PROXY STATEMENT

This Proxy Statement is furnished to holders of common stock, \$.001 par value per share, of CytRx Corporation, a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2004 Annual Meeting of Stockholders to be held at the Riviera Country Club, 1250 Capri Drive, Pacific Palisades, California, at 9:00 A.M., local time, on Wednesday, July 21, 2004, and at any postponement or adjournment thereof.

This Proxy Statement and the accompanying proxy card are first being mailed to our stockholders on or about June 30, 2004.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement, which are the election of directors and the ratification of our appointment of independent accountants. In addition, management will report on our performance during fiscal 2003 and respond to questions from stockholders.

Who is entitled to vote at the Annual Meeting?

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. The affirmative vote of a majority of the votes cast at the Annual Meeting, provided a quorum is present, will be required for ratification of our appointment of independent accountants. With regard to the election of directors, the two nominees receiving the greatest number of votes cast will be elected.

Abstentions and broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, at our Annual Meeting of the holders of a majority of outstanding shares of our common stock will constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked withhold authority or abstain will be counted as present. Shares represented by proxies that include so-called broker non-votes also will be counted as shares present for purposes of establishing a quorum. On the record date, there were 34,777,256 shares of our common stock issued and outstanding.

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented thereby will be voted at the Annual Meeting and at any postponement or adjournment thereof in accordance with the directions indicated on the proxy card. IF NO DIRECTIONS ARE INDICATED, PROXIES WILL BE VOTED FOR ALL PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND, AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT THEREOF, IN THE SOLE DISCRETION OF THE PROXIES.

PROPOSAL I

ELECTION OF DIRECTORS

Pursuant to our Bylaws, our Board of Directors has fixed the number of our directors at seven. Our Restated Certificate of Incorporation and Bylaws provide for the classification of these directors into three classes, with each class to consist as nearly as possible of an equal number of directors. One class of directors is to be elected at each annual meeting of stockholders to serve for a term of three years.

The term of the two directors in Class I expires at the Annual Meeting. The Board of Directors has nominated the incumbent Class I directors, Messrs. Louis Ignarro, Ph.D. and Joseph Rubinfeld, Ph.D., for reelection as the Class I directors to serve until the 2007 Annual Meeting of Stockholders and until their successors are duly elected and qualified.

The following is information concerning the nominees for election, as well as the directors whose terms of office will continue after the Annual Meeting. Each director's age is indicated in parentheses after his name.

Current Nominees

We believe that the nominees will be available and able to serve as directors. In the event that a nominee is unable to serve, the proxy holders will vote the proxies for such other nominee as they may determine.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE NOMINEES FOR ELECTION AS DIRECTORS.

Table of Contents

Our Board of Directors has determined that Messrs. Link, Rubinfeld, Selter and Wennkamp each are independent under the current independence standards of both the Nasdaq Stock Market and the Securities and Exchange Commission, or SEC, and have no material relationships with us (either directly or as a partner, shareholder or officer of any entity) that could be inconsistent with a finding of their independence as members of our Board of Directors or as the members of our Audit Committee. Our Board of Directors also has determined that Mr. Selter, one of the independent directors serving on our Audit Committee, is an audit committee financial expert as defined by SEC rules.

The following table provides information concerning the current membership of our Board committees:

Table of Contents

The Audit Committee held six meetings during 2003.

Compensation Committee. The Compensation Committee is authorized to review and make recommendations to the full Board of Directors relating to the annual salaries and bonuses of our officers and to determine in its sole discretion all grants of stock options, the exercise price of each option, and the number of shares to be issuable upon the exercise of each option under our various stock option plans. The Committee also is authorized to interpret our stock option plans, to prescribe, amend and rescind rules and regulations relating to the plans, to determine the term and provisions of the respective option agreements, and to make all other determinations deemed necessary or advisable for the administration of the plans.

The principal responsibilities of the Nomination and Governance Committee include:

Overseeing our corporate governance practices and developing and recommending to our Board a set of Corporate Governance Guidelines.

Assisting the Board in identifying qualified director candidates, selecting nominees for election as directors at meetings of stockholders and selecting candidates to fill vacancies on our Board, and developing criteria to be used in making such recommendations.

Creating and recommending to our Board a policy regarding the consideration of director candidates recommended by stockholders and procedures for stockholders submission of nominees of director candidates.

Reviewing and recommending the compensation for non-employee directors and making recommendations to our Board for its approval.

Establishing criteria for our Board and for all committees (including the Nomination and Governance Committee) to use to evaluate their performance on an annual basis.

Overseeing developments related to corporate governance and advising our Board in connection therewith.

