ITEM 2. ACQUISITION OF ASSETS

On October 5, 2001, Brooks Automation, Inc. acquired substantially all of the assets of General Precision, Inc. ("GPI"), in exchange for 850,000 shares of our Common Stock (the "Brooks Shares"), subject to adjustment based upon calculation of the net book value of the assets on the closing date. GPI is a leading supplier of high-end environmental solutions for the semiconductor industry. GPI, headquartered in Valencia, California, is a leader in state-of-the-art environmental control systems and products to support critical processes. GPI is a leader in the design, development and manufacture of state-of-the-art products which provide contamination control, process isolation and precise temperature/humidity control solutions to support a wide variety of critical processes and manufacturing applications for the semiconductor, disc-drive, pharmaceutical and aerospace industries.

## Edgar Filing: BROOKS AUTOMATION INC - Form 8-K

The Brooks Shares were issued pursuant to the exemption from registration contained in Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"). However, in connection with the acquisition, we agreed to file a registration statement on Form S-3 within 60 days after the closing date covering the resale by holders of the Brooks Shares.

The terms of the acquisition of GPI are more fully described in the Asset Purchase Agreement dated October 5, 2001, between GPI and us, filed as an exhibit to this Form 8-K.

The terms of the transaction and the consideration received by the parties were a result of arm's length negotiations between our representatives and representatives of GPI. Prior to the completion of the transaction, we had no material relationship with GPI.
