In addition, materials remain easily accessible to shareholders, and shareholders receive clear instructions for requesting paper copies of these materials and voting.

We are mailing the Notice of Internet Availability of Proxy Materials (Internet Notice) to shareholders on or about March 17, 2008. The Internet Notice contains instructions for your use of this new process, including how to access our Proxy Statement and Annual Report and how to vote online. In addition, the Internet Notice contains instructions on how you may (i) receive a paper copy of the Proxy Statement and Annual Report, if you received only an Internet Notice this year, or (ii) elect to receive your Proxy Statement and Annual Report only over the Internet, if you received them by mail this year.

It is important that your shares be represented at the Annual Meeting. Whether or not you plan to attend the Annual Meeting in person, please return your vote as soon as possible to ensure the presence of a quorum and save Deluxe further expense. You may vote your shares over the Internet. If you received a paper copy of the proxy card by mail, you may sign, date and mail the proxy card in the envelope provided. Instructions regarding the methods of voting are contained in the Internet Notice and in the Proxy Statement. INFORMATION CONCERNING SOLICITATION AND VOTING

What is the purpose of the meeting?

At our annual meeting, shareholders will act on the matters disclosed in the Notice of Annual Meeting of Shareholders that preceded this proxy statement. The four proposals scheduled to be voted on at the meeting are to:

Elect ten directors;

Ratify the appointment of PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm;

Approve the Annual Incentive Plan; and

Approve the Stock Incentive Plan.

We will also consider any other business that may be properly presented at the meeting (although we are not expecting any other matters to be presented), and management will report on Deluxe's performance during the last fiscal year and respond to questions from shareholders.

The Board of Directors of Deluxe is asking you to vote on the proposed items of business.

How does the Board recommend that I vote?

The Board of Directors recommends a vote:

FOR all of the nominees for director;

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm for the fiscal year ending December 31, 2008;

FOR approval of the Annual Incentive Plan; and

FOR approval of the Stock Incentive Plan.

Who is entitled to vote at the meeting?

The Board has set March 5, 2008, as the record date for the meeting. If you were a shareholder of record at the close of business on March 5, 2008, you are entitled to vote at the meeting. You have one vote for each share of common stock you held on the record date.

As of the record date, 51,524,764 shares of Deluxe common stock were outstanding. Deluxe does not have any other class of capital stock outstanding.

How many shares must be present to hold the meeting?

A quorum is necessary to hold the meeting and conduct business. The presence of shareholders who can direct the vote (with respect to the election of directors) of at least a majority of the outstanding shares of common stock as of the record date is considered a quorum. A shareholder is counted present at the meeting if:

the shareholder is present and votes in person at the meeting; or

the shareholder has properly submitted a proxy or voted by telephone or through the Internet.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are still considered the beneficial owner of the shares, but your shares are held in street name.

How do I vote my shares?

We are mailing the Notice of Internet Availability of Proxy Materials (the Internet Notice) to shareholders of record on or about March 17, 2008. You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Internet Notice. Instead, the Internet Notice will instruct

Table of Contents

you how you may access and review all of the important information contained in the proxy materials. The Internet Notice also instructs you how you may submit your proxy via the Internet. If you received an Internet Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Internet Notice.

Via the Internet You can simplify your voting by voting your shares via the Internet as instructed in the Internet Notice. The Internet procedures are designed to authenticate your identity to allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet voting facilities for shareholders of record are available 24 hours a day and will close at 11:59 p.m. (CT) on April 29, 2008. You may access this Proxy Statement and related materials by going to <http://www.investoreconnect.com> and entering the control number as shown on your Internet Notice. You will then be directed to select a link to www.proxyvote.com where you will be able to vote on the proposals presented here.

By Mail Shareholders who receive a paper proxy card may elect to vote by mail and should complete, sign and date their proxy card and mail it in the pre-addressed envelope that accompanies the delivery of paper proxy cards. Proxy cards submitted by mail must be received by the time of the Annual Meeting in order for your shares to be voted. Shareholders who hold shares beneficially in street name may vote by mail by requesting a paper proxy card according to the instructions contained in the Internet Notice received from your broker or other agent, and then completing, signing and dating the voting instructions card provided by the brokers or other agents and mailing it in the pre-addressed envelope provided.

By Telephone Shareholders may elect to vote over the telephone by calling 800-690-6903 (toll-free). The telephone voting procedures have been set up for your convenience. The procedures have been designed to verify your identity, to allow you to give voting instructions and to confirm that those instructions have been recorded properly.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

It means you hold shares registered in more than one account. To ensure that all of your shares are voted, if you vote by telephone or through the Internet, vote once for each Internet Notice you receive. If you wish to consolidate your accounts, please contact our stock transfer agent, Wells Fargo Bank, N.A., at P.O. Box 64854, St. Paul, Minnesota 55164 or by telephone at 800-468-9716 (toll-free).

You may also receive a voting instructions card which looks very similar to a proxy card. Voting instructions are prepared by brokers, banks or other nominees for shareholders who hold shares in street name.

Can I vote my shares in person at the meeting?

Yes. If you are a shareholder of record, you may vote your shares at the meeting by completing a ballot at the meeting. However, even if you currently plan to attend the meeting, we recommend that you submit your proxy ahead of time so that your vote will be counted if, for whatever reason, you later decide not to attend the meeting.

If you hold your shares in street name, you may vote your shares in person at the meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote such shares at the meeting.

What vote is required to elect directors?

In accordance with Minnesota law, directors are elected by a plurality of votes cast. This means that the ten nominees receiving the highest number of votes will be elected, provided that a quorum is present at the meeting.

What vote is required on proposals other than the election of directors?

With respect to each item of business to be voted on at the meeting other than the election of directors, the affirmative vote of a majority of the shares present and entitled to vote with respect to that item is required for the approval of the item (provided that the total number of shares voted in favor of the proposal constitutes more than 25 percent of the outstanding shares).

How are votes counted?

Shareholders may either vote FOR or WITHHOLD authority to vote for the nominees for the Board of Directors. Shareholders may also vote FOR, AGAINST or ABSTAIN on the other proposals.

If you vote WITHHOLD or ABSTAIN, your shares will be counted as present at the meeting for the purposes of determining a quorum.

Table of Contents

If you WITHHOLD authority to vote for one or more of the directors, this has the same effect as a vote against the director or directors for which you WITHHOLD your authority. If you ABSTAIN from voting on the proposals, your abstention has the same effect as a vote against those proposals.

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will be counted as present at the meeting for purpose of determining a quorum. Your shares may be voted on Item 1: Election of Directors and Item 2: Ratification of Appointment of Independent Registered Public Accounting Firm, at the discretion of your broker. Your shares will not be voted on any proposal for which your broker does not have discretionary authority to vote, in this case Item 3: Approval of the Annual Incentive Plan and Item 4: Approval of the Stock Incentive Plan. As a result, please be sure to provide instructions to your broker so your shares can be voted on Items 3 and 4.

What if I do not specify how I want my shares voted?

If you vote your shares directly (as opposed to voting through a broker or other intermediary) and do not specify on your proxy card (or when giving your proxy by telephone or via the Internet) how you want to vote your shares, we will vote them:

FOR the election of all of the nominees for director;

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm for the fiscal year ending December 31, 2008;

FOR the approval of the Annual Incentive Plan; and

FOR the approval of the Stock Incentive Plan.

Can I change my vote?

Yes. You may change your vote and revoke your proxy at any time before it is voted at the meeting in any of the following ways:

by sending a written notice of revocation to Deluxe's Corporate Secretary;

by submitting another properly signed proxy card at a later date to the Corporate Secretary;

by submitting another proxy by telephone or through the Internet at a later date; or

by voting in person at the meeting.

Who pays the cost of proxy preparation and solicitation?

Deluxe pays for the cost of proxy preparation and solicitation, including the charges and expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners. We have retained Georgeson Shareholder Communications, Inc., a proxy solicitation firm, to assist in the solicitation of proxies for a fee of approximately \$7,500, plus associated costs and expenses.

We are soliciting proxies primarily by use of the Internet. In addition, proxies may be solicited by mail, telephone or facsimile, or personally by directors, officers and regular employees of Deluxe. These individuals receive no additional compensation beyond their regular salaries for these services.

STOCK OWNERSHIP AND REPORTING

Director and Executive Officer Ownership Guidelines

The Board has established stock ownership guidelines for directors and executive officers. These guidelines set ownership targets for each director and officer, with the expectation that the target be achieved within five years of the later of the date the ownership guidelines were implemented or the individual first became a director or officer, whichever is applicable. The Board also maintains guidelines restricting a director's or officer's ability to sell shares received upon the exercise of options or vesting of other stock-based awards until they have achieved their ownership targets. The ownership target for non-employee directors is shares having a value of at least five times the current Board retainer. Executive officers have targets based on a multiple of their annual base salary. The ownership target

for the Chief Executive Officer (CEO) is five times his annual base salary, the target for the Company s Senior Vice Presidents is two times their annual base salary, and the target for the Company s Vice Presidents who are members of the Company s Executive Leadership Team is one and one-half times their annual base salary.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and related regulations, require Deluxe's directors and executive officers, and any persons holding more than ten percent of Deluxe's common stock (collectively, Reporting Persons), to report their initial ownership of Deluxe securities and any subsequent changes in that ownership to the Securities and Exchange Commission. Based on our review of the reports filed and written representations submitted by the Reporting Persons, we believe that all Reporting Persons timely filed all required Section 16(a) reports for the most recent fiscal year.

ITEM 1: ELECTION OF DIRECTORS

There are currently ten individuals serving on the Board of Directors. As of the date of the meeting the Board has set the size of the Board at ten directors and recommends that the ten individuals presented on the following pages be elected to serve on the Board until the 2009 annual meeting of shareholders. All of the nominees are current directors. Prior to joining Deluxe, Mr. Schram served as senior vice president of NCR Corporation's Retail Solutions Division, with responsibilities for NCR's global retail store automation and point-of-sale solutions business, including development, engineering, marketing, sales, and support functions. Mr. Schram began his professional career with NCR Corporation in 1983, where he held a variety of positions of increasing responsibility that included both domestic and international assignments. From September 2000 to January 2002, he served as chief financial officer for the Retail and Financial Group. Thereafter, he became vice president and general manager of Payment and Imaging Solutions in NCR's Financial Services Division, a position he held until March 2003, when he became senior vice president of the Retail Solutions Division.

The Board of Directors recommends that you vote FOR the election of each nominee named above.

BOARD STRUCTURE AND GOVERNANCE

Board Oversight and Director Independence

Deluxe's business, property and affairs are managed under the general direction of our Board of Directors. In providing this oversight, the Board adheres to a set of Corporate Governance Guidelines designed to ensure that the Board has access to relevant information, and is structured and operates in a manner allowing it to exercise independent business judgment. The complete text of Deluxe's Corporate Governance Guidelines is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption.

A critical component of our corporate governance philosophy is that a majority of our directors, and preferably a substantial majority, be individuals who meet strict standards of independence, meaning that they have no relationship with Deluxe, directly or indirectly, that could impair their ability to make objective and informed judgments regarding all matters of significance to Deluxe and its shareholders. The listing standards of the New York Stock Exchange (NYSE) require that a majority of our directors be independent, and that our Corporate Governance, Audit and Compensation Committees be comprised entirely of independent directors. In order to be deemed independent, a director must be determined by the Board to have no material relationship with Deluxe other than as a director. In accordance with the NYSE listing standards, our Board has adopted formal Director Independence Standards setting forth the specific criteria by which the independence of our directors will be determined, including restrictions on the nature and extent of any affiliations directors and their immediate family members may have with Deluxe, its independent registered public accounting firm, or any commercial or not-for-profit entity with which Deluxe has a relationship. Consistent with regulations of the Securities and Exchange Commission (SEC), our Director Independence Standards also prohibit Audit Committee members from accepting, directly or indirectly, any consulting, advisory or other compensatory fee from Deluxe, other than in their capacity as Board or committee members. The complete text of our Director Independence Standards is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption.

The Board has determined that every director and nominee, with the exception of Mr. Schram, satisfies our Director Independence Standards. The Board also has determined that every member of its Corporate Governance, Audit and Compensation Committees is an independent director.

Related Party Transaction Policy and Procedures

The Board maintains written procedures under which the Corporate Governance Committee is responsible for reviewing potential or actual conflicts of interest, including any proposed related party transactions and interlocking relationships between executives and Board members. The Committee will determine whether any such potential or actual conflicts would require disclosure under securities laws, cause a director to be disqualified from being deemed independent, or cause a transaction being considered by the Board to be voidable if the conflict were not disclosed. The Committee also will consider whether the proposed transaction would result in a violation of any law or be inappropriate in light of the nature and magnitude of any interest of the director or executive in the entity or transaction giving rise to the potential conflict.

The Committee may take those actions it deems necessary, with the assistance of any advisors it deems appropriate, in considering potential conflicts of interest. While it is expected that in most instances the Committee can make the necessary determination, where required by state law or due to the significance of the issue, the matter will be referred to the full Board for resolution.

Meetings and Committees of the Board of Directors

There were seven meetings of the Board of Directors in 2007, six of which were regular meetings. Each director attended, in person or by telephone, at least 75 percent of the aggregate of all meetings of the Board and its committees on which he or she served during the year. It is our policy that directors attend our annual shareholder meetings and all such directors are expected to be in attendance at this year's meeting. Seven of the eight directors then serving on the Board attended last year's annual meeting of shareholders.

The Board of Directors has four standing committees:

Audit Committee;

Compensation Committee;

Corporate Governance Committee; and

Finance Committee.

Each of the Board committees has a written charter, approved by the Board, establishing the authority and responsibilities of the committee. Each committee's charter is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption. A copy of each charter is available in print free of charge to any shareholder who submits a request to: Corporate Secretary, Deluxe Corporation, 3680 Victoria Street North, Shoreview, Minnesota 55126.

The following tables provide a summary of each committee's responsibilities, the number of meetings held by each committee during the last fiscal year and the names of the directors currently serving on the committee.

Corporate Governance Principles

As indicated above, our Board has adopted a set of Corporate Governance Guidelines to assist it in carrying out its oversight responsibilities. These Guidelines address a broad range of topics, including director qualifications, director nomination processes, term limits, Board and committee structure and process, Board evaluations, director education, CEO evaluation, management succession planning and conflicts of interest. The complete text of the Guidelines is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption. A copy of the Guidelines is available in print free of charge to any shareholder who submits a request to: Corporate Secretary, Deluxe Corporation, 3680 Victoria Street North, Shoreview, Minnesota 55126.