The Nomination and Governance Committee has sole authority, in connection with the identification of qualified director candidates, to retain and terminate any search firm for such purpose (including the authority to approve any such firm's fees and other retention terms). We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

The Nomination and Governance Committee was established on March 16, 2004, and so did not meet during 2003.

The Nomination and Governance Committee has not established any specific minimum qualifications for director candidates or any specific qualities or skills that a candidate must possess in order to be considered qualified to be nominated as a director.

Table of Contents

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. In making its nominations, our Nomination and Governance Committee generally will consider, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Stockholder Recommendations of Director Candidates

A stockholder wishing to submit recommendations for director candidates for consideration by the Nomination and Governance Committee for election at an annual meeting of shareholders must do so in writing by December 15 of the previous calendar year. The written recommendation must include the following information:

A statement that the writer is a stockholder and is proposing a candidate for consideration.

The name and contact information for the candidate.

A statement of the candidate's business and educational experience.

Information regarding the candidate's qualifications to be a director.

The number of shares of our common stock, if any, owned either beneficially or of record by the candidate and the length of time such shares have been so owned.

The written consent of the candidate to serve as a director if nominated and elected.

Information regarding any relationship or understanding between the proposing stockholder and the candidate.

A statement that the proposed candidate has agreed to furnish us all information as we deem necessary to evaluate such candidate's qualifications to serve as a director.

As to the stockholder giving the notice, the written recommendation must state the name and address of the stockholder and the number of shares of our common stock which are owned beneficially or of record by the shareholder.

Any recommendations in proper form received from stockholders will be evaluated in the same manner that potential nominees recommended by our Board members or management are evaluated.

Stockholder Nominations of Directors

Our Bylaws specify the procedures by which stockholders may nominate director candidates directly, as opposed to merely recommending a director candidate to the Nomination and Governance Committee as described above. Any stockholder nominations must comply with the requirements of our Bylaws and should be addressed to: Corporate Secretary, CytRx Corporation, 11726 San Vicente Boulevard, Suite 650, Los Angeles, California 90049.

Stockholder Communication with Board Members

Stockholders who wish to communicate with our Board members may contact us by telephone or via facsimile or the mails at our principal executive office. Written communications specifically marked as a communication for our Board of Directors, or a particular director, except those that are clearly marketing or

soliciting materials, will be forwarded unopened to the Chairman of our Board, or to the particular director to which they are addressed, or presented to the full Board or the particular director at the next regularly scheduled Board meeting. In addition, communications sent to us via telephone or facsimile for our Board of Directors or a particular director will be forwarded to our Board or the director by an appropriate officer.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. Of the seven members of our Board in 2003, five attended our 2003 Annual Meeting of Stockholders.

Compensation of Directors

Periodically, our Board of Directors reviews the then-current director compensation policies and from time to time makes changes to such policies based on various criteria the Board deems relevant. Directors who are employees of our company receive no compensation for their service as directors or as members of Board committees.

For the period January 1, 2003 to December 31, 2003, non-employee directors received a quarterly retainer of \$1,500 and a fee of \$1,500 for each Board meeting attended (\$750 for meetings attended by teleconference and for board actions taken by unanimous written consent) and \$750 for each committee meeting attended. Non-employee directors who chair the board or a board committee receive an additional \$250 for each meeting attended as the chair. During 2003, a payment of \$2,500 was made to Raymond Carnahan, formerly the Chairman of our Audit Committee, in connection with internal auditing services provided to that committee. In May 2004, a payment of \$7,500, plus reimbursement of certain expenses, was made to each of Messrs. Selter and Wennkamp in connection with their services as members of our Audit Committee. Options to purchase 10,000 shares of common stock are granted to each non-employee director annually. These options have an exercise price equal to the closing price of our common stock as reported on the Nasdaq SmallCap Market on the date of grant and are subject to vesting in three equal annual increments.

Section 16(a) Beneficial Ownership Reporting Compliance

Our executive officers and directors and any person who owns more than ten percent of our outstanding shares of common stock are required by Section 16(a) of the Securities Exchange Act to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our common stock and to furnish us with copies of those reports. Based solely on our review of copies of reports we have received and written representations from certain reporting persons, we believe that all Section 16(a) filing requirements applicable to our directors and executive officers and greater-than-ten percent stockholders for 2003 were complied with, except as follows:

Three of our directors, Messrs. Ignarro, Rubinfeld and Link each inadvertently failed to timely report a grant of stock options.

Three of our former directors, Herbert McDade, Raymond Carnahan and Alexander L. Cappello, each inadvertently failed to file a timely report a grant of stock options.

