PROXY STATEMENT
FOR
ANNUAL GENERAL MEETING OF SHAREHOLDERS

These proxy materials are furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Bunge Limited ("Bunge" or the "Company"), a Bermuda company, for its Annual General Meeting of Shareholders (the "Annual General Meeting") to be held on May 27, 2005 at 10:00 a.m., New York City time, at the Sofitel Hotel, 45 West 44th Street, in New York City, and for any adjournments or postponements of the Annual General Meeting. These proxy materials were first mailed to shareholders on or about April 15, 2005.

PURPOSE OF MEETING

As described in more detail in this proxy statement, Bunge shareholders will vote on the following proposals at the Annual General Meeting:

- Proposal 1—the election of four Class III Directors to our Board to serve for a three-year term;
- Proposal 2—the appointment of Deloitte & Touche LLP as our independent auditors for the fiscal year ending December 31, 2005 and the authorization of the Board, acting through the audit committee, to determine the independent auditors' fees;
- Proposals 3(A)-(G)—the amendments to our bye-laws as set out in this proxy statement and the authorization of the Board to appoint additional directors from time to time in accordance with the amended bye-laws; and
- Proposal 4—the approval of our Annual Incentive Plan and material terms of executive officer performance measures for purposes of Section 162(m) of the Internal Revenue Code of 1986.

Shareholders will also consider and act on such other matters as may properly come before the meeting or any adjournments or postponements thereof.

ATTENDING AND VOTING AT THE ANNUAL GENERAL MEETING

Mellon Investor Services LLC ("Mellon") has been selected as our inspector of election. As part of its responsibilities, Mellon is required to independently verify that you are a Bunge shareholder eligible to attend the Annual General Meeting, and whether you may vote in person at the Annual General Meeting. Therefore, it is very important that you follow the instructions below to gain entry to the Annual General Meeting.

Check-In Procedure for Attending the Annual General Meeting

Shareholders of Record. If you are or will represent a shareholder of record (those shareholders whose names are listed in our share register), you should go to the "Shareholders of Record" check-in area at the Annual General Meeting. The documents you will need to provide to be admitted to the Annual General Meeting depend on whether you are a shareholder of record or you represent a shareholder of record.

Edgar Filing: Bunge LTD - Form DEF 14A

Individuals. If you are a shareholder of record holding shares in your own name, you must bring to the Annual General Meeting a form of government-issued identification (e.g., a passport). Trustees who are individuals and named as shareholders of record are in this category.

• **Individuals Representing a Shareholder of Record.** If you attend on behalf of a shareholder of record, whether such shareholder is an individual, corporation, trust or partnership:

- you must bring to the Annual General Meeting a form of government-issued identification (e.g., a passport) AND
- either:
 - you must bring to the Annual General Meeting a letter from that shareholder of record authorizing you to attend the Annual General Meeting on their behalf OR
 - WE MUST HAVE RECEIVED BY 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005 a duly executed proxy card from the shareholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name"), you should go to the "Beneficial Owners" check-in area at the Annual General Meeting. Because you hold in street name, your name does not appear on our share register. The documents you will need to provide to be admitted to the Annual General Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

- **Individuals.** If you are a beneficial owner, you must bring to the Annual General Meeting:
 - a form of government-issued identification (e.g., a passport) AND
 - either:
 - a legal proxy that you have obtained from your bank or broker OR
 - your most recent brokerage account statement or a recent letter from your bank or broker showing that you own Bunge shares.
- **Individuals Representing a Beneficial Owner.** If you attend on behalf of a beneficial owner, you must bring to the Annual General Meeting a letter from the beneficial owner authorizing you to represent its shares at the Annual General Meeting AND the identification and documentation specified above for individuals.

Voting in Person at the Annual General Meeting

Shareholders of Record. Shareholders of record may vote their shares in person at the Annual General Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual General Meeting to vote in person. To receive ballots, you must bring with you the documents described below.

- **Individuals.** You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.
- **Individuals Voting on Behalf of Another Individual.** If you will vote on behalf of another individual who is a shareholder of record, WE MUST HAVE RECEIVED BY 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005 a duly executed proxy card from such individual shareholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your identification.
- **Individuals Voting on Behalf of a Legal Entity.** If you represent a shareholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive the ballots depend on whether you are representing a corporation, trust, partnership or other legal entity.

- If you represent a corporation, you must:
 - bring to the Annual General Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote its shares on its behalf OR
 - WE MUST HAVE RECEIVED BY 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005 a duly executed proxy card from the corporation appointing you as its proxy.
- If you represent a trust, partnership or other legal entity, WE MUST HAVE RECEIVED BY 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005 a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Under Bermuda law, because your name does not appear on our share register, you will not be able to vote in person at the Annual General Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual General Meeting.

- Individuals. As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual General Meeting to receive your ballots.
- Individuals Voting on Behalf of a Beneficial Owner. Because the legal proxy will not have your name on it, to receive your ballots you must:
 - present the legal proxy at check-in to the inspector of election at the Annual General Meeting AND
 - bring to the Annual General Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual General Meeting.

APPOINTMENT OF PROXY

General

Shareholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by our Board and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. You may also appoint a proxy by telephone or the Internet. Please see "Appointment of Proxies by Telephone or the Internet" below for more information. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual General Meeting to ensure that your vote is represented at the Annual General Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE NO LATER THAN 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005. IF WE DO NOT RECEIVE YOUR PROXY CARD OR IF YOU HAVE NOT APPOINTED YOUR PROXY BY TELEPHONE OR THE INTERNET BY THIS TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL GENERAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of Bunge. They will vote as directed by the completed proxy card.

Shareholders of record may appoint another person to attend the Annual General Meeting and vote on their behalf by crossing out the Board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual General Meeting, the inspector

of election will verify such person's

3

authorization to vote on your behalf by reference to your proxy card. If you decide to appoint a proxy by telephone, you may only appoint the designated proxies. If you would like to appoint another person as proxy, you must do so either by using the proxy card, as described above, or on the Internet website by inserting their name in the appropriate space.

If you wish to change your vote, you may do so by revoking your proxy before the Annual General Meeting. Please see "Revocation of Proxy" below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with their instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual General Meeting.

Appointment of Proxies by Telephone or the Internet

If you are a shareholder of record, you may appoint your proxy by telephone, or electronically through the Internet, by following the instructions on your proxy card. If you appoint your proxy by telephone, you may only appoint the designated proxies. If you are a beneficial owner, please check your voter instruction card or contact your bank or broker to determine whether you will be able to inform your bank or broker by telephone or the Internet how to vote on your behalf.

IF YOU APPOINT YOUR PROXY BY TELEPHONE OR THE INTERNET, WE MUST RECEIVE YOUR APPOINTMENT NO LATER THAN 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual General Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the recommendations of our Board. Our Board recommends:

- a vote FOR each of the four nominees for Class III Director to serve for a three-year term (Proposal 1);
- a vote FOR the appointment of Deloitte & Touche LLP as Bunge's independent auditors for its fiscal year ending December 31, 2005 and the authorization of the Board, acting through the audit committee, to determine the independent auditors' fees (Proposal 2);
- a vote FOR the amendments to our bye-laws as set out in this proxy statement and the authorization of the Board to appoint additional directors from time to time in accordance with the amended bye-laws (Proposals 3(A)-(G)); and
-

a vote FOR the approval of our Annual Incentive Plan and the material terms of executive officer performance measures for purposes of Section 162(m) of the Code (Proposal 4).

If any other matter properly comes before the Annual General Meeting, your proxies will vote on that matter in their discretion.

Revocation of Proxy

You may revoke or change your proxy before the Annual General Meeting by:

- sending us a written notice of revocation prior to the Annual General Meeting;
- using the telephone or the Internet to change your proxy, including instructions to the designated proxies to "abstain" from voting on a proposal;

4

-
- attending the Annual General Meeting and voting in person; OR
 - ensuring that we receive from you PRIOR TO 11:59 P.M., NEW YORK CITY TIME, ON MAY 26, 2005 a new proxy card with a later date.

Any written notice of revocation must be sent to the attention of Carla L. Heiss, Assistant Secretary, Bunge Limited, 50 Main Street, White Plains, New York 10606, U.S.A. or by facsimile to (914) 684-3497.

APPROVAL OF PROPOSALS AND SOLICITATION

Each shareholder who owned our common shares on March 31, 2005, the record date for the determination of shareholders entitled to vote at the Annual General Meeting, is entitled to one vote for each common share. On March 31, 2005, we had 110,819,502 common shares issued and outstanding that were held by approximately 58,174 beneficial holders.

Quorum

Under our bye-laws, the quorum required for a general meeting of shareholders is two or more persons present in person at the start of the meeting and representing in person or by proxy more than one-half of the paid-up share capital entitled to vote. Holders of our common shares are the only shareholders entitled to vote at the Annual General Meeting. Shares represented by proxies that are marked "abstain" or "withhold" on any matter will be counted as shares present for purposes of determining the presence of a quorum. Common shares that are represented by broker non-votes will also be counted as shares present for purposes of determining the presence of a quorum.

If the persons present or represented by proxies at the Annual General Meeting constitute the holders of one-half or less of the paid-up share capital entitled to vote as of the record date, we will adjourn the Annual General Meeting to a later date.

Approval of Proposals

For Proposals 1, 2 and 4, the affirmative vote of at least a majority of the votes cast on such proposal is required. For Proposals 3(A)-(G), the applicable vote requirement is specified in Proposal 3(A), (B), (C), (D), (E), (F) or (G), as the case may be, in this proxy statement. Any other proposal that properly comes before the Annual General Meeting must be approved by the affirmative vote of at least a majority of the votes cast, or such other majority as is set out in Bunge's bye-laws or the Bermuda Companies Act. An abstention will not be counted as a vote cast. In addition,

common shares represented at the annual general meeting whose votes are withheld on any matter will not be counted as a vote cast. A broker non-vote will also not be counted as a vote cast. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal and has not received voting instructions from the beneficial owner for that proposal.

All votes will be tabulated by Mellon, the proxy tabulator and inspector of election appointed for the Annual General Meeting. Mellon will separately tabulate affirmative and negative votes, abstentions or withheld votes and broker non-votes.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We will furnish copies of these proxy materials to banks, brokers, fiduciaries and custodians holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We have retained Mellon to act as a proxy solicitor for the Annual General Meeting. We have agreed to pay \$7,500 plus reasonable out-of-pocket expenses for Mellon's proxy services. In addition, we may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by our directors, officers and/or employees. We will not pay any additional compensation to these individuals for any such services.

5

CORPORATE GOVERNANCE

Board Composition and Independence

Our Board consists of eleven directors and is divided into three classes that are, as nearly as possible, of equal size. Each class of directors is elected for a three-year term of office, and the terms are staggered so that the term of only one class of directors expires at each annual general meeting. Messrs. Bachrach, Boilini, Bulkin and Hatfield are Class III directors, and their terms expire in 2005. Messrs. Coppinger, Braun Saint and Weisser are Class II directors, and their terms expire in 2006. Messrs. Born, Caraballo, de La Tour d'Auvergne Lauraguais and Engels are Class I directors, and their terms expire in 2007.

The Board is composed of a substantial majority of independent directors. In accordance with the listing standards of the New York Stock Exchange ("NYSE"), to be considered independent, a director must have no material relationship with Bunge either directly or as a partner, shareholder or officer of an organization that has a relationship with Bunge. To assist it in making these determinations, the Board has adopted categorical standards of director independence which are set forth in Annex A to our Corporate Governance Guidelines, which are attached as Appendix A to this proxy statement and are also available through the "About Bunge—Investor Information—Corporate Governance" section of our website, www.bunge.com. The Board has determined that each director other than Mr. Weisser, Bunge's Chairman and Chief Executive Officer, is independent. In addition to the categorical standards referred to above, the Board considered and determined that the transactions with Mutual Investment Limited and its subsidiaries described in this proxy statement under "Certain Relationships and Related Party Transactions" do not impair the independence of the directors of Bunge who are current or former directors of Mutual Investment Limited as such transactions have been on arms-length terms. Bunge's bye-laws provide that no more than two directors may be employed by Bunge or

its subsidiaries.

Board Meetings and Committees

The Board normally has five regularly scheduled meetings per year and committee meetings are normally held in conjunction with Board meetings. Our Board met eight times in 2004. All directors attended at least 75% of the combined Board and committee meetings on which they served during the last fiscal year.

Our bye-laws give our Board the authority to delegate its powers to committees appointed by the Board. All of our committees are composed solely of directors. Our committees are required to conduct meetings and take action in accordance with the directions of the Board, the provisions of our bye-laws and the terms of their respective committee charters. We have four standing committees: the audit committee, the compensation committee, the finance and risk management committee and the corporate governance and nominations committee. Our audit committee charter is included as Appendix B to this proxy statement. Copies of all our committee charters are available on our website, www.bunge.com, and in print from us without charge upon request. Please note that the information contained in or connected to our website is not intended to be part of this proxy statement.