Code of Ethics and Business Conduct

All of our directors and employees, including our CEO, Chief Financial Officer, Chief Accounting Officer and other executives, are required to comply with our Code of Ethics and Business Conduct (Code of Ethics) to help ensure that our business is conducted in accordance with the highest legal and ethical standards. Our Code of Ethics requires strict adherence to the letter and spirit of all laws and regulations applicable to our business and covers all areas of professional conduct, including customer relationships, respect for co-workers, conflicts of interest, insider trading, the integrity of our financial recordkeeping and reporting, and the protection of our intellectual property and confidential information. Employees are required to bring any violations and suspected violations of the Code of Ethics to Deluxe's attention through management or Deluxe's law department, or by using our confidential compliance hotline.

The full text of our Code of Ethics is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption. The Code of Ethics is available in print free of charge to any shareholder who submits a request to: Corporate Secretary, Deluxe Corporation, 3680 Victoria Street North, Shoreview, Minnesota 55126.

Board Composition and Qualifications

Our Corporate Governance Committee oversees the process for identifying and evaluating candidates for the Board of Directors. Directors and nominees for director should have diverse backgrounds and possess the qualifications, experience and knowledge to enable them to contribute effectively to the evaluation of our business strategies and to the Board's oversight role. The Corporate Governance Committee believes that a predominance of Board members should have a background in business and should include both actively employed and retired senior corporate officers, and that directors should range in age so as to maintain a sound balance of board tenure and experience, as well as staggered retirement dates.

The Board of Directors has established the following specific guidelines for nominees to the Board:

A majority of the Board must be comprised of independent directors, the current standards for which are discussed above under Board Oversight and Director Independence.

As a general rule, non-employees should not be nominated for re-election to the Board after their 72nd birthday or having served for 12 years from their initial election to the Board, although the Board retains the ability to grant exemptions to these limits where it determines that such an exemption will serve the interests of Deluxe and its shareholders.

- 16 -

Table of Contents

A non-employee director who ceases to hold the employment position held at the time of election to the Board, or who has a significant change in position, should offer to resign. The Corporate Governance Committee will then consider whether the change of status is likely to impact the director's qualifications and make a recommendation to the Board as to whether the resignation should be accepted.

Management directors who terminate employment with Deluxe should offer to resign. The Board will then decide whether to accept the director's resignation, provided that no more than one former CEO should serve on the Board at any one time.

Other selection criteria used to evaluate potential candidates may include successful senior level business management experience or experience that fulfills a specific need, prior experience and proven accomplishment as a director of a public company, commitment to attending Board and committee meetings, a reputation for honesty and integrity, interest in serving the needs of shareholders, employees and communities in which we operate, and compatibility with existing directors.

Director Selection Process

All Board members are elected annually by our shareholders, subject to the Board's right to fill vacancies in existing or new director positions on an interim basis. Based on advice from the Corporate Governance Committee, each year the Board will recommend a slate of directors to be presented for election at the annual meeting of shareholders.

The Corporate Governance Committee will consider candidates submitted by members of the Board and our shareholders, and the Committee will review such candidates in accordance with our bylaws and applicable legal and regulatory requirements. Candidates nominated by shareholders are evaluated in accordance with the same criteria and using the same procedures as candidates submitted by Board members or the CEO.

When a vacancy or a new position on the Board needs to be filled, the CEO, in consultation with the Chair of the Corporate Governance Committee, will draft a profile of the candidate he or she believes would provide the most meaningful contributions to the Board as a whole. The profile will be submitted to the Corporate Governance Committee for approval. In order to properly staff its various committees and support its succession planning initiatives, the Board currently believes that a Board consisting of nine to eleven directors is the optimal size. The Corporate Governance Committee has made it a practice in recent years to engage third-party search firms to assist it in identifying suitable candidates. The firms selected, as well as the specific terms of the engagement, are based on the specific search criteria established by the Committee. Members of the Board also are given the opportunity to submit names of potential candidates based on the profile developed. Each candidate will be subject to an initial screening process after which the Corporate Governance Committee will select the candidates that it wishes to interview. The Chair of the Board, CEO and at least a majority of the Corporate Governance Committee will interview each candidate and, concurrently with the interviews, the candidate will confirm his or her availability for regularly scheduled Board and committee meetings. The Committee will also assess each candidate's potential conflicts of interest. The Committee will review the interviewers' reports and recommendations, and make the final determination as to which candidates will be recommended for election to the Board. Depending on when suitable candidates are identified, the Board may decide to appoint a new director to serve on the Board until the next annual meeting of shareholders.

Our bylaws stipulate that if a shareholder wishes to nominate a candidate at the annual meeting of shareholders, the shareholder must give written notice of the nomination to our CEO or Corporate Secretary no later than the deadline for submitting shareholder proposals for the applicable annual meeting. The shareholder must attend the meeting with the candidate and propose the candidate's nomination for election to the Board at the meeting. The shareholder's notice must set forth as to each nominee: (1) the name, age, business address and residence address of the person, (2) the principal occupation or employment of the person, (3) the number of shares of our stock owned by the person, (4) the written and acknowledged statement of the person that such person is willing to serve as a director, and (5) any other information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, if the candidate had been nominated by or on behalf of the Board. No shareholders submitted director nominations in

connection with this year's meeting. Any shareholders desiring to present a candidate at the 2009 annual meeting of shareholders must do so prior to November 10, 2008.

Non-Executive Chairman; Executive Sessions

Mr. Nachtsheim is the Non-Executive Chairman of the Board and is expected to serve until such time as a new Chair is elected by the Board. He has been re-nominated to a thirteenth term on the Board to provide continuity in the Chairman position in light of the recent addition of several new Board members, and to minimize the risk of distraction from a change in the Board leadership as Mr. Schram continues to transition into his role as CEO. Mr. Nachtsheim's duties include moderating

Table of Contents

meetings or executive sessions of the independent directors and acting as the principal liaison between the independent directors and the CEO with respect to Board governance issues. Our independent directors make it a practice to meet in executive session without management present at each Board meeting. Likewise, all Board committees regularly meet in executive session without management.

Communications with Directors

Any interested party having concerns about our governance or business practices, or otherwise wishing to communicate with our independent directors, may submit their concerns in writing to the Non-Executive Chairman of the Board or the independent directors as a group in the care of the office of: Corporate Secretary, Deluxe Corporation, 3680 Victoria Street North, Shoreview, Minnesota 55126.

Audit Committee Expertise; Complaint-Handling Procedures

In addition to meeting the independence requirements of the NYSE and the SEC, all members of the Audit Committee have been determined by the Board to meet the financial literacy requirements of the NYSE's listing standards. The Board also has determined that at least one member of the Audit Committee, including Martyn Redgrave, the Committee Chair, is an audit committee financial expert as defined by SEC regulations.

In accordance with federal law, the Audit Committee has adopted procedures governing the receipt, retention and handling of complaints regarding accounting and auditing matters. These procedures include a means for employees to submit concerns on a confidential and anonymous basis, through Deluxe's compliance hotline.

Compensation Committee Processes and Procedures

The authority and responsibilities of the Compensation Committee are governed by its charter, a copy of which can be found on Deluxe Corporation's website at www.deluxe.com, together with applicable laws, rules, regulations and NYSE listing standards.

The Compensation Committee is authorized to review and approve corporate goals and objectives related to the CEO's compensation, lead the Board's evaluation of the CEO's performance in light of those goals and objectives, and determine the CEO's compensation based on the evaluation and input from the Board as a whole. The Committee is expected to engage the entire Board in its evaluation of the CEO's performance and appropriate level of compensation.

The Committee also reviews and approves each executive officer's base pay and incentive compensation levels, stock ownership targets, employment-related agreements and any special benefit plans or programs for executives. As part of this responsibility, the Committee evaluates and makes recommendations to the Board regarding the Company's compensation philosophy and structure, the design of incentive compensation plans in which executives participate and all equity plans. It establishes incentive compensation goals and performance measurements for executives and determines the levels of achievement of each executive relative to the goals and measurements. Subject to limits imposed by the plans, applicable law and the Board, the Committee also oversees administration of equity-based plans, deferred compensation plans, benefit plans, retirement and Employee Retirement Income Security Act (ERISA) excess plans, and also is responsible for determining the formula used to calculate contributions to the company's current profit sharing plan. The Committee has delegated to management committees the responsibility to administer broad-based benefit plans and the responsibility to oversee investment options and management of retirement and deferred compensation programs.

Although matters of director compensation ultimately are the responsibility of the full Board, the Compensation Committee works in conjunction with the Board's Corporate Governance Committee and its independent compensation consultants in evaluating director compensation levels, making recommendations regarding the structure of director compensation, and developing a director pay philosophy that is aligned with the interests of the Company's shareholders.

The Committee has the authority to engage compensation consultants to assist it in conducting the activities within its general scope of responsibility. Since 2001, the committee has retained Watson Wyatt Worldwide, Inc. as its independent consultant. The Committee has the sole authority to retain, terminate and approve the fees of a compensation consultant for the purpose of assisting in the evaluation of director, CEO and executive compensation.

Table of Contents**Compensation Committee Interlocks and Insider Participation**

The Compensation Committee is comprised entirely of independent directors. No member of the Compensation Committee has been an officer or employee of Deluxe. None of our executives serve as a member of the Compensation Committee of any other company that has an executive serving as a member of the Deluxe Board of Directors. None of our executives serve as a member of the board of directors of any other company that has an executive serving as a member of the Compensation Committee.

Non-Employee Director Compensation

Directors who are employees of Deluxe do not receive compensation for their service on the Board other than their compensation as employees. Non-employee directors each receive a \$50,000 annual Board retainer, payable quarterly. For 2007, the Non-Executive Chairman received an incremental \$100,000 annual retainer, payable quarterly.

In order to fairly compensate non-employee directors for their service on Board committees, the elements and responsibilities of which will fluctuate from time to time, committee members are paid fees for each committee meeting attended, with the chair of each committee also receiving an annual retainer for serving as the chair.

For 2007, the committee fee structure was as follows:

	Audit Committee (\$)	Other Standing Committees (\$)
Chair Retainer	15,000	5,000
In-Person Meeting Attendance	2,000	1,500
Telephonic Meeting Attendance	1,000	750

Non-employee directors also receive \$1,500 for each approved site visit and director education program attended, up to a maximum of five per year, in the aggregate. Directors also may receive additional compensation for the performance of duties assigned by the Board or its committees that are considered beyond the scope of the ordinary responsibilities of directors or committee members.

Deluxe maintains a Non-Employee Director Stock and Deferral Plan (the *Director Plan*), which was approved by shareholders as part of Deluxe's 2000 Stock Incentive Plan, as amended (the *Stock Incentive Plan*). The purpose of the Director Plan is to provide an opportunity for non-employee directors to increase their ownership of Deluxe's common stock and thereby align their interest in the long-term success of Deluxe with that of other shareholders. Under the Director Plan, each non-employee director may elect to receive, in lieu of cash retainers and fees, shares of Deluxe common stock. The shares of common stock receivable pursuant to the Director Plan are issued quarterly or, at the option of the director, credited to the director in the form of deferred restricted stock units. These restricted stock units vest and are converted into shares of common stock on the earlier of the tenth anniversary of February 1st of the year following the year in which the non-employee director ceases to serve on the Board or such other objectively determinable date as is elected by the director in his or her deferral election (for example, upon termination of service as a director). Each restricted stock unit entitles the holder to receive dividend equivalent payments equal to the dividend payment on one share of common stock. Any restricted stock units issued pursuant to the Director Plan will vest and be converted into shares of common stock in connection with certain defined changes of control of Deluxe. All shares of common stock issued pursuant to the Director Plan are issued under Deluxe's Stock Incentive Plan and must be held by the non-employee director for a minimum period of six months from the date of issuance.

Under the terms of the Stock Incentive Plan, non-employee directors also are eligible to receive other equity-based awards to further align their interests with shareholders and assist them in achieving and maintaining their established share ownership targets. Any stock options granted to non-employee directors must have an exercise price equal to the fair market value of Deluxe's common stock on the date of grant, and no more than 5,000 options may be granted to a non-employee director in any one year. Non-employee directors did not receive any option grants in 2007, but each non-employee director re-elected to the Board at last year's annual meeting did receive a grant of 1,320 shares of restricted stock on April 25, 2007, with an approximate grant date value of \$50,000, which shares vest

one year from the grant date. Equity grants to directors are determined by the Compensation Committee, in consultation with the Corporate Governance Committee, as required by the Board's governance processes.

Table of Contents

Non-employee directors who were elected to the Board prior to October 1997 also are eligible for certain retirement payments under the terms of a Board retirement plan that has since been replaced by the Director Plan. Under this predecessor plan, non-employee directors with at least five years of Board service who retire, resign or otherwise are not nominated for re-election are entitled to receive an annual payment equal to the annual Board retainer in effect on July 1, 1997 (\$30,000 per year) for the number of years during which he or she served on the Board prior to October 31, 1997. As a result, no further benefits are accruing under this plan. In calculating a director's eligibility for benefits under this plan, partial years of service are rounded up to the nearest whole number. Retirement payments do not extend beyond the lifetime of the retiree and are contingent upon the retiree's remaining available for consultation with management and refraining from engaging in any activity in competition with Deluxe. Mr. Nachtsheim is the only current director eligible for benefits under this plan.

The following table summarizes the compensation earned by each non-employee director during 2007.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

The following discussion should be read in conjunction with the various tables and accompanying narrative disclosure appearing in this proxy statement. Those tables and narrative provide more detailed information regarding the compensation and benefits awarded to, earned by, or paid to our Chief Executive Officer (CEO) and the other executive officers named in the Summary Compensation Table appearing on page 28 (collectively the Named Executive Officers), as well as the plans in which such officers are eligible to participate.

Compensation Objectives and Philosophy

Deluxe is committed to providing executive compensation that attracts, motivates and retains the best possible executive talent for the benefit of our shareholders, supports Deluxe's business objectives, and aligns the interests of the executive officers, including our Named Executive Officers, with the long-term interests of our shareholders. We believe these objectives are achieved by:

Continually evaluating the competitiveness of our compensation programs relative to comparable organizations;

Emphasizing performance-based pay through annual incentive opportunities that are based on the achievement of specific business objectives (i.e., pay for performance);

Providing equity-based incentives that promote the creation of long-term shareholder value;

Delivering a significant portion of total compensation through performance-based pay linked to financial results and shareholder return; and

Ensuring that the Named Executive Officers hold meaningful equity stakes in Deluxe.

Roles of Committee, Outside Compensation Advisors and Management in Compensation Decisions

The Deluxe compensation program is designed to align all components of pay opportunity (base pay, annual incentive pay, long-term incentive pay, and benefits) at or near the median of the market, for each component and as a whole, and reward performance that meets or exceeds performance goals that are established, reviewed and approved each year by the Compensation Committee of the Board of Directors (sometimes referred to in this section as the Committee). In arriving at the appropriate levels of pay and incentive opportunities, the Committee also considers the overall cost of the compensation program so as to achieve proper balance between the need to reward employees and to deliver returns to Deluxe s shareholders. Accordingly, the Committee annually reviews the proportion of operating income used to reward employee performance through incentive plan payments.