Mr. Cappello also inadvertently failed to timely report two grants to him of warrants to purchase common stock. Appropriate Forms 4 reporting each of the above transactions were subsequently filed by these individuals.

Certain Relationships and Related Transactions

In May 2003, we entered into an agreement with Cappello Capital Corp. in which Cappello Capital served as our exclusive financial advisor and assisted us with analysis of potential transactions and strategic alternatives. Alexander L. Cappello, who served as a member of our Board of Directors from January 2001 until June 2004, is the Chairman and Chief Executive Officer of Cappello Capital Group, an affiliate of Cappello Capital. As compensation for its services, we paid Cappello Capital a retainer fee of \$20,000 per month for the duration of the agreement, which expired May 15, 2004.

Pursuant to our May 2003 agreement, we also paid Cappello Capital a placement fee of \$408,000 in connection with our May 2003 private equity financing and issued warrants to purchase a total of 367,569 shares of our common stock to certain persons designated by that firm. One of the designees, the Alexander L. and Linda Cappello 2001 Family Trust, was issued warrants to purchase 133,767 shares of our common stock at \$1.85 per share and warrants to purchase 33,132 shares of our common stock at \$3.05 per share. We valued the warrants to purchase 367,569 of shares of our common stock at \$1,060,066 and the warrants issued to the Alexander L. and Linda Cappello 2001 Family Trust to purchase a total of 166,899 shares of our common stock at \$481,357 for financial statement purposes. We believe that the terms under which we engaged Cappello Capital were at least as favorable to us as could have been obtained from an unrelated third party.

Since July 16, 2002, Steven A. Kriegsman has been our Chief Executive Officer and one of our directors. In July 2002, we entered into an agreement with the Kriegsman Capital Group, an affiliate of Mr. Kriegsman, whereby the Kriegsman Capital Group agreed to provide us with office space and certain administrative services. In 2003, we paid a total of approximately \$70,000 to the Kriegsman Capital Group under this agreement. The charges were determined based upon actual space used and estimated percentages of employee time used. We believe that the terms under which we paid the Kriegsman Capital Group for rent and other expenses are at least as favorable to us as could have been obtained from an unrelated third party.

We entered into an agreement, dated as of July 17, 2003 (and subsequently amended on October 18, 2003), with Louis Ignarro, Ph.D., one of our current directors. Pursuant to the agreement, Dr. Ignarro agreed to serve as our Chief Scientific Spokesperson to the medical and financial communities. As payment for his services, Dr. Ignarro was granted a non-qualified stock option under our 2000 Long-Term Incentive Plan to purchase 350,000 registered shares of our common stock at an exercise price equal to \$1.89, the closing price for our common stock on Nasdaq on the date of grant. The option has a term of seven years, vests monthly from July 17, 2003 to October 17, 2003 at the rate of 4,839 shares for each day of services provided by Dr. Ignarro in that month, and vests monthly from October 18, 2003 through the term of the agreement at a monthly rate of 15,975 shares. Either party may terminate the agreement at any time, and any unvested shares under the option as of the date of termination of the agreement will be cancelled. As of December 31, 2003, 62,442 shares of common stock under the option had vested.

Employment Agreements; Change in Control Agreements*Employment Agreement with Steven A. Kriegsman*

Steven A. Kriegsman became our Chief Executive Officer on July 16, 2002 pursuant to a one-year employment agreement with us. Mr. Kriegsman's employment agreement with us was amended and restated as of June 10, 2003 to continue through July 15, 2006. The employment agreement will automatically renew in July 2006 for an additional one-year period, unless either Mr. Kriegsman or we elect not to renew it.

Under his prior employment agreement with us, Mr. Kriegsman was permitted to serve as the President of the Kriegsman Capital Group and its affiliates, otherwise known as The Kriegsman Group. Pursuant to Mr. Kriegsman's amended and restated employment agreement with us, we have agreed that he shall serve on a full-time basis as our Chief Executive Officer and that he may continue to serve as President of The Kriegsman Group only so long as necessary to complete certain current assignments.

Under his prior employment agreement with us, Mr. Kriegsman was paid an annual base salary of \$240,000. Under our amended and restated employment agreement with Mr. Kriegsman, effective July 16, 2003 his annual base salary was increased to \$360,000. Our Board of Directors (or its Compensation Committee) will review the base salary

annually and may increase (but not decrease) the base salary at its sole discretion. In addition to his annual base salary, Mr. Kriegsman is eligible to receive an annual bonus, determined by our board of directors (or its Compensation Committee) in its sole discretion, but not to be less than \$150,000. As a bonus for his services under his prior employment agreement with us, Mr. Kriegsman was paid a cash bonus of \$150,000 on June 16, 2003.

