ANNUAL MEETING OF SHAREHOLDERS
WEDNESDAY, MAY 8, 2002

SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Callon Petroleum Company, a Delaware corporation (the "Company"), from holders ("Shareholders") of the common stock, \$.01 par value per share ("Common Stock"), of the Company for use at the Annual Meeting of Shareholders of the Company to be held on Wednesday, May 8, 2002, at 9:00 a.m., in the Le Grand Pre Ballroom of the Natchez Eola Hotel, 110 North Pearl Street, Natchez, Mississippi 39120, and at any adjournment or adjournments thereof (such meeting or adjournment thereof is referred to herein as the "Annual Meeting"), for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Shareholders ("Notice").

A proxy in the form accompanying this Proxy Statement (each a "Proxy"), when properly executed and returned, will be voted in accordance with the directions specified on the Proxy, and otherwise in accordance with the judgment of the persons designated therein as proxies. Any Proxy which does not withhold authority to vote or on which no other instructions are given will be voted for the election of the nominees named herein to the Board of Directors. Any Proxy may be revoked at any time before it is exercised by delivering, to the Secretary of the Company, written notice of revocation or by duly executing a Proxy bearing a later date, or by voting in person at the Annual Meeting.

This Proxy Statement and the accompanying Notice and form of Proxy are

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

being mailed to shareholders on or about April 15, 2002. The Annual Report for the Company's fiscal year ended December 31, 2001 is also being mailed to shareholders contemporaneously with this Proxy Statement, although the Annual Report does not form a part of the material for the solicitation of Proxies.

Proxies will be solicited primarily by mail, but employees of the Company may also solicit Proxies in person or by telephone. Arrangements may be made with brokerage firms or other custodians, nominees, and fiduciaries to send Proxy materials to the beneficial owners of the Common Stock of the Company. All costs incurred in the solicitation of Proxies will be borne by the Company.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

Unless otherwise indicated, proxies in the form enclosed that are properly executed, duly returned, and not revoked will be voted in favor of the election of the three Class II director nominees to the Board of Directors named herein.

The Board of Directors is not presently aware of other proposals that may be brought before the Annual Meeting. In the event other proposals are brought before the Annual Meeting, the persons named in the enclosed Proxy will vote in accordance with what they consider to be in the best interests of the Company and its Shareholders.

VOTING REQUIREMENTS

The Board of Directors has fixed the close of business on March 27, 2002 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. A complete list of all shareholders entitled to vote at the Annual Meeting will be open for examination by any shareholder during normal business hours for a period of ten days prior to the Annual Meeting at the offices of the Company, 200 North Canal Street, Natchez, Mississippi 39120. Such list will

also be available at the Annual Meeting and may be inspected by any shareholder who is present. On the Record Date, the Company's outstanding voting securities consisted of 13,424,216 shares of Common Stock. Holders of Common Stock will be entitled to one vote per share of Common Stock held of record on the Record Date for each proposal to be presented at the Annual Meeting.

QUORUM AND OTHER MATTERS

The holders of a majority of the total shares of Common Stock issued and outstanding on the Record Date, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. For purposes of determining whether a quorum is present under Delaware law, broker non-votes and abstentions count towards the establishment of a quorum. The election of directors requires the favorable vote of the holders of a plurality of shares of Common Stock present and voting, in person or by proxy, at the Annual Meeting. Abstentions and broker non-votes have no effect on determinations of plurality except to the extent that they affect the total votes received by any particular candidate.

BENEFICIAL OWNERSHIP OF SECURITIES

MANAGEMENT AND PRINCIPAL SHAREHOLDERS

The following table sets forth, as of the Record Date, certain

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

information with respect to the ownership of shares of Common Stock and the Company's \$2.125 Convertible Exchangeable Preferred Stock ("Preferred Stock") as to (i) all persons known by the Company to be the beneficial owners of 5% or more of the outstanding Common Stock, (ii) each director, (iii) each nominee for director, (iv) each of the executive officers named in the Summary Compensation Table, and (v) all executive officers and directors of the Company as a group. Information set forth in the table with respect to beneficial ownership of Common Stock and Preferred Stock has been obtained from filings made by the named beneficial owners with the Securities and Exchange Commission ("Commission") as of the Record Date or, in the case of executive officers and directors of the Company, has been provided to the Company by such individuals. Holders of Preferred Stock are not entitled to vote at the Annual Meeting.

PROPOSAL I

ELECTION OF DIRECTORS

NOMINEES

The Company's Certificate of Incorporation provides for a classified Board of Directors. The Board of Directors is divided into three classes of nearly equal size, designated as Class I (currently with three directors), Class II (currently with three directors) and Class III (currently with two directors). Initially, directors in each class were elected to hold office for terms of one year, two years and three years, respectively. Upon the date of each annual meeting after such initial classification, directors elected to

4

succeed those directors whose terms expire serve for a term which expires on the date of the third succeeding annual meeting of shareholders after their election.

The terms of the three Class II directors, Messrs. John S. Callon, Leif Dons and B.F. Weatherly, will expire on the date of the Annual Meeting. Messrs. John S. Callon, Leif Dons and B.F. Weatherly (the "Nominees") have been nominated to serve as Class II directors until the 2005 Annual Meeting and until their respective successors have been duly elected and qualified. Each of the Nominees was nominated by the Board of Directors.

