THE BOSTON BEER COMPANY, INC.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Boston Beer Company, Inc. (the Company) for use at the 2006 Annual Meeting of Stockholders to be held on Tuesday, May 23, 2006, at the time and place set forth in the notice of the meeting, and at any adjournments thereof. The approximate date on which this Proxy Statement and form of proxy are first being mailed to stockholders is April 14, 2006.

If the enclosed proxy is properly executed and returned, it will be voted in the manner directed by the stockholder. If no instructions are specified, proxies will be voted in favor of the election of directors as set forth in this proxy statement. In addition, if other matters come before the meeting, the persons named in the accompanying proxy and acting thereunder will have discretion to vote on these matters in accordance with their best judgment. Any person giving the enclosed form of proxy has the power to revoke it by voting in person at the meeting, or by giving written notice of revocation to the Clerk of the Company at any time before the proxy is exercised. Please note, however, that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

The holders of a majority in interest of the issued and outstanding Class A Common Stock are required to be present in person or to be represented by proxy at the meeting in order to constitute a quorum for the election of the Class A Directors. The election of each of the nominees for Class A Director, as set forth below in this Proxy Statement in greater detail, will be decided by plurality vote of the holders of Class A Common Stock present in person or represented by proxy at the Meeting. The affirmative vote of the sole holder of the outstanding shares of Class B Common Stock, voting in person or by proxy at the meeting, is required to elect the Class B Directors, also as set forth below in this Proxy Statement in greater detail.

Abstentions and non-votes are counted as present in determining whether the quorum requirement is satisfied. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election of directors.

The Company will bear the cost of the solicitation. In addition to mailing this material to shareholders, the Company has asked banks and brokers to forward copies to persons for whom they hold stock of the Company and request authority for execution of the proxies. The Company will reimburse the banks and brokers for their reasonable out-of-pocket expenses in doing so. Officers and regular employees of the Company, without being additionally compensated, may solicit proxies by mail, telephone, telegram, facsimile or personal contact. All reasonable proxy soliciting expenses will be paid by the Company in connection with the solicitation of votes for the Annual Meeting.

The Company's principal executive offices are located at 75 Arlington Street, Boston, Massachusetts 02116, telephone number (617) 368-5000.

RECORD DATE AND VOTING SECURITIES

Items 1 and 2. *ELECTION OF CLASS A AND CLASS B DIRECTORS*

Upon the recommendation of the Nominating/Governance Committee, the Board of Directors proposes that the initial number of Directors for the ensuing year be fixed at seven (7), consisting of three (3) Class A Directors to

be elected by the holders of the Class A Common Stock for a term of one (1) year, and four (4) Class B Directors to be elected by the sole holder of the Class B Common Stock, also for a term of one (1) year, reserving the right of the sole holder of the Class B Common Stock to increase the number of Class B Directors to up to seven (7) at such time as he deems appropriate and to elect up to three (3) additional Class B Directors accordingly.

It is proposed that the holders of the Class A Common Stock elect each of the three (3) nominees for Class A Director to serve for a term of one (1) year and until his successor is duly elected and qualified or until he sooner dies, resigns or is removed.

It is anticipated that the sole holder of the Class B Common Stock will elect each of the four (4) nominees for Class B Director also to serve for a term of one (1) year and until his successor is duly elected and qualified or until he sooner dies, resigns or is removed. Three (3) of the four (4) nominees for Class B Directors are either Executive Officers of the Company or immediate family members of such Executive Officers.

The persons named in the accompanying proxy will vote, unless authority is withheld, for the election as Class A Directors of the three (3) nominees named below. In the event that any of the nominees should become unavailable for election, which is not anticipated, the persons named in the accompanying proxy will vote for such substitute nominees as the incumbent Class A Directors, acting pursuant to Section 4.8 of the Company's By-Laws as a nominating committee, may nominate. During the Company's 2005 fiscal year, there were five (5) regular meetings of the Board of Directors of the Company. All of the Directors attended, either in person or by telephone, all board meetings and all meetings of the Committees of the Board of Directors on which they served.

Table of Contents

As of the date of this Proxy Statement, the Board has eight (8) directors and three (3) standing committees, namely, the Audit Committee, the Compensation Committee and the Nominating/Governance Committee. Robert N. Hiatt, a Class A Director since 1998, will be retiring from the Board at the end of his current term. Committee membership during the last fiscal year and the function of each committee are described below. Each of the committees operates under a written charter adopted by the Board.

