**SECTION 5 Corporate Governance and Management**

**ITEM 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

The Board of Directors (the Board ) of Phoenix Technologies Ltd. (the Company ) has amended the bylaws of the Company (the Bylaws ), effective September 19, 2007 as described below.

1. Majority Voting for Director Elections.

Article I, Section 2 of the Bylaws has been replaced in its entirety with the following provision, which provides that in uncontested elections, directors shall be elected by a majority of the votes cast with respect to such director:

An annual meeting of stockholders for the election of directors and for the transaction of such other business as may properly come before the meeting shall be held at such date, time and place, either within or without the State of Delaware, as the Board of Directors shall each year fix. Except as otherwise provided in the Amended and Restated Certificate of Incorporation of the corporation, each director shall be elected by the vote of the majority of the votes cast with respect to the director at any meeting for the election of directors at which a quorum is present, provided that if as of a date that is fourteen (14) days in advance of the date the corporation files its definitive proxy statement (regardless of whether or not thereafter revised or supplemented) with the Securities and Exchange Commission the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. For purposes of this Section, a majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast against that director. The Nominating and Corporate Governance Committee has established procedures under which any director who is not elected shall offer to tender his or her resignation to the Board. The Nominating and Corporate Governance Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. If, for any cause, the Board of Directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient at a special meeting of the stockholders called for that purpose in the manner provided in these By-laws.

Article I, Section 2 of the Bylaws previously provided that directors would be elected by the vote of holders of a plurality of the shares entitled to vote on the election of directors, as follows:

An annual meeting of stockholders shall be held at such date, time and place, either within or without the State of Delaware, as the Board of Directors shall each year fix. At such annual meeting, the stockholders shall elect by a plurality vote directors to succeed

those whose terms expire and shall transact such other business as may properly be brought before the meeting.

**2. Electronic Consent**

Article II, Section 7 of the Bylaws has been amended as follows to specifically allow Board members to give consent via electronic transmission to unanimous board actions.

Unless otherwise restricted by the certificate of incorporation or these by-laws, any action required or permitted to be taken at any meeting of the board of directors or of any committee thereof may be taken without a meeting, if all members of the board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the board or committee.

Article II, Section 7 of the Bylaws previously read as follows and did not provide for consent by electronic transmission:

Unless otherwise restricted by the certificate of incorporation or these by-laws, any action required or permitted to be taken at any meeting of the board of directors or of any committee thereof may be taken without a meeting, if all members of the board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the board or committee.

**3. Book-entry Shares**

The following sentence has been added to the beginning of Article V, Section 1 of the Bylaws to specifically permit the issuance and transfer of uncertificated ( book-entry ) shares of the Company s stock:

The shares of the corporation may be certificated or uncertificated, as permitted under Section 158 of the Delaware General Corporation Law.

The descriptions in this Item 5.03 of the amendments to the Bylaws are qualified in their entirety by reference to the full text of the Amended and Restated Bylaws of the Company attached as Exhibit 3.1 to this Report.