It is intended that all shares of Common Stock represented by the Proxies will be voted for the election of the Nominees, except where authority to vote in the election of directors has been withheld. Should the Nominees become unable or unwilling to serve as directors at the time of the Annual Meeting, the person or persons exercising the Proxies will vote for the election of substitute Nominees designated by the Board of Directors, or the Board of Directors may choose to reduce the number of members of the Board of Directors to be elected at the Annual Meeting in order to eliminate the vacancy. The Nominees have consented to be nominated and have expressed their intention to serve if elected. The Board of Directors has no reason to believe that the

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

Nominees will be unable or unwilling to serve if elected. Only the Nominees or substitute Nominees designated by the Board of Directors will be eligible to stand for election as directors at the Annual Meeting. See "Shareholders' Proposals for 2003 Annual Meeting."

DIRECTORS AND EXECUTIVE OFFICERS

The following table provides information with respect to the Nominees and all current directors whose terms will continue after the Annual Meeting and present executive officers of the Company. Each executive officer has been elected to serve until his or her successor is duly appointed or elected by the Board of Directors or their earlier removal or resignation from office.

Prior to January 1997, he was President and Chief Operating Officer of the Company, positions he had held with the Company or its predecessors since 1984. He has been employed by the Company or its predecessors since 1976. Mr. Callon graduated from Millsaps College in 1972 and received his M.B.A. degree from the Wharton School of Finance in 1974. Following graduation and until his employment by Callon Petroleum Operating, he was employed by Peat, Marwick, Mitchell & Co., certified public accountants. He is the nephew of John S. Callon.

John S. Callon is Chairman of the Board of Directors of the Company and Callon Petroleum Operating. Effective January 2, 1997, John S. Callon resigned from his position as Chief Executive Officer of the Company, a position he had held since 1980. Mr. Callon founded the Company's predecessors in 1950, and has held an executive office with the Company or its predecessors since that time. He has served as a director of the Mid-Continent Oil and Gas Association and as the President of the Association's Mississippi-Alabama Division. He has also served as Vice President for Mississippi of the Independent Petroleum Association of America. He is a member of the American Petroleum Institute. Mr. Callon is the uncle of Fred L. Callon.

Dennis W. Christian has been Senior Vice President and Chief Operating Officer of the Company and Callon Petroleum Operating since January 1997. Prior to January 1997, he was Senior Vice President of Operations and Acquisitions and had held that or similar positions with the Company or its predecessors since 1981. Prior to joining Callon Petroleum Operating, he was resident manager in Stavanger, Norway, for Texas Eastern Transmission Corporation. His previous experience includes five years with Chevron U.S.A. Inc. Mr. Christian received his B.S. degree in petroleum engineering in 1969 from Louisiana Polytechnic Institute.

Leif Dons has since 1997 been Senior Vice President, Business Development of Fred. Olsen Energy ASA, a publicly held Norwegian company engaged in the offshore energy service industry. From 1992 until 1997, Mr. Dons was employed by Kvaerner ASA in various positions, including the fields of international operations and the commercialization of new technology, and as resident country manager responsible for Israel and Palestine. From 1983 until 1991, he served as the Managing Director of Norwegian Oil Consortium A/S & Co., an oil company with producing properties in Norway. He negotiated the sale of that company in 1991. From 1973 until 1983, Mr. Dons held various positions as an analyst, staff engineer and economist at the Pulp and Paper Research Institute, Norway and Saga Petroleum ASA. Mr. Dons received a Master of Science degree in engineering from the Norwegian Institute of Technology in 1973.

Robert A. Mayfield is the Corporate Secretary and also oversees Tax Services for the Company and Callon Petroleum Operating. He was appointed Corporate Secretary in February 2000. Prior to this appointment as Corporate Secretary, he had served as the Manager of Tax Services and Securities and Exchange Commission Reporting since 1981. Prior to joining Callon, he was employed by McCormick Oil and Gas Company in Houston, Texas, where he served as an assistant to the tax manager. Mr. Mayfield received his B.S. degree in accounting from Louisiana Tech University in 1972 and is a member of the American Society of Corporate Secretaries.

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

Thomas E. Schwager has been Vice President of Engineering and Operations for the Company and Callon Petroleum Operating since November 1997. Mr. Schwager has held engineering positions with the Company and its predecessors since 1981. Prior to joining the Company, Mr. Schwager held various engineering positions with Exxon Company USA in Louisiana and Texas. He received his B.S. degree in petroleum engineering from Louisiana State University in 1972. He is a registered professional engineer and a member of the Society of Petroleum Engineers.

H. Clark Smith is Corporate Information Officer for the Company and Callon Petroleum Operating. Prior to being appointed to that position in March 2001, he had served as Manager - Information Technology since January 1990 and in other computer related positions with the Company and its predecessors since 1983. At Mississippi State University, he majored in Industrial Technology. During his tenure with the Company, he has received extensive technical and management training from the University

6

of Southern Mississippi, International Business Machines, Microsoft, Novell, and Arthur Andersen & Company. He has also served as Manager - Information Services with Jefferson Davis Regional Medical Center and as a principal of the consulting firm, Mississippi Computing Consultants.

Rodger W. Smith is the Treasurer for the Company and Callon Petroleum Operating. Prior to being appointed to that position in April 1999, he had served as Manager of Budget and Analysis since 1994. Prior to 1994, Mr. Smith was Manager of Exploration and Production Accounting and has been employed by the Company and its predecessors since 1983. Prior to his employment with the Company, he was employed by International Paper Company as a plant controller. He received his B.S. degree in accounting from the University of Southern Mississippi in 1973.