In October 2005, the Compensation Committee considered a study prepared by an independent executive compensation consulting firm with respect to compensation of non-management Directors. As a result, certain adjustments were made to non-management Director compensation to take effect in 2006. Each year non-management directors receive \$7,500 as an annual retainer, as well as an option grant for 5,000 shares of the Company's Class A Common Stock. In 2005, members of the Audit Committee received an additional annual retainer of \$10,000, which, in 2006 will be reduced to \$9,000, except for the Chairman of the Audit Committee who will receive an annual retainer of \$11,000 for his services as a member and Chairman. Each Committee Chair received an additional annual retainer of \$1,000 in 2005, which amount will be increased to \$2,500 in 2006 for the Chairmen of the Compensation and Nominating/Governance Committees. In 2006, non-management Directors other than Chairman will receive an annual retainer of \$500 for each Committee of which such Director is a member. All retainers and the annual option grant are pro rated if the non-management Director is appointed after the annual meeting of stockholders.

Non-management directors also receive compensation for attending Board and Committee meetings as follows: \$2,500 was paid in 2005 for each Board meeting attended in person, which amount has been increased to \$3,000 effective January 1, 2006; \$1,000 for each Board meeting attended by telephone; \$500 for each Committee meeting attended in person in 2005, which amount has been increased to \$750 effective January 1, 2006; and \$200 for each Committee meeting attended by telephone. The first time a non-management director is elected to the Board of Directors, he or she receives an option grant for 5,000 shares of the Company's Class A Common Stock pursuant to the Company's Non-Employee Director Stock Option Plan, as amended. On February 14, 2003, the Board of Directors voted to make a one-time option grant for 5,000 shares to all current non-management directors upon their re-election to the Board. All options to non-management directors are granted under the Company's Non-Employee Director Stock Option Plan, as amended and restated, pursuant to which options are granted at the fair market value on the date of grant, are immediately vested and will expire the earlier of 10 years or 3 years after the grantee ceases to be a director of the Company. In October 2004, the Non-Employee Director Stock Option Plan was amended and restated by action of the sole Class B Stockholder, pursuant to which the number of shares of Class A Common Stock available for issuance under the Plan was increased from 200,000 shares to 350,000 shares.

In 2005, non-management directors received the following cash compensation:

Name	Cash Compensation	
David A. Burwick	\$	24,500
Pearson C. Cummin, III	\$	36,600
Robert N. Hiatt	\$	36,600
Charles Joseph Koch	\$	14,000
Jean-Michel Valette	\$	43,400(1)

The Committee assesses and reviews with the full Board at least annually the skills and characteristics that should be reflected in the composition of the Board as a whole. The review includes an examination of the extent to which the requisite skills and characteristics are reflected in the then current Board members and seeks to identify any particular qualifications that should be sought in new directors for the purpose of augmenting the skills and experience represented on the Board. The assessment takes into account issues of experience, judgment, age and diversity in aspects of business relevant to the Company's affairs, all in the context of

**COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION⁽¹⁾**

Compensation Philosophy. The Company's executive compensation system is comprised of base salaries, annual bonuses based upon specific performance objectives and the Company's overall performance, and stock option and restricted stock grants. The Compensation Committee of the Board of Directors (the Committee), reviews executive officer compensation annually. Executive compensation is designed to be competitive within the alcoholic beverages industry and other companies of comparable size and complexity, so as to enable the Company to continue to attract and retain talented and motivated individuals in key positions.

Compensation paid to the Company's executive officers is intended to reflect the responsibility associated with each executive officer's position, the past performance of the specific executive officer, the goals of management and the profitability of the Company.

In 2005, the Compensation Committee devoted particular attention to developing specific goals and objectives to be achieved by the Chairman and the Chief Executive Officer in 2006 and bonus potential related to the achievement of those goals. In addition, the Committee strengthened its evaluation process for overall performance by the Chairman and the Chief Executive Officer, as well as established criteria for evaluation of other senior executive officers of the Company.