Audit Committee. Our audit committee assists the Board in fulfilling its responsibility for oversight of (i) the quality and integrity of our financial statements and related disclosure; (ii) our compliance with legal and regulatory requirements; (iii) the independent auditor's qualifications, independence and performance; and (iv) the performance of our internal audit and control functions. Please see the Audit Committee Report included in this proxy statement for information about our 2004 fiscal year audit. The audit committee met 13 times in 2004. The members of our audit committee are Messrs. Bachrach, Boilini, de La Tour d'Auvergne Lauraguais (chairman), Engels and Braun Saint. Each of the members of the audit committee is independent under the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. Our Board has determined that each of Mr. de La Tour d'Auvergne Lauraguais, Mr. Boilini and Mr. Engels qualifies as an audit committee financial expert. In accordance with our audit committee charter, no committee member may simultaneously serve on the audit committee of more than two other public companies without the prior approval of the Board.

6

Compensation Committee. Our compensation committee reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of these goals and objectives and sets the compensation level based on this evaluation. The compensation committee also approves and oversees the total compensation packages for our direct reports to the Chief Executive Officer, which packages include annual base salaries, performance-based bonuses and other long-term equity-based compensation. The compensation committee also approves and oversees our equity incentive plans, which include our Equity Incentive Plan and our Non-Employee Directors' Equity Incentive Plan, and any benefits and perquisites that may be given. The compensation committee also has the discretion to interpret the terms of these equity incentive plans, to amend rules and procedures relating to these plans and to take all other actions necessary to administer these plans in our best interests. The compensation committee also makes recommendations to the Board on director compensation, and periodically reviews our management succession program for senior executive positions. In addition, the compensation committee also produces a Compensation Committee Report, which includes information on executive compensation and our compensation policies. Please see the Compensation Committee Report in this proxy statement for additional information. The compensation committee met four times in 2004. The members of our compensation committee are Messrs. Bachrach, Bulkin (chairman), Caraballo, Coppinger and Hatfield. Each of the members of the compensation committee is independent under the listing standards of the NYSE.

Corporate Governance and Nominations Committee. In May 2004, we combined our former nominations committee with our corporate governance committee to form the corporate governance and nominations committee. Our corporate governance and nominations committee is responsible for monitoring significant developments in the law and practice of corporate governance and the duties and responsibilities of directors of public companies, leading the Board in its annual performance evaluation, developing, recommending and administering our corporate governance guidelines and code of ethics, assisting our Board by actively identifying individuals qualified to become members of our Board and making recommendations to the Board regarding the director nominees for election at the next annual general meeting of shareholders. The corporate governance and nominations committee met four times in 2004. The members of our corporate governance and nominations committee are Messrs. Born, Caraballo, Coppinger, Engels and Hatfield (chairman). Each of the members of the corporate governance and nominations committee is independent under the listing standards of the NYSE.

Finance and Risk Management Committee. Our finance and risk management committee is responsible for supervising the quality and integrity of our financial and risk management practices. The finance and risk management committee reviews and updates our risk management policies and risk limits on a periodic basis and advises our Board on financial and risk management practices. The finance and risk management committee met six times in 2004. The members of our finance and risk management committee are Messrs. Boilini, Born, Braun Saint, de La Tour d'Auvergne Lauraguais and Engels (chairman).

Corporate Governance Guidelines and Code of Ethics

Our Board has adopted corporate governance guidelines that set forth our corporate governance objectives and policies and govern the functioning of the Board. Our corporate governance guidelines are available on our website, www.bunge.com, and are included as Appendix A to this proxy statement.

We also have a code of ethics that sets forth our commitment to ethical business practices. Our code of ethics applies to our directors, officers and employees worldwide, including our Chief Executive Officer and senior financial officers. Our code of ethics is available on our website and in print from us without charge upon request. We intend to post amendments to and waivers (to the extent applicable to certain officers and our directors) of our code of ethics on our website.

Executive Sessions of Our Board

Our corporate governance guidelines provide that the non-management directors shall meet without management directors at regularly scheduled executive sessions and at such other times as

7

they deem appropriate. Our Board has adopted a policy that the non-management directors will meet without management present at each regularly scheduled Board meeting. In accordance with our corporate governance guidelines, the non-management directors shall, from time to time, designate a director from among their number to preside at these executive sessions of the non-management directors. In 2004, Mr. Born presided, and continues to preside, over these sessions. The presiding director, among other things, establishes an agenda with the assistance of the other non-management directors and facilitates communications among other non-management directors at each executive session.

Communications with Our Board

To facilitate the ability of shareholders to communicate with our Board and to facilitate the ability of interested persons to communicate with non-management directors, the Board has established an electronic mailing address and a physical mailing address to which such communications may be sent. Additional information on the electronic mailing address and the physical mailing address is available on our website through the "About Bunge—Investor Information—Corporate Governance" section.

Communications sent to the electronic mailing or physical mailing addresses are initially directed to our legal department, where they are screened to eliminate communications that are merely solicitations for products and services, items of a personal nature not relevant to us or our shareholders and other matters that are improper or irrelevant to the functioning of the Board and Bunge. All other communications are forwarded to the relevant director, if addressed to an individual director or a committee chairman, or to the members of the corporate governance and nominations committee if no particular addressee is specified.

In addition, it is the policy of our Board that our directors attend each annual general meeting of shareholders. All of the members of our Board were in attendance at our 2004 Annual General Meeting.

Nomination of Directors

As provided in its charter, the corporate governance and nominations committee will identify and recommend to the Board nominees for election to the Board and will consider nominees submitted by shareholders. The corporate governance and nominations committee, in its commitment to our corporate governance guidelines, strives to nominate director candidates who exhibit high standards of ethics, integrity, commitment and accountability and who are committed to promoting the long-term interests of our shareholders. In addition, all nominations attempt to ensure that the Board shall encompass a range of talent, skill and relevant expertise sufficient to provide sound guidance with respect to our operations and interests. In that regard, from time to time, the corporate governance and nominations committee may identify certain skills or attributes (e.g., extensive global business experience) as being particularly desirable to help meet specific board needs that have arisen. When the corporate governance and nominations committee reviews a potential new candidate, it looks specifically at the candidate's qualifications in light of the needs of the Board at that time given the then-current mix of director attributes.

Under the corporate governance guidelines, directors must inform the Chairman of the Board and the Chairman of the corporate governance and nominations committee in advance of accepting an invitation to serve on another public company board. In addition, no director may sit on the board, or beneficially own more than 1% of the outstanding equity securities, of any of our competitors in our principal lines of business. While the Board has not established any term limits to an individual's membership on the Board, no director having attained the age of 70 will be nominated for re-election or re-appointment to the Board. Directors eligible for re-election abstain from Board discussions regarding their nomination and from voting on such nomination.

To recommend or propose a director nominee for consideration by the corporate governance and nominations committee, a shareholder must give notice to our Secretary at our registered address at 2

Church Street, Hamilton, HM11, Bermuda not later than the earlier of (1) 90 days before the first anniversary of the last annual general meeting of shareholders or (2) ten days after the notice of the annual general meeting of shareholders at which directors are to be elected is given. Any such notice should include the candidate's brief biographical description, a statement of the qualifications of the candidate, taking into account the qualification

requirements set forth above, and the candidate's signed consent to serve as a director if elected and to be named in the proxy statement. A shareholder may propose a director nominee to be considered by our shareholders at the annual general meeting provided that the notice provisions in our bye-laws as set forth above are met, even if such director nominee is not nominated by the corporate governance and nominations committee.

If the proposed amendments to our bye-laws as set out in this proxy statement are approved by shareholders, shareholders who wish to recommend or propose a director nominee must give written notice to our Secretary at our registered address set forth above not later than 120 days before the first anniversary of the date on which Bunge's proxy statement was distributed to shareholders in connection with the prior year's annual general meeting. If no annual general meeting was held in the prior year or if the date of the annual general meeting has been changed by more than 30 days from the date contemplated in the prior year's proxy statement, the notice must be given before the later of (i) 150 days prior to the contemplated date of the annual general meeting and (ii) the date which is ten days after the date of the first public announcement or other notification of the actual date of the annual general meeting. Where directors are to be elected at a special general meeting, such notice must be given before the later of (i) 120 days before the date of the special general meeting and (ii) the date which is ten days after the date of the first public announcement or other notification of the date of the special general meeting. In each case, the notice must include, as to each person the shareholder proposes to recommend for election or re-election as director, all information relating to that person required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act, which includes such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and evidence satisfactory to Bunge that such nominee has no interests that would limit such nominee's ability to fulfill their duties of office. Bunge may require any proposed nominee to furnish such other information as reasonably may be required by Bunge to determine the eligibility of such proposed nominee to serve as a director.

In connection with the director nominations process, the corporate governance and nominations committee may identify candidates through recommendations provided by members of the Board, management or shareholders, and may also engage a search firm to assist in identifying or evaluating qualified candidates. The committee will review and evaluate candidates taking into account available information concerning the candidate, the qualifications for Board membership described above and other factors that it deems relevant. In conducting its review and evaluation, the committee may solicit the views of other members of the Board, senior management and third parties, conduct interviews of proposed candidates and may also request that candidates meet with other members of the Board. The committee will evaluate candidates recommended by shareholders in the same manner as candidates recommended by other persons. The corporate governance and nominations committee did not pay any fees to any third party to assist us in identifying or evaluating any potential nominees for director during 2004. The corporate governance and nominations committee has not received any nominations for director from shareholders for the 2005 Annual General Meeting of Shareholders.

Under the terms of the Bunge U.S. Pension Plan and the Bunge Management Services, Inc. Excess Benefit Plan (together, the "Company Pension Plans"), an eligible employee will receive a benefit at retirement that is generally based upon the employee's number of years of benefit service and average annual compensation (salary and normal bonus) for the highest five consecutive years out of the final ten years of service. The benefits under the Bunge Management Services, Inc. Excess Benefit Plan are not subject to the Code provisions used to determine benefits and the amount of annual benefits payable under the Company Pension Plans. The foregoing table illustrates, for average annual pensionable compensation and years of benefit service classifications, the annual retirement benefits payable to employees under the Company Pension Plans upon retirement at age 65, based on the single-life annuity form of benefit payment and not subject to deduction for Social Security or other offset amounts.

The number of years of service that have been credited for Messrs. Weisser, Gwathmey, Wells and Sá Carvalho are approximately 5.5 years, 30 years, 5 years and 6 years, respectively. To date, Mr. Kfoury does not participate in any of the Company Pension Plans.

In addition, Mr. Weisser is entitled to a supplemental pension benefit under the terms of his employment agreement with the Company described in more detail below under the heading "Employment Agreements and Severance and Change of Control Arrangements." The estimated annual pension benefit payable to Mr. Weisser at age 65 (his Normal Retirement Age) is \$1,318,865.

Compensation of Directors

Directors of the Company who are not officers or employees of the Company or any of its subsidiaries (hereinafter referred to as "non-employee directors") are entitled to receive the directors' fees described below and are eligible to participate in the Company's Non-Employee Directors' Deferred Compensation Plan and Non -Employee Directors' Equity Incentive Plan. Messrs. Bachrach, Boilini, Born, Braun Saint, Bulkin, Caraballo, Coppinger, de la Tour d'Auvergne Lauraguais, Engels and Hatfield were non-employee directors for the entire 2004 fiscal year.

Directors' Fees. Non-employee directors received the following fees in 2004: (i) an annual retainer fee of \$60,000; (ii) a fee of \$10,000 per year for service as committee chair on any of our committees, except for the Chair of the audit committee, who receives \$20,000 per year for his services due to the added workload and responsibilities of this

committee; and/or (iii) a fee of \$5,000 per year for service as a member on any of our committees, except for the members of the audit committee, who each receive \$10,000 per year for their services due to the added workload and responsibilities of this committee. Although directors do not receive an annual Board or committee

18

meeting attendance fee, if the Board and/or a committee meets in excess of five times in a given year, each director receives a fee of \$1,000 per day for attendance at each such additional meeting of the Board and \$1,000 per day of meetings for attendance at committee meetings. In addition, directors receive \$250 for each Board or committee meeting held by teleconference, if the number of Board or committee meetings has exceeded five for the relevant year. We also reimburse our non-employee directors for reasonable expenses incurred by them in attending Board meetings, committee meetings or our annual shareholder meetings. We provide Mr. de La Tour d'Auvergne Lauraguais with office accommodations, communications services and secretarial services to facilitate his fulfillment of his role as chairman of the audit committee.

Non-Employee Directors' Equity Incentive Plan. We have a Non-Employee Directors' Equity Incentive Plan to align our directors' interests with those of our shareholders and to appropriately incentivize our directors. In 2005, the Non-Employee Directors' Equity Incentive Plan was amended to provide that each new non-employee director will be granted at the time of their initial appointment or election an option to purchase 7,500 common shares of Bunge under the Non-Employee Directors' Equity Incentive Plan. In addition, each year on the date of the Annual General Meeting or at an earlier time specified by the Board (or the compensation committee), each continuing non-employee director will be granted an option to purchase 5,500 common shares of Bunge. Previously, each new director was granted an option to purchase 9,000 common shares of Bunge under the Non-Employee Directors' Equity Incentive Plan. In addition, the yearly grant for each continuing director was of an option to purchase 7,200 common shares of Bunge under the plan. We grant only non-statutory stock options under our Non-Employee Directors' Equity Incentive Plan. The exercise price per share is equal to the fair market value of a common share of Bunge on the option grant date, as determined by our compensation committee, and has been based on the average of the highest and lowest sale prices of a common share over the 20 trading days immediately following the preceding quarterly earnings announcement, with such average weighted by volume. Options become vested and exercisable on the January 1st after the date of grant, provided that the director has continued to serve on the Board until such date. Outstanding options remain exercisable for a period of ten years after their grant date. Our Non-Employee Directors' Equity Incentive Plan provides that up to 0.5% of our issued and outstanding common shares may be issued under the plan. As of December 31, 2004, we had granted stock options to purchase an aggregate of 387,000 common shares of Bunge to our current non-employee directors as a group (10 persons) under the Non-Employee Directors' Equity Incentive Plan.

