*General Information*

On March 20, 2006, the Company, ACS Commercial Solutions, Inc., ACS Education Services, Inc., ACS Enterprise Solutions, Inc., ACS HR Solutions, LLC, ACS Outsourcing Solutions, Inc., ACS State & Local Solutions, Inc., ACS State Healthcare, LLC, ACS TradeOne Marketing, Inc., Buck Consultants, LLC, ACS Worldwide Lending Limited and certain other subsidiaries of the Company entered into a Credit Agreement with Citicorp USA, Inc., as Administrative Agent (Citicorp), Citigroup Global Markets Inc., as Sole Lead Arranger and Book Runner, with Morgan Stanley Bank, SunTrust Bank, Bank of Tokyo-Mitsubishi UFJ, Ltd., Wachovia Bank National Association, Bank of America, N.A., Bear Stearns Corporate Lending and Wells Fargo Bank, N.A., as Co-Syndication Agents, and various other agents, lenders and issuers (the Credit Facility). The Credit Facility provides for a senior secured term loan facility (the Term Loan Facility) and a senior secured revolving credit facility of up to \$1.0 billion (the Revolving Facility), each of which is described more fully below. At the closing of the Credit Facility, the Company and certain of its subsidiaries jointly borrowed approximately \$800 million under the Term Loan Facility and approximately \$93 million under the Revolving Facility. The Company used the proceeds of the Term Loan Facility to finance the purchase of shares of its Class A common stock tendered in the Company's Dutch Auction tender offer which expired on March 17, 2006, to refinance approximately \$288 million in outstanding indebtedness under the Prior Facility discussed above and to pay related transaction costs, fees and expenses. A portion of the proceeds of the Revolving Facility were used to refinance approximately \$65 million in outstanding indebtedness under the Prior Facility. The remainder of the proceeds of the Revolving Facility will be used for working capital purposes. In addition, approximately \$114 million of letters of credit were issued under the Credit Facility to replace letters of credit outstanding under the Prior Facility.

The following summaries of the Credit Facility and the pledge agreements are qualified in their entirety by reference to the full text of such agreements, copies of which are attached as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6 hereto and incorporated by reference herein.

*The Term Loan Facility*

Amounts borrowed by the Company under the Term Loan Facility will have a 7-year maturity and will amortize in quarterly installments in an aggregate annual amount equal to 1% of the original principal amount, with the balance payable on the final maturity date. Interest on the outstanding balances under the Term Loan Facility is payable, at the Company's option, at a rate equal to the Applicable Margin (as defined in the Credit Facility) plus the fluctuating Base Rate (as defined in the Credit Facility), or at the Applicable Margin plus the current LIBO Rate (as defined in the Credit Facility). The Company expects the interest rate on the Term Loan Facility to be set at an initial borrowing rate of not more than LIBOR plus 200 basis points.

*The Revolving Facility*

The proceeds from the Revolving Facility will be used as needed by the Company for general corporate purposes. Amounts under the Revolving Facility will be available on a revolving basis commencing on the closing date and ending on the sixth anniversary of the closing date. Portions of the Revolving Facility will be available for issuances of up to \$700,000,000 of letters of credit and borrowings of up to the U.S. dollar equivalent of \$150,000,000 of swing loans. Interest on the outstanding balances under the Revolving Facility is payable, at the Company's option, at a rate equal to the Applicable Margin plus the fluctuating Base Rate, or at the Applicable Margin plus the current LIBO Rate. The Company expects the interest rate on the Revolving Facility to be set at an initial borrowing rate of not more than LIBOR plus 125 basis points.

*Incremental Facilities*

The Credit Facility includes an uncommitted accordion feature of up to \$750,000,000 in the aggregate allowing for future incremental borrowings under either the Term Loan Facility or the Revolving Facility, which may be used for general corporate purposes. The Credit Facility also includes an additional uncommitted accordion feature of up to \$3.0 billion allowing for future incremental borrowings under the Term Loan Facility to fund purchases of the Company's equity and debt securities.

*Security and Guarantees*

Obligations under the Credit Facility have been guaranteed by the Company and substantially all of its domestic direct and indirect material subsidiaries and certain of its foreign material subsidiaries (but only to the extent that it would not result in materially adverse tax consequences). In addition, Credit Facility obligations are secured under certain pledge agreements by (i) a first priority perfected pledge of all notes owned by the Company and the guarantors and the capital stock of substantially all of the Company's domestic subsidiaries and certain of its foreign material subsidiaries (subject to certain exceptions, including to the extent the pledge would give rise to additional SEC reporting requirements for the Company's subsidiaries or result in materially adverse tax consequences), and (ii) a first priority perfected security interest in all other assets owned by the Company and the guarantors, subject to customary exceptions. As required under the indentures governing the Company's outstanding 4.70% and 5.20% Senior Notes, the Company has granted equal and ratable liens in favor of the holders of the Senior Notes in all assets discussed above other than the accounts receivable of the Company and its subsidiaries.

*Fees*

Among other fees, the Company will pay a commitment fee (payable quarterly) based on the amount of unused commitments under the Revolving Facility (not including the uncommitted accordion feature discussed above). The Company will also pay fees with respect to any letters of credit issued under the Credit Facility.

*Covenants and Events of Acceleration*

The Credit Facility contains customary covenants, including but not limited to, restrictions on the Company's ability, and in certain instances, its subsidiaries' ability, to incur liens, merge or dissolve, make certain restricted payments, or sell or transfer assets. The Credit Facility also limits the Company's and its subsidiaries' ability to incur additional indebtedness.

**Table of Contents**

Upon the occurrence of certain events of default, the Company's obligations under the Credit Facility may be accelerated and the lending commitments under the Credit Facility terminated. Such events of default include, but are not limited to, payment default to lenders, material inaccuracies of representations and warranties, covenant defaults, material payment defaults with respect to indebtedness or guaranty obligations, voluntary and involuntary bankruptcy proceedings, material money judgments, material ERISA events, or change of control of the Company.