Robert A. Stanger has been the managing general partner since 1978 of Robert A. Stanger & Company, Inc., a Shrewsbury, New Jersey-based firm engaged in publishing financial material and providing investment banking services to the real estate and oil and gas industries. He is a director of Citizens Utilities, Stamford, Connecticut, a provider of telecommunications, electric, natural gas, and water services and Electric Lightwaves, Inc., Seattle, Washington, a regional fiber optic telephone company. Previously, Mr. Stanger was Vice President of Merrill Lynch & Co. He received his B.A. degree in economics from Princeton University in 1961. Mr. Stanger is a member of the National Association of Securities Dealers and the New York Society of Security Analysts.

Kathy G. Tilley is Vice President of Business Development for the Company and Callon Petroleum Operating, a position she has held since April 1996. Ms. Tilley was employed by Callon Petroleum Operating in December 1989 as Manager of Acquisitions and prior thereto, had held that or similar positions as a consultant to the Company since 1981. Ms. Tilley received her B.A. degree in economics from Louisiana State University in 1967.

John C. Wallace is a Chartered Accountant having qualified with PricewaterhouseCoopers in Canada in 1963, after which he joined Baring Brothers & Co., Limited in London, England. For over fifteen years, he has served as Chairman of Fred. Olsen Ltd., a London-based corporation that he joined in 1968 and which specializes in the business of shipping and property development. Mr. Wallace is a director of Fred. Olsen Energy ASA, a publicly held Norwegian

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

company engaged in the offshore energy service industry; Harland & Wolff PLC, Belfast, a shipbuilding yard for the offshore oil and gas industry; and Ganger Rolf ASA and Bonheur ASA, Oslo, both publicly-traded shipping companies.

B. F. Weatherly has been a principal of CapSource Financial, Houston, Texas, an investment-banking firm, since 1989. He is also a general partner of CapSource Fund, L.P., Jackson, Mississippi, an investment fund, and has held that position since 1997. Mr. Weatherly received a Master of Accountancy degree from the University of Mississippi in 1967. Mr. Weatherly has previously been associated with Arthur Andersen LLP, and has served as a Senior Vice President of Brown & Root, Inc. and Weatherford International, Inc. B. F. Weatherly and John S. Weatherly are brothers.

John S. Weatherly is Senior Vice President and Chief Financial Officer for the Company and Callon Petroleum Operating. Prior to April 1999, Mr. Weatherly also held the position of Treasurer. Prior to April 1996, he was Vice President, Chief Financial Officer and Treasurer of the Company and had held these positions since 1983. Prior to joining Callon Petroleum Operating in 1980, he had been employed by Arthur Andersen LLP since 1974. Mr. Weatherly received his B.B.A. degree in accounting in 1973 and his M.B.A. degree in 1974 from the University of Mississippi. Mr. Weatherly is a member of the American Institute of Certified Public Accountants and the Mississippi Society of Certified Public Accountants. John S. Weatherly and B. F. Weatherly are brothers.

Richard O. Wilson is an Offshore Consultant. In his 45 years of working in offshore drilling and construction, he spent two years with Zapata Offshore and 21 years with Brown & Root, Inc. working in various managerial capacities in the Gulf of Mexico, Venezuela, Trinidad, Brazil, the Netherlands, the United Kingdom and Mexico. Mr. Wilson was a director and Senior Group Vice President of Brown & Root, Inc. and Senior Vice President of Halliburton, Inc. For 18 years he was associated with Fred. Olsen Interests where he served as Chairman of OGC International PLC, Dolphin A/S and Dolphin Drilling Ltd. Since the sale of OGC International PLC to Halliburton, Inc. in 1997, Mr. Wilson has been a consultant to Brown & Root, Inc. He holds a B.S. degree in civil engineering from Rice University. Mr. Wilson is a Fellow in the American Society of Civil Engineers, is a member of the Institute of Petroleum, London, England, and a Director of the Museum of Printing History in Houston, Texas. In 2000 Mr. Wilson was elected an Industry Pioneer by the Offshore Energy Center, Houston, Texas.

Stephen F. Woodcock is Vice President of Exploration for the Company and Callon Petroleum Operating. Prior to being appointed to this position in November 1997, Mr. Woodcock had served as Manager of Geology and Geophysics since his initial employment by the Company and Callon Petroleum

7

Operating in 1995. Prior thereto, he was Manager of Geophysics for CNG Producing Company and Division Geophysicist for Amoco Production Company. Mr. Woodcock received a masters degree in geophysics from Oregon State University in 1975.

All officers and directors (including the Nominees) of the Company are United States citizens, except Mr. Wallace, who is a citizen of Canada, and Mr. Dons, who is a citizen of Norway.

STOCKHOLDERS' AGREEMENT

Pursuant to a Stockholders' Agreement ("Stockholders' Agreement") among certain members of the Callon family ("Callon Family"), NOCO Enterprises, L.P. ("NOCO") and F.O. Energy dated September 16, 1994, the Callon Family, on the one

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

hand and NOCO and F.O. Energy on the other hand, each elected two directors to the Company's Board of Directors. Specifically, the Stockholders' Agreement provided that the Callon Family, NOCO and F.O. Energy would use their best efforts, including voting the shares of Common Stock which they owned, to cause the Company's Board of Directors to be composed of at least four members, two of such members to be selected by the Callon Family and two of such members to be selected by NOCO and F.O. Energy. Messrs. Wallace and Dons were elected to the Board as representatives of NOCO and F.O. Energy, and Messrs. Fred and John Callon were elected to the Board as representatives of the Callon Family. The Stockholders' Agreement expired on September 16, 1999.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Commission and any exchange or other system on which such securities are traded or quoted, initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent shareholders are required by the Commission's regulations to furnish the Company and any exchange or other system on which such securities are traded or quoted, with copies of all Section 16(a) forms they file with the Commission.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company during the fiscal year ended December 31, 2001, all of the Company's officers, directors and greater than ten percent shareholders had complied with all Section 16(a) filing requirements.