The Committee has responsibility for guiding our executive compensation philosophy and overseeing the design of executive compensation programs. The Committee also recommends the compensation to be paid to the CEO (with approval from the full Board of Directors) and reviews and approves the compensation paid to other executive officers. The Committee is composed entirely of independent directors as defined by the New York Stock Exchange corporate governance rules.

Table of Contents

The Committee has engaged, and regularly meets with, an independent compensation consultant regarding executive compensation levels and practices. Watson Wyatt Worldwide, Inc. has served as the Committee's independent consultant since 2001. This consultant is deemed independent in that it is selected by and reports directly to the Committee with its primary contact being the Chair of the Committee. Watson Wyatt did not provide to the Company any consulting services on subjects other than executive compensation during 2007.

Management supports the work of the Committee and its independent consultant by providing company information and data, as requested. Company executives also make recommendations with respect to incentive plan targets in the context of management's business and operational plans. The CEO attends each Committee meeting, meets with the Committee and independent consultant as necessary to discuss business strategy, and also meets with the Committee annually to discuss each executive's individual performance and make recommendations on incentive awards and adjustments to base salary for those executives. The Board's non-employee directors evaluate the CEO each year and the Committee provides advice to the Board regarding the CEO's compensation based on that evaluation and current market data provided by the independent consultants.

Competitive Market Review

For 2007, the Committee commissioned Watson Wyatt to provide a competitive market review of Deluxe's executive compensation program in comparison to relevant benchmarks. The data presented by Watson Wyatt was used for analyzing each pay component; the mix of base pay, annual incentive compensation, and long-term incentive values for the Named Executive Officers; and other benefit-related decisions. Based on the recommendation of its compensation consultant, the Committee reviewed two benchmarks for assessing executive pay at Deluxe: published survey data representing companies similar in size to Deluxe, and companies comprising the S&P Mid-Cap 400. The Committee endorsed the use of the S&P Mid-Cap 400 for executive pay analysis based on the fact that Deluxe is a member of the S&P Mid-Cap 400 index, together with its conclusion that this index is representative of companies similar to Deluxe in terms of market capitalization, revenue, and total assets. In addition to using the S&P Mid-Cap 400, market data is drawn from multiple published surveys of broader general industry practices, with a particular focus on industrial companies with revenues comparable to Deluxe. Three survey sources were combined to create the published survey benchmark. The three surveys were: 2007/2008 Watson Wyatt Top Management Survey; 2007 Mercer Executive Compensation Survey; and 2007 Towers Perrin Executive Compensation Survey. The S&P Mid-Cap 400 benchmark data is based on proxy statement disclosures for the index companies' Named Executive Officers, and the published surveys provide data for the Named Executive Officers and broader executive leadership team.

Executive Officer Compensation Program

In constructing an overall compensation program, the Committee balances those components that are guaranteed (such as salary and benefits) against components that are at risk and require the achievement of certain levels of performance. The Committee also strives for a balance between compensation tools that reward the executives for the achievement of short-term goals, while also focusing on the long-term growth of the Company. Compared to Deluxe's general employee population, the Committee believes that executives, including the Named Executive Officers, should have a greater percentage of their total compensation dependant upon reaching performance targets, a higher percentage of which is oriented toward long-term objectives rather than short-term performance. Long-term incentive compensation typically has been awarded in the form of equity, while short-term incentive compensation has been paid in cash. Each year the Committee reviews the form and amount of equity grants to ensure alignment with the Company's overall compensation philosophy and to reward attainment of Company goals.

Elements of Compensation

For 2007, the principal components of our executive compensation program consisted of the following:

- base salary;

- annual incentive plan;

- long-term equity incentives in the form of stock options and performance accelerated restricted stock;

non-qualified deferred compensation plan;

broad-based retirement plans; and

cash allowance perquisite program.

- 22 -

Table of Contents**Compensation Mix**

The primary components of executive compensation (base salary, and performance-based pay in the form of annual incentives and long-term incentives) for our Named Executive Officers for 2007 were allocated, at targeted levels of performance, with a higher percentage of performance-based pay compared to base salary. The average target percentage of performance-based pay for the Named Executive Officers is 63% of total compensation, with a higher percentage for the CEO and a lower percentage for the Vice Presidents. Of the total performance-based compensation for the Named Executive Officers, approximately 66% is targeted to be long-term compensation as opposed to annual compensation. Pay practices for the Named Executive Officers emphasize pay for performance and a longer term focus than pay practices for the general employee population.

Base Salaries

The Committee annually reviews the base salaries of Deluxe's Named Executive Officers. The CEO makes recommendations for changes to base salaries based on each executive's individual performance and the market data presented by the Committee's independent compensation consultants. The Committee performs the same analysis with respect to the CEO's salary. During 2007, base salaries of our executive officers generally were set at or near the median of salaries paid to executive officers of the S&P Mid-Cap 400 companies in similar positions. Deviations from the median can be the result of experience in the position, individual performance exceeding or falling short of expectations, or the individual's scope of responsibilities. For the most recent fiscal year, the average base salary increase for the Named Executive Officers was 4.3%. The actual change for each Named Executive Officer is illustrated in the summary compensation table. The increase in base salaries included merit adjustments, a base adjustment for Mr. Peterson in recognition of his expanded role as Chief Accounting Officer, Controller and Vice President, Investor Relations, and a market adjustment for Mr. Scarfone to better align his pay to the market for General Counsel positions in companies in the S&P Mid-Cap 400.

Annual Incentive Plan

Named Executive Officers and other officers and management employees selected by the Committee participate in the Deluxe Corporation Annual Incentive Plan (the Annual Incentive Plan), which has been approved by our shareholders. The 2007 target amounts approved by the Committee under the Annual Incentive Plan were intended to provide annual cash compensation (i.e., base salary plus bonus) approximating the median of the cash compensation offered to executive officers in similar positions. Bonuses earned may exceed the target amount if performance goals are exceeded, and are less than the target amount if the performance goals are not fully attained, with no bonus payouts if Deluxe's performance is below certain minimum thresholds. Although the Committee retains the discretion to adjust payouts under the Annual Incentive Plan, in accordance with Section 162(m) of the Internal Revenue Code (Section 162(m)), the Committee may not increase the payouts to the CEO and other Named Executive Officers under the Annual Incentive Plan. To promote stock ownership by the Named Executive Officers and other participants and further align their interests with those of our shareholders, participants may choose to receive up to 100 percent of their Annual Incentive Plan payout in restricted stock units, in which case the Company will provide a 50 percent match on the amounts so elected to be received in restricted stock units. The restricted stock units vest on the second anniversary of the date of the grant. We believe the 50% match and two-year vesting period encourages executive stock ownership and drives employee retention. For the 2007 plan year payout, three of the Named Executive Officers elected to defer all or a portion of their bonus payout into restricted stock units.

Performance Measures and Objectives

For the Named Executive Officers, the two performance factors that were considered in determining incentive compensation for 2007 under the Annual Incentive Plan were consolidated revenue and adjusted operating income.

Adjusted operating income is based on operating income as publicly reported by the Company in its consolidated financial statements, but includes pre-defined adjustments (as permitted by Section 162(m)) to eliminate the effects of items outside the control of management that may create a windfall or shortfall in attainment of operating income targets, such as the adoption of new accounting principles, asset impairments, mergers and acquisitions, restructuring charges, etc. As indicated above, the Committee also retains discretion to make other adjustments to these calculations, provided such adjustments do not result in any increase to amounts payable to the Named Executive Officers, and did, in fact, make an adjustment to the Company's revenue results due to a price increase not factored into the original revenue target approved at the beginning of the year, which had the effect of reducing the payouts

under the Annual Incentive Plan in 2007. We believe revenue and operating income are critical drivers of our strategy to achieve profitable and sustainable growth, and thereby create long-term value for our shareholders. Each component was weighted equally, with target performance set in line with the Company's annual operating plan (AOP) targets. These AOP targets also served as the basis for the financial performance expectations communicated publicly at the beginning of the year.

Table of Contents

In establishing the metrics and payout scales under the Annual Incentive Plan, although revenue and operating income are weighted equally, a minimum threshold of adjusted operating income must be achieved before any incentive can be paid out. Operating income and revenue targets for the Annual Incentive Plan in 2007 had been set at aggressive but realistic levels, and required year-over-year operating income growth to achieve the targeted payout levels. The minimum payout threshold under the operating income metric had been set at 80 percent of the target to provide a reasonable opportunity to achieve some level of payout in light of the aggressive nature of such goals. The scale had been expanded compared to 2006 to require a higher level of operating income performance (compared to the target) in order to achieve the maximum payout. The payout scale for the revenue component of the plan was essentially the same as in 2006, and required achievement of at least 95 percent of the target to earn a minimum payout.

Performance Level	Adjusted Operating Income (50%)	Revenue (50%)	Percent of Target Award (%)
Maximum	120% of operating plan	103% of revenue plan	200
Target	Operating plan	Revenue plan	115
Threshold	80% of operating plan	95% of revenue plan	40
Below Threshold			0

Actual award payments

Deluxe's actual performance in 2007 exceeded the targets for both adjusted operating income and revenue.

Measures (Millions)	Target (\$)	Actual (\$)	Weighting (%)	Payout Percent (% of target)
Adjusted Operating Income	250	264	50	139
Revenue	1,597	1,601	50	122
Blended Payout Percentage				130

This performance resulted in actual award payments to the Named Executive Officers that exceeded each individual's target award opportunity. For each Named Executive Officer, the payouts based on 2007 performance exceeding both the adjusted operating income and revenue targets were as follows:

Name	Target Annual Incentive (% of salary)	2007 Actual Incentive (% of salary)
Lee Schram	100	130
Richard S. Greene	50	65
Luann E. Widener	50	65
Anthony C. Scarfone	50	65
Terry D. Peterson	40	52

Long-Term Incentive Compensation

After analyzing a variety of approaches for delivering long-term incentive value to the executives and other key employees who participate in the Company's long-term incentive program, beginning in 2006 the Committee endorsed a strategy that employs a combination of stock options and performance accelerated restricted stock. Given that cash flow is viewed by the Company as another key financial performance metric, the partial vesting accelerator utilized in these restricted stock grants is a threshold measure of operating cash flow. Named Executive Officers, together with other designated key employees, received grants of stock options and performance accelerated restricted stock in

2007. The Company believes this strategy achieves several critical objectives, including:

Supporting and rewarding the achievement of Deluxe's long-term business strategy and objectives;

Encouraging decisions and behavior that will increase shareholder value;

Reinforcing the pay-for-performance orientation of the overall executive compensation program;

Allowing Deluxe to attract and retain key executive talent by providing competitive incentive and total compensation opportunities; and

Table of Contents

Promoting share ownership and facilitating achievement of the ownership guidelines.

The target value of the long-term incentive compensation for 2007 approximated the median of the long-term incentive compensation provided to executive officers in the S&P Mid-Cap 400 group of companies where such comparisons were possible and otherwise relied on the median reported in published surveys. All long-term incentive awards to executives and other key employees are granted on the same date, with the exception of awards made in conjunction with an individual's promotion or hire into the Company or as necessary to facilitate broader retention of key employees. For 2007, the grant date for the equity awards coincided with the regularly scheduled February Compensation Committee meeting. The timing of the annual grants also aligns with the employee performance evaluation process and is outside any regular stock trading blackout period. The exercise price of all 2007 option grants is the closing price of Deluxe stock on the grant date.

For 2007, the long-term incentive value was divided equally between stock options and performance accelerated restricted stock. The 50 percent delivered in stock options vests in three equal annual installments beginning on the first anniversary of the grant date and focuses the executives on share price appreciation. The remainder of the long-term incentive value is delivered in performance accelerated restricted stock. The performance accelerated restricted stock vests three years from the grant date, but vesting on 50 percent of the stock can be accelerated to the first anniversary of the grant date, based on achievement of a threshold level of operating cash flow. The Company achieved the minimum cash flow target of \$227 million in 2007, delivering actual net operating cash flows of \$245 million. The performance accelerated restricted stock focuses the executive on making decisions that deliver cash flows and otherwise support long-term shareholder value, and also encourages stock ownership. On February 13, 2007, in recognition of Mr. Schram's individual performance and leadership, and the fact that his 2006 bonus was adversely affected by an unforeseen write-off of a software project that had been initiated prior to his joining the Company, he was granted 2,000 shares of restricted stock valued at \$65,200 on the grant date, subject to two-year cliff vesting.

Deferred Compensation Plan

Deluxe maintains a deferred compensation plan under which executives and other key employees may choose to defer up to 100 percent of base salary (less applicable deductions) and up to 50 percent of any bonus payout into multiple investment options. The investment options match, or are similar to, the investment options available to employees in the Company's broad-based retirement plans.

Retirement Program

The Named Executive Officers are eligible to participate in the same qualified retirement plans available to most employees. The program consists of three components, including a defined contribution pension plan, an annual profit sharing plan (under which contributions, if any, are based on Deluxe's performance), and a 401(k) plan. The retirement program is regularly benchmarked against companies that are in businesses similar to Deluxe and/or are located in geographic areas from which we recruit talent to ensure that it is competitive in the market. The incremental value of benefits provided to the Named Executive Officers under this program is included in the All Other Compensation column of the Summary Compensation Table.

Deluxe also has a non-qualified defined contribution plan which restores benefits lost under the foregoing qualified plans due to Internal Revenue Code limits, also known as an ERISA excess plan. Contributions for the Named Executive Officers under this plan for 2007 are also reflected in the All Other Compensation column of the Summary Compensation Table.

Cash Allowance Perquisite Program

In 2007, all Named Executive Officers, with the exception of Mr. Schram, participated in the executive officer Personal Choice Program. The Personal Choice Program changed in 2007 to provide a fixed cash allowance to Named Executive Officers in lieu of any other perquisites. The quarterly cash allowance of \$7,500 for Senior Vice Presidents and \$5,000 for Vice Presidents on the Executive Leadership Team is intended to cover personal expenses typically incurred by executives as a result of their positions (such as vehicle expenses, personal security systems, financial and tax planning, etc.). As with the other compensation components, this program is compared to market benchmarks of other perquisite programs on an annual basis. The Company chose this program as being more flexible for the executives, less administratively burdensome, and less costly to the organization because there are no tax gross-ups on

the amounts provided under this program.

