Subject: 2009 Annual Meeting / Proxy and Annual Report to Shareholders

Every year, Ciena shareholders have the opportunity to participate directly in the governance of our company through the proxy voting process.

This year, Ciena is again taking advantage of the SEC's Notice and Access rule that allows us to furnish proxy materials to shareholders via the Internet as an alternative to traditional mailed delivery of printed materials.

If you were a Ciena shareholder as of January 26, 2009, the record date for the Annual Meeting, you will soon receive a Notice that your proxy materials are available online. The Notice will also detail the items up for shareholder consideration at this year's Annual Meeting. By following the instructions included in your Notice, you can view our proxy materials, request that printed copies be sent to you by mail and vote your shares.

By implementing the Notice and Access rule, Ciena has reduced the number of printed copies of our annual report and proxy materials considerably, lowering the cost of producing and delivering these materials and reducing the associated environmental impact of our Annual Meeting.

Even if you are not a shareholder, you may be interested in reviewing our 2008 annual report and proxy statement for the Annual Meeting - both are available online: [http://www.ciena.com/investors/investors\\_IR\\_Kit.htm](http://www.ciena.com/investors/investors_IR_Kit.htm) and printed copies are available upon request by completing the information request form here:

<http://phx.corporate-ir.net/phoenix.zhtml?c=99134&p=irol-inforeq>

As we have in the past, we will ensure each major Ciena facility has a supply of printed annual reports for distribution to employees, customers and visitors as needed. These printed copies will be sent to the receptionist or facilities coordinator at each location in the coming days.

Answers to what we expect will be some frequently asked questions about the 2009 Annual Meeting can be found on the IR portion of Ciena's website: [http://www.ciena.com/investors/investors\\_meeting\\_faq.htm](http://www.ciena.com/investors/investors_meeting_faq.htm).