INFORMATION CONCERNING THE OPERATION OF THE BOARD OF DIRECTORS

The business of the Company is managed under the direction of the Board of Directors. The Board of Directors meets on a quarterly basis to review significant developments affecting the Company and to act on matters requiring Board approval. The Board of Directors may also hold special meetings when an important matter requires Board action between regularly scheduled meetings. Each non-employee director receives an annual fee of \$10,000 for service on the Board of Directors and is reimbursed for out-of-pocket expenses incurred to attend the Board meetings. In addition, effective January 1, 2002, each non-employee director will receive \$2,000 for each meeting of the Board attended in person and \$1,000 for his participation in each telephonic Board meeting. On the date he or she is initially elected or appointed to the Board, each non-employee director receives an annual automatic grant of an option to purchase 5,000 shares of Common Stock for an exercise price equal to the fair market price on the date of grant and for a ten-year term. Thereafter, for each subsequent year in which the non-employee director is still serving as director, he or she shall automatically be granted an option to purchase an additional 5,000 shares on the same terms.

On August 23, 1996, the Compensation Committee authorized a one-time grant to each non-employee director of an option to purchase 20,000 shares of Common Stock under the 1996 Plan at a purchase price of \$12.00 per share, the fair market value of the Common Stock on such date. One-fourth of each option vests at each succeeding annual meeting of directors following each annual shareholders' meeting, beginning with the 1997 Annual Meeting. On July 25, 2000, the Compensation Committee authorized a one-time grant to each non-employee director of an option to purchase 20,000 shares of Common Stock under the 1996 Plan at a purchase price of \$10.50 per share, the fair market value of the Common Stock on such date. One-fourth of each option vests on August 23, 2000 and the remaining vests equally at each succeeding annual meeting of directors following each annual shareholders' meeting, beginning with the 2001 Annual Meeting.

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

During 2001, the Board of Directors of the Company met formally four times and executed eight unanimous written consents. All directors attended at least 75% of the total number of meetings of the Board of Directors.

8

In order to facilitate the various functions of the Board of Directors, the Board of Directors has created an Audit Committee and a Compensation Committee. The Board of Directors does not have a nominating committee. The functions customarily performed by a nominating committee are performed by the entire Board of Directors. Committee members are not remunerated in addition to their annual Board retainer.

AUDIT COMMITTEE. The Committee monitors the Company's internal accounting controls, reviews quarterly and annual financial information and reviews the services and fees of the independent auditors. The Board of Directors adopted an Audit Committee Charter in 2000. Members are Messrs. Robert A. Stanger, Chairman, Richard O. Wilson, and John C. Wallace. All of the members of the Audit Committee meet the New York Stock Exchange's independence requirements. The Audit Committee held two meetings during 2001, and all members of the Audit Committee attended the meetings.

COMPENSATION COMMITTEE. The Compensation Committee establishes and approves the terms of employment of senior executive officers and reviews and approves management's recommendations concerning compensation of the other executive officers and certain other employees. Members are Messrs. B. F. Weatherly, Chairman, Robert A. Stanger, John C. Wallace and Richard O. Wilson. The Compensation Committee held four meetings during 2001, and all members of the Compensation Committee attended all meetings.

TRANSACTIONS WITH RELATED PERSONS

REGISTRATION RIGHTS. The Callon Family (including John S. Callon and Fred L. Callon) is party to a Registration Rights Agreement dated September 16, 1994 (the "Registration Rights Agreement"), pursuant to which they are entitled to require the Company to register Common Stock owned by them with the Commission for sale to the public in a firm commitment public offering and generally to include shares owned by them in registration statements filed by the Company. NOCO and the Company have entered into a similar agreement, which was subsequently amended to include F.O. Energy. The registration rights agreement with F.O. Energy also covers Common Stock held by its assignees, Ganger Rolf and Bonheur.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors assists the board in overseeing the Company's accounting, auditing and financial reporting practices. The Company's management has primary responsibility for preparing the Company's financial statements and implementing its internal accounting controls. The Audit Committee oversees these activities in order to ensure their quality and integrity. The Audit Committee has reviewed the audited financial statements in the Company's Annual Report for the year ended December 31, 2001 with management. The Audit Committee's discussions with management included a review of the quality, not just the acceptability, of the accounting principles used to prepare, the reasonableness of significant judgements with respect to, and the clarity of disclosures in the Company's financial statements.

The Audit Committee reviewed the quality of the accounting principles

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

used in preparing our financial statements with Arthur Andersen LLP, the independent public accountants who are responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles. The Audit Committee also discussed with Arthur Andersen LLP such other matters as are required to be discussed with its independent auditors under generally accepted auditing standards, including Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90.