Table of Contents**Stock Ownership Guidelines**

Deluxe has established stock ownership guidelines for its executive officers and independent Board members, and the Compensation Committee regularly reviews each executive officer's and director's progress toward attaining his or her ownership target. The current guideline for the CEO is five times annual base salary, for all senior vice presidents is two times annual base salary and for vice presidents who are members of the executive leadership team is one and one-half times annual base salary. The guidelines call for the targeted level of ownership to be achieved within five years of the later of the date the ownership guidelines were implemented, or the time the individual becomes an executive officer. For purposes of calculating an executive's stock ownership under these guidelines, stock options are not included. While restricted shares and restricted stock units convertible into shares are included, only 60 percent of their value is counted toward the ownership target prior to vesting, based on the rationale that approximately 40 percent of such shares or units will be withheld or surrendered by the executive upon vesting to cover taxes. At the time of the 2007 review, executives were either at their share ownership target or had increased their actual share ownership over the previous year. The Committee, therefore, determined that the executives were continuing toward their ownership targets at an appropriate pace, and it will review their progress again in 2008.

In addition to the stock ownership guidelines, executive officers and directors are subject to share retention and holding period requirements. Under this policy, individuals who have not achieved their ownership targets must retain 75 percent of the net shares (i.e., shares remaining after exercise costs and applicable taxes are covered) upon the exercise of stock options and vesting of other equity awards, and are required to hold the shares until the ownership targets are met. The Company also maintains a general policy against transactions by directors and executive officers intended to hedge the economic risk of ownership in Deluxe stock, and requires any such hedging transactions to be pre-approved by the Board's Corporate Governance Committee.

Severance, Retention and Change of Control Arrangements

Deluxe has entered into severance arrangements or agreements with each of its Named Executive Officers (collectively "arrangements"). The arrangements are intended to facilitate the executives' attention to the affairs of Deluxe and to recognize their key role within the Company. If their employment is terminated without cause by Deluxe or by the executive with good reason, he or she is eligible to receive severance benefits. The Severance Calculation table appearing later in this proxy statement, together with the accompanying narrative to that table, explains in detail the benefits provided under these arrangements and the circumstances under which a Named Executive Officer would be eligible for severance benefits. Receipt of these benefits is conditioned upon the Named Executive Officer entering into a release and agreeing to maintain the confidentiality of Company confidential information for a period of two years after their termination. Mr. Schram's employment agreement also requires that for two years after he ceases to be employed by Deluxe he will not engage in any business that competes with Deluxe, will not hire any employee or induce an employee to provide confidential information to a third party, and will not induce any customer or supplier to stop doing business with the Company.

The Company also has entered into retention agreements ("Retention Agreements") with Mr. Schram and the Named Executive Officers that are designed to ensure that Deluxe will receive the continued service of the Executive in the event of the possibility or occurrence of a change of control, by reducing the distraction that could be caused by personal uncertainty about their compensation and benefits under those circumstances. These Retention Agreements are addressed in greater detail in the narrative accompanying the Change in Control Calculations table appearing later in this proxy statement. Generally speaking, however, these Retention Agreements provide incentives for the Named Executive Officer to remain with Deluxe through a contemplated change of control, and provide certain benefits in the event the Named Executive Officer's employment is negatively impacted as a result of, or following, a change of control. In other words, benefits are not paid out automatically upon a change of control, but only if the Named Executive Officer's employment is negatively affected (i.e., a double trigger). Moreover, the severance arrangements described above do not apply if the Named Executive Officer's employment is terminated following a change of control under circumstances that would entitle them to receive benefits under the Retention Agreements. In 2007, the Committee delivered to the CEO and each Senior Vice President then party to a Retention Agreement a notice of non-renewal under the current Retention Agreements, such that they will terminate by their terms on December 18, 2009. Coinciding with the notices of non-renewal, the Committee authorized the execution of new Retention

Agreements that take effect upon expiration of the current agreements. In addition to amending the current agreements to comply with Internal Revenue Code Section 409A, the new Retention Agreements reduce the renewable term from three years to two years, place a limit on tax gross-up payments, and reduce the payment multiple for the senior vice presidents from three times to two times salary and bonus. Retention Agreements also were entered into with the vice presidents on the executive leadership team. The terms of these agreements are addressed in the narrative accompanying the Change in Control Calculations table appearing later in this proxy statement.

Table of Contents**Compliance with Section 162(m) of the Internal Revenue Code**

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executive officers, unless such compensation qualifies as performance-based compensation. Among other things, in order to be deemed performance-based compensation for Section 162(m) purposes, the compensation must be based on the achievement of pre-established, objective performance criteria and must be pursuant to a plan that has been approved by Deluxe's shareholders. With the exception of a portion of the compensation paid to Mr. Schram, which included certain one-time awards and benefits as part of his hiring package that do not qualify as performance-based compensation, we expect that all compensation paid in 2007 to the executive officers under the plans and programs described above will qualify for deductibility, either because the compensation is below the threshold for non-deductibility provided in Section 162(m) or because the payment of such compensation complies with the performance-based compensation provisions of Section 162(m).

The Company believes that it is important to continue to be able to take all available tax deductions with respect to the compensation paid to its executive officers, and has taken such actions as may be necessary to continue to qualify significant portions of executive compensation as performance-based under Section 162(m).

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the foregoing Compensation Discussion and Analysis. Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and be incorporated by reference into Deluxe Corporation's Annual Report on Form 10-K for the year ending December 31, 2007.

Executive Compensation Tables

The Summary Compensation Table, Other Compensation Supplemental Table, and Grants of Plan-Based Award Table presented on the following pages summarize the total compensation paid to or earned by each of the individuals who served as Deluxe's Chief Executive Officer or Chief Financial Officer during any part of 2007, and the next three most highly compensated executive officers for 2007 (collectively, the Named Executive Officers). The following narrative is provided to help you understand the information presented in those tables.

In accordance with the employment agreement executed at the time of his hiring, and to replace forfeited compensation earned at his previous employer, Mr. Schram was granted 59,575 shares of restricted stock on May 1, 2006, the date he commenced his employment with the Company. Fifty percent of the grant vested on May 1, 2007 with the remaining 50 percent scheduled to vest on May 1, 2008. As discussed in the Compensation Discussion and Analysis section of the proxy statement, in February 2007, in addition to receiving grants of stock options and performance accelerated restricted stock under the Company's long-term incentive program, Mr. Schram received a supplemental grant of 2,000 shares of restricted stock, which is subject to two-year cliff vesting.

The base salaries of executives were generally set at or near the median for executive officers of the S&P Mid-Cap 400 companies in similar positions. The executives participate in the Company's Annual Incentive Plan, under which bonuses can be earned based on pre-established performance criteria. For 2007, these criteria included adjusted operating income and revenue. The performance criteria under the Plan were exceeded in 2007 which resulted in payments to the Named Executive Officers as outlined in the tables.

All of the Named Executive Officers participate in a long-term incentive compensation program, pursuant to which they were awarded stock options and performance accelerated restricted stock in 2007. The target value of the program approximates the median of long-term incentive compensation provided to executive officers in the S&P Mid-Cap 400 group of companies. The awards to executives under the program were granted on the same day as awards to all eligible employees. The exercise price for each option grant is the closing price of Deluxe's stock on the grant date. The options vest annually in one-third increments, and performance accelerated restricted stock awards vest after three years, except that 50 percent of the performance accelerated stock awards could vest within one year if

a 2007 cash flow target were achieved. The cash flow target was met and acceleration did occur on 50% of the performance accelerated restricted stock.

Dividend or dividend equivalents for these equity-related awards are paid at the same rate and time as regularly scheduled dividends, although no dividend equivalents are paid on options.

The Named Executive Officers, other than the CEO, also participate in a program that provides a quarterly cash allowance for personal expenses typically incurred by executives, and was discussed previously in the Compensation Discussion and Analysis section of this proxy statement.

- 2 The amounts in this column reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2006 and 2007, in accordance with SFAS 123(R), of awards or forfeitures under the long-term incentive program, and thus may include amounts attributable to awards granted prior to the reported years. Assumptions used in the calculation of these amounts are included in Note 10 to the Company's Consolidated Financial Statements filed as part of the Company's Annual Report on Form 10-K for the years ended December 31, 2006, and December 31, 2007. As described in the Compensation Discussion and Analysis section of this proxy statement, in addition to restricted stock awards issued under the Company's long-term incentive program, recipients of awards under the Annual Incentive Plan (AIP) may elect to receive all or a portion of their incentive compensation in the form of restricted stock units. If an election is made to receive restricted stock units, the amount of the cash foregone is increased (or matched) at a rate established by the Compensation Committee in determining the number of units awarded. For 2007 the match rate was 50%. For awards earned during 2007, restricted stock units were granted on January 22, 2008 in lieu of cash compensation as follows: 56,945 units (\$1,456,084) to Mr. Schram; 9,889 units (\$252,862) to Ms Widener; and 3,668 units (\$93,791) to Mr. Scarfone. The 2007 SFAS 123(R) expense for these awards also is listed in this column and the restricted stock units received by such persons is based on the closing price of the Company's common stock on the date of grant of such units (\$25.57 on January 22, 2008). The portion of their AIP compensation paid in cash is listed in the Non-Equity Incentive Plan Compensation column. The threshold, target, and maximum values for the AIP, including the 50% match percentage based on the individual elections made by each Named Executive Officer prior to the start of the plan period, are listed on the table titled Grants of Plan-Based Awards.
- 3 The amounts in this column reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2006 and 2007, in accordance with SFAS 123(R), of awards or forfeitures under the long-term incentive program, and thus may include amounts attributable to awards granted prior to the reported years. Assumptions used in the calculation of these amounts are included in Note 10 to the Company's Consolidated Financial Statements filed as part of the Company's Annual Report on Form 10-K for the years ended December 31, 2006, and December 31, 2007.

As described in the Compensation Discussion and Analysis section and note 2 to this table, recipients of awards under the AIP may elect to receive all or a portion of their incentive compensation in the form of restricted stock units. If an election is made to receive restricted stock units, the amount of the cash foregone is increased (or matched) at a rate established by the Compensation Committee in determining the number of units awarded. The 2007 SFAS 123(R) expense attributable to awards taken as restricted stock units is listed in the Stock Awards column, while the portion of AIP compensation paid in cash is listed in this column. The threshold, target, and maximum values for the AIP, including the 50% match percentage based on the individual elections made by each Named Executive Officer prior to the start of the plan period, are listed on the table titled Grants of Plan-Based Awards. The amounts listed in this column for 2006 reflect the dollar amounts paid to the Named Executive Officers for achievement of the operating income performance metric established under the 2006 Supplemental Performance Program.

- 4 Amounts reflect dividends and dividend equivalents paid on restricted stock and restricted stock units, respectively. Dividend equivalents are paid at the same rate and at the same time as regularly declared dividends.
- 5

- The amounts listed reflect the estimated payouts under the Annual Incentive Plan for 2007 based on each executive's election to receive any such payout in cash (i.e., non-equity), restricted stock units (i.e., equity), or a combination of the two. Amounts reported in the Equity Incentive column include the 50% match provided on that portion of the AIP payout elected to be received in the form of restricted stock units. Restricted stock units vest on the second anniversary of the grant date. The actual payouts earned under the Annual Incentive Plan for 2007 are reflected in the Summary Compensation Table.
- Stock options have seven-year terms and vest 33-1/3 percent per year over three years. The exercise price of all options is the closing price of the Company's stock on the grant date.
- The grant date fair value of options is based on the stock price at the time of grant multiplied by the Black-Scholes value of 19.0505 percent.
- Performance accelerated restricted stock grants that vest on the third anniversary of the award date. The restricted stock award agreements provided that 50 percent of the shares would vest on the first anniversary if the Company achieved a 2007 cash flow performance threshold. The performance threshold was achieved, so partial vesting occurred on February 13, 2008.
- Restricted stock grant that vests on the second anniversary of the grant date.

Deferred Compensation Plan

Deluxe's Deferred Compensation Plan permits eligible employees to defer annually receipt of up to 100 percent of base salary, and up to 50 percent of bonuses. In connection with this plan, Deluxe has created a non-qualified grantor trust (commonly known as a Rabbi Trust), through which Deluxe's obligations under the plan are funded. No assets are set aside for individual participants in the plan, and the trust assets remain subject to the claims of Deluxe's creditors.

Table of Contents

Amounts deferred under the plan are payable on the earliest to occur of a change of control of Deluxe, the participant's termination of employment, disability or death, or the date for payment selected by the participant, unless a delay in payments is otherwise required by Section 409A of the Internal Revenue Code (Section 409A). Deferred amounts are credited with gains and losses based on the performance of deemed investment options (i.e., phantom funds) selected by the participant. Deluxe also may make ERISA excess payments and/or contributions of benefit plan equivalents to participants' accounts if IRS limits or the deferrals made by a participant under this plan have the effect of reducing the contributions they otherwise would receive from Deluxe under the Company's qualified benefit plans.

- 1 Amounts represent ERISA excess and benefit plan equivalent payments to restore retirement plan contributions that could not be made to the executives' qualified retirement plan accounts due to IRS wage limits or that were lost due to the executive's election to defer compensation. These payments are made after the end of the year to which they relate. As a result, amounts shown in this table would be reported for the preceding fiscal year in the All Other Compensation column of the Summary Compensation Table.
- 2 Participants in this plan allocate their deferrals into phantom funds similar to the funds available under the Company's qualified retirement plans. Amounts reported reflect the performance of these phantom funds.
- 3 The amounts reported in previous years' Summary Compensation Tables were: \$5,098 for Ms. Widener; \$195,711 for Mr. Scarfone, and \$806 for Mr. Peterson.

Severance, Retention and Change of Control Arrangements

Deluxe has entered into severance arrangements or agreements with each of its Named Executive Officers. Mr. Schram's employment agreement contains provisions with respect to severance, and the other Named Executive Officers are subject to separate severance agreements (collectively arrangements). The arrangements are intended to facilitate the executive's attention to the affairs of Deluxe and to recognize their key role within the Company. Under Mr. Schram's arrangement, he would be eligible to receive severance benefits if his employment is terminated without cause by Deluxe or by him with Good Reason. Under his employment agreement, Good Reason includes (1) a material reduction in authority, duties or responsibilities without his written consent; (2) a material reduction in his total compensation or a failure by the Company to comply with his employment agreement; (3) a termination of his employment by the Company in a manner that does not comply with his employment agreement; or (4) a request by the Company that he act or omit to act in a way that violates the Company's ethical guidelines or practices. Mr. Schram's employment agreement provides the following benefits if he is terminated by Deluxe without cause or he terminates his employment for Good Reason: (1) 12 monthly payments of his then current monthly base salary; (2) for a period of 12 months following completion of the initial 12 months of salary continuation, an additional monthly payment equal to the amount, if any, that his monthly base pay as of termination exceeds any monthly compensation he may earn from subsequent employment in that month; (3) executive level outplacement services for up to 12 months; and (4) an additional lump-sum payment of \$13,000 to assist with expenses incurred in connection with his transition.