Non-Employee Directors' Deferred Compensation Plan. We have a Non-Employee Directors' Deferred Compensation Plan, under which the non-employee directors may elect to defer all or a portion of their annual director and/or committee fees for a minimum three-year period. Amounts deferred under the Non-Employee Directors' Deferred Compensation Plan are deemed invested in hypothetical Bunge share units. The value of each share unit will track the performance of a common share and will earn dividend equivalents to the extent actual dividends are paid to our shareholders. Non-employee directors can elect under the plan to receive the value of their hypothetical share units in the form of cash or common shares of Bunge. Mr. Bachrach has deferred payment of all of his annual director fees and committee fees for 2004.

Non-Employee Director Share Ownership Guidelines. To further align the personal interest of the Board with the interests of Bunge's shareholders, in December 2004, the Board established share ownership guidelines for the minimum amount of Bunge common shares that are required to be held by Board members. These guidelines take

effect in 2005 and are required to be met within five years from the effective date or, if later, from when the non-employee director is appointed or elected to the Board. For non-employee directors, the guideline is three times the annual retainer fee paid by Bunge to its non-employee directors. Shares deemed to be owned for purposes of the share ownership guidelines include hypothetical share units held under the Non-Employee Directors' Deferred Compensation Plan and 50% of the value of vested, in-the-money stock options. Unvested stock options do not count toward satisfaction of the guidelines. Furthermore, Bunge's non-employee directors are required to hold 100% of the net shares acquired through Bunge's long-term incentive plans until the guidelines are met. For more information on Bunge's share ownership guidelines,

19

including the guidelines applicable to Bunge's senior management, see the Compensation Committee Report included in this proxy statement.

Equity Incentive Plan

We maintain the Bunge Limited Equity Incentive Plan (the "Equity Incentive Plan") to attract, retain and motivate our officers, employees, consultants and independent contractors, to link compensation to the overall performance of the Company, to promote cooperation among our diverse areas of business and to create an ownership interest in Bunge aligned with the interests of our shareholders. Under the Equity Incentive Plan, the compensation committee of our Board may award equity-based compensation to our officers, employees, consultants and independent contractors who make, or are anticipated to make, significant contributions to the Company. Awards under the Equity Incentive Plan may be in the form of statutory or non-statutory stock options, restricted stock units (including performance based) or other awards that are based on the value of our common shares. The specific terms of each award made under the Equity Incentive Plan, including how such award will vest, are described in individual award agreements.

Administration of the Plan. Our compensation committee administers the Equity Incentive Plan. The committee has the discretion to determine who will receive awards under the Equity Incentive Plan as well as the terms of each individual award. The committee also has the discretion to interpret the terms of the Equity Incentive Plan and any corresponding award agreement and to generally take all other actions necessary to administer the Equity Incentive Plan in our best interests.

Options and Restricted Stock Units. When vested, stock options granted under the Equity Incentive Plan become exercisable for our common shares. The applicable vesting period is set forth in the individual award agreements. The exercise price per share is fixed by our compensation committee at the time of grant but will generally be no less than the fair market value of a common share, as determined by our compensation committee under one of the following calculations: (i) the average of the highest and lowest sale prices of a common share on the date of grant or (ii) the average of the highest and lowest sale prices of a common share over the 20 trading days immediately following the preceding quarterly earnings announcement, with such average weighted by volume. When our employment or service relationship with a participant terminates for "cause," all unexercised stock options held by such participant (whether vested or unvested) are cancelled as of the date of termination. When our employment or service relationship with a participant terminates for a reason other than for "cause," such participant has a limited period of time to exercise any vested stock options he or she then holds. The period varies according to the reasons for termination.

Restricted stock units are awards that provide for the issuance of a specified number of common shares upon the completion of a set time period or satisfaction of set performance requirements. Generally, performance-based restricted stock unit awards vest after completion of a three-year performance period upon Bunge's satisfaction of

certain pre-established performance measures specified in the individual award agreements related to Bunge's cumulative diluted earnings per share or cumulative operating profit for a particular business unit, as applicable. The target cumulative diluted earnings per share may be adjusted for certain extraordinary events at the discretion of the compensation committee. Awards of performance-based restricted stock units that vest under the Equity Incentive Plan may be settled either in cash or Bunge common shares at the election of the participants, subject to the discretion of the compensation committee. However, beginning with the performance-based restricted stock units granted in 2005, vested performance-based restricted stock units will be settled in Bunge common shares only. Participants may also elect to defer a portion of their cash-settled awards through Bunge's Deferred Compensation Plans (described below). Amounts payable in respect of performance-based restricted stock unit awards upon vesting are based upon performance levels pre-established by the compensation committee, ranging from payment of 50% of the award (threshold) to 200% of the award (maximum).

The effect of a participant's termination of employment or service with us is set forth in the individual award agreements. Up to 10% of our issued and outstanding common shares may be issued pursuant to awards under the Equity Incentive Plan. As of December 31, 2004, we had granted stock

20

options to purchase an aggregate of 4,843,373 common shares, 74,500 time-vested regular restricted stock units and 1,230,324 performance-based restricted stock units under the Equity Incentive Plan. Of this amount, we have granted to our executive officers stock options to purchase 1,439,977 common shares, no time-vested regular restricted stock units and 493,632 performance-based restricted stock units under the Equity Incentive Plan.

Non-Transferability of Awards; Adjustments upon Merger or Change of Control. Some restrictions apply to awards made under the Equity Incentive Plan. Awards are not transferable by the participant except in very limited circumstances and any shares received in connection with an award made under the Equity Incentive Plan may be subject to trading restrictions. Also, the compensation committee has the right to modify the terms of the Equity Incentive Plan and any award granted thereunder if we engage in a merger or amalgamation transaction or any corporate reorganization process. Please see the "Employment Agreements and Severance and Change of Control Arrangements" section of this proxy statement for a description of the effect of a change of control under the Equity Incentive Plan.

Deferred Compensation Plans for Executives

Bunge maintains three deferred compensation plans for its executives in three different participating Bunge business units—the Bunge North America Inc. Deferred Compensation Plan for Certain Employees, the Bunge Management Services Inc. Deferred Compensation Plan for Certain Employees and the Bunge Global Markets Deferred Compensation Plan for Certain Employees (collectively, the "Deferred Compensation Plans"). The Deferred Compensation Plans allow participating executives to defer receipt of their salary, their annual bonus awards and, in some instances, certain other amounts (such as the value of the participant's vested performance-based restricted stock units received pursuant to the Equity Incentive Plan). Amounts deferred under the Deferred Compensation Plans must be deferred for a minimum three-year period, except in the event of a Change in Control (as defined in the applicable deferred compensation plan) of Bunge, in which case participants may elect, 30 days prior to the Change in Control, to receive an immediate lump-sum cash distribution of the participant's entire deferred compensation amount or to continue to have his or her deferred compensation credited under his or her plan pursuant to a trust or fund established by Bunge for such purpose.

As of December 31, 2004, Messrs. Weisser, Wells and Sá Carvalho held \$3,902,710, \$3,139,832 and \$991,692, respectively, in their accounts under the applicable Bunge deferred compensation plan.

Employment and Other Agreements and Severance and Change of Control Arrangements

Employment Agreement with Alberto Weisser. We have entered into an employment agreement, dated May 27, 2003, with Alberto Weisser. The agreement provides that Mr. Weisser will serve as our Chief Executive Officer. Mr. Weisser's employment will continue until the last day of the month in which he attains age 65, unless his employment is terminated earlier pursuant to the terms of the agreement. The agreement provides for base salary, annual bonus and long-term compensation that is consistent with the amounts described by us in the compensation tables above.

The agreement also provides Mr. Weisser with a supplemental pension commencing at age 65, which when added to his other U.S. retirement benefits, will provide him with an annuity for life equal to 45% of the average of his base salary and annual bonus (excluding any long-term, supplemental or special bonuses) for the five-year period immediately prior to and including the date on which the pension commences. Mr. Weisser will be entitled to receive the supplemental pension (i) if he remains in our employ until the last day of the month in which he attains age 55 or (ii) in the event that his employment with us is terminated as a result of any of the following: (a) his "Disability"; (b) his resignation for "Good Reason"; (c) his termination without "Cause"; or (d) his resignation without Good Reason during the "Change of Control Period" (all terms quoted in this sentence have the meanings assigned to them in the employment agreement). Mr. Weisser will forfeit the supplemental pension under certain circumstances, including where he breaches certain restrictive covenants or upon his death. In the event of Mr. Weisser's death, his spouse may, however, be entitled to a death benefit.

21

If during Mr. Weisser's employment term, Mr. Weisser's employment is terminated by us without Cause or by him for Good Reason, we will pay him (a) three times the sum of his base salary and annual bonus (as determined in accordance with the provisions of the agreement) and (b) a pro rata portion of the short-term annual bonus that Mr. Weisser would have been entitled to receive for the then-applicable performance period had he remained employed for the entire performance period. We will also (a) offer Mr. Weisser continuing coverage (at his cost) under our health and medical insurance plans and programs until the earlier of (i) the date on which Mr. Weisser and his spouse, if any, are both age 65 or over and (ii) the date on which he is eligible to receive health, medical or other insurance benefits under a subsequent employer's plan; (b) provide Mr. Weisser with accelerated vesting of any unvested benefits in our defined contribution and defined benefit retirement plans, unless prohibited by law; (c) consider Mr. Weisser fully vested with respect to his entitlement to receive retiree medical and life insurance benefits that we offer to our senior executives as of his date of termination; (d) deem any vesting or service under any outstanding stock option, restricted stock or other equity-based awards fully satisfied; (e) deem any of our performance requirements under any outstanding stock option, restricted stock or other equity-based awards to be satisfied to the extent such performance requirements are satisfied as of his date of termination; and (f) provide Mr. Weisser with other benefits substantially similar to those provided to our other senior executives upon their termination.

Our obligation to make or provide any of the above-described severance payments and benefits to Mr. Weisser is subject to his execution of a general release of claims against the Company and its "Subsidiaries" (as defined in the employment agreement) and will cease in the event that Mr. Weisser breaches any of the restrictive covenants set forth in the agreement.

If Mr. Weisser resigns without Good Reason during the Change of Control Period, he will be entitled to receive the severance payments and benefits that he would otherwise receive under the agreement had he been terminated by us without Cause, as well as his supplemental pension, as described above. For purposes of the agreement, the "Change of Control Period" is a 30-month period commencing upon certain change-of-control events, including (i) the acquisition by any nonaffiliated beneficial owner of 35% or more of our outstanding common shares, (ii) the consummation, after shareholder approval, of certain business combinations or (iii) the failure of those individuals on our Board as of May 27, 2003 or their approved successors to constitute at least a majority of our Board. If, however, Mr. Weisser is terminated without Cause within the 12-month period immediately prior to any of the foregoing events at the direction or request of any person acquiring control of the Company, the Change of Control Period will commence 12 months prior to such event.

The employment agreement contains a Code Section 280G "gross-up" provision. If any payment or distribution by us to or for the benefit of Mr. Weisser, whether paid or payable, or distributed or distributable, pursuant to the terms of the employment agreement or otherwise would be subject to the excise taxes imposed by Section 4999 of the Code, then Mr. Weisser will be entitled to receive an additional payment in an amount such that after the payment by Mr. Weisser of all taxes (including any interest or penalties imposed), he retains an amount equal to such taxes imposed upon the payments.

Mr. Weisser has agreed not to compete with the Company or any of its Subsidiaries during his employment term and thereafter for the longer of (a) 18 months following his date of termination for any reason or (b) where applicable, the three-year period during which he receives severance payments from the Company. Mr. Weisser has further agreed not to solicit certain customers and employees, and has agreed to standard confidentiality and cooperation provisions.

Agreement with João Fernando Kfourir. We have entered into an agreement, dated May 10, 2001, with João Fernando Kfourir. Mr. Kfourir currently serves as Managing Director of the Food Products Division of Bunge Limited. The term of the agreement will continue until June 30, 2005, unless it is terminated earlier by either party or it is extended by the parties. Either party may terminate the agreement before the end of its term with 60 days' prior notice.

22

The agreement provides for compensation and temporary housing costs that are consistent with the amounts described by us in the compensation tables above. If Mr. Kfourir does not terminate the agreement prior to the end of its term, he will be eligible to receive an annual incentive bonus for the year in which the term of the agreement expires, subject to the achievement of certain performance goals and objectives. The target level for the bonus is 50% of the cash compensation received by Mr. Kfourir during the fiscal year for which the bonus is payable with a minimum guaranteed bonus amount of \$100,000. In the event Bunge terminates this agreement for any reason, other than for cause, prior to the expiration of the term of the agreement, Mr. Kfourir will be entitled to the minimum guaranteed bonus amount.

In addition, the agreement provides that we will make available or pay Mr. Kfourir's reasonable lodging and transportation expenses when Mr. Kfourir is away from his home base on business, including a car and driver while Mr. Kfourir is in Brazil for business.

Pursuant to the agreement, Mr. Kfourir is subject to a standard confidentiality obligation of indefinite duration and an obligation not to solicit certain employees and suppliers during the term of his agreement.