FEES PAID TO AUDIT FIRM. Fees paid to auditor Arthur Andersen LLP for the annual audit were \$135,000. All other fees were \$42,000 including audit-related fees of \$26,000 and other fees of \$16,000. Audit-related fees include accounting consultation, various attest services under professional standards, assistance with registration statements, comfort letters and consents. Other fees were primarily tax services. There were no financial information systems design and implementation fees.

After reviewing the non-audit services provided by Arthur Andersen LLP and engaging in discussions with Arthur Andersen LLP regarding their independence, the Audit Committee determined that the non-audit services provided to the Company by Arthur Andersen LLP were not inconsistent with Arthur Andersen LLP's status as independent auditors. The Audit Committee has received the letter from Arthur Andersen LLP required by Independence Standards Board Standard No. 1.

Based on its reviews of the Company's audit financial statements and the discussions with management and Arthur Andersen LLP discussed above, the Audit Committee recommended to the Board of

9

Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Commission.

- (a) The Company issues payroll checks every other Friday. For 1999, there were twenty-seven payroll checks issued and for 2000 and 2001, there were twenty-six payroll checks issued.
- (b) There were no bonuses declared in 2002 for service during 2001. The prior year amounts represent that portion of bonuses declared in February 2001 and March 2000 and earned by service during 2000 and 1999, respectively. Generally, bonus compensation is not payable unless the executive remains employed by the Company through the date bonus compensation is declared, which is generally in March of the following year. These amounts also include amounts deferred.
- (c) None of the named executive officers received perquisites or other personal benefits, securities or property, the aggregate annual amount of which exceeded the lesser of \$50,000 or 10% of the total of annual salary and bonus reported for the named executive.
- (d) Amounts reflect the Company's contribution in 2001, 2000, and 1999 of \$27,185, 26,265, and \$26,462 to Fred L. Callon's 401(k) savings plan and payment of \$3,932, \$3,924, and \$3,836 term life insurance premiums; \$25,009, \$24,164, and \$24,344 to Mr. Christian's 401(k) savings plan and payment of \$4,172, \$4,164, and \$4,076 term life insurance premiums; \$21,747, \$21,012, and \$21,169 to Mr. Weatherly's 401(k) savings plan and payment of \$4,197, \$4,189, and \$4,101 term life insurance premiums; \$18,484, \$17,860,

and \$17,994 to Ms. Tilley's 401(k) savings plan and payment of \$1,732, \$1,668, and \$1,541 term life insurance premiums; and \$16,898, \$15,150, and \$15,283 to Mr. Woodcock's 401(k) savings plan and payments of \$1,581, \$1,412, and \$1,310 term life insurance premiums.

EMPLOYMENT AGREEMENTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

SEVERANCE COMPENSATION AGREEMENTS. Effective January 1, 2002, the Company entered into Severance Compensation Agreements (the "Agreements") with Fred L. Callon, Dennis W. Christian and John S. Weatherly providing for certain benefits to each of them in the event that a "change of control" occurs during the three-year period after the execution of such Agreements. Each Agreement is for a three-year term and is automatically extended for successive one year periods unless either the Company or the executive notifies the other party prior to such renewal that it has elected to terminate the Agreement; provided that the term of each Agreement shall be until the later of two years following the date of a change of control and the satisfaction of all obligations of the Company under the Agreement. The Agreements terminate upon each executive's death, disability termination for cause or voluntary resignation other than for "good reason."

Pursuant to the Agreements, if either Messrs. Callon, Christian or Weatherly's employment with the Company is terminated without cause by the Company or for good reason by the executive within two years following a change of control by the Company, the executive is entitled to a single lump sum cash payment in an amount equal to three times the sum of (a) the annual base salary of such executive in effect prior to such termination, and (b) the higher of the average bonus earned by the executive during the three preceding years or the target bonus that the executive is eligible to receive during the year of termination. If the Messrs. Callon, Christian or Weatherly's employment is terminated as a result of their death or disability, the Company is only required to make such payments if the termination occurred within six months of a change of control. "Good reason" is generally defined in the Agreements as a change in the executive's compensation, benefits, position, responsibilities, or location.

The Agreements also provide that, upon a change of control, all stock options, restricted stock, stock appreciation rights and other similar rights held by Messrs. Callon, Christian or Weatherly shall automatically become fully exercisable notwithstanding any vesting or exercisability provisions.

If any payment to one of Messrs. Callon, Christian or Weatherly would be subject to any excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended, a "gross-up" payment will be made to place such executive in the same net after-tax position as would have been the case if no excise tax had been payable.

CONSULTING AGREEMENT. The Company entered into a consulting agreement with John S. Callon, effective as of January 2, 1997, the day he retired as Chief Executive Officer of the Company. The agreement was amended on February 18, 1999. Pursuant to the agreement, John S. Callon provides consulting services to the Company on matters pertaining to corporate or financial strategy, investor relations and public/private financing opportunities. The agreement remains in effect from the effective date until December 31, 2001, subject to renewal for succeeding five-year periods unless earlier terminated. As compensation for his services under the agreement, John S. Callon is paid a fee of not less than \$190,000 per year increased annually based upon the change in the Consumer Price Index, as adjusted for inflation. In addition, he will remain eligible to participate in the Company's major medical and disability coverage, and will be entitled to participate in all other employee benefit plans (other than a cash bonus program) provided to full-time executives of the Company. As an inducement for entering into the agreement, John S. Callon was granted 25,000 restricted shares of Common Stock, 20% of which vests on each of the first five anniversaries of the effective date of the agreement. On February 18, 1999, the Board of Directors approved the Compensation Committee's recommendation that all unvested restricted shares be vested as of such date.

