ITEM 7.01 REGULATION FD DISCLOSURE

On November 24, 2004, Ashford Hospitality Trust, Inc. (Ashford or the Company) issued a press release indicating that Ashford would provide an online simulcast of its presentation to the investment community at the Friedman, Billings, Ramsey 11th Annual Investor Conference in New York City. The presentation took place on Wednesday, December 1, 2004, at 11:00 a.m. Eastern Time. The live simulcast of Ashford s presentation is available online at the Company s website at www.ahltreit.com as well as <http://wsw.com/webcast/fbr7/aht>. The online replay will be available for 60 days.

In this presentation, in response to a question about the Company s expectations for dividend growth in the future, Monty Bennett, President and Chief Executive Office of Ashford, indicated generally that the Company is inclined and would like to continue to grow its dividend to shareholders. The timing for this growth is being discussed internally. The Company currently is considering whether it is better to increase the dividend for the fourth quarter of 2004, to a stabilized dividend which would be maintained consistent for the year 2005 or longer, or to take a more cautious approach by keeping the dividend flat for the fourth quarter and growing it slightly to a Company goal of \$0.18 per quarter until the Company has additional operational history for the its recently acquired assets.

Mr. Bennett further indicated that to date, Company guidance with respect to the fourth quarter has been that the dividend would be maintained flat with the possibility of growth. Mr. Bennett further indicated that the Company probably would not increase its dividend above the goal of \$0.18 per quarter until, at the earliest, late 2005, or 2006, as the Company s portfolio grows.