The severance arrangements with the other Named Executive Officers contain a similar definition of Good Reason and add, as an additional basis for resigning with Good Reason, a requirement to relocate more than 50 miles

from his or her then current location. If these executives are terminated by Deluxe without cause or the executive terminates his or her employment for Good Reason, he or she will receive payments calculated on the same basis as the

- 33 -

Table of Contents

payments that Mr. Schram would receive, except that any additional monthly payment following the first 12 months of salary continuation would last for only six months. Receipt of these benefits by Mr. Schram or any other Named Executive Officers is conditioned upon the executive entering into a release. The Named Executive Officers are required by their severance arrangements to maintain the confidentiality of Company confidential information for a period of two years after their termination. Mr. Schram's employment agreement also requires that for two years after he ceases to be employed by Deluxe he will not engage in any business that competes with Deluxe, will not hire any Company employee or induce an employee to provide confidential information to a third party, and will not induce any customer or supplier to stop doing business with the Company.

The severance arrangements are not effective if the executive's employment is terminated following a change of control under circumstances that would entitle them to receive benefits under the retention agreements described below (Retention Agreements).

The Company has entered into Retention Agreements with Mr. Schram, the Senior Vice Presidents and select Vice Presidents who are members of the executive leadership team (hereinafter, Executives) that are designed to ensure that Deluxe will receive the continued service of the Executive in the event of a change of control, by reducing the distraction that could be caused by personal uncertainty about their compensation and benefits under those circumstances. Under the Retention Agreements, each of the participating Executives agrees to remain employed by Deluxe, and Deluxe agrees to continue to employ each Executive, until the second anniversary following a Change of Control (as that term is defined in the Retention Agreements). During the two-year period (the Employment Period), each Executive is entitled to maintain a position, authority, duties and responsibilities at least commensurate with the most significant of those held by the Executive during the 180-day period prior to the date (the Effective Date) of the Change of Control. The annual base salary of an Executive may not be reduced below that earned by the Executive during the twelve-month period preceding the Effective Date, provided, however, that the annual base salary may be reduced to an amount that is not less than 90 percent of the base salary in effect on the Effective Date pursuant to an across-the-board reduction of base salary similarly affecting all executive officers of Deluxe. In determining any increase in an Executive's base salary during the Employment Period, the Executive is to be treated in a manner consistent with other peer executives. The Executives are also entitled to receive annual incentive payments during the Employment Period on the same objective basis as other peer executives, although in no event may an Executive's annual target bonus opportunity be less favorable to the Executive than that provided by Deluxe in the last fiscal year prior to the Effective Date, and if the bonuses payable to other peer executives during the Employment Period are not wholly based on objective criteria, the Executive's annual incentive payment must be at least equal to an amount determined with reference to the Executive's average annual incentive payments for certain periods ending prior to the Effective Date. During the Employment Period, each Executive is also entitled to participate in Deluxe's stock incentive, retirement, and other benefit plans on the same basis as Deluxe's other Executives, and the benefits to the Executives under such plans generally may not be reduced from those provided during the one-year period prior to the Effective Date.

If, during the Employment Period, Deluxe terminates a participating Executive's employment other than for Cause or Disability, or the Executive terminates his or her employment for Good Reason (as those terms are defined in the Retention Agreements), the Executive is entitled to a lump-sum payment equal to the sum of any unpaid base salary, deferred compensation and accrued vacation pay through the date of termination, plus a pro-rated annual incentive payment for the year of termination based on the greater of (1) the Executive's target bonus under Deluxe's annual incentive plan in respect of the year in which the termination occurs or, if greater, for the year in which the Change of Control occurs (the Target Bonus) and (2) the annual incentive payment that the Executive would have earned for the year in which the termination occurs based upon projecting to the end of that year Deluxe's actual performance through the termination date. In addition, the Executive is entitled to receive a lump-sum payment equal to three times for Mr. Schram and the Senior Vice Presidents, and one time for Vice Presidents, the sum of the Executive's annual base salary and the higher of the Target Bonus or the average of the Executive's annual incentive payments for the last three full fiscal years prior to the Effective Date, plus three times for Mr. Schram and the Senior Vice Presidents, and one time for Vice Presidents, the amount that would have been contributed by Deluxe or its affiliates to the retirement and supplemental retirement plans in which the Executive participated prior to his or her termination. Certain resignations

and terminations in anticipation of Changes of Control also constitute qualifying terminations. The Executives are also entitled to the continuation of their medical, disability, life and other health insurance benefits for up to a three-year period for Mr. Schram and the Senior Vice Presidents, and one-year period for Vice Presidents, after a qualifying termination and to certain out-placement services.

The Retention Agreements also provide that if any payment or benefit received or to be received by an Executive, whether or not pursuant to his or her Retention Agreement, would be subject to the federal excise tax on parachute payments as defined in Section 280G of the Internal Revenue Code, Deluxe will pay to the Executive an additional amount so that the Executive realizes, after the payment of such excise tax and any income tax or excise tax on such additional amount, the amount of such compensation.

Table of Contents

In 2007, the Board's Compensation Committee delivered to the CEO and each Senior Vice President then party to a Retention Agreement a notice of non-renewal under the current Retention Agreements, such that they will terminate by their terms on December 18, 2009. Coinciding with the notices of non-renewal, the Committee authorized the execution of new Retention Agreements that take effect upon expiration of the current agreements. In addition to amending the current agreements to comply with Internal Revenue Code Section 409A, the new Retention Agreements reduce the renewable term of the agreements from three years to two years, place a limit on tax gross-up payments, and also include a reduction in the salary and bonus payment multiple for the Senior Vice Presidents from three times to two times. The Retention Agreements with the Vice Presidents were entered into at the same time the new agreements were executed with the CEO and Senior Vice Presidents.

Deluxe also utilizes standard forms of stock option and restricted stock award agreements in conjunction with its long-term incentive program. These agreements provide for accelerated vesting of the awards, in whole or in part, upon certain events, including termination of the employee without cause or a change of control. Generally speaking, for awards issued prior to 2007, stock options vest in full, and restricted stock vests pro rata, upon termination without cause or a change of control. For awards issued in 2007, vesting upon a change of control will only be accelerated if the acquiring or surviving entity fails to honor the award agreements with comparable equity, or if the employee is terminated without cause or resigns for Good Reason (as defined in the agreements) following the change of control.

The foregoing summary is qualified in its entirety by reference to the complete text of Mr. Schram's Employment Agreement, and the forms of Retention Agreement, severance agreement and equity award agreements, all of which are filed as exhibits to the Company's Annual Report on Form 10-K for the year ended December 31, 2007.

The following table illustrates the benefits that would be received by the named executives under the severance arrangements described above, assuming a hypothetical severance occurring on the last business day of the prior fiscal year.

AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Audit Committee Report

The following is the report of the Audit Committee with respect to Deluxe's audited financial statements presented in its Annual Report to Shareholders for the fiscal year ended December 31, 2007, which include the consolidated balance sheets of Deluxe as of December 31, 2007 and 2006, and the related consolidated statements of income, comprehensive income and cash flows for each of the three years in the period ended December 31, 2007, and the notes thereto. The information contained in this Audit Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Deluxe specifically incorporates it by reference in such filing.

The Audit Committee of the Board of Directors currently is comprised of the five undersigned directors, all of whom have been determined by the Board to be independent under the rules of the Securities and Exchange Commission and the New York Stock Exchange. The Audit Committee acts under a written charter approved by the Board of Directors. The Audit Committee reviews the adequacy of that charter on an annual basis. A complete copy of the Committee's charter is posted on the Investor Relations page of the Investors section of Deluxe's website at www.deluxe.com under the Corporate Governance caption.

As stated in its charter, the Audit Committee assists the Board in monitoring the integrity of Deluxe's financial statements, the effectiveness of the internal audit function and independent registered public accounting firm, and Deluxe's compliance systems. In carrying out these responsibilities, the Audit Committee met with Deluxe management periodically during the year to consider the adequacy of Deluxe's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with PricewaterhouseCoopers LLP, Deluxe's independent registered public accounting firm, and with the appropriate financial personnel and internal auditors, and met privately on a regular basis with both the independent registered public accounting firm and with the internal auditors, each of whom reports and has unrestricted access to the Audit Committee.

Table of Contents

The Audit Committee reviewed with management and the independent registered public accounting firm Delux e s 2007 audited financial statements and met separately with both management and the independent registered public accounting firm to discuss and review those financial statements and reports prior to issuance. Management has the primary responsibility for Delux e s financial statements and the overall reporting process, including Delux e s system of internal controls. Management has represented, and PricewaterhouseCoopers LLP has indicated in its opinion to the Audit Committee, that Delux e maintained, in all material respects, effective internal control over its financial reporting as of December 31, 2007, and that the financial statements were prepared in accordance with generally accepted accounting principles and fairly present, in all material respects, the financial condition and results of operations of Delux e.

The Audit Committee also received from, and discussed with, the independent registered public accounting firm the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm s independence from Delux e. As part of its efforts to ensure the independence of Delux e s independent registered public accounting firm, the Committee maintains a policy requiring the pre-approval by the Committee of all services to be provided by the independent registered public accounting firm, and reviews all services actually performed by the independent registered public accounting firm in connection with its discussions regarding the independent registered public accounting firm s continued independence. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards Nos. 61 and 90 (Communication with Audit Committees), which include, among other items, matters related to the conduct of the audit of Delux e s financial statements.

Based on the review and discussions referred to above, the Committee recommended to Delux e s Board of Directors that Delux e s audited financial statements be included in Delux e s Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

Policy on Audit Committee Pre-Approval of Accounting Firm Fees and Services

In order to assure that our independent registered public accounting firm is engaged only to provide audit and non-audit services that are compatible with maintaining their independence, the Audit Committee has adopted a policy which requires the Audit Committee to review and approve all services to be provided by PricewaterhouseCoopers LLP before the firm is engaged to provide such services. The Audit Committee may delegate its pre-approval authority to one or more members of the Audit Committee; provided, however, that a full report of any such delegated approvals must be given at the next Audit Committee meeting. The Audit Committee is required to specifically approve the fee levels for all services. Requests for approval of services must be jointly submitted to the Audit Committee by the independent registered public accounting firm, Deluxe's Chief Financial Officer and Deluxe's Vice President of Internal Audit, and must include (1) a joint statement as to whether, in their view, the request is consistent with the SEC's rules on auditor independence and (2) a reasonably detailed description of the proposed services. The complete text of our Audit and Non-Audit Services Pre-Approval Policy is posted on the Investor Relations page of the Investors section of our website at www.deluxe.com under the Corporate Governance caption. A copy of the Policy is available in print free of charge to any stockholder who submits a request to: Corporate Secretary, Deluxe Corporation, 3680 Victoria Street North, Shoreview, Minnesota 55126.

**ITEM 2: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm to examine Deluxe's financial statements and internal controls over financial reporting for the fiscal year ending December 31, 2008. PricewaterhouseCoopers LLP has acted as Deluxe's independent registered public accounting firm since 2001.

Pursuant to the Audit Committee's charter, the Board of Directors is submitting the appointment of PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm for fiscal year ended December 31, 2008 to the shareholders for ratification. Shareholder approval of this appointment is not required, but the Board is submitting the selection of PricewaterhouseCoopers LLP for ratification in order to obtain the views of the Company's shareholders. If the appointment is not ratified, the Audit Committee will reconsider its selection. Deluxe anticipates that representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have the opportunity to make a statement if they so desire and will be able to respond to appropriate questions from shareholders.

The Board of Directors recommends that you vote FOR the ratification of the selection of PricewaterhouseCoopers LLP as Deluxe's independent registered public accounting firm.

ITEM 3: APPROVAL OF THE 2008 ANNUAL INCENTIVE PLAN

GENERAL

As explained in the Compensation Discussion and Analysis section of this proxy statement, annual incentive compensation is an integral part of our compensation program. In recent years, our management and highly compensated employees have received awards under Deluxe's 2004 Annual Incentive Plan, which expires on December 31, 2008. The proposed plan, if approved, would become effective on January 1, 2009. The purpose of these annual incentive plans is to advance the interests of Deluxe and its shareholders by attracting and retaining key employees through competitive compensation packages, and to provide employees with an opportunity to increase their ownership of our common stock, which will align their personal interests to Deluxe's long-term success. As in the case of the current plan, the proposed 2008 Annual Incentive Plan (the 2008 Incentive Plan or Plan) is designed to reward executive officers and key employees only if specific, objective, predetermined performance goals are achieved during a performance period.

Subject to shareholder approval, the 2008 Incentive Plan is designed so that compensation paid under the Plan will be tax deductible by Deluxe under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). Section 162(m) of the Code generally limits to \$1,000,000 the amount that Deluxe is allowed each year to deduct for

Table of Contents

compensation paid to our chief executive officer and our three most highly compensated executive officers other than our chief financial officer (sometimes referred to as 162(m) officers). However, qualified performance-based compensation is not subject to this deductibility limit. The 2008 Incentive Plan contains provisions necessary for the incentive payments made under the Plan to qualify as performance-based compensation, including the requirement that Deluxe's shareholders approve the business criteria upon which performance goals are based and a limit on the maximum amount that may be paid to an executive officer with respect to any performance period.

In accordance with the requirements of Section 162(m) of the Code, the 2008 Incentive Plan is being presented to shareholders for their approval. If the shareholders approve the Plan, all incentive payments under the Plan would be deductible under Section 162(m) of the Code for the next five fiscal years. If the Plan is not approved by shareholders, no awards would be paid to the 162(m) officers under the Plan. In such event, the Compensation Committee could use an alternative framework for the annual incentive program, but such alternative likely would not comply with Section 162(m).

The complete text of the 2008 Incentive Plan is attached as Appendix A to this proxy statement. The following summary is qualified in its entirety by reference to Appendix A.

SUMMARY OF THE 2008 INCENTIVE PLAN**Eligibility**

Participation in the Plan would be limited to executive officers and other key employees selected by the Compensation Committee. As of the date of this proxy statement, approximately 150 employees would be expected to be participants in the 2008 Incentive Plan.

Administration

The Plan would be administered by the Compensation Committee of the Board, which consists solely of individuals who qualify as non-employee directors within the meaning of Rule 16b-3 under the Exchange Act and outside directors within the meaning of Section 162(m) of the Code. On or prior to the 90th day of each performance period under the Plan, the Compensation Committee must designate the participants, set the performance goals for the awards for the applicable performance period, determine the percentage of any match to be provided on that portion of awards participants elect to receive in the form of equity as opposed to cash, and determine the other terms and conditions of the awards. Before March 15 of the year following a performance period, the Compensation Committee would be required to certify the extent to which the applicable performance goals have been achieved and the payments to be made based on that certification. The Compensation Committee also would have the authority to interpret the Plan, and to establish rules and make any determinations for the administration of the Plan in accordance with applicable law.

