned by virtue of performance, (e) restrictions on the alienation or transfer of the bonus prior to actual payment, (f) forfeiture provisions and (g) such further terms and conditions, in each case not inconsistent with this Plan as may be determined from time to time by the Plan Administrator. The maximum amount payable as an bonus may be a multiple of the target amount payable, but the maximum amount payable pursuant to that portion of an Incentive Bonus Award granted under this Plan for any fiscal year to any Employee that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code shall not exceed \$2,000,000.

A-9

(c) The Plan Administrator shall establish the performance criteria and level of achievement versus these criteria that shall determine the target and maximum amount payable under an Incentive Bonus Award, which criteria may be based on financial performance and/or personal performance evaluations. The Plan Administrator may specify the percentage of the target incentive bonus that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code. Notwithstanding anything to the contrary herein, the performance criteria for any portion of an Incentive Bonus Award that is intended by the Plan Administrator to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code shall be a measure based on one or more Qualifying Performance Criteria selected by the Plan Administrator and specified at the time the Incentive Bonus Award is granted. The Plan Administrator shall certify the extent to which any Qualifying Performance Criteria has been satisfied, and the amount payable as a result thereof, prior to payment of any incentive bonus that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code.

(d) The Plan Administrator shall determine the timing of payment of any incentive bonus. The Plan Administrator may provide for or, subject to such terms and conditions as the Plan Administrator may specify, may permit an election for the payment of any incentive bonus to be deferred to a specified date or event. An Incentive Bonus Award may be payable in Shares, Stock Units or in cash or other property, including any Award permitted under this Plan.

(e) Notwithstanding satisfaction of any performance goals, the amount paid under an Incentive Bonus Award on account of either financial performance or personal performance evaluations may be reduced by the Plan Administrator on the basis of such further considerations as the Plan Administrator shall determine.

### Section 8. NON-EMPLOYEE DIRECTOR AWARDS.

Notwithstanding anything to the contrary contained in this Plan, each Non-Employee Director shall only be entitled to receive the following Awards under this Plan, which Awards will be made on the day following the first regular Board meeting of each fiscal year beginning in fiscal year 2004:

(a) Each Non-Employee Director shall receive a Nonstatutory Stock Option to purchase up to 5,000 shares, as determined by the Board, at Fair Market Value, such Option to Vest as to exercisability in 3 equal, annual installments and to have a term of ten (10) years.

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

(c) Each new Non-Employee Director shall receive, as of the first date of service on the Board, a Nonstatutory Stock Option to purchase twice the number of Shares provided in the Nonstatutory Stock Option most recently granted to the Non-Employee Directors (other than the lead director) and a Restricted Stock Award based on the number of Shares provided in the Restricted Stock Award most recently granted to the Non-Employee Directors but pro rated for the amount of the fiscal year remaining as of the first date of service.

### Section 9. TAX WITHHOLDING.

(a) Whenever Shares are to be issued under the Plan, the Company shall have the right to require the Grantee to remit to the Company an amount sufficient to satisfy federal, state and local tax withholding requirements prior to the delivery of any certificate for such Shares; provided, however, that in the case of a Grantee who receives an Award of Shares under the Plan which is not fully vested, the Grantee shall remit such amount on the first business day following the Tax Date. The "Tax Date" for purposes of this Section 9 shall be the date on which the amount of tax to be withheld is determined. If an Optionee makes a disposition of Shares acquired upon the exercise of an Incentive Stock Option within the applicable

A-10

disqualifying period, the Optionee shall promptly notify the Company and the Company shall have the right to require the Optionee to pay to the Company an amount sufficient to satisfy federal, state and local tax withholding requirements.

(b) A Participant who is obligated to pay the Company an amount required to be withheld under applicable tax withholding requirements may pay such amount (i) in cash; (ii) in the discretion of the Plan Administrator, through the withholding by the Company of Shares otherwise deliverable to the Participant or through the delivery by the Participant to the Company of previously-owned Shares in each case having an aggregate Fair Market Value on the Tax Date equal to the tax obligation; or (iii) in the discretion of the Plan Administrator, through a combination of the foregoing.