As a bonus for his services under his prior employment agreement with us, Mr. Kriegsman was granted as of June 20, 2003 a fully vested ten-year, nonqualified option under the 2000 Long-Term Incentive Plan to purchase 250,000 shares of our common stock at a price of \$2.47 per share. As an incentive to enter into the amended and restated employment agreement, Mr. Kriegsman was granted as of June 20, 2003 a ten-year, nonqualified option under the Plan to purchase 750,000 shares of our common stock at a price of \$2.47 per share. This option will vest as to 1/3rd of the shares covered thereby on June 20, 2004 and will vest as to the remaining 2/3rds of such shares in monthly installments of 1/24 each on the 20th day of each month thereafter, provided that Mr. Kriegsman remains in our continuous employ.

Table of Contents

Mr. Kriegsman is also eligible to receive additional grants of options to purchase shares of our common stock. The number and terms of those options, including the vesting schedule, will be determined by our board of directors (or its Compensation Committee) in its sole discretion.

In the event we terminate Mr. Kriegsman's employment without cause (as defined), or if Mr. Kriegsman terminates his employment with good reason (as defined), (i) we have agreed to pay Mr. Kriegsman a lump-sum equal to his salary and prorated minimum annual bonus through to his date of termination, plus his salary and minimum annual bonus for a period of two years after his termination date, or until the expiration of the amended and restated employment agreement, whichever is later, (ii) he will be entitled to immediate vesting of all stock options or other awards based on our equity securities, and (iii) he will also be entitled to continuation of his life insurance premium payments and continued participation in any of our health plans through to the later of the expiration of the amended and restated employment agreement or 24 months following his termination date. Mr. Kriegsman will have no obligation in such events to seek new employment or offset the severance payments to him by the Company by any compensation received from any subsequent reemployment by another employer.

Under Mr. Kriegsman's amended and restated employment agreement with us, he and The Kriegsman Group are to provide us during the term of his employment with the first opportunity to conduct or take action with respect to any acquisition opportunity or any other potential transaction identified by them within the biotech, pharmaceutical or health care industries and that is within the scope of the business plan adopted by our board of directors. Mr. Kriegsman's amended and restated employment agreement with us also contains confidentiality provisions relating to our trade secrets and any other proprietary or confidential information, which provisions shall remain in effect for five years after the expiration of the employment agreement with respect to proprietary or confidential information and for so long as our trade secrets remain trade secrets.

Change in Control Agreement with Steven A. Kriegsman

Mr. Kriegsman's amended and restated employment agreement with us contains no provision for payment to him in the event of a change in control of CytRx. If, however, a change in control (as defined in our 2000 Long-Term Incentive Plan) occurs during the term of the amended and restated employment agreement, and if, during the term and within two years after the date on which the change in control occurs, Mr. Kriegsman's employment is terminated by us without cause or by him for good reason, then, to the extent that any payment or distribution of any type to or for Mr. Kriegsman by us resulting from the termination of his employment is or will be subject to the excise tax (Excise Tax) imposed under Section 4999 of the Internal Revenue Code of 1986, as amended, we have agreed to pay Mr. Kriegsman, prior to the time the Excise Tax is payable with respect to any such payment (through withholding or otherwise), an additional amount that, after the imposition of all income, employment, excise and other taxes, penalties and interest thereon, is equal to the sum of (i) the Excise Tax on such payments plus (ii) any penalty and interest assessments associated with such Excise Tax.

Compensation Committee Report On Executive Compensation

The Compensation Committee of the Board of Directors establishes our general compensation practices, establishes the compensation plans and specific compensation levels for executive officers and administers our compensation plans. In establishing base salaries and cash bonuses for executive officers, the Compensation Committee considers relative company performance, the individual's past performance and future potential, and compensation for persons holding similarly responsible positions at other companies in the pharmaceutical and biotechnology industries. The relative importance of these factors varies depending upon the individual's responsibilities; all facts are considered in establishing both base salaries and cash bonuses. When making comparison to other companies, the Compensation Committee generally considers those companies included in the Nasdaq Pharmaceutical Index (see Company Performance).