On January 1, 2002, the Company and Mr. Callon agreed to terminate the

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

consulting agreement upon the financing or refinancing of \$45 million of the Company's indebtedness. As of April 1, 2002, the financing conditions to termination have not been met.

Upon termination of the agreement, John S. Callon is entitled to receive a termination payment of \$1.5 million, adjusted for inflation, and the Company will remain obligated to continue to provide medical and disability coverage.

Pursuant to the 1994 Plan and the 1996 Plan, in the case of a merger or consolidation where the Company is not the surviving entity, or if the Company is about to sell or otherwise dispose of substantially all of its assets while unvested options remain outstanding, the Compensation Committee or other plan

11

administrator may, in its discretion and without shareholder approval, declare some or all options exercisable in full before or simultaneously with such merger, consolidation or sale of assets without regard for prescribed waiting periods. Alternatively, the Compensation Committee or other plan administrator may cancel all outstanding options provided option holders are given notice and a period of 30 days prior to the merger, consolidation or sale to exercise the options in full.

STOCK-BASED PLANS

The Company currently maintains three Common Stock-based incentive plans for employees: the Callon Petroleum Company 1994 Stock Incentive Plan, the Callon Petroleum Company 1996 Stock Incentive Plan, and the 2002 Stock Incentive Plan. The Company in the past has used and will continue to use stock options and performance share grants to attract and retain key employees in the belief that employee stock ownership and stock related compensation devices encourage a community of interest between employees and shareholders. The Compensation Committee of the Board of Directors administers all three of the Stock Incentive Plans. Members of the Compensation Committee currently are Messrs. Stanger, Wallace, B. F. Weatherly, and Wilson.

1994 PLAN. The 1994 Plan was adopted on June 30, 1994. Pursuant to the 1994 Plan, 600,000 shares of Common Stock were reserved for issuance upon the exercise of options or for grants of performance shares. During 1999, options to purchase 25,000 shares were granted to non-employee directors pursuant to automatic grants. In addition, during 1999 the Compensation Committee approved option grants of 38,750 shares to certain officers and employees. No awards were granted under the 1994 Plan during 2000 or 2001. As of March 27, 2002, there were 370 shares of Common Stock available for grant under the 1994 Plan.

1996 PLAN. On August 23, 1996, the Board of Directors of the Company approved and adopted the 1996 Plan and granted awards thereunder to various employees. The 1996 Plan was approved by the shareholders of the Company at the 1997 Annual Meeting. Pursuant to the 1996 Plan, 900,000 shares of Common Stock were reserved for issuance upon the exercise of options or for grants of performance shares. On August 20, 1998, the Board of Directors amended the 1996 Plan, as permitted pursuant to the terms of the 1996 Plan, to increase the number of shares of Common Stock reserved for issuance by 300,000 shares to 1,200,000 shares. During March 1999, the Compensation Committee approved option grants of 206,750 shares to certain officers and employees. During March 2000, the Compensation Committee approved option grants for 533,000 shares to certain officers and employees. On May 4, 2001 the shareholders of the Company approved an increase in the available number of shares of Common Stock reserved for

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

issuance under the 1996 Plan by 1,000,000 shares to 2,200,000 shares. Automatic option grants to non-employee directors during 2001 were 30,000 shares. On January 2, 2002, option grants totaling 15,000 shares were awarded to newly hired employees. As of March 27, 2002, there were 190,123 shares of Common Stock available for grant under the 1996 Plan.

2002 PLAN. On February 14, 2002, the Board of Directors of the Company approved and adopted the 2002 Stock Incentive Plan (the "2002 Plan"). Pursuant to the 2002 Plan, 350,000 shares of common stock shall be reserved for issuance upon the exercise of options or for grants of stock options, stock appreciation rights or units, bonus stock, or performance shares or units. This Plan qualifies as a "broadly based" plan under the provisions of the New York Stock Exchanges rules and regulations and therefore did not require shareholder approval. Because the 2002 Plan is a broadly based plan, the aggregate number of shares underlying awards granted to officers and directors cannot exceed 50% of the total number of shares underlying the awards granted to all employees during any three-year period. On February 14, 2002, the Board of Directors authorized the grant of 300,000 shares pursuant to the 2002 Plan.

BONUS PLAN. In 1996, the Board of Directors authorized the establishment of a cash bonus program (the "Bonus Plan") to be administered by the Compensation Committee in accordance with formulas or procedures determined by the Compensation Committee on an annual basis. Each year, the Compensation Committee establishes target level bonuses as a percentage of base salary for certain officers, managers and staff members. The Compensation Committee also establishes financial and operating goals to be achieved by the Company during the year and assigns a relative weighting percent to each goal. Cash bonus awards for the year are then based upon the extent to which such goals were achieved during the year. See "--Report on Executive Compensation."

1997 EMPLOYEE STOCK PURCHASE PLAN. In 1997, the Board of Directors authorized the implementation of the Callon Petroleum Company 1997 Employee Stock Purchase Plan (the "1997 Purchase Plan"), which was approved by the Company's shareholders at the 1997 Annual Meeting. The Plan provides eligible employees of the Company with the opportunity to acquire a proprietary interest in the Company through participation in a payroll deduction-based employee stock purchase plan. An

12

aggregate of 250,000 shares of Common Stock have been reserved for issuance over the ten-year term of the 1997 Purchase Plan. The purchase price per share at which Common Stock will be purchased on the participant's behalf on each purchase date within an offering period is equal to eighty-five percent of the fair market value per share of Common Stock.