Severance Agreements. Pursuant to severance agreements with each of Messrs. Wells, Gwathmey and Sá Carvalho, in the event that Bunge terminates their employment without cause, each of them would receive severance pay generally equal to approximately twelve months base salary plus their respective target annual bonus for the year of such termination of employment.

Change of Control Arrangements. In addition to Mr. Weisser's employment agreement described above, our Named Executive Officers participate in certain plans that contain change-of-control provisions. These plans include our Equity Incentive Plan and our Deferred Compensation Plans. Under these plans, the events constituting a change of control are substantially similar to the change-of-control events with respect to Mr. Weisser's employment agreement described above.

Pursuant to our Equity Incentive Plan, we have granted our Named Executive Officers, as well as other officers, employees, independent contractors and consultants of the Company, equity awards, including stock options, restricted stock unit awards and performance-based restricted unit awards. The stock options and restricted stock unit awards vest over time and our performance-based restricted stock unit awards vest upon the satisfaction of certain performance-based restrictions. Upon a "Change of Control" (as defined in the plan) of the Company, however, these equity awards will become fully vested immediately prior to such event, unless the compensation committee determines otherwise, in its sole discretion.

Pursuant to our Deferred Compensation Plans, our Named Executive Officers, as well as other eligible employees of the Company, can elect to defer their annual base salary, annual bonus and certain other amounts, including the value of their vested performance-based restricted stock unit awards. Amounts deferred must be deferred for a minimum three-year period and are deemed invested among one or more hypothetical investment alternatives. Upon a "Change of Control" (as defined in the applicable deferred compensation plan) of the Company, however, each participant in our deferred compensation plans will elect, 30 days prior to such event, to (i) receive an immediate distribution of all of his or her deferred compensation in a lump-sum cash payment or (ii) continue to have his or her deferred compensation credited under the applicable plan following the event, in which case the Company will establish and fund a trust for all such amounts that continue to be held under his or her plan.

COMPENSATION COMMITTEE REPORT

Bunge's compensation committee is composed of five independent directors, as determined by the Board based upon the NYSE Corporate Governance Listing Standards and our Corporate Governance Guidelines. In addition, all members of the compensation committee are "outside directors" for purposes of Section 162(m) of the Code. The primary purpose of the compensation committee is to discharge the responsibilities of the Board relating to all compensation, including equity compensation, of Bunge's Chief Executive Officer and other senior executives. The compensation committee has overall responsibility for evaluating and making recommendations to the Board regarding the compensation of the Chief Executive Officer, executive officers, other key employees and directors under our equity incentive plans and other compensation programs and policies. The compensation committee has retained independent consultants to assist the compensation committee in fulfilling its responsibilities. The compensation committee operates under a written charter adopted by the Board to reflect the NYSE rules for compensation committees. A copy of the charter is available on Bunge's website at www.bunge.com.

Compensation Philosophy

The compensation committee believes that Bunge's compensation programs should be designed to attract, retain and motivate executive officers, key employees and directors, while enhancing and increasing shareholder value. Bunge's compensation levels are generally set at the 50th percentile of a group of comparable companies that includes a sample of surveyed general private and public companies, international companies and peer group companies, based upon compensation information obtained through three separate market surveys, which is analyzed and adjusted to reflect Bunge's compensation practices. Bunge's compensation philosophy is accomplished through various incentive compensation plans that link executive compensation to Bunge's overall company performance.

Bunge's compensation program for its executive officers and key employees consists of three major components: (i) annual salary; (ii) short-term performance-based incentives; and (iii) long-term equity-based incentives. The compensation committee believes that Bunge's mix of cash and equity-based compensation appropriately aligns the executives' interests with that of Bunge's shareholders and promotes equity ownership in Bunge among key employees and executives. Equity ownership is further emphasized through share ownership and retention guidelines established by the compensation committee, which are discussed later in this report. Short-term performance-based incentives consist primarily of annual cash awards based on the achievement of certain pre-established individual and company performance goals. Long-term, equity-based compensation for executive officers and key employees is in the form of stock options and/or performance-based restricted stock unit awards that are granted under Bunge's Equity Incentive Plan.

As described in the "Executive Compensation—Compensation of Directors" section of this proxy statement, Bunge's non-employee directors receive an annual fee for serving on the Board, an annual fee for each committee on which they serve and an annual fee for each committee they chair. In addition, non-employee directors are compensated with stock options that are granted under Bunge's Non-Employee Directors' Equity Incentive Plan and receive reimbursement for certain reasonable expenses related to their service as directors. Although directors do not generally receive Board or committee attendance fees, if either the Board or a committee meets in excess of five times in a given year, directors receive a fee for attendance at such additional meetings.

Share Ownership Guidelines

To further align the personal interest of senior management and the Board with the interests of Bunge's shareholders, in December 2004, the Board established the following share ownership guidelines for the minimum amount of Bunge

common shares that is required to be held by senior executives and Board members. The guidelines take effect in 2005 and are required to be met within five years from the effective date or, if later, from when the individual is hired or elected or appointed to the Board, as applicable. The guideline applicable to senior executives is based on a multiple of the executive's base salary. For Bunge's Chief Executive Officer, the guideline is five times the Chief

25

Executive Officer's base salary, and for executives reporting directly to the Chief Executive Officer, the guideline is 2.5 times the individual's base salary. For our non-employee directors, the guideline is three times their annual retainer fee. Shares deemed to be owned for purposes of the share ownership guidelines include hypothetical share units held under Bunge's deferred compensation plans and 50% of the value of vested, in-the-money stock options. Unvested stock options and unearned performance-based restricted stock units do not count toward achievement of the guidelines. Furthermore, senior executives are required to hold 50% of the net shares acquired through Bunge's long-term incentive plans (such as stock options or performance units) until the guidelines are met. Bunge's directors must hold 100% of the net shares acquired until the guidelines are met.

Executive Compensation Components

Annual Salary. The compensation committee makes annual determinations with respect to executives' annual salaries. In making these decisions, the compensation committee reviews each executive's performance, market compensation levels for comparable positions, Bunge's performance goals and objectives and other relevant information, including compensation data provided by our independent consultants. In addition, the compensation committee determines what portion of an executive's compensation should be in the form of salary, performance-related bonus and equity-based compensation.

Performance-Based Incentives. The compensation committee believes that a portion of the compensation for each executive should be in the form of annual performance-based incentives, which tie executive compensation to Bunge's performance and individual performance in specified areas. The compensation committee approves company-wide and individual performance goals and targets at the beginning of each fiscal year. An executive's annual cash bonus is determined in part based on his or her furtherance and achievement of these performance goals and targets.

Long-Term Incentives. The purpose of Bunge's long-term equity incentive plans is to create an ownership interest in Bunge, which aligns the interest of executives with shareholders. Bunge adopted its Equity Incentive Plan in April 2001 and amended such plan, most recently, in March 2004. Under the plan, the compensation committee may award equity-based compensation to officers, employees, independent contractors and consultants. Participants are selected based on their significant contributions or anticipated contributions to Bunge. Awards under the plan may be in the form of either statutory or non-statutory stock options, restricted stock units (including performance-based) or other awards that are based on the value of Bunge's common shares. The specific terms of each award made under the plan are described in an individual award agreement. In 2004, in accordance with the terms of the Equity Incentive Plan, the exercise price per share was fixed by the compensation committee at the time of grant based on the average of the highest and lowest sales prices of a common share over the 20 trading days immediately following the preceding quarterly earnings announcement, with such average weighted by volume.

When vested, stock options granted under the plan are exercisable for Bunge common shares. A restricted stock unit award is an award that provides for the issuance of a specified number of Bunge common shares (or the value of such shares) upon the satisfaction of certain vesting requirements, such as lapse of time or performance-based restrictions. Generally, performance-based restricted stock unit awards vest upon completion of a three-year performance period

based on Bunge's satisfaction of certain pre-established performance measures specified in individual award agreements related to Bunge's cumulative earnings per share or cumulative operating profit for a business unit, as appropriate, during the relevant performance period. Awards of performance-based restricted stock units that vest under the Equity Incentive Plan may be settled either in cash or Bunge common shares at the election of the participants, subject to the discretion of the compensation committee. Participants may also elect to defer a portion of their cash settled awards through Bunge's Deferred Compensation Plans. Amounts payable for performance-based restricted stock unit awards under the Equity Incentive Plan range from payment of 50% of the award (threshold) to 200% of the award (maximum).

Chief Executive Officer Compensation

In determining Mr. Weisser's 2004 compensation, the compensation committee considered Mr. Weisser's individual performance, Bunge's performance and relative shareholder return and the compensation provided to chief executive officers at peer companies.

Mr. Weisser's salary is based on the criteria described in this report. For 2004, we paid Mr. Weisser \$1,200,000 in base salary, which represents approximately a 4% increase compared to 2003. We also paid him an annual cash bonus of \$3,000,000 for 2004, a 36% increase from his bonus for 2003. We consider this level of salary and bonus appropriate based upon Mr. Weisser's individual performance as well as Bunge's financial and non-financial performance in 2004. The compensation committee also reviewed perquisites paid to Mr. Weisser in 2004 and determined that these amounts were reasonable based on market practices, Mr. Weisser's performance in 2004 and appropriate in light of corporate governance considerations.

As described above, the compensation committee believes that a portion of the compensation for the Chief Executive Officer, like the compensation of other executive officers of Bunge, should be in the form of annual performance-based incentives that align investors' and the Chief Executive Officer's interests through common share ownership in Bunge. In 2004, we granted Mr. Weisser 130,000 options and 50,000 performance-based restricted stock units under the Equity Incentive Plan. The options will vest according to a schedule, and all options will be fully exercisable in 2007, on the third anniversary of their date of grant. The performance-based restricted stock units will only vest and become payable if certain performance goals are achieved at year-end in 2007. When the performance-based restricted stock units were granted in March 2004, they had a market value of approximately \$1,928,000 based on the closing price of Bunge's common shares on the NYSE on March 11, 2004, which was \$38.56.

Deductibility of Executive Compensation

Section 162(m) of the Code precludes a public corporation from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its four other highest paid executive officers, unless certain specific performance criteria are satisfied. The compensation committee's policy is to seek to maximize the deductibility of compensation in excess of \$1 million per taxable year, in accordance with the requirements of Section 162(m) of the Code (and any regulations promulgated thereunder), paid to any of the executive officers, except to the extent that the compensation committee determines that compliance is not in the best interest of Bunge or compliance with the requirements of Section 162(m) rules conflicts with Bunge's compensation philosophy of attracting and retaining key personnel by compensating them at competitive market rates, in which case the compensation committee will abide by the compensation philosophy, regardless of the tax impact of such actions.

The foregoing report on executive compensation for 2004 is provided by the undersigned members of the compensation committee of the Board.

AUDIT COMMITTEE REPORT

Bunge's audit committee is composed of five independent directors, all of whom are financially literate. In addition, Bunge's Board has determined that each of Mr. de La Tour d'Auvergne Lauraguais, Mr. Boilini and Mr. Engels qualifies as an audit committee financial expert as defined by the SEC. The audit committee operates under a written charter, which reflects NYSE listing standards and Sarbanes-Oxley Act requirements regarding audit committees. A copy of the charter is included as Appendix B to this proxy statement and is available on Bunge's website at www.bunge.com.

The audit committee's primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of Bunge's financial statements and related disclosures, (2) Bunge's compliance with legal and regulatory requirements, (3) Bunge's independent auditors' qualifications, independence and performance and (4) the performance of Bunge's internal audit and control functions.

Bunge's management is responsible for the preparation of its financial statements, its financial reporting process and its system of internal controls. Bunge's independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to U.S. generally accepted accounting principles. The audit committee monitors and oversees these processes.

The audit committee has adopted a policy designed to increase its oversight of Bunge's independent auditor. Under the policy, the audit committee approves all audit, and audit-related services, tax services and other services provided by the independent auditor. In addition, any services provided by the independent auditor that are not specifically included within the scope of the audit must be pre-approved by the audit committee in advance of any engagement. The audit committee's charter also ensures that the independent auditor discusses with the audit committee important issues such as internal controls, critical accounting policies, instances of fraud and the consistency and appropriateness of Bunge's accounting policies and practices.

The audit committee has reviewed and discussed with management and Deloitte & Touche LLP, Bunge's independent auditors, the audited financial statements as of and for the year ended December 31, 2004. In addition, the audit committee met regularly with management and Deloitte & Touche LLP to discuss the results of their evaluations of Bunge's internal controls and the overall quality of Bunge's financial reporting. The audit committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the audit committee has received from the independent auditors their written report required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Bunge and its management. The audit committee also considered whether the non-audit services provided by Deloitte & Touche LLP to Bunge during 2004 were compatible with their independence as auditors.

Based on these reviews and discussions, the audit committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in Bunge's Annual Report on Form 10-K for the year ended December 31, 2004.

PROPOSAL 2 APPOINTMENT OF INDEPENDENT AUDITORS

General

Our Board has recommended and asks that you appoint Deloitte & Touche LLP as our independent auditors for the fiscal year ending December 31, 2005 and authorize our Board, acting through the audit committee, to determine the independent auditors' fees. You would be so acting based on the recommendation of our audit committee. According to Bermuda law, an auditor is appointed for a one-year term beginning at the annual general meeting at which it is appointed and continuing until the close of the next annual general meeting.