Table of Contents

The Compensation Committee believes that the Chief Executive Officer's compensation should be influenced by CytRx's performance, although performance for a company engaged in pharmaceutical research and development does not necessarily correlate to profits. The Compensation Committee considers performance to include achievement of product development targets and milestones, effective fund-raising efforts, and effective management of personnel and capital resources, among other criteria. The Compensation Committee also reviews the Chief Executive Officer's compensation in light of the level of similar executive compensation arrangements within the biopharmaceutical industry. The Compensation Committee believes that stock options should be granted to the Chief Executive Officer, as well as to other executives, primarily based on the executive's ability to influence CytRx's long-term growth and profitability. These options and warrants include a combination of tenure-based vesting as well as vesting upon the achievement of corporate objectives. The Compensation Committee believes that this arrangement provides executive officers with the greatest incentive to accelerate achievement of corporate objectives and thereby enhance long-term stockholder value.

Prior to our merger with Global Genomics, the Compensation Committee, in conjunction with the Chief Executive Officer at that time, had established a model composed of salary categories with specified percentages to be applied to the overall level of employees' salaries (including executive officers) to provide a guideline for annual cash bonuses and the number of stock options to be granted. This model was used only as a guideline, as some subjectivity must be applied in evaluating each individual's performance. Steven A. Kriegsman became our Chief Executive Officer and interim Chief Financial Officer, and Kathryn R. Hernandez, our Corporate Secretary, on July 16, 2002. They were our only executive officers until August 16, 2003, when C. Kirk Peacock became our Chief Financial Officer after having served briefly as a consultant to CytRx. In September 2003, in connection with CytRx's acquisition of CytRx Laboratories (formerly known as Araiios, Inc.), we also employed Mark A. Tepper, Ph.D., as President of CytRx Laboratories. Dr. Tepper co-founded Araiios, Inc.

Mr. Peacock resigned from CytRx as of June 15, 2004, and we are in the process of seeking a new Chief Financial Officer. Mr. Kriegsman is serving in the interim as our Chief Financial Officer. We have not reconsidered the aforementioned compensation model for employees, which we plan to review upon our hiring of new executive management employees in light of our current business strategy, management structure and other relevant considerations.

Steven A. Kriegsman's Compensation.

The specific terms of Steven A. Kriegsman's employment agreement are discussed above under Employment Agreement with Steven A. Kriegsman and Change in Control Agreement with Steven A. Kriegsman. Mr. Kriegsman's performance period for purposes of this report is the fiscal year ended December 31, 2003. Under his employment agreement, from the period January 1, 2003 until July 15, 2003, when Mr. Kriegsman and CytRx entered into a new employment agreement, Mr. Kriegsman was paid a salary of \$110,000. In June 2003, on the Compensation Committee's recommendation, our Board of Directors awarded Mr. Kriegsman a bonus of \$150,000. We increased Mr. Kriegsman's annual base salary to \$360,000 effective July 16, 2003 pursuant to the amended and restated employment agreement with him dated as of June 10, 2003. In addition to his annual base salary, the amended and restated employment agreement provides that Mr. Kriegsman is to be eligible to receive a bonus as of each anniversary of the contract date as determined by our Board of Directors (or the Compensation Committee), but in no event to be less than \$150,000.

Apart from his salary and bonus, Mr. Kriegsman is eligible to receive grants of options to purchase shares of our common stock. As a bonus for his services under his prior employment agreement which was in part for work during the performance period covered by this report, Mr. Kriegsman was granted on June 20, 2003 a ten-year, fully-vested nonqualified option under the 2000 Long-Term Incentive Plan to purchase 250,000 shares of our common stock at a price of \$2.47 per share. In connection with his amended and restated employment agreement dated as of June 10,

2003, Mr. Kriegsman was granted a ten-year nonqualified option under the 2000 Long-Term Incentive Plan to purchase an additional 750,000 shares of our common

Table of Contents

stock at a price of \$2.47 per share as discussed above under Employment Agreement with Steven A. Kriegsman. The Compensation Committee will determine in its sole discretion the number and terms of any other options to be granted Mr. Kriegsman, including the vesting schedule, based on Mr. Kriegsman's ability to influence CytRx's long-term growth and profitability and on such other factors as the Compensation Committee deems appropriate. Other than as described above, no options or other awards were granted to Mr. Kriegsman during the performance period covered by this report.

Internal Revenue Code Limits on Deductibility of Compensation.

For 2003, there was no occasion for the Compensation Committee to consider Section 162(m), which limits tax deductions of public companies on compensation to certain executive officers in excess of \$1 million. Where applicable, the Compensation Committee intends to consider the effect of Section 162(m) on its compensation decisions, but it has no formal policy to structure executive compensation so as to be fully deductible for tax purposes.