OPTION GRANTS IN LAST FISCAL YEAR

There were no options to purchase Common Stock or stock appreciation rights granted during 2001 to the Chief Executive Officer and the four most highly compensated executive officers named in the Summary Compensation Table.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table sets forth certain information concerning the number and value of unexercised options to purchase Common Stock by the Chief Executive Officer and the four most highly compensated executive officers named in the Summary Compensation Table at December 31, 2001. LONG-TERM INCENTIVE PLAN AWARDS

Other than the 1994 Plan, the 1996 Plan, and the 2002 Plan, the Company does not have a long-term incentive plan for its employees.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Company's Compensation Committee are Messrs. B. F. Weatherly, Robert A. Stanger, John C. Wallace, and Richard O. Wilson, none of whom are or have been officers or employees of the Company.

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is composed of four non-employee directors who make recommendations to the Board with respect to the annual base and bonus compensation of the executive officers of the Company. The Compensation Committee also administers the Company's employee benefit plans.

COMPENSATION POLICY. The Company's goal with respect to its executive compensation policy is to attract and retain executives who have the ability to lead Callon in achieving its business objectives in a highly competitive industry. To this end, the Company's compensation policy is comprised of three elements: (1) base compensation, (2) bonus compensation, and (3) stock-based compensation. Historically, the Company has provided for conservative base salaries with more aggressive incentive compensation in order to emphasize pay for performance. In addition, the Committee awards stock-based compensation to encourage greater executive focus on stockholder value.

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

In the past, the Company had entered into employment agreements with certain of its executive officers. These agreements established an initial base salary subject to upward adjustment by the Board of Directors or the Compensation Committee and provide that such officers are entitled to participate in the Company's incentive compensation programs. All of these agreements expired in early 2001, and the Committee has decided not to enter into new employment agreements at this time. The Compensation Committee believes that, in order to retain highly qualified executives, it must provide these persons with some security against organizational and personnel changes in the event of a change of control of the Company. In order to provide this security, in early 2002, the Company entered into the Severance Compensation Agreement described under "--Employment Agreements, Termination of Employment and Change of Control Arrangements-- Severance Compensation Agreements." The Compensation Committee believes that these agreements are necessary to provide fair treatment to key executives in the event of a change of control. In the future, the Committee may determine that employment or other agreements with its executive officers, in addition to the Severance Compensation Agreements, are necessary in order to retain key employees and achieve the Company's long-term growth objectives.

Currently, the Committee does not intend to award levels of compensation that would result in a limitation on the deductibility of a portion of such compensation for federal income tax purposes pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended; however, the Committee may authorize compensation that results in such limitations in the future if it determines that such compensation is in the best interest of the Company.

BASE COMPENSATION. The Compensation Committee reviews each executive officer's salary annually. The Committee has applied the same principals to establish base compensation since the Company was formed in 1994, taking into account both competitive realities and subjective factors. The base compensation decision has no specific relationship to Company performance. As its primary consideration, the Committee evaluates compensation set for comparable positions by the Company's competitors, targeting the median of such compensation. To determine base salaries paid by such peer group companies, the Committee analyzes published industry survey data and proxy and annual report information among energy companies of similar size, complexity and activity. From time to time, the Company also engages independent compensation consulting firms. With input from management of the Company, the Committee also takes into account certain subjective factors such as individual performance and contribution to the Company's success, seniority, experience level, internal equities within the Company and general economic and industry conditions. No specific weight, however, is assigned to these factors if they are considered.

After reviewing the salary levels of the Company's peers, the Company decided to increase the base salaries of the Company's executive officers for 2001 by 3.5%, representing a "cost of living" adjustment. In addition to evaluating salary increases in the industry, the Committee also took into account a subjective valuation of each individual officer's contributions to the Company's performance in 2000, potential contributions during 2001, and general inflationary considerations. This cost of living increase was intended to match similar increases by the Company's competitors and reflects the Committee's commitment to maintaining competitive salary levels.

BONUS COMPENSATION. In 1996, the Board of Directors established the Bonus Plan in order to tie compensation to certain fiscal targets affecting short and long-term share price performance. Since that time, bonus compensation has been awarded under the Bonus Plan as administered by the Compensation Committee. As prescribed by the Bonus Plan, the Committee adheres to a formal decision process for determining annual bonus compensation. At the core of this process are pre-set financial and operating goals established by the Committee as determinants of share price over time. For 2001, these goals were set with

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

respect to cash flow, net income, net reserve additions, and finding costs. The Committee assigns to each goal a relative weighting percent, which is multiplied at year-end by the percentage by which each such goal was achieved in order to determine the "Weighted Goal Achieved." The Committee then derives the "Total Goal Achieved" by adding together each Weighted Goal Achieved. In addition, the Committee establishes target level bonuses as a percentage of base salary for officers and other employees. If the Total Goal Achieved at year-end is (i) less than 80%, no bonuses will be awarded under the Bonus Plan; (ii) between 80% and 120%, bonuses will be awarded at 80% to 120% of the target level; and (iii) more than 120%, additional bonuses will be awarded at the discretion of the Committee. For the year ended December 31, 2001, the Total Goal Achieved was less than the required minimum of 80% of the goals set for 2001. Accordingly, no bonus compensation was awarded. The Compensation Committee anticipates following a similar formula for determining cash bonuses for 2002, subject to adjustment for 2002 performance goals.