Equity-Based Compensation. As a result of the Compensation Committee's review of executive compensation and a study presented by an independent executive compensation consulting firm, the Compensation Committee devoted significant attention to the equity-based compensation under the Company's Employee Equity Incentive Plan (the EEIP). One feature of the EEIP, is the Discretionary Option, which has been used by the Compensation Committee as an integral part of the overall compensation approach for the officers and senior managers of the Company. Further, in December 2005, upon the recommendation of the Compensation Committee, the Board of Directors amended the EEIP to include Restricted Stock Awards as another feature of the plan designed to provide incentive to the Company's key employees to increase the market value of the Company's stock, thus linking corporate performance and stockholder value to executive, senior manager and key employee compensation.

The EEIP calls for the Compensation Committee to make recommendations to the full Board with respect to the grant of Discretionary Options and Restricted Stock Awards. In recommending these grants, the Compensation Committee takes into account the position and responsibilities of the optionee being considered, the nature and value to the Company of his or her service and accomplishments, his or her present and potential contributions to the success of

the Company and such other factors as the Compensation Committee deems relevant. In carrying out these responsibilities in 2005, the Committee met with the Company's Chairman in October to review

Management's preliminary recommendations with respect to Discretionary Options and Restricted Stock Awards to be granted effective January 1, 2006. The Compensation Committee met again with the Chairman in December to review final recommendations to be made to the Board of Directors in the context of the overall compensation plan for executives. Based on this review, the Committee recommended that the EEIP be amended to include Restricted Stock Awards for key employees. Upon the recommendation of the Compensation Committee, the Board granted Discretionary Options covering an aggregate of 79,000 shares of Class A Common Stock, effective as of January 1, 2006. Of this number, options covering 41,500 shares of Class A Common Stock were granted to the named executive officers of the Company, constituting 53% of the total options granted. All options granted to the named executive officers were contingent options, whereby the actual number of shares as to which the option shall become exercisable in any year, if any, is dependent upon the Company's performance as measured against a benchmark determined by the Company's Board of Directors. In addition, upon the recommendation of the Compensation Committee, the Board of Directors awarded a total of 32,079 shares of Restricted Stock under the amended EEIP to senior managers and key employees, effective as of January 1, 2006.

The EEIP also contains a so-called Investment Share program, pursuant to which all employees who have been employed by the Company for at least one year may purchase shares of the Company's Class A Common Stock at a discount of up to 40% based on years of service. In December 2005, the Committee adopted a policy precluding the Chairman and the Chief Executive Officer from further participation in the Investment Share program.

Up to an aggregate of 3,687,500 shares of Class A Common Stock may be issued under the EEIP. As of March 7, 2006, there were approximately 124,000 shares of Class A Common Stock available for grant under the EEIP.

Compensation of Chief Executive Officer. The Compensation Committee reviewed and approved the compensation paid to Martin F. Roper as the Company's Chief Executive Officer during 2005. In February 2005, the Committee set Mr. Roper's annual base salary for 2005 at \$567,000 and established bonus opportunities for him equal to 80% of his 2005 salary, with an incremental 64% tied to achieving certain goals that would require substantial out-performance of the Company's financial plan for the year. Mr. Roper's objectives for 2005 as a percentage of his bonus opportunities, including the out-performance goals, were (i) depletions growth and other revenue goals 56%, (ii) increased gross profit and other cost reductions 17%, and (iii) strategic initiatives and stock price 28%. In February 2006, the Committee approved a bonus of \$225,000, based on its assessment of Mr. Roper's achievement against those objectives and the overall performance of the Company in 2005. In December 2005, the Committee established bonus opportunities for Mr. Roper in 2006 equal to 80% of his 2006 salary, with an incremental 64% tied to achieving certain goals that would require substantial out-performance of the Company's financial plan for the year. The objectives for 2006 as a percentage of Mr. Roper's bonus opportunities, including the out-performance goals, are (i) depletions growth 52.8%, (ii) increased gross profit 16.7%, (iii) cost reductions and other strategic initiatives 13.8%, and (iv) stock price 16.7%. In February 2006, the Compensation Committee set Mr. Roper's annual base salary for 2006 at \$606,700

Also, in June 2005, upon the recommendation of the Compensation Committee, the Board of Directors granted Mr. Roper an option to acquire 300,000 shares of the Company's Class A Common Stock pursuant to the EEIP with an exercise price equal to the fair market value as of the date of grant. The option vests, provided certain criteria are met, on May 1, 2008 with respect to 180,000 shares, and on May 1, 2010 with respect to the remaining 120,000 shares. Vesting criteria relate to volume growth and increased earnings, in each case relative to certain benchmarks as determined by the Compensation Committee. If the criteria are not met on the applicable vesting date, then the option will lapse with respect to the subject shares. In addition, the option provides for partial accelerated vesting in the event of Mr. Roper's death or total disability or termination of employment by the Company not for cause prior to May 1, 2008, or in the event of a change in control pursuant to which C. James Koch or members of his family no longer control a majority of the Company's issued and outstanding Class B Common Stock.