The affirmative vote of a majority of the votes cast on the proposal is required to make such appointment. If you do not appoint Deloitte & Touche LLP, our Board will reconsider its selection of Deloitte & Touche LLP and make a new proposal for independent auditors.

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the "Deloitte Entities") have audited our annual financial statements since our 1996 fiscal year.

Representatives of the Deloitte Entities are expected to be present at the Annual General Meeting and will have the opportunity to make a statement if they desire to do so. We also expect that they will be available to respond to questions.

Fees

The chart below sets forth the aggregate fees for professional services rendered by the Deloitte Entities for services performed in each of 2004 and 2003, and breaks down these amounts by category of service:

	2004	2003
Audit Fees	\$8,389,000	\$6,543,000
Audit-Related Fees	209,000	277,000
Tax Fees	548,000	3,185,000
All Other Fees	0	49,000
Total	\$9,146,000	\$10,054,000

Audit Fees

Audit fees are fees billed for the audit of our annual consolidated financial statements, the audit of management's assessment on internal control over financial reporting and for the reviews of our quarterly financial statements. Additionally, audit fees include comfort letters, statutory audits, consents and other services related to SEC matters.

Audit-Related Fees

For 2004, audit-related fees principally included fees for employee benefit plan audits and statutory attestation services in Argentina. For 2003, audit-related fees principally included fees for employee benefit plan audits and Sarbanes-Oxley Section 404 advisory services.

Tax Fees

Tax fees in 2004 primarily related to services for tax compliance and preparation of employee expatriate tax returns. Tax compliance services are services rendered based upon facts already in existence or transactions that have already occurred to document, compute and obtain government approval for amounts to be included in tax filings. Tax fees in 2003 related to services for tax compliance and tax planning and advice. Tax planning and advice services are services rendered with respect to proposed transactions or that alter a transaction to obtain a particular tax result. Tax fees paid to the Deloitte Entities for 2003 included \$2,377,000 for tax planning and advice, which was principally related to the integration of Cereol S.A. and the formation of Solae Holdings LLC.

32

All Other Fees

No fees were paid to the Deloitte Entities in 2004 for any other professional services. Other fees paid in 2003 consisted of permitted non-audit services, which consisted primarily of a tax compliance software license.

Pre-Approval Policies and Procedures

The audit committee approves all audit services, audit-related services, tax services and other services provided by Deloitte & Touche LLP. Any services provided by Deloitte & Touche LLP that are not specifically included within the scope of the audit must be pre-approved by the audit committee in advance of any engagement. Under the Sarbanes-Oxley Act of 2002, audit committees are permitted to approve certain fees for audit-related services, tax services and other services pursuant to a de minimis exception prior to the completion of an audit engagement. In 2004, none of the fees paid to Deloitte & Touche LLP were approved pursuant to the de minimis exception.

In making its recommendation to appoint Deloitte & Touche LLP as our independent auditor for the fiscal year ending December 31, 2005, the audit committee has considered whether the services provided by Deloitte & Touche LLP are compatible with maintaining the independence of Deloitte & Touche LLP and has determined that such services do not interfere with Deloitte & Touche LLP's independence.

RECOMMENDATION OF THE BOARD

Our Board recommends that, based on the recommendation of the audit committee, you vote **FOR** the appointment of Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending December 31, 2005 and the authorization of the Board, acting through the audit committee, to determine the independent auditors' fees.

PROPOSALS 3(A)-(G)

APPROVAL OF AMENDMENTS TO OUR BYE-LAWS AND THE AUTHORIZATION OF THE BOARD TO APPOINT ADDITIONAL DIRECTORS FROM TIME TO TIME IN ACCORDANCE WITH THE AMENDED BYE-LAWS

Shareholders are being asked to consider and approve the amendments to our bye-laws described in subsections (A) through (F) below and, subject to the approval of the amendment described in subsection (A), to authorize the Board to appoint additional directors from time to time in accordance with the amended bye-laws as described in subsection (G). Each of Proposals 3(A), (B), (C), (D) (E), (F), and (G) requires the separate approval of shareholders.

The proposed amendments are intended to accomplish the following main objectives:

- (1) to authorize the Board to determine the number of directors (within stipulated limits) from time to time, and to fill positions created by an increase in the size of the Board;
- (2) to clarify matters relating to the nomination of directors by shareholders and other proposals made by shareholders;
- (3) to clarify the manner in which directors are to be elected or appointed; and
- (4) to clarify matters relating to shareholder approval of certain common share issuances.

The general purpose behind the proposed amendments is to provide a well-functioning set of provisions that more closely aligns Bunge's bye-laws with provisions adopted by large U.S. publicly-traded companies with respect to the above matters. Particular attention was given to Delaware law, the jurisdiction of incorporation of many publicly traded companies.

While each of Proposals 3(A)-(G) requires the separate approval of shareholders, several of the proposed amendments have been designed to operate in an integrated manner and certain of the proposed amendments are conditioned on each other. If certain of the proposed amendments are approved by shareholders, but others are not, our objective to create this integrated framework may not be fully achieved. For example, as described in Proposal 3(A), bye-law 11 is proposed to be amended to move the requirements for shareholder nominations of directors to proposed new bye-law 35, as set forth in Proposal 3(B). As such, if Proposal 3(A) is approved by shareholders and Proposal 3(B) is not approved by shareholders, there will be no method under our bye-laws for shareholders to nominate directors. In addition, if Proposal 3(A) is not approved, Bunge will not amend its bye-laws as set forth in Proposal 3(B). Further, if the authorization set forth in Proposal 3(G) is not approved, Bunge will not amend bye-law 11(1) to include the power of the Board to appoint additional directors as described in Proposal 3(A).

Other proposed amendments are administrative or clarifying in nature as described below.

The full text of the proposed amended and restated bye-laws is attached to this Proxy Statement as Appendix C, and the proposed changes to the current bye-laws are marked. **The Board has unanimously approved the proposed amendments to the bye-laws and recommends their approval by shareholders.**

Edgar Filing: Bunge LTD - Form DEF 14A

Under our bye-laws, Bunge's shareholders must approve the proposed amendments to bye-law 11 and 41 (as renumbered) by the affirmative vote of not less than 66% of all issued and outstanding common shares. In addition to the matters set forth in the table below, bye-law 11 is also proposed to be amended so as to remove the requirements for shareholder nominations of directors from this bye-law. See Proposal 3(B) for a description of the proposed amendments relating to nomination of directors by shareholders to be set forth in new bye-law 35. The approval of the proposed amendment to bye-law 11(1) described below to authorize the Board to appoint additional directors from time to time is conditioned upon shareholder approval of the authorization set forth in Proposal 3(G). The following table provides a comparison of the material changes between the current bye-laws and the proposed amendments to the bye-laws.

Subject Number of Directors	Bye-law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
	11(1)	The Board is to consist of not less than five nor more than eleven directors, or such number in excess thereof as the Board and the shareholders may from time to time determine.	To provide flexibility to the Board to determine its appropriate size from time to time, the proposed amendment provides that the Board will consist of a minimum of seven and a maximum of fifteen directors. The Board will be authorized to fix the size of the Board within these limits and to fill positions resulting from an increase in the size of the Board by the affirmative vote of not less than 66% of the directors then in office. If this proposal is approved, shareholders would no longer have the right to determine, along with the Board, the number of directors if the Board size is fixed by the Board within the limits specified in our bye-laws. However, the power of the Board to determine its size from time to time and to fill newly created positions on the Board is consistent with bye-law provisions adopted by many publicly traded companies.
Tenure of Directors	11(3), 11(4)	The Board is divided into three classes which consist as nearly as possible of one third of the full Board. At each annual general meeting, successors to the class of directors whose term expires at that annual general meeting will be elected for a three-year term.	Clarifies that the Board has the authority from time to time to fix the number of directorships in each class, provided that each class must consist as nearly as possible of one third of the full Board. At each annual general meeting, successors to the class of directors whose term expires at that annual general meeting will be elected for a three-year term. In addition, at the direction of and in the sole discretion of the Board, directors may be elected at any general meeting to fill any vacancy or newly created directorship on the Board. Any person elected or appointed to a class of directors under the bye-laws will hold office for a term coinciding with the then remaining term of such class of directors.
Votes Required for Election of			

Directors	41(2)	Each nominee who receives a majority of votes cast in his favor is elected.	Clarifies that where the number of persons proposed for re-election or election as a director is greater than the number of directors to be elected, the persons receiving the most affirmative votes (up to the number of directors to be elected) will be elected as directors. A majority of the votes cast will not be a prerequisite to the election of directors in such cases.

(B) Nomination of Directors by Shareholders — Addition of new Bye-law 35 and consequent renumbering of the bye-laws

Under our bye-laws, Bunge's shareholders must approve the proposed addition of new bye-law 35 (and the renumbering of the bye-laws as a consequence of such addition) by the affirmative vote of not less than 66% of all issued and outstanding common shares. As described above under Proposal 3(A), the proposed new bye-law 35 is intended to replace the procedures relating to nomination of directors by shareholders that are currently set forth in bye-law 11(2) of the existing bye-laws. The implementation of this proposal is conditioned upon shareholder approval of Proposal 3(A); therefore, if Proposal 3(A) is not approved by shareholders, Bunge will not amend its bye-laws as set forth in this proposal. The following table provides a summary of the material terms of proposed new bye-law 35.

Subject	Bye-law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
Nomination of Directors	35	Under current bye-law 11(2), for a shareholder to propose a director for election, notice must be given to Bunge not later than (i) 90 days before the first anniversary of the last annual general meeting prior to the giving of the notice or (ii) 10 days after the notice of the meeting at which directors are to be elected, whichever is earlier.	To correspond with standard publicly-traded company practice and SEC rules requiring nominating committees to disclose their procedures for considering shareholder nominations for director, the proposed new bye-law 35 contains specific procedures for such nominations, including the requirement that nominations for directors be received 120 days before the first anniversary of the date on which Bunge's proxy statement was distributed to shareholders in connection with the prior year's annual general meeting. See "Corporate Governance — Nomination of Directors" beginning on page 8 of this proxy statement for more information on the director nomination process. Only persons who are proposed and nominated in accordance with the bye-laws will be eligible for election as directors at any annual general meeting or special general meeting called for the purpose of electing directors. The Board or any shareholder who is a registered shareholder both on the record date for the determination of persons

entitled to attend and vote at the general meeting and on the date of the giving of the notice of nomination provided for in the bye-laws may propose any persons for election as a director. The notice provisions specify the timing requirements and information that the shareholder must provide in connection with the nomination.

While the addition of new bye-law 35 would alter the timing for shareholder nominations of directors by requiring shareholders to provide notice of a nomination earlier than required under our current bye-laws, the change is intended to facilitate the complete and informed consideration by the corporate governance and nominations committee of the qualifications of candidates nominated by shareholders sufficiently in advance of the distribution of Bunge's proxy statement for its next annual general meeting.

36

(C) Requirements for Board Action — Amendments to Bye-laws 7, 15(2), 17 and 18(3)

Under our bye-laws, shareholders must approve the proposed amendments to bye-laws 7, 15(2), 17 and 18(3) by the affirmative vote of a majority of votes cast. The approval of Proposal 3(C) is not conditioned on the approval of any other proposed amendment to our bye-laws. The following table provides a comparison of the material changes between the current bye-laws 7, 15(2), 17 and 18(3) and the proposed amendments to those bye-laws.

Subject	Bye-Law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
Quorum for Board and Committee Meetings; Power to Act Where There is a Board Vacancy	7, 15(2), 17	The quorum at Board meetings is five directors or such other number as determined by the shareholders. There is no quorum provision for committee meetings. The Board has the power to act, notwithstanding a vacancy on the Board, but if the number of directors is less than a quorum, the Board may act only to call a general meeting or preserve Bunge's assets.	The quorum necessary for meetings of the Board is a majority of the number of directors then in office. The quorum necessary for committee meetings will be a majority of the members of the committee. These provisions correspond to standard practice of publicly-traded companies. The proposed amendment deletes the limitation set forth in bye-law 15(2) on the Board's ability to act in the event of a Board vacancy, as the number of directors in office can no longer be less than a quorum.

Approval of Board
Resolutions

18(3)	A resolution put to a vote at a meeting of the Board is carried by the affirmative vote of a majority of the votes cast.	The proposed amendment clarifies that provisions of the Bermuda Companies Act and bye-law provisions that require a super-majority vote by the Board (such as proposed bye-law 11(1)) override the usual rule that a majority of the votes cast carry the Board resolution.

(D) Shareholder Proposals — Amendments to Bye-laws 3(1), 3(2) and 34

Under our bye-laws, shareholders must approve the proposed amendments to bye-laws 3(1), 3(2) and 34 by the affirmative vote of a majority of votes cast. The approval of Proposal 3(D) is not conditioned on the approval of any other proposed amendments to our bye-laws. The following table provides a comparison of the material changes between our current bye-laws 3(1), 3(2) and 34 and the proposed amendments to those bye-laws.

