IGS provides services in the investigation and location of defaulted borrowers and assets, also known as skip tracing, to sub-prime and prime auto lenders. Based in Las Vegas, Nevada, IGS has a workforce of about 50 employees. Mr. Snead and IGS's top management team have agreed to join Buyer and in connection therewith have executed employment and non-competition agreements with Buyer.

The Agreement contains representations and warranties by the Company and Parent, on the one hand, and IGS and Mr. Snead, on the other hand, about matters that are customarily included in asset purchase agreements where the issuance of securities are part of the consideration for the purchase. For the Company and Buyer, these matters include the organization of Buyer, authorization, no conflicts, consents, brokers, legal proceedings, issued shares and disclosure. For IGS and Mr. Snead, these matters include the organization and qualification of IGS, authorization, no conflicts, consents, transferability of assets, financial statements, no material adverse changes, ownership of shares, transactions with affiliates, title to assets, condition of assets, compliance with contracts, accounts receivables, intellectual property, commissions, taxes, environmental matters, permits, compliance with laws, brokers, employee matters, insurance, legal proceedings, securities act compliance and disclosure.

Both Company and Parent, on the one hand, and IGS and Mr. Snead, on the other hand, have agreed to indemnify the other party from any loss due to any inaccuracy in or any breach of any representations, warranties, covenants or agreements in the Agreement, for two years (longer with respect to certain limited provisions) following the acquisition.

There are no material relationships between the Company and IGS or between the Company and any of IGS's affiliates, directors or officers, or associates of any of such directors or officers, other than in respect of the agreements described above and related matters.