The Compensation Committee would have the authority to delegate any of its powers and duties under the 2008 Incentive Plan to one or more of Deluxe's officers or a committee of such officers, unless such delegation would cause the Plan to fail to comply with the provisions of Section 162(m) of the Code. In addition, the Compensation Committee would be prohibited from delegating its power to make determinations regarding awards for executive officers.

Determination of Incentive Awards; Payment

Awards granted to participants under the Plan would be specified as a dollar amount or percentage of annual base salary, as determined by the Compensation Committee. The right to receive payment of any award would be based solely on the attainment of one or more specific, objective, predetermined performance goals selected by the Compensation Committee within the first 90 days of a performance period. For the chief executive officer and other 162(m) officers, performance goals would be based solely on one or more of the following business criteria: sales values; margins; volume; cash flow; stock price; market share; revenue; sales; earnings per share; profits; earnings before interest expense and taxes; earnings before interest expense, interest income and taxes; earnings before interest expense, taxes, and depreciation and/or amortization; earnings before interest expense, interest income, taxes, and depreciation and/or amortization; return on equity or costs; return on invested or average capital employed; economic value; or cumulative total return to shareholders. The Compensation Committee could designate other performance criteria for awards to participants who are not 162(m) officers of Deluxe. Performance goals could be set to relate to a particular individual, an identifiable business unit or Deluxe as a whole.

Table of Contents

The maximum amount of any payment that could be made to an individual participant pursuant to the Plan for any performance period could not exceed \$5,000,000. Once awards have been calculated under the predetermined criteria, the Compensation Committee could not make an adjustment that would increase the payment to any 162(m) officer for any performance period, but would have discretion to reduce the payment that would otherwise be payable under the performance criteria. The Compensation Committee would have the discretion to increase or decrease the amount of an award otherwise payable to any participant who is not a 162(m) officer.

The Compensation Committee could permit participants to elect to receive all or portion of their incentive payment in the form of cash, shares of common stock, restricted stock units or a combination of these. All equity compensation paid to participants would be granted under and governed by the terms and conditions of Deluxe's 2008 Stock Incentive Plan, a copy of which is attached to this proxy statement and also is being submitted for shareholder approval (see Item 4 below). The Compensation Committee could also award additional shares of common stock or restricted stock units to participants who elect to receive their incentive payment in the form of equity (i.e., provide an equity match), provided that the value of all such shares and restricted stock units, combined with other awards payable to an individual participant under the Plan, would not exceed \$5,000,000 for any performance period. Shares of common stock and restricted stock units would be granted under and governed by the terms and conditions of Deluxe's 2008 Stock Incentive Plan. We expect that a participant who receives restricted stock units would also receive cash payments equivalent to any cash dividends paid on a corresponding number of shares of Deluxe common stock until such time the restricted stock units are forfeited or exchanged for shares of common stock. Participants may also elect to defer any cash incentive payments in accordance with any available deferred compensation plan.

Amendment and Termination

The Board of Directors would have the authority to amend, suspend or terminate the 2008 Incentive Plan without the approval of Deluxe's shareholders unless, in the absence of shareholder approval, such action would violate the rules or regulations of the New York Stock Exchange or any other securities exchange that are applicable to Deluxe. The Plan would terminate by its terms on December 31, 2013. No awards could be granted under the Plan after it terminates, but outstanding awards could extend beyond the termination unless otherwise expressly provided in the Plan.

Federal Tax Consequences

The following is a summary of the principal federal income tax consequences generally applicable to incentive payments that could be made under the 2008 Incentive Plan.

The amount of any cash or the dollar value of any common stock received outright and not subject to forfeiture, or common stock received upon vesting of restricted stock units granted in connection with the Plan, would be taxable as ordinary income to a participant. Subject to the usual rules concerning reasonable compensation, and assuming that, as expected, compensation paid under the Plan is qualified performance-based compensation within the meaning of Section 162(m) of the Code, Deluxe would be entitled to a corresponding tax deduction no later than the time a participant recognizes ordinary income from an award under the Plan.

Participants who received shares of common stock pursuant to the Plan that were not transferable and subject to a substantial risk of forfeiture would be required, unless a special election were made pursuant to the Code, to recognize ordinary income equal to the fair market value of such securities, determined as of the first time such securities become transferable or were not subject to a substantial risk of forfeiture, whichever occurred earlier. Deluxe would expect to be entitled to a corresponding tax deduction. It is not anticipated that there would be any tax consequences to Deluxe in connection with a subsequent disposition of any securities acquired by a participant.

BOARD VOTING RECOMMENDATION

The Board of Directors recommends that you vote FOR the proposal to approve the Deluxe Corporation 2008 Annual Incentive Plan.

Table of Contents**ITEM 4: APPROVAL OF THE 2008 STOCK INCENTIVE PLAN****GENERAL**

Deluxe's shareholders approved the Company's current Stock Incentive Plan in 2000 and approved amendments to that plan in 2002 and 2004 (the 2000 Stock Incentive Plan). The 2000 Stock Incentive Plan expires on December 31, 2008. The Company proposes to replace the 2000 Stock Incentive Plan with the 2008 Stock Incentive Plan (the 2008 Stock Incentive Plan or Plan), subject to shareholder approval. If approved, the 2008 Stock Incentive Plan would immediately become effective and the 2000 Stock Incentive Plan would simultaneously terminate. The Plan provides for grants of various types of stock-based awards that are designed to align the interests of our executive officers and other key employees with the long-term interests of our shareholders and to support Deluxe's business objectives. We intend to continue to rely on a combination of options and other stock-based awards to achieve our compensation objectives. This strategy is outlined in further detail in the Compensation Discussion and Analysis section of this proxy statement. Accordingly, the Board of Directors recommends approval of the 2008 Stock Incentive Plan, as described below.

The 2008 Stock Incentive Plan would make 4,000,000 shares available for awards under the Plan. In accounting for usage of this authorized pool of shares, however, certain awards such as restricted stock and performance awards (referred to as Full Value Awards) would have the effect of reducing the available pool more than other awards, as further described below and in the Plan. The proposed Plan also would permit performance awards paid under it to be tax deductible to Deluxe under Section 162(m) of the Code, as qualified performance-based compensation, as did the 2000 Stock Incentive Plan.

If the 2008 Stock Incentive Plan is not approved by shareholders, Deluxe will continue to use the 2000 Stock Incentive Plan in its current form as the framework for its equity-based incentive compensation program until its expiration date. However, after its expiration date, we would not be able to continue to offer a long-term incentive program that employs equity awards, which could put us at a competitive disadvantage in recruiting and retaining talent, and also make it more difficult for us to align employee interests with those of our shareholders through a program that includes stock ownership. Without shareholder approval, Performance Awards and similar long-term cash incentives also would not be tax deductible to the Company under Section 162(m) of the Code.

The following is a summary of the material terms of the 2008 Stock Incentive Plan. The complete text of the Plan is attached as Appendix B to this proxy statement. The following summary is qualified in its entirety by reference to Appendix B.

SUMMARY OF THE 2008 STOCK INCENTIVE PLAN**Shares Available For Awards**

The 2008 Stock Incentive Plan would provide for the issuance of up to 4,000,000 shares of common stock, subject to adjustment for any dividend or other distribution, recapitalization, stock split, merger or other similar corporate transaction or event affecting our shares of common stock. The Plan would provide that no participant may be granted an award of more than 500,000 shares in the aggregate in any calendar year, the value of which award or awards is based solely on an increase of the value of shares after the date of grant of the award or awards.

If any shares of common stock subject to any award or to which an award related were not purchased or are forfeited, or if any such award terminated without the delivery of any shares, the shares previously set aside for such awards would be available for future awards under the Plan. Shares delivered to the Company or withheld from an award for payment of an exercise price or tax withholding would not be available for future grants under the Plan. Shares underlying awards that allowed the holder to receive or purchase shares would be counted against the aggregate number of shares available under the Plan. If an award or a portion of it provided for receipt of shares without payment of an amount equal to the fair market value of the shares at the time of the grant (referred to as Full Value Awards), the aggregate number of shares available for grants under the Plan would be reduced by the number of shares underlying such Full Value Award multiplied by 2.29, or if such an award were forfeited or terminated without delivery of the shares, the number of shares that again became eligible for grants would be multiplied by 2.29.

Administration

The Compensation Committee would administer the 2008 Stock Incentive Plan and have full power and authority to determine when and to whom awards would be granted and the type, amount, form of payment and other terms and

Table of Contents

conditions of each award, consistent with the provisions of the Plan and applicable law. Subject to the provisions of the Plan, the Compensation Committee could amend or waive the terms and conditions of an outstanding award, but would be prohibited from repricing outstanding stock options or changing the time or form of payment of an outstanding award in a way that would cause the Plan to fail to comply with Section 409A of the Code. The Compensation Committee would have authority to interpret the Plan and establish rules and regulations for its administration. In the event of a merger or similar transactions, the Compensation Committee could cause shares underlying outstanding awards to be converted into stock of the resulting entity or could cause the awards to be settled by a cash payment equal to the fair market value of the resulting shares reduced by the exercise price of the award or cancelled without payment if the fair market value did not exceed the exercise price. The Compensation Committee could delegate its powers and duties to one or more of Deluxe's officers, except that the Compensation Committee could not delegate any of its powers and duties with respect to individuals who were subject to Section 16 of the Exchange Act or in a way that would cause the 2008 Stock Incentive Plan to fail to comply with any of the requirements of Section 162(m) of the Code.

Eligible Employees

Any employee or non-employee director of Deluxe or its affiliates selected by the Compensation Committee would be eligible to receive an award under the 2008 Stock Incentive Plan. As of the date of this proxy statement, if the Plan were in effect, approximately 225 employees, officers and directors would be eligible as a class to be selected by the Compensation Committee to receive awards under the Plan.

Types of Awards and Terms and Conditions

The 2008 Stock Incentive Plan would permit the granting of:

stock options;

stock appreciation rights (SARs);

restricted stock and restricted stock units;

performance awards;

dividend equivalents; and

other stock-based awards valued in whole or in part by reference to or otherwise based upon the value of the Company's common stock.

Awards could be granted alone, in addition to, in combination with or in substitution for any other award granted under the Plan or any other compensation plan. Notwithstanding the foregoing, although a stock appreciation right could be granted in tandem with a non-qualified stock option, the recipient could exercise only one or the other and the shares would be counted only once toward reduction of the authorized share pool. Awards could be granted for no cash consideration or for such minimal cash consideration as might be required by applicable law, and could provide that upon the grant or exercise thereof, the holder would receive cash, shares of common stock or other securities, awards or property, or any combination of these. The exercise price per share under any stock option, the grant price of any SAR and the purchase price of any security which could be purchased under any other stock-based award could not be less than the fair market value on the date of grant of such option, SAR or award. Determinations of fair market value under the Plan would be made in accordance with methods and procedures established by the Compensation Committee, but the fair market value of Deluxe shares always would be based on the closing price of those shares on the relevant date.

Stock Options. Options granted under the Plan could not have terms longer than ten years, except that in the event the recipient of an incentive stock option owned more than ten percent of the Company's stock, the term of the option could be no longer than five years. Option recipients could exercise their options by tendering cash, shares of common stock or other consideration having a fair market value on the date the option was exercised equal to the exercise price, or 110% of the fair market value if the payment were in exercise of an incentive stock option by a participant

who owned more than ten percent of the Company's stock. The Plan would not permit the grant of additional options to purchase shares of common stock to participants who exercised their options by delivery of shares in payment of the exercise price. The fair market value of incentive stock options granted to an individual in any one year could not exceed \$100,000, and no options could be granted at an exercise price less than the fair market value of the underlying shares on the date of grant.

Stock Appreciation Rights. The holder of a SAR would be entitled to receive the excess of the fair market value, calculated as of the exercise date, of a specified number of shares of common stock over the grant price of the SAR, which can be no less than the fair market value of the underlying shares on the grant date.

Restricted Stock and Restricted Stock Units. Shares of restricted stock and restricted stock units would be subject to such restrictions as the Compensation Committee might impose (including any limitations on the right to vote or

Table of Contents

the right to receive dividends). These restrictions could lapse separately or in combination at any time, in installments or otherwise as the Compensation Committee determined. Restricted stock and restricted stock units could not be transferred by the holder until the restrictions established by the Compensation Committee lapsed. Holders of restricted stock units would have the right, subject to any terms and conditions imposed by the Compensation Committee, to receive shares of common stock at some future date. Except as otherwise determined by the Committee, upon termination of the holder's employment (as determined under criteria established by the Compensation Committee) during the applicable restriction period, shares of restricted stock and restricted stock units would be forfeited. The Compensation Committee also would retain the authority, when it found that a waiver would be in the best interests of Deluxe, to waive all or part of any remaining restrictions.

Performance Awards. Performance awards granted under the 2008 Stock Incentive Plan would be intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code. Performance awards would give participants the right to receive payments based solely upon the achievement of certain performance goals during a specified performance period. With respect to performance awards intended to qualify as performance-based compensation, the Compensation Committee would establish the performance criteria and target awards for each award recipient within the first 90 days of each performance period. Performance goals would be based solely on one or more of the following business criteria: sales values; margins; volume; cash flow; stock price; market share; revenue; sales; earnings per share; share price; profits; earnings before interest expense and taxes; earnings before interest expense, interest income and taxes; earnings before interest expense, taxes, and depreciation and/or amortization; earnings before interest expense, interest income, taxes, and depreciation and/or amortization; return on equity; assets or costs; return on invested or average capital employed; economic value; or cumulative total return to shareholders.

The measure of performance would be set by reference to an absolute standard or a comparison with specified companies or groups of companies and would be applied at individual or organizational levels. Following the close of a performance period and prior to payment of any amount with respect to a performance award, the Compensation Committee would certify the attainment of applicable goals and such certification would occur in sufficient time to permit payment to be made by the fifteenth day of the third month following the end of the performance period. The aggregate dollar value of performance awards paid to any recipient in any calendar year could not exceed \$5,000,000. If a participant died, became permanently and totally disabled or if such participant's employment were terminated for some other reason, the Compensation Committee could provide for a pro rata payment of the award for periods leading up to the termination of employment.