STOCK-BASED COMPENSATION. The Company relies heavily upon stock options to compensate executive officers. The Committee generally subjects option grants to a vesting schedule and establishes

14

the exercise price as the fair market value (based on trading on the New York Stock Exchange) of the Common Stock on the date of grant. The Committee believes that these terms align the interests of the Company's executives with those of its stockholders.

To determine the timing and amount of stock-based awards, the Compensation Committee considers the factors set forth under "Base Compensation" above as well as the employee's ability to influence the Company's future performance. The Committee also takes into account the number of outstanding and unvested options held by an executive officer as well as the size of previous option awards to such executive officer. Based on the Company's operating results and the market price of its Common Stock, the Committee decided not to grant options in 2001 to executive officers.

In the past, the Committee has issued performance shares to executive officers. There are no performance shares currently outstanding; however, the Committee will continue to monitor the Company's stock-based compensation program to determine if performance shares should be granted in the future.

COMPENSATION OF CHIEF EXECUTIVE OFFICER. Mr. Callon's base salary was increased by the Committee to \$271,843 for 2001 as compared to \$262,650 for 2000 in order to keep Mr. Callon's salary level competitive with the chief executive officer position at peer group companies as well as taking into account the subjective factors described above under "Base Compensation." See "Executive Compensation." In particular, the Committee considered Mr. Callon's leadership role in overseeing the Company's drilling program, particularly in the Gulf of Mexico deepwater region, and capital market financing activities.

Under the Bonus Plan formula set by the Compensation Committee, Fred L. Callon did not earn a bonus during 2001. Mr. Callon was not granted any additional stock options during 2001.

- (1) The comparison of total return on an investment for each of the periods assumes that \$100 was invested on December 31, 1996, in the Company, the NYSE Market Index and the Industry Group Index, and that all dividends were reinvested.
- (2) The Company's Common Stock was traded on the Nasdaq NMS from September 19, 1994 until April 21, 1998. On April 22, 1998, the Company's Common Stock began trading on the New York Stock Exchange.

INDEPENDENT PUBLIC ACCOUNTANTS

As of April 15, 2002, the Board of Directors has not selected an independent public accounting firm for the examination of the accounts and audit of the financial statements of the Company for the year ending December 31, 2002. This decision has been delayed due to the uncertainties surrounding the availability of future services by Arthur Andersen LLP. It is anticipated that the independent public accounting firm that will audit the Company's financial statements for the year ended December 31, 2002 will be selected in the near future.

Arthur Andersen LLP served as independent public accountants for the examination of the accounts and audit of the financial statements of the Company for the year ending December 31, 2001. A representative of Arthur Andersen LLP will be present at the Annual Meeting and will have an opportunity to make a statement, if he desires, and to respond to appropriate questions.

SHAREHOLDERS' PROPOSALS FOR 2003 ANNUAL MEETING

Shareholders who desire to present proposals at the 2003 Annual Meeting of Shareholders and to have proposals included in the Company's proxy materials must submit their proposals to the Company at its principal executive offices not later than December 16, 2002. If the date of the 2003 Annual Meeting of

Edgar Filing: CALLON PETROLEUM CO - Form DEF 14A

Shareholders is changed by more than 30 days from the date of the 2002 Annual Meeting of Shareholders, the deadline for submitting proposals is a reasonable time before the Company begins to print and mail its proxy materials for its 2003 Annual Meeting of Shareholders.

The persons named in the Company's form of proxy for the 2003 Annual Meeting will have discretionary authority to vote any proxies they hold at such meeting on any matter for which the Company does not receive notice by March 3, 2003, unless the Company changes the date of its 2003 Annual Meeting of Shareholders by more than 30 days from the date of the 2002 Annual Meeting of Shareholders, in which case such persons will be able to exercise discretionary authority if notice of the matter has not been received in a reasonable time before the Company mails its proxy materials for the 2003 Annual Meeting of Shareholders.

If the date of the 2003 Annual Meeting of Shareholders is advanced or delayed by more than 30 calendar days from the date of the 2001 Annual Meeting of Shareholders, the Company shall, in a timely manner, inform shareholders of such change, by including a notice, under Item 5, in its earliest possible quarterly report on Form 10-Q. The notice will include the new deadline for submitting proposals to be included in the Company's proxy statement and the new date for determining whether the Company may exercise discretionary voting authority because it has not received timely notice of a matter.

In order to avoid controversy as to the date on which the Company receives any such proposal, it is suggested that shareholders submit their proposals by certified mail, return receipt requested, or other means that permit them to prove the date of delivery.

FINANCIAL STATEMENTS

Financial statements of the Company for its most recent fiscal year are contained in the 2001 Annual Report and the Company's Report on Form 10-K. COPIES OF THE COMPANY'S ANNUAL REPORT AND THE COMPANY'S REPORT ON FORM 10-K ARE AVAILABLE TO SHAREHOLDERS UPON WRITTEN REQUEST TO THE INVESTOR RELATIONS DEPARTMENT, CALLON PETROLEUM COMPANY, 200 NORTH CANAL STREET, NATCHEZ, MISSISSIPPI 39120.

OTHER BUSINESS

The Board of Directors does not know of any matter to be acted upon at the Annual Meeting other than those described above. If other business comes before the Annual Meeting, the persons named on the Proxy will vote the Proxy in accordance with what they consider to be in the best interests of the Company and its shareholders.
