**Item 8.01 Other Events**

On April 28, 2006, Cincinnati Bell Inc. (the Company ) entered into a Memorandum of Understanding (the Securities MOU ) which sets forth an agreement in principle to settle a putative class action lawsuit entitled *In re Broadwing Inc. Securities Litigation*, pending in the United States District Court for the Southern District of Ohio (the Consolidated Securities Action ). The Company also entered into a separate Memorandum of Understanding (the Derivative MOU ) on April 28, 2006 in connection with the derivative lawsuit entitled *Garlich v. Broadwing, et al.*, pending in the Hamilton County Court of Common Pleas (the Derivative Action ). Both of the above-referenced lawsuits have been previously disclosed by the Company.

There has been no finding or admission of any wrongdoing by any of the defendants in either of the lawsuits. Under the MOU agreements, the Company and certain of its insurance carriers will contribute a total of \$36 million to settle the claims in these lawsuits and obtain in exchange a release of all claims from the class members. The Company has taken a reserve of \$6.3 million in the first quarter of 2006 to reflect its anticipated contribution to the settlement fund and to cover other settlement-related expenses.

The final settlements of the Consolidated Securities Action and Derivative Action are contingent upon the satisfaction of various conditions, including, but not limited to, negotiation and execution of definitive Stipulations of Settlement as well as approval by the courts.