Subject Shareholder Proposals	Bye-law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
	34, 3(1), 3(2)	Bye-law 3 limits the power of the Board to manage the business of the Company by making the Board's powers subject to directions prescribed by shareholders at general meetings. However, there are no procedures set forth in our bye-laws by which shareholders can make proposals for consideration at general meetings.	To specify the shareholder proposal process, the proposed amendments to bye-law 34 contain provisions that correspond to the SEC's rules on the timing of proposals and to similar provisions adopted by other publicly-traded companies. Shareholder proposals must be made not later than 120 days before the first anniversary of the date on which Bunge's proxy statement was distributed to shareholders in connection with the prior year's annual general meeting, with additional provisions if the meeting date moves by more than 30 days from the date contemplated in the prior year's proxy statement or if the meeting is a special general meeting. The provisions specify information that the shareholder must include with a notice of proposal. The proposed amendments to bye-laws 3 and 34 also clarify that the only matters that may be proposed by shareholders at general meetings are limited to those that are reserved for shareholder action under Bermuda law and our bye-laws. As a related matter, the proposed amendments to bye-law 3 clarify the Board's power to manage the Company in a manner appropriate for a large publicly-traded company. The methods by which shareholders will be able to make proposals for

consideration at general meetings are now specified in bye-law 34 as described above.

38

(E) Shareholder Approval of Common Share Issuances —Amendments to Bye-law 49(3), as renumbered Under our bye-laws, shareholders must approve the proposed amendments to bye-law 49(3) by the affirmative vote of not less than 66% of votes cast. The approval of Proposal 3(E) is not conditioned on the approval of any other proposed amendments to our bye-laws. The following table provides a comparison of the material changes between our current bye-law 49(3) and the proposed amendments to that bye-law.

Subject	Bye-law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
Shareholder Approval of Certain Common Share Issuances	49(3)	Prior to becoming subject to SEC reporting requirements applicable to U.S. domestic public companies, Bunge, as a foreign private issuer, was not subject to NYSE requirements for shareholder approval prior to certain common share issuances. However, Bunge voluntarily adopted a bye-law provision requiring Bunge to comply with shareholder approval requirements of any exchange on which its shares are listed, including those under Section 312.03(c) of the NYSE Listed Company Manual. Section 312.03(c) of the NYSE Listed Company Manual requires that shareholder consent be obtained prior to certain issuances of common shares or securities convertible into common shares representing 20% or more of the then issued and outstanding common shares. However, the bye-laws further provide that this 20% limitation will apply to Bunge notwithstanding any modification of this limitation by the NYSE.	In connection with becoming subject to SEC reporting requirements applicable to U.S. domestic public companies, Bunge also became subject to NYSE requirements for shareholder approval prior to certain common share issuances. The requirement to comply with the shareholder approval requirements of any exchange on which our common shares are listed will be retained in the bye-laws without further restrictions relating to future modifications of these requirements by the NYSE.

39

(F) Definition of Rights Agreement — Amendments to Bye-laws 1(1), 49(4) and 50(2), as renumbered, where applicable

Under our bye-laws, shareholders must approve the proposed amendments to bye-laws 1(1), 49(4) and 50(2) by the affirmative vote of not less than 66% of votes cast. The approval of Proposal 3(F) is not conditioned on the approval of any other proposed amendments to our bye-laws. The following table provides a comparison of the material changes between our current bye-laws 1(1), 49(4) and 50(2) and the proposed amendments to those bye-laws.

Subject	Bye-law Number	Existing Bye-law Provisions	Proposed Bye-law Provisions
Definition of "rights agreement"	1(1), 49(4), 50(2)	The bye-laws refer to Bunge's rights agreement as originally adopted.	Clarifies that the rights agreement for purposes of the bye-laws is the rights agreement, as amended from time to time.

(G) Authorization of the Board to appoint additional directors from time to time in accordance with proposed bye-law 11(1).

Subject to the approval of the amendments to our bye-laws set out above in Proposal 3(A), shareholders are being asked to consider and approve the authorization of the Board to appoint additional directors from time to time in accordance with proposed bye-law 11(1) whenever the size of the Board is increased pursuant to that provision of the amended bye-laws. Bermuda law requires that this proposal be separately approved by the affirmative vote of a majority of votes cast. The implementation of this proposal is conditioned upon shareholder approval of Proposal 3(A) above. Therefore, only if Proposal 3(A) is approved by the requisite vote described therein, and this proposal is approved as set forth in the preceeding sentence, will this proposal be deemed approved. Similarly, if Proposal 3(A) is approved by shareholders but this proposal is not, the proposed amendments to bye-law 11(1) authorizing the Board to appoint additional directors from time to time set forth in Proposal 3(A) will not become effective.

RECOMMENDATION OF THE BOARD

The Board has approved the proposed amendments to our bye-laws as described above and as set forth in the amended and restated bye-laws attached hereto as Appendix C, and recommends that shareholders vote **FOR** each of Proposals 3(A), (B), (C), (D), (E), (F) and (G).

40

PROPOSAL 4

APPROVAL OF THE BUNGE LIMITED ANNUAL INCENTIVE PLAN AND MATERIAL TERMS OF EXECUTIVE OFFICER PERFORMANCE MEASURES FOR PURPOSES OF SECTION 162(M) OF THE CODE

United States tax laws generally do not allow publicly-held companies to obtain tax deductions for compensation of more than \$1 million paid in any year to the Chief Executive Officer and the four most highly paid executive officers

unless such payments are "performance-based" as defined in Section 162(m) of the Code. One of the requirements for compensation to be performance-based under Section 162(m) is that the Company must obtain shareholder approval every five years of the material terms of performance goals for such compensation.

In this proposal, the Board is requesting shareholder approval of the Bunge Limited Annual Incentive Plan (the "AIP") and the material terms of the performance measures that will be used for executive compensation awarded under the AIP and the Equity Incentive Plan (previously approved by Bunge shareholders most recently in 2003), to preserve Bunge's ability to receive tax deductions for executive compensation awarded under the AIP or for performance-based awards granted under the Equity Incentive Plan pursuant to Section 162(m) of the Code. Although Section 162(m) limits the deductibility for compensation paid to the five most highly paid executive officers, the performance measures discussed in this proposal will be applied to all executive officers who participate either in the AIP or the Equity Incentive Plan in the event that one or more of them should become one of the five most highly compensated executives during the five-year period covered by this proposal.

The AIP was adopted by the Board, subject to the approval of shareholders. The material terms of the AIP and the performance measures that will be used for compensation awarded under the AIP and the Equity Incentive Plan are summarized below.

AIP

Purpose. The purposes of the AIP are to (i) provide greater motivation for certain employees of Bunge and its subsidiaries to attain and maintain the highest standards of performance, (ii) attract and retain employees of outstanding competence and (iii) direct the energies of employees towards the achievement of specific business goals established for Bunge and its subsidiaries. The complete text of the AIP is set forth in Appendix D to this proxy statement, and shareholders are urged to review it together with the following information, which is qualified in its entirety by reference to Appendix D.

Administration. The AIP will be administered by the members of the compensation committee of the Board who are deemed to be "outside directors" within the meaning of Section 162(m) of the Code. The determinations of the compensation committee are final, binding and conclusive upon all persons.

Eligibility and Participation. Each employee who is recommended by the Chief Executive Officer to participate in the AIP and is approved by the compensation committee, or is included in the AIP by the compensation committee, is eligible to participate in the AIP for the relevant calendar year.

To meet the requirements of Section 162(m), certain more restrictive provisions of the AIP apply only to "executive officers" who participate in the AIP. For purposes of the AIP, "executive officers" will be those employees designated by the compensation committee from year to year for purposes of qualifying payouts under the AIP for exemption from Section 162(m).

Award Determination. Prior to each calendar year, or as soon as practicable thereafter, the compensation committee will establish performance goals that may be based on any combination of company and individual performance measures. Company performance measures with respect to executive officers, as designated by the compensation committee, will be determined annually from among performance measures listed on Appendix A to the AIP, attached to this proxy statement as Appendix D. The company performance measures used in 2005 for the AIP will be based upon return on net assets and income from continuing operations for each Named Executive Officer except for Mr. Gwathmey. Mr. Gwathmey's 2005 performance measures for the AIP will be based upon return on net

assets and operating profit of the business unit for which he is responsible. Prior to each fiscal year, or as soon as practicable thereafter, the compensation committee will also establish, for each job classification, various levels of award payments depending upon the level of achievement of the performance measures and the participant's base salary. Final awards will be based on the level of achievement of the performance measures, the participant's job classification and the predetermined award payout levels. Except with respect to executive officers, the compensation committee has the discretion to adjust performance goals and payout levels during a calendar year. With respect to executive officers, the compensation committee can reduce or eliminate the amount of the final award and can exercise such other discretion as on the advice of tax counsel will not adversely affect the deductibility for federal income tax purposes of any amount paid under the AIP. The maximum amount payable under the AIP to a participant for any calendar year will be \$4,000,000.

Payments. All awards will be payable in cash as soon as practicable after the end of the calendar year and after the compensation committee certifies in writing that the performance goals and any other relevant terms of the awards have been satisfied, but in no event later than March 15th of the relevant calendar year.

Termination of Employment. In the event of a participant's death, disability or retirement, the final award of such participant will be reduced to reflect participation prior to the termination only. In the event of any other kind of termination of service, the participant's award for the year of termination will be forfeited; provided, however, that the compensation committee has the discretion to pay a partial award for the portion of the year that the participant was employed by Bunge.

Duration of the AIP. The AIP will remain in effect from January 1, 2005, subject to approval by Bunge's shareholders, and continue until December 31, 2010, unless terminated earlier by the compensation committee.

Amendment. The compensation committee may, at any time, amend any or all of the provisions of the AIP or suspend or terminate it entirely. No amendment, suspension or termination may reduce the rights of a participant under an award without the participant's consent.

Performance Measures for AIP. If the shareholders approve this proposal, the financial and non-financial performance measures attached as Appendix A to the AIP (Appendix D to this proxy statement) and certain individual performance measures will constitute the framework within which the compensation committee will set specific performance goals for the awards granted under the AIP between the dates of 2005 and 2010, and therefore preserve Bunge's ability to obtain tax deductions for such compensation. The performance criteria for each calendar year may be based upon the performance of Bunge, a participating subsidiary or business unit and may be applied either alone or relative to the performance of individual measures, using one or a combination of the performance measures listed on Appendix A to the AIP.

New Plan Benefits. No bonuses under the AIP have yet been earned by any employee of Bunge, as the performance periods have not yet passed. We cannot determine what amounts would have been paid under the AIP in 2004 had the AIP been in effect. In addition, the amount of the awards which ultimately may be payable for calendar year 2005 (or any subsequent year) cannot be determined at this time. However, no award for 2005 (or any subsequent year) will exceed the plan limit specified above.

Equity Incentive Plan

Performance-Based Restricted Stock Units under the Equity Incentive Plan. If this proposal is approved, subsequent performance-based restricted stock units awards granted between 2005 and 2010 would be based upon achievement of certain pre-established performance measures and, therefore, would preserve Bunge's ability to receive tax deductions

for such compensation. Generally, performance-based restricted stock units awards vest after the completion of a three-year performance period upon Bunge's satisfaction of the pre-established performance measures relating to Bunge's cumulative diluted earnings per share or cumulative operating profit, as applicable. The performance criteria for each calendar year may be based upon the performance of Bunge, a participating

42

subsidiary or business unit in relation to one or more of the financial performance measures listed on Appendix A of the AIP attached to this proxy statement as Appendix D.

The 2005 performance measures for the performance based restricted stock units awarded to our executive officers under the Equity Incentive Plan will be based upon the cumulative earnings per share of Bunge for the three-year performance period beginning on January 1, 2005. Awards of performance-based restricted stock units that vest under the Equity Incentive Plan may be settled either in cash or in Bunge common shares, at the participant's election, in the discretion of the compensation committee. However, beginning with the performance-based restricted stock units granted in 2005, vested performance-based restricted stock units will be settled in Bunge common shares only. Performance-based restricted stock units awards under the Equity Incentive Plan are also subject to a risk of forfeiture upon certain kinds of employment terminations during the vesting period. At the compensation committee's discretion, a participant may also receive dividend equivalent payments that are credited to each participant's account and paid in whole at the time the award is settled. The number of restricted stock units to be awarded in 2005 (or any subsequent years) cannot be presently determined.

RECOMMENDATION OF THE BOARD

The Board has approved the Bunge Limited Annual Incentive Plan and recommends that shareholders vote **FOR** the approval of the Bunge Limited Annual Incentive Plan and material terms of executive officer performance measures for purposes of Section 162(m) of the Code.

43

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Loans to Directors and Executive Officers

Under Bermuda law, we cannot lend money to our directors without the approval of shareholders representing 90% of our common shares. We have no outstanding loans to any director. In addition, we are in compliance with the provisions of the Sarbanes-Oxley Act of 2002 prohibiting certain loans to directors and executive officers.

Transactions with Mutual Investment Limited and its Subsidiaries

In 2000, Mutual Investment Limited, our former parent company prior to our 2001 initial public offering, contributed \$126 million of capital to us in the form of a long-term secured note. In June 2003, we received \$55 million from

Mutual Investment Limited, as final payment on this long-term secured note. In addition, in 2003 we recorded interest income of \$1 million pertaining to this long-term secured note. In July 2004, Bunge purchased a wheat mill in Brazil from Mutual Investment Limited for approximately \$2 million.

Prior to our initial public offering, we entered into an administrative services agreement with Mutual Investment Limited under which we provide corporate and administrative services to it, including financial, legal, tax, accounting, human resources administration, insurance, employee benefits plans administration, corporate communication and management information system services. The agreement has a quarterly term that is automatically renewable unless terminated by either party. Mutual Investment Limited pays us for the services rendered on a quarterly basis based on our direct and indirect costs of providing the services. In 2004, Mutual Investment Limited paid us \$623,000 under this agreement.