Compensation of Chairman. The Compensation Committee also reviewed and approved the compensation paid to C. James Koch, the Chairman and a full-time employee of the Company, in 2005. In February 2005, the Committee set Mr. Koch's annual base salary for 2005 at \$195,000 and established bonus opportunities for him equal to 100% of his 2005 salary based on the following objectives as a percentage of his bonus opportunities for

Table of Contents

2005: (i) depletions growth 30%, (ii) relative depletions growth 30%, (iii) gross profit 15%, and (iv) stock price 25%. In February 2006, the Committee approved a bonus of \$250,000, based on its assessment of the overall performance of the Company in 2005. In December 2005, the Committee established bonus opportunities for Mr. Koch in 2006 equal to 100% of his 2006 salary. The objectives for 2006 as a percentage of Mr. Koch's bonus opportunities are (i) depletions growth 30%, (ii) relative depletions growth 30%, (iii) gross profit 15%, and (iv) stock price 25%. In February 2006, the Compensation Committee set Mr. Koch's annual base salary for 2006 at \$250,000. In addition, upon the recommendation of the Committee, in February 2006, the Board granted to Mr. Koch an option to acquire 15,000 shares of the Company's Class A Common Stock under the EEIP, with contingent vesting on the same basis as those granted to other executives on January 1, 2006.

Tax Limitation. Section 162(m) of the U.S. Internal Revenue Code limits the tax deductibility by a corporation of compensation in excess of \$1,000,000 paid to the Chief Executive Officer and any other of its four most highly compensated executive officers. However, compensation which qualifies as performance-based is excluded from the \$1,000,000 limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by stockholders. Mr. Roper's bonuses and stock option grants have been approved by the sole holder of the Company's Class B Common Stock, that acts with sole authority on such matters, in accordance with the requirements of Section 162(m).

The Compensation Committee does not presently expect that total cash compensation to any individual executive, other than Mr. Roper, will exceed \$1,000,000. The Compensation Committee will continue to monitor the compensation levels potentially payable under the Company's compensation programs, but intends to retain the flexibility necessary to provide total compensation in line with competitive practice, the Company's compensation philosophy and the Company's best interests. The Company has not adopted a policy that all executive compensation be fully deductible.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and the Company's former independent registered public accounting firm, Deloitte & Touche LLP, during the first quarter of the fiscal year with respect to the Company's audited financial statements for the fiscal year ended December 31, 2004, and with the Company's current independent registered public accounting firm, Ernst & Young LLP, during the remainder of the year with respect to the Company's quarterly results and during the first quarter of 2006 with respect to the Company's audited financial statements for the fiscal year ended December 31, 2005. In addition, throughout the year, the Audit Committee met with Ernst & Young LLP regarding the Company's internal controls and compliance with Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee has discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement of Auditing Standards No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*, which provides that certain matters related to the conduct of the audit of the Company's financial statements are to be communicated to the Audit Committee. The Audit Committee has also received the written disclosures and the letter from both Deloitte & Touche LLP and Ernst & Young LLP required by Independence Standards Board Standard No. 1 relating to the accountant's independence from the Company, has discussed with such accountants their independence from the Company, and has considered the compatibility of non-audit services with the accountants' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 14, 2005, the Audit Committee of the Board of Directors terminated the engagement of Deloitte & Touche LLP (Deloitte) as the Company's independent public accountants and engaged the firm of Ernst & Young, LLP (Ernst & Young) as its independent auditors to serve as its independent public accountants to audit the Company's financial statements for the 2005 fiscal year.

Neither Deloitte's report on the Company's financial statements for 2004 nor Ernst & Young's report on the Company's financial statements for 2005 contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years, there were no disagreements with either Deloitte or Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to such accountants' satisfaction, would have caused such accountants to make reference to the subject matter of the disagreement in connection with its reports; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K promulgated by the Securities and Exchange Commission.

During the Company's two most recent fiscal years and through the date of engagement, the Company did not consult Ernst & Young with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that Ernst & Young might render on the Company's financial statements.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.