Other Stock-Based Awards. Under the 2008 Stock Incentive Plan, dividend equivalents could be authorized by the Compensation Committee with respect to Restricted Stock, Restricted Stock Units or Performance Awards payable in stock, but not with respect to options or stock appreciation rights, which provide for payments (in cash, shares of common stock or otherwise, as determined by the Compensation Committee) equivalent to the amount of cash dividends to other shareholders with respect to a number of shares of common stock determined by the Compensation Committee. These dividend equivalents would be paid at the same time as dividends paid to the Company's shareholders, unless the Compensation Committee were to specify otherwise in the applicable award agreements. The Compensation Committee would also be authorized to establish the terms and conditions of other stock-based awards.

Certain Awards to Non-Employee Directors. Each non-employee director would be eligible to receive or elect to receive his or her fees for service on the Board and its committees in shares of common stock or restricted stock units, and to defer the receipt of any such shares by filing with the Company an election to do so no later than December 31 of the year preceding the year to which the election would apply. Any director whose initial appointment to the Board occurred during the year would have 30 days from such appointment to file an election which would then apply to the remainder of the year. Each non-employee director also would be eligible to receive non-qualified stock options, stock appreciation rights, and restricted stock or restricted stock units.

If a participating director left the Board prior to the end of a fiscal quarter, the director would be paid the quarterly installment of the fees for the quarter in accordance with the director's previously filed election provided that the director would not continue or resume providing services to the Company.

In the event of a change of control as defined by Section 409A of the Code, the stock units deferred by a participating director as of the last business day prior to the change of control would be converted into an equal number of shares of the resulting entity, and such shares would be issued or distributed to the participating director as soon as practical.

Duration, Termination and Amendment. Unless earlier discontinued or terminated by the Board of Directors, the 2008 Stock Incentive Plan would expire on December 31, 2018. No awards could be made after that date. However,

- 45 -

Table of Contents

unless otherwise expressly provided in the Plan or an applicable award agreement, any award granted under the Plan prior to its expiration could extend beyond the end of such period.

The Board of Directors could amend, alter or discontinue the Plan at any time, although shareholder approval would be required for any action that would increase the number of shares available or the award limits under the Plan, or cause Deluxe to be unable, under the Code, to grant incentive stock options. Shareholder approval also would be required for any action that, absent such approval, would violate the rules and regulations of the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc. applicable to Deluxe.

Federal Tax Consequences

The grant of an option or SAR under the 2008 Stock Incentive Plan would not be expected to result in any taxable income to the recipient. The holder of an incentive stock option generally would have no taxable income upon exercising the option (except that a liability might arise pursuant to the alternative minimum tax), and Deluxe would not be entitled to a tax deduction when an incentive stock option was exercised. Upon exercising a non-qualified stock option, participants would recognize ordinary income equal to the excess of the fair market value of the shares of common stock acquired on the date of exercise over the exercise price, and Deluxe would be entitled at that time to a tax deduction in the same amount. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of common stock received would be taxable to the recipient as ordinary income and deductible by Deluxe. The tax consequence to a participant upon a disposition of shares acquired through the exercise of an option or SAR would depend on how long the shares were held and whether such shares were acquired by exercising an incentive stock option or by exercising a non-qualified stock option or SAR. Generally, there would be no tax consequence to Deluxe in connection with disposition of shares acquired under an option, except that Deluxe might be entitled to a tax deduction in the case of a disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Code have been satisfied.

With respect to other awards that would be payable either in cash or shares of common stock and were either transferable or not subject to substantial risk of forfeiture, the holder of such an award would recognize ordinary income equal to the excess of (1) the cash or the fair market value of the shares of common stock received (determined as of the date of such receipt) over (2) the amount (if any) paid for such shares of common stock by the holder of the award, and Deluxe would be entitled at that time to a deduction for the same amount. With respect to an award that would be payable in shares of common stock that were restricted as to transferability and subject to substantial risk of forfeiture, unless a special election were made pursuant to the Code, the holder of the award would recognize ordinary income equal to the excess of (a) the fair market value of the shares of common stock received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (b) the amount (if any) paid for such shares of common stock by the holder, and Deluxe would be entitled at that time to a tax deduction in the same amount. Subject to the usual rules concerning reasonable compensation, and assuming that, as expected, performance awards paid under the Plan were qualified performance-based compensation within the meaning of Section 162(m) of the Code, Deluxe would be entitled to a corresponding tax deduction at the time a participant recognized ordinary income.

Special rules might apply in the case of individuals subject to Section 16 of the Exchange Act. In particular, unless a special election were made pursuant to the Code, shares received pursuant to the exercise of a stock option or SAR, or when restricted stock units vested, might be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period up to six months after the date of exercise or vesting. Accordingly, the amounts of any ordinary income recognized, and the amount of Deluxe's tax deduction, would be determined as of the end of such period.

Under the 2008 Stock Incentive Plan, the Compensation Committee could permit participants receiving or exercising awards, upon such terms and conditions as it may impose, to surrender shares of common stock (either shares received upon the receipt or exercise of the award or shares previously owned by the participant) or other property to Deluxe to satisfy federal and state tax obligations.

Since December 31, 2007, an estimated aggregate of 856,623 additional shares have been allocated to awards made under the 2000 Stock Incentive Plan, consisting of the following: 81,132 shares for restricted stock units issued on

January 22, 2008, in connection with elections made by employees to receive a portion of their 2007 annual incentive compensation in the form of equity; 175,600 shares for performance accelerated restricted stock and 595,700 shares for stock options granted on February 20, 2008, as part of the grants made under the Company's long-term incentive program; and an estimated 4,191 shares to be allocated on March 15, 2008, pursuant to elections made by certain non-employee directors to receive a portion of their quarterly compensation in equity. This estimate is based upon non-employee directors' first quarter compensation of \$94,381.32 divided by the closing price of Deluxe common stock of \$22.52 on February 20,

2008. Dividend equivalents are not paid on outstanding options.

The Compensation Committee shall have full power and authority, subject to all the applicable provisions of the Plan and applicable law, to (a) establish, amend, suspend or waive such rules and regulations and appoint such agents as it deems necessary or advisable for the proper administration of the Plan, (b) construe, interpret and administer the Plan and any instrument or agreement relating to the Plan, (c) determine, from time to time, whether shares of Common Stock and/or Units will be made available to Participants under the Plan, and (d) make all other determinations and take all other actions necessary or advisable for the administration of the Plan. Unless otherwise expressly provided in the Plan, each determination made and each action taken by the Compensation Committee pursuant to the Plan or any instrument or agreement relating to the Plan shall be (i) within the sole discretion of the Compensation Committee, (ii) may be made at any time and (iii) shall be final, binding and conclusive for all purposes on all persons, including, but not limited to, Participants, and their legal representatives and beneficiaries, and employees of the Company.

4.2 Delegation. The Compensation Committee may delegate its powers and duties under the Plan to one or more officers of the Company or a committee of such officers, subject to such terms, conditions and limitations as the Compensation Committee may establish in its sole discretion; provided, however, that the Compensation Committee shall not delegate its power (a) to make grants to or determinations (including certification pursuant to Section 4.4) regarding officers or directors of the Company who are subject to Section 16 of the 1934 Act or (b) in such a manner as would cause the Plan not to comply with the provisions of Section 162(m) of the Code.

4.3 Determinations made prior to each Performance Period. On or before the 90th day of each Performance Period, the Compensation Committee shall:

(a) designate all Participants (including designation as Executives or Other Participants) for such Performance Period;

(b) establish a Target Award and a Match Percentage for each Participant; and

(c) with respect to each Participant, establish one or more Performance Factors and a corresponding Maximum Award Percentage for each Performance Factor.

4.4 Certification. Following the close of each Performance Period and prior to payment of any amount to any Participant under the Plan, the Compensation Committee must certify in writing which of the applicable Performance Factors for that Performance Period (and the corresponding Maximum Award Percentages) have been achieved and certify as to the attainment of all other factors upon which any payments to a Participant for that Performance Period are to be based. Such certification shall be made in time to permit payments to be made not later than the fifteenth day of the third month following the end of the Performance Period.

4.5 Shareholder Approval. The material terms of this Plan shall be disclosed to and submitted for approval by shareholders of the Company in accordance with Section 162(m) of the Code. No amount shall be paid to any Executive under this Plan unless such shareholder approval has been obtained.

Table of Contents

- (a) the Participant's Target Award for the Performance Period, multiplied by
- (b) the Participant's Maximum Award Percentage for the Performance Period that corresponds to the Performance Factor achieved by the Participant for that Performance Period.

5.2 Limitations.

(a) **Discretionary Increase or Reduction.** The Compensation Committee shall retain sole and absolute discretion to increase or reduce the amount of any incentive payment otherwise payable to any Participant under this Plan, but may not increase the payment to any Executive for any Performance Period.

(b) **Continued Employment.** Except as otherwise provided by the Compensation Committee, no incentive payment under this Plan with respect to a Performance Period shall be paid or owed to a Participant whose employment terminates prior to the last day of such Performance Period.

(c) **Maximum Payments.** No Participant shall receive a payment under this Plan for any Performance Period in excess of \$5.0 million, including the value of any Match Percentage.

6. BENEFIT PAYMENTS

6.1 Time and Form of Payments. Prior to a date specified by the Compensation Committee, but in no event later than the date immediately preceding the first day of the Performance Period unless otherwise permitted by the Deferred Compensation Plan in accordance with Section 409A of the Code, each Participant shall elect whether to receive benefits which may be paid under the Plan in cash or in the form of shares of Common Stock or Units (whichever is made available by the Compensation Committee to such Participant in the Compensation Committee's sole discretion) or some combination thereof. Participants who elect to receive some percentage of the incentive payment in the form of cash shall be entitled to elect, at the same time as the cash election is made, to defer such receipt in accordance with the terms of the Deferred Compensation Plan, in which event the time and form of payment of the deferred amount shall be governed exclusively by the terms of the Deferred Compensation Plan. In the event a Participant has elected to receive some percentage of the incentive payment in the form of cash, and subject to any such deferred compensation election, such cash incentive shall be paid as soon as administratively feasible after the Compensation Committee has made the certifications provided for in Section 4.4 above and otherwise determined the amount of such Participant's incentive payment payable under this Plan, but in no event later than the fifteenth day of the third month following the end of the Performance Period. In the event that a Participant chooses to receive some percentage of the incentive payment in the form of shares or Units (as the case may be), in lieu of cash (the Share Dollar Amount), the Participant shall be entitled to receive shares of restricted Common Stock or Units (as the case may be) equal to a percentage (the Match Percentage) of the Share Dollar Amount established by the Compensation Committee pursuant to this Plan. The number of shares or Units issued or granted pursuant to this Section 6.1 shall be determined based on the fair market value of a share of Common Stock (as determined in accordance with the terms of the Stock Incentive Plan) as of the date specified by the Compensation Committee that such shares or Units are to be issued or awarded, after the Compensation Committee has made the certifications required by Section 4.4 above and otherwise determined the amount of a Participant's incentive payment payable under this Plan.

In the event a Participant has elected to receive some percentage of the incentive payment in the form of shares of Common Stock or Units (as the case may be), such shares or Units shall be issued or awarded, respectively, pursuant to the Stock Incentive Plan, which shares or Units shall be subject to such forfeiture rights and to such restrictions regarding transfer as may be established by the Compensation Committee; provided, however, that the individual share limitations contained in Section 4(d)(i) and (ii) of the Stock Incentive Plan shall not apply to shares issued under this Plan, but the aggregate value of any cash, shares and Units paid or granted to any Participant for any Performance Period shall be subject to Section 5.2(c) of this Plan.

6.2 Nontransferability. Except as otherwise determined by the Compensation Committee, no right to any incentive payment hereunder, whether payable in cash, shares or other property, shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution; provided, however, that if so determined by the Compensation Committee, a Participant may, in the manner established by the Compensation Committee designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any cash, shares or property hereunder upon the death of the Participant. No right to any incentive payment hereunder may be pledged, attached or otherwise encumbered, and any purported pledge, attachment or encumbrance thereof shall be void and unenforceable against the Company.

6.3 Tax Withholding. In order to comply with all applicable federal or state income, social security, payroll, withholding or other tax laws or regulations, the Compensation Committee may establish such policy or policies as it deems appropriate with respect to such laws and regulations, including without limitation, the establishment of policies to ensure that all applicable federal or state income, social security, payroll, withholding or other taxes, which are the sole and absolute responsibility of the Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or part of the federal and state taxes to be withheld or collected upon receipt or payment of (or the lapse of restrictions relating to) an incentive payment payable hereunder, the Compensation Committee, in its sole discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (a) electing to have the Company withhold a portion of the shares of Common Stock otherwise to be delivered upon payment of (or the lapse of restrictions relating to) an incentive payment hereunder with a fair market value equal to the amount of such taxes or (b) delivering to the Company shares of Common Stock other than the shares issuable upon payment of (or the lapse of restrictions relating to) such incentive payment with a fair market value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

7. AMENDMENT AND TERMINATION; AND ADJUSTMENTS.

Except to the extent prohibited by applicable law and unless otherwise expressly provided in the Plan:

(a) **Amendments to the Plan.** The Board of Directors of the Company may amend, alter, suspend, discontinue or terminate the Plan, without the approval of the shareholders of the Company, except that no such amendment, alteration, suspension, discontinuation or termination shall be made that, absent such approval, would violate the rules or regulations of the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc. that are applicable to the Company.

(b) **Waivers of Incentive Payment Conditions or Rights.** The Compensation Committee may waive any conditions of or rights of the Company under any right to an incentive payment hereunder, prospectively or retroactively.

(c) **Limitation on Amendments to Incentive Payment Rights.** Neither the Compensation Committee nor the Company may amend, alter, suspend, discontinue or terminate any rights to an incentive payment, prospectively or retroactively, without the consent of the Participant or holder or beneficiary thereof, except as otherwise herein provided.

(d) **Correction of Defects, Omissions and Inconsistencies.** The Compensation Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent it shall deem desirable to carry the Plan into effect.

8.2 Term of the Plan. Unless the Plan shall have been discontinued or terminated, the Plan shall terminate on December 31, 2013. No right to receive an incentive payment shall be granted with respect to a Performance Period that will end after the termination of the Plan. However, unless otherwise expressly provided in the Plan, any right to receive an incentive payment theretofore granted may extend beyond the termination of the Plan, and the authority of the Board of Directors and Compensation Committee to amend or otherwise administer the Plan shall extend beyond the termination of the Plan.

8.3 Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

8.4 Applicability to Successors. This Plan shall be binding upon and inure to the benefit of the Company and each Participant, the successors and assigns of the Company, and the beneficiaries, personal representatives and heirs of each Participant. If the Company becomes a party to any merger, consolidation or reorganization, this Plan shall remain in full force and effect as an obligation of the Company or its successors in interest (except to the extent modified by the terms of the Stock Incentive Plan with respect to the shares of restricted Common Stock or Units (as the case may be) issued pursuant to Section 6.1 hereof).

