Item 1.01. Entry into a Material Definitive Agreement.

Please see the disclosure below under Item 2.03, which disclosure is incorporated into this Item 1.01 relating to agreements entered into in connection with the issuance of \$150 million of Series F Senior Notes and \$50 million of Series G Senior Notes by NRP (Operating) LLC.

Item 2.03. Creation of a Direct Financial Obligation.

Issuance of Senior Notes

On March 25, 2009, NRP (Operating) LLC, a wholly owned subsidiary of Natural Resource Partners L.P., entered into a Third Supplement to Note Purchase Agreements with various note purchasers. The Third Supplement relates to the issuance of \$150 million of 8.38% Series F Senior Notes that mature on March 25, 2019 and the issuance of \$50 million of 8.92% Series G Senior Notes that mature on March 25, 2024. Most of the proceeds from the issuance of the notes were used to eliminate all borrowings outstanding under NRP's revolving credit facility, and the remainder will be used to fund the remaining balance of the Macoupin acquisition.

Both tranches of the senior notes have semi-annual interest payments. Principal is payable on the \$150 million notes in equal annual installments commencing March 2013 with a final maturity in March 2019. Principal is payable on the \$50 million tranche in equal annual installments beginning March 2014 with a final maturity in March 2024. Both series of the senior notes are unsecured and are guaranteed by subsidiaries of NRP Operating.

The Third Supplement to Note Purchase Agreements is attached to this Form 8-K as Exhibit 4.1. The press release announcing the issuance of the notes is attached to this Form 8-K as Exhibit 99.1.