Respectfully submitted,

Compensation Committee:

Joseph Rubinfeld, Ph.D., Chairman
Marvin R. Selter
Richard L. Wennkamp

Compensation Committee Interlocks and Insider Participation

There are no interlocks, as defined by the Securities and Exchange Commission, with respect to any member of the Compensation Committee. Joseph Rubinfeld, Ph.D., Marvin R. Selter and Richard L. Wennkamp are the current members of the Compensation Committee.

Code of Ethics

We have adopted a Code of Ethics applicable to our principal executive officer, principal financial officer, and principal accounting officer or controller, a copy of which was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, and which is available as described below under OTHER MATTERS Annual Report.

Report of the Audit Committee

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to:

The quality and integrity of CytRx's financial statements and reports.

The independent auditors' qualifications and independence.

The performance of CytRx's internal audit function and independent auditors.

The Audit Committee operates under a written charter adopted by the Board of Directors in April 2003, which was included as an Appendix to CytRx's Proxy Statement for its 2002 Annual Meeting of Stockholders.

Table of Contents

The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor CytRx's financial reporting process and internal control system.

Review and appraise the audit efforts of CytRx's independent accountants and internal audit function.

Provide an open avenue of communication among the independent accountants, internal auditors, CytRx's operational management and the Board of Directors.

The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to CytRx's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of CytRx's financial statements and the ethics programs when established by CytRx management and the Board of Directors. The Audit Committee has the sole authority (subject, if applicable, to stockholder ratification) to appoint or replace the outside auditors and is directly responsible for the compensation of the independent auditors.

The Audit Committee must pre-approve all auditing services and all permitted non-auditing services to be provided by the outside auditors. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the auditors' independence and there are cost or other efficiencies in obtaining such services from the auditors as compared to other possible providers. During fiscal 2003, the Audit Committee approved all of the non-audit services proposals submitted to it.

The Audit Committee met six times during fiscal 2003. The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full access to all of CytRx's books, records, facilities and personnel, and to retain its own legal counsel and other advisers as it deems necessary or appropriate.

As part of its oversight of our financial statements, the Audit Committee reviews and discusses with both management and our outside auditors CytRx's interim financial statements and annual audited financial statements that are included in our Quarterly Reports on Form 10-Q and our Annual Report on Form 10-K, respectively. CytRx management advised the Audit Committee in each case that all such financial statements were prepared in accordance with generally accepted accounting principles and reviewed significant accounting issues with the Audit Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended by SAS No. 90 (Communication with Audit Committees).

Effective January 20, 2004, the Audit Committee terminated the engagement of Ernst & Young LLP as CytRx's independent auditors. The Audit Committee subsequently engaged, and then terminated the engagement of, PriceWaterhouseCoopers LLP, and retained BDO Seidman LLP to audit CytRx's financial statements for fiscal 2003. The Audit Committee also has selected BDO Seidman LLP as CytRx's independent auditors for fiscal 2004. For a discussion of these matters, please refer to the discussion under the heading "Changes in and Disagreements with Accountants on Accounting and Financial Disclosure" elsewhere in this Proxy Statement.

The Audit Committee discussed with BDO Seidman LLP, which audited CytRx's annual financial statements for fiscal 2003, matters relating to its independence, including a review of audit and non-audit fees and the letter and written disclosures made by BDO Seidman LLP to the Audit Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Table of Contents

In addition, the Audit Committee reviewed initiatives aimed at strengthening the effectiveness of our internal control structure. As part of this process, the Audit Committee continued to monitor and review staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of CytRx's audited financial statements in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Respectfully submitted,

Audit Committee:

PROPOSAL II

RATIFICATION OF APPOINTMENT OF AUDITORS

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

Effective as of January 20, 2004, the Audit Committee of our Board of Directors terminated the engagement of Ernst & Young LLP, or E&Y, as our independent auditors. Effective as of January 30, 2004, our Audit Committee engaged PricewaterhouseCoopers LLP, or PwC, as our new independent auditors. During the years ended December 31, 2002 and December 31, 2001 and the subsequent period through January 30, 2004, neither we nor anyone on our behalf consulted with PwC regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that PwC concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of SEC Regulation S-K and the related instructions thereof, or a reportable event, as that term is defined in Item 304(a)(1)(v) of SEC Regulation S-K.

On April 12, 2004, our Audit Committee dismissed PwC as our independent auditors. PwC was dismissed prior to completing its audit procedures and did not issue any report on our financial statements. On April 14, 2004, our Audit Committee engaged BDO Seidman LLP, or BDO, to serve as our independent auditors and to audit our financial statements for the year ended December 31, 2003. Based on our desire to have the audit of these financial statements completed in as expeditious a fashion as possible, our Audit Committee had concluded that it was in our best interests to dismiss PwC and to engage new independent accountants to complete the audit of these financial statements.