We have sold soybean meal and fertilizer products at market prices to Seara Alimentos S.A. ("Seara"), a former subsidiary of Mutual Investment Limited engaged in meat and poultry production. The amounts of these sales were \$10 million for the year ended December 31, 2004, \$6 million in 2003 and \$4 million in 2002. In the third quarter of 2004, Mutual Investment Limited agreed to sell its interest in Seara to a third party. The sale was consummated in the first quarter of 2005.

In December 2003, we sold an inactive Netherlands subsidiary to Mutual Investment Limited for \$64,000, its estimated fair value, in connection with a reorganization of certain of Mutual Investment Limited's investments.

Other Relationships

We purchase agricultural commodity products in the normal course of business from many suppliers and sell agricultural commodities and fertilizer products to many customers, including companies that are affiliated with some of our non-management directors or their immediate family members. All of these transactions have been in the ordinary course of business and on arms-length business terms based on market prices. In 2004, none of these transactions were significant, either individually or in the aggregate, and all fell within the categorical standards for director independence set forth in this proxy statement.

44

COMPARATIVE PERFORMANCE OF OUR COMMON SHARES

The performance graph shown below compares the quarterly change in cumulative total shareholder return on our common shares with the Standard & Poor's (S&P) 500 Stock Index and the S&P Food Products Index from August 2001, when we completed our initial public offering, through the quarter ended March 31, 2005. The graph sets the beginning value of our common shares and the Indices at \$100, and assumes that all dividends are reinvested. All Index values are weighted by the capitalization of the companies included in the Index.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As of June 21, 2004, Bunge became subject to the SEC reporting requirements applicable to U.S. domestic public companies and its executive officers, directors and certain persons who own ten percent of its common shares became obligated by Section 16(a) of the Exchange Act to file reports of their ownership of Bunge's common shares with the SEC and to furnish Bunge with copies of the reports.

Based solely upon a review of copies of reports filed pursuant to Section 16(a) of the Exchange Act, or written representations from persons required to file such reports, we believe that all filings required to be made were timely made in accordance with the requirements of the Exchange Act, except that in March 2005 a Form 4 reporting a change in Alberto Weisser's ownership was filed one day late due to technical problems experienced with the filing.

In order to be included in Company-sponsored proxy materials, shareholder proposals will need to comply with the SEC's Rule 14a-8. APPENDIX A

BUNGE LIMITED

CORPORATE GOVERNANCE GUIDELINES

The Board has adopted these guidelines to reflect the Company's commitment to good corporate governance and to comply with New York Stock Exchange rules and other legal requirements. In furtherance of these goals, the Board has also adopted a Code of Ethics, policies and procedures on securities trading compliance and written charters for each of its Board committees. The Corporate Governance and Nominations Committee will periodically review these guidelines and propose modifications to the Board for consideration as appropriate.

I. Director Responsibilities

A. Basic Responsibilities

The business affairs of the Company are managed under the direction of the Board, which represents and is accountable to the shareholders of the Company. The Board's responsibilities include regularly evaluating the strategic direction of the Company, management's policies and the effectiveness with which management implements its policies and overseeing compliance with legal and regulatory requirements.

The basic responsibility of the directors is to act honestly and in good faith with a view to the best interests of the Company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In discharging that obligation, the directors should inform themselves of all relevant information reasonably available to them. In forming their judgment, directors are entitled to rely in good faith on the accuracy of the records of the corporation and the information, opinions, reports or statements presented to them by the Company's officers, employees, Board committees, outside advisors and auditors, but the final decision must be made by the directors themselves.

B. Board and Committee Meetings: Attendance at Shareholder Meetings

Directors are expected to prepare for and use reasonable efforts to participate in all Board meetings and meetings of committees on which they serve. The Board and each committee will meet as frequently as necessary to properly discharge their responsibilities, provided that the Board shall meet at least five times per year.

Each director is free to suggest the inclusion of items on the agenda for the Board meeting and each committee meeting, but it is the Chairman of the Board and the Chair of each committee who will set the final agenda for any meeting. The final agenda of the Board and each committee meeting will be circulated to all Board members prior to the meetings. The Chairman of the Board shall receive copies of all committee notices, agendas and minutes at the same time, and in the same manner, as the members of each committee.

Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should, to the extent practicable, be distributed in writing to the directors sufficiently in advance of the meeting to permit meaningful review, and directors are expected to review the provided materials in advance of each meeting.

In addition, it is the policy of the Board that the directors attend the Annual General Meeting of the Company's shareholders.

C. Meetings of Non-Management Directors

The non-management directors shall meet without management directors at regularly scheduled executive sessions and at such other times as they deem appropriate.

The non-management directors shall, from time to time, designate a director from among their number to preside at executive sessions of the non-management directors.

A-1

D. Communications with Directors

To facilitate the ability of interested persons to communicate with and make their concerns known to the non-management directors and of shareholders to communicate with the Board, the Board has established an electronic mailing address and a physical mailing address to which such communications may be sent. These addresses will be disclosed on the Company's website.

E. Board Interaction with Institutional Investors, Research Analysts and Media

As a general rule, management will speak on behalf of the Company. Comments and other statements from the entire Board, if appropriate, will generally be made by the Chairman and Chief Executive Officer. It is suggested that, in normal circumstances, each director refer all inquiries from third parties to management.

II. Composition and Selection of the Board

A. Size and Composition of the Board

The current size of the Board is 11, which the Board believes is appropriate. The Board will assess its size from time to time to determine whether it continues to be appropriate.

B. Board Membership Criteria

It is the policy of the Board that the Board at all times reflect the following criteria:

Each director will at all times exhibit high standards of ethics, integrity commitment and accountability and should be committed to promoting the long-term interests of the Company's shareholders.

The Board will encompass a range of talent, skill and relevant expertise sufficient to provide sound guidance with respect to the Company's operations and interests.

The Corporate Governance and Nominations Committee will recommend director nominees to the Board in accordance with the policies and principles in its Charter and in these Guidelines. The invitation to stand for election to the Board shall be extended by the Chairman of the Board on behalf of the Board.

C. Independence of Directors

The Board will have a substantial majority of directors who meet the requirements for independence required by the New York Stock Exchange for listed U.S. companies.

Whether directors are independent will be reviewed annually in connection with the preparation of the Company's proxy statement. The Corporate Governance and Nominations Committee as well as the Board will review commercial and other relationships between directors and the Company to make a determination regarding the independence of each of the directors, but the final independence determination will be made by the Board after due deliberation. The Board has established categorical standards to assist it in making such determinations. Such standards are set forth in Annex A hereto. Each independent director is expected to notify the Chair of the Corporate Governance and Nominations Committee, as soon as reasonably practicable, if his or her personal circumstances change in a manner that may affect the Board's evaluation of such director's independence.

D. Membership on Other Boards, Interests in Competitors

Directors must inform the Chairman of the Board and the Chair of the Corporate Governance and Nominations Committee in advance of accepting an invitation to serve on another public company board.

No director may sit on the board of, or beneficially own more than 1% of the outstanding equity securities of (other than through mutual funds or similar non-discretionary, undirected arrangements), any of the Company's competitors in its principal lines of business.

A-2

E. Sale and Purchase of Company Securities

Directors must comply with the terms of the Company's Policies Regarding Pre-Clearance of Securities Trades and use of Derivative Securities and the Company's Corporate Policy and Procedure on Insider Trading in connection with any proposed transaction in Company securities.

F. Changes in Current Job Responsibility

Directors, including employee directors, who retire from the job or the principal responsibility they held when they were selected for the Board or who accept employment with any of the Company's competitors in its principal lines of business shall submit their resignation from the Board to the Corporate Governance and Nominations Committee who may choose (1) to accept such resignation or (2) to submit such resignation for consideration by the Board, with any decision by the Board requiring a two-thirds super-majority vote.

G. Term Limits and Mandatory Retirement

The Board has not established any term limits to an individual's membership on the Board. No director having attained the age of 70 shall be nominated for re-election or re-appointment to the Board.

III. Board Committees

A. Composition and Responsibilities

The Board will have at all times an Audit Committee, a Compensation Committee, a Corporate Governance and Nominations Committee, a Finance and Risk Management Committee and any other committee the Board deems appropriate. All of the members of the committees will meet the criteria for independence set forth above and will be appointed by the Board. The Board will also appoint the Chair of each committee.

The Board will annually review committee assignments and will consider the rotation of committee chairs and members with a view toward balancing the benefits derived from continuity against the benefits derived from the diversity of experience and viewpoints of the various directors.

B. Charters

The Board has adopted written charters setting forth the purposes, goals and responsibilities of each of the Audit Committee, the Compensation Committee, the Corporate Governance and Nominations Committee and the Finance and Risk Management Committee, and will adopt such charters for any other committees that the Board deems appropriate. Each committee charter will also address qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board.

IV. Director Access to Officers, Employees and Independent Advisors

A. Access to Management and Employees

Directors will have full and unrestricted access to officers and employees of the Company at reasonable times and with reasonable notice and in a manner that will not unreasonably affect the performance by these officers or employees of their duties and responsibilities and that will not undermine management's oversight responsibility.

B. Access to Independent Advisors

The Board and each committee have the power to hire legal, financial or other advisors, as they may deem necessary, as set forth in each committee's charter. Each committee that hires a legal, financial or other advisor shall promptly notify the Board of such hiring. The Company will provide sufficient funding to the Board and to each committee, as determined by the Board and each of its committees, to exercise their functions and provide compensation for the services of their advisors and, in the case of the Audit Committee, independent auditors.

A-3

V. Director Orientation and Continuing Education

All new directors will receive these Corporate Governance Guidelines and will participate in the Company's orientation initiatives as soon as practicable after the annual meeting at which new directors are elected. The

initiatives will include presentations by senior management and outside advisors as appropriate to familiarize new directors with the Company's business, its strategic plans, its significant financial, accounting and risk management issues and its compliance programs as well as their fiduciary duties and responsibilities as directors. All other directors are also invited to attend orientation initiatives.

The Corporate Governance and Nominations Committee and members of senior management of the Company as well as appropriate outside advisors will periodically report to the Board on any significant developments in the law and practice of corporate governance and other matters relating to the duties and responsibilities of directors in general.

VI. Director Compensation

The Compensation Committee will annually review and recommend, and the Board will approve, the form and amount of director compensation. It is the Company's policy that a significant portion of director compensation be in the form of Company shares or equity-based awards. The Board will consider that directors' independence may be jeopardized if director compensation and perquisites exceed customary levels, if the Company makes substantial charitable contributions to organizations with which a director is affiliated, or if the Company enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated.

The Board believes that director stock ownership helps to align the interests of directors with those of the Company's shareholders. Within five years of May 27, 2005 (or for new directors within five years of becoming a director), each non-employee director is expected to own common shares of the Company (including restricted stock units under the Company's deferred compensation plan for non-employee directors and 50% of the value of vested, in-the-money stock options) having a market value of at least three times the annual retainer fee paid by the Company to its non-employee directors.

VII. Chief Executive Officer Evaluation and Management Succession

The Compensation Committee shall review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives and set the Chief Executive Officer's compensation level based on this evaluation, in each case after obtaining the views of the other Board members and after reviewing its evaluation with the Board. The Compensation Committee will inform the Board of its decisions with respect to the compensation of the Chief Executive Officer and the direct reports to the Chief Executive Officer.

The Board will review at least annually succession planning for the Chair and Chief Executive Officer. The Board will work with the Compensation Committee and the Corporate Governance and Nominations Committee to evaluate and, as necessary, nominate successors to the Chair and Chief Executive Officer. The Chair and Chief Executive Officer should at all times make available his or her recommendations and evaluations of potential successors to his or her own and other senior management positions, including in the event of an unexpected emergency, along with a review of any development plans recommended for such individuals.

VIII. Annual Performance Evaluation

The Corporate Governance and Nominations Committee, on behalf of the Board, will conduct an annual evaluation of the Board to determine whether it is functioning effectively. The Corporate Governance and Nominations Committee will also establish criteria for the annual self-evaluations of each committee. The Board and committee assessments will focus on the

contribution to the Company by the Board and each committee, and will specifically focus on areas in which a better contribution could be made. The final Board and committee evaluations will be discussed with the Board following their completion.

IX. Director Insurance, Indemnification and Exculpation

The Company intends to, and the directors shall be entitled to have the Company, purchase reasonable directors' and officers' liability insurance on behalf of the directors to the extent reasonably available and in amounts to be approved by the Board. In addition, the directors will receive the benefits of indemnification provided by the Company's Memorandum of Association and Bye-laws.

A-5

Annex A

Categorical Standards of Director Independence

In order to qualify as independent, the Board must determine that a director has no material relationship with Bunge.

(1) A director will not be independent if:

- the director was employed by Bunge or an immediate family member of the director was an executive officer of Bunge within the preceding three years,
- (i) the director or the director's immediate family member is a current partner of a firm that is Bunge's external auditor; (ii) the director is a current employee of such firm; (iii) the director has an immediate family member who is a current employee of such firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) the director or the director's immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Bunge's audit within that time,
- a present executive officer of Bunge serves or served on the compensation committee of the board of directors of a company which employed the director or which employed an immediate family member of the director as an executive officer within the preceding three years,
- the director or the director's immediate family member received, during any 12-month period within the preceding three years, more than \$100,000 per year in direct compensation from Bunge other than director and committee fees and pension or other forms of deferred compensation for prior service, provided that such compensation is not contingent on continued service or
- the director is a current employee, or the director's immediate family member is a current executive officer, of another company and the other company made payments to, or received payments from, Bunge for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues.