### Section 10. ADJUSTMENT OF NUMBER AND PRICE OF SHARES.

(a) In the event of a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, reverse stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the Plan Administrator may adjust Awards to preserve the benefits or potential benefits of the Awards. Action by the Plan Administrator may include: (i) adjustment of the number and kind of securities which may be delivered under the Plan; (ii) adjustment of the number and kind of securities subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Options and SARs; (iv) adjustment of the share limitations contained in this Plan; and (v) any other adjustments that the Plan Administrator determines to be equitable. Any such adjustment shall be effective and binding for all purposes of the Plan and on each outstanding Award.

(b) Without limiting the foregoing, in the event that, by reason of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board shall authorize the issuance or

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

assumption of an Option in a transaction to which Section 424(a) of the Code applies, then, notwithstanding any other provision of the Plan, the Plan Administrator may grant an Option upon such terms and conditions as it may deem appropriate for the purpose of assumption of the old Option, or substitution of a new Option for the old Option, in conformity with the provisions of Code Section 424(a) and the rules and regulations thereunder, as they may be amended from time to time.

(c) No adjustment or substitution provided for in this Section 10 shall require the Company to issue or to sell a fractional share and the total adjustment or substitution with respect to each Award agreement shall be limited accordingly.

(d) Without limiting the foregoing, and notwithstanding anything to the contrary contained in the Plan or any document with respect to any Award, in the event of a Business Combination under the terms of which the holders of Capital Stock of the Company will receive upon consummation thereof cash for each share of Capital Stock of the Company surrendered pursuant to such Business Combination (the "Cash Purchase Price"), the Plan Administrator may provide that all outstanding Awards representing the right to purchase or receive Shares shall terminate upon consummation of the Business Combination and each such Award, including each Option and SAR, shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (i) the Cash Purchase Price multiplied by the number of Shares subject to such Award held by such Grantee exceeds (ii) the aggregate purchase or exercise price, if any, thereof.

Section 11. CHANGE IN CONTROL. Unless the Board shall determine by resolution prior to a Change in Control, in the event of a Change in Control, the following provisions shall apply to Awards previously granted under the Plan, notwithstanding any provision herein or in any agreement to the contrary:

(a) All Options which provide for exercise in one or more installments shall become immediately exercisable in full immediately prior to the Change in Control; and

(b) All Awards which have not previously vested shall become vested and all restrictions on Awards shall lapse immediately prior to the Change in Control.

A-11

Section 12. TERMINATION OF EMPLOYMENT AND FORFEITURE. Notwithstanding any other provision of the Plan (other than provisions regarding Change in Control, which shall apply in all events), a Participant shall have no right to exercise any Option or vest in any Shares awarded under the Plan if following the Participant's termination of employment with the Company or any Subsidiary or Parent of the Company and within a period of two years thereafter, the Participant engages in any business or enters into any employment which the Board in its sole discretion determines to be either directly or indirectly competitive with the business of the Company or substantially injurious to the Company's financial interest (the occurrence of an event described above shall be referred to herein as "Injurious Conduct"). Furthermore, notwithstanding any other provision of the Plan to the contrary, in the event that a Participant receives or is entitled to the delivery or vesting of cash or Shares pursuant to an Award made during the 12-month period prior to the Participant's termination of employment with the Company or any Subsidiary or Parent of the Company or during the 24-month period following the Participant's termination of such employment, then the Board, in its sole discretion, may require the Participant to return or forfeit to the Company the cash or Capital Stock received with respect to such Award (or its economic value as of (i) the date of the exercise of the Option or (ii) the date of grant or payment with respect to any other Award, as the case may be) in the event that the participant engages in

## Edgar Filing: KENNAMETAL INC - Form DEF 14A

Injurious Conduct.

Section 13. AMENDMENT AND DISCONTINUANCE.