During the period from January 30, 2004 through April 12, 2004, there had been no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused it to make reference thereto in its report had it completed an audit and issued a report on our financial statements, except as disclosed in the sixth paragraph below. In addition, for the same period, there had been no reportable events (as defined in SEC Regulation S-K Item 304(a)(1)(v)), except as described in the sixth paragraph below.

In our Current Report on Form 8-K filed with the SEC on April 1, 2004, we indicated that we were reviewing, with the assistance of PwC, the accounting treatment of our July 2002 acquisition of Global Genomics and Global Genomics' assets at the time of its merger with us, which included Global Genomics and its existing investments in two genomics companies, Blizzard and Psynomics. These investments had an aggregate carrying value on our financial statements, as of September 30, 2003, of approximately \$5.87 million. This accounting review delayed the completion of our financial statements for the year ended December 31, 2003 and the filing with the SEC of our Annual Report on Form 10-K for that fiscal year.

Although we had previously disclosed, in our Current Report on Form 8-K dated January 16, 2004, that we would write off our investments in Blizzard and Psynomics in the quarter ended December 31, 2003, the following principal issues were identified during our accounting review:

Whether a portion of the purchase price in our July 2002 merger with Global Genomics (accounted for as a purchase of a group of assets, not a business combination) should have been allocated to an acquired assembled workforce, which would have reduced the amount of the purchase price allocated to the Blizzard and Psynomics investments (\$7,309,000 and \$78,000, respectively) and whether the amount originally determined to be the fair value of the Blizzard investment was overstated.

Table of Contents

Whether an other-than-temporary impairment charge should have been taken by us against the appropriate carrying value of the Blizzard investment earlier than in the fourth quarter of 2003.

The resolution of these issues in a manner that would result in a different accounting than originally reported would have had no effect on our cash or working capital position for any accounting period nor would it have had a material effect on our net worth as of December 31, 2003. One possible resolution could, however, have resulted in our net loss for the year ended December 31, 2002 being materially larger than that reported by us in our financial statements for that year and in our reporting a net worth significantly lower than the net worth we reported in our financial statements for that year. Such a resolution, in turn, could have required a restatement of those financial statements as well as our unaudited financial statements for the quarterly periods ended March 31, 2003, June 30, 2003 and September 30, 2003. Other possible resolutions could have resulted in the recognition of an other-than-temporary impairment charge in an earlier 2003 quarter and could have required a restatement of our unaudited financial statements for that and any subsequent quarter. However, the impact of the resolution of these issues on our net loss for the year ended December 31, 2002 and/or subsequent periods were not readily estimable by us, because it would have depended on the amount of the purchase price to be allocated to other assets and the nature of those assets and the valuation of our investment in Blizzard as of December 31, 2002 and as of the end of each of the three subsequent quarters, each of which would be dependent upon various assumptions and valuation methods.

Based upon the issues raised by PwC we thoroughly re-reviewed, in late March and early April 2004, the prior accounting treatment for the Global Genomics acquisition and the Blizzard investment. This review included, among other things, (i) our submission of additional documentation to PwC, (ii) discussions of these issues by our Audit Committee with PwC, (iii) discussions between PwC and us, (iv) discussions between E&Y and us and (v) the retention of a nationally respected valuation firm to review certain of the methodologies that were used by us in connection with the purchase price allocation for Global Genomics, including amounts, if any, that would be attributable to an acquired assembled workforce and methodologies utilized in our other-than-temporary impairment analyses and to assess what amount of the purchase price for Global Genomics could appropriately have been attributable to an acquired assembled work force, if any.

Following our re-review of the accounting treatment for the purchase price for the Global Genomics merger and the carrying value of the Blizzard investment, we advised PwC, in early April 2004, that we continued to believe that the prior accounting treatment was correct in all material respects. We also advised PwC that our valuation firm had concluded that, even if any amount were to be allocated to an acquired assembled workforce, the valuation of such an acquired workforce would be only \$250,000.

During the course of its engagement PwC informed us that it disagreed with the timing of the fourth quarter 2003 other-than-temporary impairment charge that we had recorded related to our investment in Blizzard. PwC also informed us that PwC needed to significantly expand the scope of its audit procedures with respect to the matters identified above, including procedures designed to understand the impact, if any, of certain third party comments regarding indicators of value, and that it had not completed audit procedures regarding the nature and timing of our impairment of Blizzard and the original purchase price allocation upon our acquisition of Global Genomics in 2002.