(2) In addition, in order to assist it in determining what constitutes a material relationship, the board has adopted the following categorical standards for relationships that, subject to paragraph (1) above, will not be deemed to impair a

director's independence:

- the director or the director's immediate family member is a director or executive officer of, or employed by, another company that that sells to or purchases from Bunge agricultural commodity, fertilizer or other products sold by Bunge in the ordinary course of business, provided that such transactions are on arm's length terms,
- the director or the director's immediate family member holds a beneficial interest in an enterprise which sells to or purchases from Bunge agricultural commodity, fertilizer or other products sold by Bunge in the ordinary course of business, provided that such transactions are on arm's length terms, and
- transactions or relationships that ended prior to the beginning of Bunge's most recently completed three-year fiscal period.

For purposes of these standards, immediate family members include a director's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares the director's home. However, when applying the three-year look back provisions in the categories set forth above, individuals who are no longer immediate family members as a result of legal separation or divorce or those who have died or become incapacitated are not included.

For relationships not covered by the foregoing standards, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the directors who satisfy the above independence standards. The Board's determination of each director's independence will be disclosed annually in Bunge's proxy statement.

The Board may by resolution determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means.

(2) The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the person to whom such shares have been allotted.

(3) If any such certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid, stolen or destroyed the Board may cause a new certificate to be issued and request a bond or an indemnity for the lost, mislaid, stolen or destroyed certificate if it sees fit. If a share certificate is defaced, worn out, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and payment of any exceptional out-of-pocket expenses reasonably incurred by the Company in investigating evidence and preparing the requisite form of indemnity as the Board may determine but otherwise free of charge, and (in the case of defacement or wearing out) on delivery up of the old certificate.

~~55.~~56. Calls on shares

(1) The Board may from time to time make such calls as it thinks fit upon the Members in respect of any monies (whether on account of the nominal value of the shares or by way of premium) unpaid on the shares allotted to or held by such Members (and not made payable at fixed times by the conditions of allotment thereof) and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

(2) A person on whom a call is made shall remain liable for calls made on him even if the shares in respect of which the call was made are subsequently transferred.

(3) Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall for all the purposes of these Bye-laws be deemed to be a call duly made and payable on the date on which, by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Bye-laws as to payment of interest, costs, charges and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

(4) The Directors, may, if they think fit, receive from any Member willing to advance the same all or any part of the money unpaid upon the shares held by such Member beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received or so much thereof as from time to time exceeds the

C-15

amount of the calls then made upon the shares in respect of which it has been received the Company may pay interest at such rate as the Member paying such sum and the Directors by resolution shall agree provided that the Member shall not thereby be entitled to participate in respect thereof in a dividend subsequently declared. The Directors may also at any time repay the amount so advanced upon giving to such Member one month's notice in writing.

~~56.57.~~ Forfeiture of shares

(1) If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward to such Member a notice in the form, or as near thereto as circumstances admit, of Form "B" in the Schedule hereto.

(2) If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine.

(3) A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon.

in each year.

~~60-61.~~ Determination of record dates

Notwithstanding any other provision of these Bye-laws, the Board may fix any date as the record date for:-

(1) An instrument of transfer shall be in the form or as near thereto as circumstances admit of Form "C" in the Schedule hereto or in such other common form as the Board may accept. Such instrument of transfer shall be signed by or on behalf of the transferor and transferee provided that, in the case of a fully paid share, the Board may accept the instrument signed by or on behalf of the transferor alone. The Board may also accept mechanically executed transfers. The transferor shall be deemed to remain the holder of such share until the same has been transferred to the transferee in the Register of Members.

C-16

(2) The Board may refuse to recognise any instrument of transfer unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

~~62-63.~~ Restriction on transfer

(1) The Board may in its absolute discretion and without assigning any reason therefor refuse to register the transfer of a share which is not fully paid.

Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of section 52 of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may in its absolute discretion decide as being properly authorised to deal with the shares of a deceased Member.

~~65-66.~~ Registration on death or bankruptcy

On the presentation thereof to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member but the Board shall, in either case, have the same right to decline or suspend registration as it would have had in the case of a transfer of the share by that Member before such Member's death or bankruptcy, as the case may be.

(1) The Board may, subject to these Bye-laws, resolve to capitalise any part of the amount for the time being standing to the credit of any of the Company's share premium or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro rata (except in connection with the conversion of shares of one class to shares of another class) to the Members.

(2) The Company may capitalise any sum standing to the credit of a reserve account or sums otherwise available for dividend or distribution by applying such amounts in paying up in full partly paid shares of those Members who would have been entitled to such sums if they were distributed by way of dividend or distribution.

After the performance goals are established, the Committee will align the achievement of the performance goals with the Award Opportunities (as described in Section 5.2 herein), such that the level of achievement of the pre-established performance goals at the end of the Plan Year will determine the amount of the Final Award. Except as provided in Section 9, the Committee also shall have the authority to exercise subjective discretion in the determination of Final Awards, as well as the authority to delegate the ability to exercise subjective discretion in this respect.

D-3

The performance period with respect to which awards may be payable under the Plan shall generally be the Plan Year; provided, however, that the Committee shall have the authority and discretion to designate different performance periods under the Plan.

5.2 Award Opportunities. Prior to the beginning of each Plan Year, or as soon as practicable thereafter (but in no event more than ninety days from the beginning of such Plan Year), the Committee shall establish an Award Opportunity for each Participant. Except as provided in Section 9, in the event a Participant changes job levels during a Plan Year, the Participant's Award Opportunity may be adjusted to reflect the amount of time at each job level during the Plan Year.

5.3 Adjustment of Performance Goals. Except as provided in Section 9, the Committee shall have the right to adjust the performance goals and the Award Opportunities (either up or down) during a Plan Year, to the extent permitted by Code Section 162(m) and the regulations and interpretative rulings thereunder, if it determines that the occurrence of external changes or other unanticipated business conditions have materially affected the fairness of the goals and have unduly influenced the Company's ability to meet them, including without limitation, events such as material acquisitions, changes in the capital structure of the Company, and extraordinary accounting changes. In addition, performance goals and Award Opportunities will be calculated without regard to any changes in accounting standards that may be required by the Financial Accounting Standards Board after such performance goals or Award Opportunities are established. Further, in the event of a Plan Year of less than twelve months, the Committee shall have the right to adjust the performance goals and the Award Opportunities accordingly, at its sole discretion, except as provided in Section 9.

5.4 Final Award Determinations. At the end of each Plan Year, Final Awards shall be computed for each Participant as determined by the Committee. Except as provided in Section 9, each Final Award shall be based upon the (i) Participant's Target Incentive Award percentage, multiplied by his Base Salary and (ii) satisfaction of Financial, Non-financial and individual performance goals (if applicable). Final Award amounts may vary above or below the Target Incentive Award, based on the level of achievement of the pre-established Financial, Non-financial, and individual performance goals.

5.5 Limitations. The amount payable to a Participant for any Plan Year shall not exceed U.S. \$4,000,000.

SECTION 6. PAYMENT OF FINAL AWARDS

6.1 Form and Timing of Payment. As soon as practicable after the end of each Plan Year, the Committee shall certify in writing the extent to which the Company and each Participant has achieved the performance goals for such Plan Year, including the specific target objective(s) and the satisfaction of any other material terms of the awards, and the Committee shall calculate the amount of each Participant's Final Award for the relevant period. Generally, Final Award payments shall be payable to the Participant, or to his estate in the case of death, in a single lump-sum cash payment, as soon as practicable after the end of each Plan Year, after the Committee, in its sole discretion, has certified in writing that the specified performance goals were achieved, but in no event later than March 15th of such Plan Year.

6.2 Payment of Partial Awards. In the event a Participant no longer meets the eligibility criteria as set forth in the Plan during the course of a particular Plan Year, the Committee may, in its sole discretion, compute and pay a partial award for the portion of the Plan Year that an Employee was a Participant.

6.3 Unsecured Interest. No Participant or any other party claiming an interest in amounts earned under the Plan shall have any interest whatsoever in any specific asset of the Company or of any Subsidiary. To the extent that any party acquires a right to receive payments under the Plan, such right shall be equivalent to that of an unsecured general creditor of the Company.

SECTION 7. TERMINATION OF EMPLOYMENT

7.1 Termination of Employment Due to Death, Disability or Retirement. In the event a Participant's employment is terminated by reason of death, Disability or Retirement, the Final Award

determined in accordance with Section 5.4 herein shall be reduced to reflect participation prior to such termination only. The reduced award shall be based upon the amount of Base Salary earned during the Plan Year prior to termination. In the case of a Participant's Disability, the employment termination shall be deemed to have occurred on the date the Committee determines, in its sole discretion, that the requirements of Disability have been satisfied.

The Final Award thus determined shall be payable as soon as practicable following certification of the relevant performance goals by the Committee for the Plan Year in which such termination occurs, or sooner (except with respect to Executive Officers), as determined by the Committee in its sole discretion.

7.2 Termination of Employment for Other Reasons. In the event a Participant's employment is terminated for any reason other than death, Disability or Retirement (as determined by the Committee, in its sole discretion), all of the Participant's rights to a Final Award for the Plan Year then in progress shall be forfeited. However, the Committee, in its sole discretion, may pay a partial award for the portion of that Plan Year that the Participant was employed by the Company, computed as determined by the Committee.

SECTION 8. RIGHTS OF PARTICIPANTS

8.1 Employment. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

8.2 Nontransferability. No right or interest of any Participant in the Plan shall be assignable or transferable, or subject to any lien, directly, by operation of law, or otherwise, including, but not limited to, execution, levy, garnishment, attachment, pledge, and bankruptcy.

SECTION 9. EXECUTIVE OFFICERS

9.1 Applicability. The provisions of this Section 9 shall apply only to Executive Officers. In the event of any inconsistencies between this Section 9 and the other Plan provisions, the provisions of this Section 9 shall control with respect to Executive Officers.

9.2 No Participation After Commencement of Plan Year. An Executive Officer who becomes eligible after the beginning of a Plan Year may not participate in the Plan for such Plan Year. Such Executive Officer will be eligible to participate in the Plan for the succeeding Plan Year.

9.3 Award Determination. Prior to the beginning of each Plan Year, or as soon as practicable thereafter, the Committee shall establish the Target Incentive Award percentage for each Executive Officer and performance goals for that Plan Year. Performance goals to be used shall be chosen from among any combination of the Financial and Non-financial performance goals as exemplified in Schedule A and such other individual performance goals as established by the Committee. The Committee may select one or more of the performance goals specified from Plan Year to Plan Year which need not be the same for each Executive Officer in a given year.

At the end of the Plan Year and prior to payment, the Committee shall certify in writing the extent to which the performance goals and any other material terms were satisfied. Final Awards shall be computed for each Executive Officer based on (i) the Participant's Target Incentive Award multiplied by his Base Salary, and (ii) Financial, Non-financial and individual performance (if applicable).

Final Award amounts may vary above or below the Target Incentive Award based on the level of achievement of the pre-established Financial, Non-financial and individual performance goals.

9.4 Non-adjustment of Performance Goals. Once established, performance goals shall not be changed during the Plan Year. Participants shall not receive any payout when the Company or Non-financial segment (if applicable) does not achieve at least minimum performance goals.

9.5 Discretionary Adjustments. The Committee retains the discretion to eliminate or decrease the amount of the Final Award otherwise payable to a Participant.

D-5

9.6 Possible Modification. If, on advice of the Company's tax counsel, the Committee determines that Code Section 162(m) and the regulations thereunder will not adversely affect the deductibility for federal income tax purposes of any amount paid under the Plan by applying one or more of Section 2, 4.3, 5.1, 5.2, 5.3 or 5.4 to an Executive Officer without regard to the exceptions to such Section or Sections contained in this Section 9, then the Committee may, in its sole discretion, apply such Section or Sections to the Executive Officer without regard to the exceptions to such Section or Sections that are contained in this Section 9.

SECTION 10. AMENDMENT AND MODIFICATION

The Committee, in its sole discretion, without notice, at any time and from time to time, may modify or amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely; provided, however, that no such modification, amendment, suspension, or termination may, without the consent of a Participant (or his or her beneficiary in the case of the death of the Participant), reduce the right of a Participant (or his or her beneficiary, as the case may be) to a payment or distribution hereunder which he or she has already earned and is otherwise entitled, except where such modification, amendment, suspension or termination is necessary to comply with applicable law, including without limitation, any modifications or amendments made pursuant to Section 409A of the Code and any regulations, rulings and other regulatory guidance issued thereunder.

SECTION 11. MISCELLANEOUS

11.1 Governing Law. The Plan, and all agreements hereunder, shall be governed by and construed in accordance with the laws of New York.

11.2 Withholding Taxes. The Company and its Subsidiaries shall have the right to deduct from all payments under the Plan any federal, state, local and/or foreign income, employment or other applicable payroll taxes required by law to be withheld with respect to such payments.

11.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

11.4 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

11.5 Costs of the Plan. All costs of implementing and administering the Plan shall be borne by the Company.

11.6 Successors. All obligations of the Company and its Subsidiaries under the Plan shall be binding upon and inure to the benefit of any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, amalgamation, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.