E&Y's report on our financial statements for the years ended December 31, 2001 and December 31, 2002 did not contain any adverse opinion or a disclaimer of an opinion or any qualification as to uncertainty, audit scope or accounting principles. In connection with E&Y's audits for those years there were no disagreements or reportable events as defined in Item 304 of SEC Regulation S-K, except as described in this paragraph. However, we were informed by E&Y, in April 2004, that, until such time as the impact of the third party comments regarding indicators of value concerning Blizzard, referred to by PwC, were further evaluated, E&Y was not able to conclude as to whether the prior accounting treatment was appropriate in all material respects. E&Y advised us that, depending upon the outcome of those procedures, the financial statements for the year ended December 31, 2002, audited by E&Y, or the unaudited interim financial

statements for the quarters ended March 31, June 30, and September 30, 2003, might require restatement. However, at no time did E&Y withdraw its opinion on our 2002 audited financial statements.

A special committee consisting of two of our Audit Committee members subsequently performed an evaluation of the impact of the third party comments regarding indicators of value concerning Blizzard. This special committee concluded that we did not withhold from E&Y any documents that would have changed the conclusions reached by E&Y relative to the carrying value of Blizzard and its audit of our financial statements. After reviewing this evaluation, E&Y advised us that it had concluded that our audited 2002 financial statements and our unaudited interim financial statements for the quarters ended March 31, 2003 and June 30, 2003 did not require any restatement.

In connection with its audit of our financial statements for the fiscal year ended December 31, 2003, BDO advised us that, although we had a reasonable basis to take the Blizzard impairment charge in the fourth quarter of 2003, it would be more appropriate to take this charge in the third quarter of 2003. After further review of the issues relating to the timing of this charge, we determined in May 2004 that this charge should be taken in the third quarter of 2003. We subsequently filed an amendment in May 2004 to our Form 10-Q for the period ended September 30, 2003 to reflect our taking this charge in that period.

During our two fiscal years ended December 31, 2002 and December 31, 2003 and the interim period through the date of our engagement of BDO to perform the audit of our financial statements for the year ended December 31, 2003, we did not consult with BDO regarding (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that BDO concluded was an important factor considered by us in reaching a decision as to an accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in paragraph 304(a)(1)(iv) of SEC Regulation S-K and the related instructions to this item) or a reportable event (as described in paragraph 304(a)(1)(v) of SEC Regulation S-K), except as follows:

On April 3, 2004, our Audit Committee engaged BDO to perform an extensive number of specified procedures with respect to our financial statements for the year ended December 31, 2003 which did not constitute an examination or review of those financial statements but which would assist BDO in completing an audit of those financial statements in a timely fashion in the event the Audit Committee subsequently engaged BDO to audit those financial statements. Subsequent to engaging BDO to perform these preliminary procedures, we consulted with BDO concerning the need to include separate audited financial statements of Blizzard in our Annual Report on Form 10-K for the fiscal year ended December 31, 2003. BDO orally advised us that separate audited Blizzard financial statements were required to be included in our Annual Report. This advice was consistent with the advice previously received by us from PwC on this issue, no disagreement on this issue existed between PwC and us, and we subsequently filed these financial statements in our Annual Report, together with our financial statements.

During the course of BDO's performance of the above preliminary procedures, we did not solicit or receive any oral or written opinion from BDO with respect to the proper accounting treatment for the allocation of the purchase price paid by us in connection with our merger with Global Genomics or the subsequent carrying value of our investment in Blizzard. However, we did discuss with BDO our views on the proper accounting treatment for these items and provided BDO with certain of our accounting records, a valuation analysis prepared by a valuation firm in 2002 utilized by management in connection with its allocation of the purchase price for the Global Genomics merger and an analysis prepared in April 2004 by another valuation firm covering certain aspects of the allocation of that purchase price and the subsequent carrying value of Blizzard.

Appointment of BDO Seidman LLP

As discussed above, in April 2004 we engaged BDO to audit our financial statements for the year ended December 31, 2003. E&Y previously served as our independent auditors and audited our financial statements for the year ended December 31, 2002. Neither BDO nor E&Y have or had any financial interest, direct or indirect, in CytRx, and neither has or had any connection with CytRx except in its professional capacity as our independent auditors.

Our Audit Committee has reappointed BDO to serve as our independent auditors for the year ending December 31, 2004. The ratification by our stockholders of the appointment of BDO is not required by law or by our Bylaws. Our Board of Directors, consistent with the practice of many publicly held corporations, is nevertheless submitting this appointment for ratification by the stockholders. The affirmative vote of a majority of the votes cast is required for ratification. If this appointment is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its appointment of BDO. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent accounting firm