8.5 Employment Rights and Other Benefit Programs. The provisions of this Plan shall not give any Participant any right to be retained in the employment of the Company. This Plan shall not replace any contract of employment, whether oral or written, between the Company and any Participant, but shall be considered a supplement thereto. This Plan is in addition to, and not in lieu of, any other employee benefit plan or program in which any Participant may be or become eligible to participate by reason of employment with the Company. No compensation or benefit awarded to or realized by any Participant under the Plan shall be included for the purpose of computing such Participant's compensation under any compensation-based retirement, disability, or similar plan of the Company unless required by law or otherwise provided by such other plan.

8.6 No Trust or Fund Created. This Plan shall not create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any affiliate and a Participant or any other person. To the extent that any person acquires a right to receive payments from the Company or any affiliate pursuant to this Plan, such right shall be no greater than the right of any unsecured general creditor of the Company or of any affiliate.

8.7 Governing Law. The validity, construction and effect of the Plan or any incentive payment payable under the Plan shall be determined in accordance with the laws of the State of Minnesota.

8.8 Severability. If any provision of the Plan is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Compensation Committee, materially altering the purpose or intent of the Plan, such provision shall be stricken as to such jurisdiction, and the remainder of the Plan shall remain in full force and effect.

8.9 **Certain Tax Matters.** All of the terms and conditions of the Plan shall be interpreted in such a fashion as to qualify all compensation paid hereunder as qualified performance-based compensation within the meaning of Section 162(m) of the Code, and so that no payments constitute deferred compensation subject to Section 409A of the Code unless a Participant elects to defer a payment pursuant to the Deferred Compensation Plan.

DELUXE CORPORATION 2008 STOCK INCENTIVE PLAN

Section 1. Purpose; Shareholder Approval; Termination of 2000 Plan.

Section 3. Administration.

(a) *Power and Authority of the Committee.* The Plan shall be administered by the Committee. Except as provided in Section 8 and subject to the express provisions of the Plan and to applicable law, the Committee shall have full power and authority to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to each Participant under the Plan; (iii) determine the number of Shares to be covered by (or with respect to which payments, rights or other matters are to be calculated in connection with) each Award; (iv) determine the terms and conditions of any Award or Award Agreement; (v) amend the terms and conditions of any Award or Award Agreement and accelerate the exercisability of Options or the lapse of restrictions relating to Restricted Stock or other Awards, provided that no such revision shall violate subsection (c) of this Section, extend the term of any Award beyond 10 years from the original grant date, or otherwise include any feature in the Award that could not have been included at the original grant date; (vi) determine whether, to what extent and under what circumstances Awards may be exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended; (vii) determine whether, to what extent and under what circumstances cash, Shares, other securities, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or the Committee; (viii) interpret and administer the Plan and any instrument or agreement relating to, or Award made under, the Plan; (ix) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Participant, any holder or beneficiary of any Award and any employee of the Company or any Affiliate.

(b) *Delegation.* The Committee may delegate its powers and duties under the Plan to one or more officers of the company or an Affiliate or a committee of such officers, subject to such terms, conditions and limitations as the Committee may establish in its sole discretion; provided, however, that the Committee shall not delegate its powers and duties under the Plan (i) with regard to officers or directors of the Company or any Affiliate who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, if the effect of such delegation would make the exemption under Rule 16b-3 unavailable or (ii) in such a manner as would cause the Plan not to comply with the requirements of Section 162(m) of the Code.

(c) *Prohibition on Repricing.* The Committee may not amend any Option or Stock Appreciation Right to reduce its exercise price, or authorize or permit the exchange of any Option or Stock Appreciation Right for a new Option or Stock Appreciation Right with a lower exercise price or any other transaction which has the effect of reducing the exercise price of an outstanding Option or Stock Appreciation Right, without obtaining the consent of the shareholders of the Company.

(d) *Compliance with Section 409A.* The Plan shall be administered in accordance with Section 409A of the Code, and the regulations promulgated thereunder. Without limiting the generality of the foregoing, in no event shall the Committee permit any change to the time or form of payment of any portion of an Award that constitutes a form of deferred compensation subject to Section 409A (including the payment of any Dividend Equivalents) unless the Committee determines that such change is permitted by Section 409A.

Table of Contents**Section 4. Shares Available for Awards.**

(a) *Shares Available.* Subject to adjustment as provided in Section 4(c), the number of Shares available for granting Awards under the Plan shall be 4,000,000. Shares to be issued under the Plan may be either Shares reacquired or authorized but unissued Shares. If any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for grants under the Plan. Shares which are delivered to the Company, or withheld from an Award, for payment of the exercise price of an Option or Stock Appreciation Right, or for payment of tax withholding, shall not again be available for grant. The limits of this Section 4(a) shall not apply to a Performance Award payable solely in cash, in which the amount of the Award is not determined directly or indirectly by reference to the value of Shares.

(b) *Accounting for Awards; Fungible Shares.* For purposes of this Section 4, an Award other than a Full Value Award shall reduce the aggregate number of Shares available for grants under the Plan by the total number of Shares covered by the Award, without reduction for shares that are withheld for payment of the exercise price or withholding taxes. A Full Value Award shall reduce the aggregate number of Shares available for grants under the Plan by the number of Shares covered by the Full Value Award multiplied by 2.29. If any Full Value Award is forfeited or terminates without delivery of the Shares, so that the Shares covered by the Full Value Award are again available for grants pursuant to subsection (a), the number of Shares that again becomes eligible for grants shall also be multiplied by 2.29.

(c) *Adjustments.* In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) which thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards and (iii) the purchase or exercise price with respect to any Award; provided, however, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number. Without limiting the generality of the foregoing, in the case of a merger or consolidation of the Company or similar transaction, the Committee may cause the Shares underlying outstanding Awards to be converted into stock or securities of the entity resulting from the merger or consolidation, or may cause such Awards to be settled by a cash payment equal to the Fair Market Value of the Shares as a result of the transaction reduced by the exercise price of the Award, if any, or to be cancelled without payment of consideration if the Fair Market Value does not exceed the exercise price.

(d) *Awards Limitation Under the Plan.*

(i) *Section 162(m) Limitation for Certain Types of Awards.* No Eligible Person may be granted Options, Stock Appreciation Rights or any other Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 500,000 Shares (subject to adjustment as provided in Section 4(c) of the Plan) in the aggregate in any calendar year. The foregoing limitation shall not include any Shares acquired pursuant to the Annual Incentive Plan.

(ii) *Section 162(m) Limitation for Performance Awards.* The maximum amount payable pursuant to all Performance Awards to any Participant in the aggregate in any calendar year shall be \$5.0 million in value, whether payable in cash, Shares or other property. This limitation does not apply to any Award subject to the limitation contained in Section 4(d)(i) of the Plan and shall not include any Shares acquired pursuant to the Annual Incentive Plan.

Table of Contents**Section 5. Eligibility.**

Any Eligible Person, including any Eligible Person who is an officer or director of the Company or any Affiliate, shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company, and such other factors as the Committee, in its discretion shall deem relevant. Notwithstanding the foregoing, Incentive Stock Options may only be granted to full or part-time employees (which term as used herein includes, without limitation, officers and directors who are also employees) and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code or any successor provision.

Section 6. Awards.

(a) *Options.* The Committee is hereby authorized to grant Options to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) *Exercise Price.* The purchase price per Share purchasable under an Option shall be determined by the Committee; provided, however, that such purchase price shall not be less than 100 percent of the Fair Market Value of a Share on the date of grant of such Option. In the case of an Incentive Stock Option granted to a Participant who owns stock possessing more than 10 percent of the combined voting power of all classes of stock of the Company (or any parent or subsidiary), the purchase price shall not be less than 110 percent of the Fair Market Value.

(ii) *Option Term.* The term of each Option shall be fixed by the Committee but shall not be longer than 10 years from the date of grant. In the case of an Incentive Stock Option granted to a Participant who owns stock possessing more than 10 percent of the combined voting power of all classes of stock of the Company (or any parent or subsidiary), the term shall not be longer than five years from the date of grant.

(iii) *Time and Method of Exercise.* The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, promissory notes, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

(iv) *No Reload Option Features.* Options shall not include a reload feature, or any comparable feature that provides for the automatic grant of additional Options to a Participant upon exercise of the Option.

(v) *Designation as Incentive Stock Option.* Each Option that is intended to qualify as an Incentive Stock Option shall so provide in the Award Agreement, and any Option that is not specifically designated an Incentive Stock Option shall be a Non-Qualified Stock Option. The maximum Fair Market Value (measured at the date of grant) of Shares subject to Incentive Stock Options granted to any one Participant that may vest in any year shall not exceed \$100,000. An Option may be designated as an Incentive Stock Option in part, and if an Option that was designated an Incentive Stock Option vests prematurely, so that the number of Shares vesting in a year exceeds the limitation set forth in the prior sentence, such Option shall be considered an Incentive Stock Option with respect to the number of Shares that do not exceed such limit and a Non-Qualified Stock Option with respect to the balance of the Shares subject to the Option.

(b) *Stock Appreciation Rights.* The Committee is hereby authorized to grant Stock Appreciation Rights to Participants subject to the terms of the Plan and any applicable Award Agreement.

Table of Contents

A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise over (ii) the grant price of the Stock Appreciation Right as specified by the Committee, which price shall not be less than 100 percent of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right. Subject to the terms of the Plan and any applicable Award Agreement, the grant price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate. A Stock Appreciation Right may be granted in tandem with a Non-Qualified Stock Option for the same number of Shares, in which case the Participant may exercise either the Option or the Stock Appreciation Right, but not both, and each Share subject to either the Option or the Stock Appreciation Right shall be counted once for purposes of Section 4.

(c) *Restricted Stock and Restricted Stock Units.* The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) *Restrictions.* Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto or with respect to a Restricted Stock Unit), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

(ii) *Stock Certificates.* Any Restricted Stock granted under the Plan may be evidenced by issuance of a stock certificate or certificates or by the creation of a book entry at the Company's transfer agent. Any such certificate or certificates shall be held by the Company. Such certificate or certificates or book entry shall be registered in the name of the Participant and any such certificate or certificates shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock. A similar notation shall be made in the records of the transfer agent with respect to any Shares evidenced by a book entry. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted.

(iii) *Forfeiture; Delivery of Shares.* Except as otherwise determined by the Committee or provided in a Plan governed by this Plan, upon termination of employment (as determined under criteria established by the Committee) or, in the case of a director, service as a director during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units at such time subject to restriction shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units. Any Share representing Restricted Stock that is no longer subject to restrictions shall be delivered to the holder thereof promptly after the applicable restrictions lapse or are waived. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, such Shares shall be issued and delivered to the holders of the Restricted Stock Units, subject to the provisions of the Plan and any applicable Award Agreement.

(d) *Performance Awards.* The Committee is hereby authorized to grant Performance Awards to Participants which may be qualified performance-based compensation within the meaning of Section 162(m). A Performance Award granted under the Plan may be payable in cash or in Shares (including, without limitation, Restricted Stock and Restricted Stock Units). Performance Awards shall, to the extent required by Section 162(m), be conditioned solely on the achievement of one or more objective performance goals, and such performance goals shall be established by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m). Subject to the terms of the Plan and any applicable Award Agreement, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award, and any

Table of Contents

other terms and conditions of any Performance Award shall be determined by the Committee. Notwithstanding any other provision of the Plan to the contrary, the following additional requirements shall apply to all Performance Awards made to any Participant under the Plan:

(i) *Business Criteria.* Unless and until the Committee proposes for shareholder approval and the Company's shareholders approve a change in the general business criteria set forth in this section, the attainment of which may determine the amount and/or vesting with respect to Performance Awards, the business criteria to be used for purposes of establishing performance goals for such Performance Awards shall be selected from among the following alternatives, each of which may be based on absolute standards or comparisons versus specified companies or groups of companies and may be applied at individual or various organizational levels (*e.g.*, the Company as a whole or identified business units, segments or the like): sales values, margins, volume, cash flow, stock price, market share, revenue, sales, earnings per Share, Share price, profits, earnings before interest expense and taxes, earnings before interest expense, interest income and taxes, earnings before interest expense, taxes, and depreciation and/or amortization, earnings before interest expense, interest income, taxes, and depreciation and/or amortization, return on equity, assets or costs, return on invested or average capital employed, economic value, or cumulative total return to shareholders.

(ii) *Target Award; Maximum Amount Payable.* The target Award shall be a dollar amount or a percentage of a Participant's annualized base salary, which may be greater or less than 100%, as determined by the Committee with respect to each Participant for each performance period. The maximum amount payable pursuant to all Performance Awards to any Participant in the aggregate in any calendar year is specified in Section 4(d)(ii) of the Plan.

(iii) *Payment of Performance Awards.* Performance Awards shall be paid no later than the fifteenth day of the third month following the conclusion of the applicable performance period. The Committee may, in its discretion, reduce the amount of a payout otherwise to be made in connection with a Performance Award, but may not exercise discretion to increase such amount.

(iv) *Certain Events.* If a Participant dies, becomes permanently and totally disabled or otherwise terminates employment with the approval of the Committee before the end of a performance period or after the performance period and before a Performance Award is paid, the Committee may, in its discretion, determine that the Participant shall be paid all or a portion of the Award that the Participant would have received but for such death, disability or other approved termination of employment.

(v) *Designations.* For a Performance Award, the Committee shall, not later than 90 days after the beginning of each performance period, (A) designate all Participants for such performance period, (B) establish the objective performance goals for each Participant for that performance period on the basis of one or more of the criteria set forth in (i) above and (C) determine target Awards for each Participant.

(vi) *Certification.* Following the close of each performance period and prior to payment of any amount to a Participant with respect to a Performance Award, the Committee shall certify in writing as to the attainment of all goals (including the performance goals for a Participant) upon which any payments to a Participant for that performance period are to be based. Such certification shall be made in sufficient time to permit payment to be made by the fifteenth day of the third month following the end of the performance period.

(c) *Dividend Equivalents.* The Committee is hereby authorized to grant to Participants with respect to Restricted Stock, Restricted Stock Units, or Performance Awards payable in Shares, but not with respect to Options or Stock Appreciation Rights, Dividend Equivalents under which such Participants shall be entitled to receive payments (in cash, Shares, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee. Subject to the terms of the Plan and any applicable Award Agreement, such Dividend Equivalents may have such terms and conditions as the Committee shall determine. Dividend Equivalents shall be paid at the same

Table of Contents

time that dividends are paid to shareholders, unless the Award Agreement specifies that Dividend Equivalents with respect to Restricted Stock and Restricted Stock Units that have not yet vested shall be accumulated and paid as soon as practical after the underlying Award vests.

(f) *Vesting*. As part of making any Award, the Committee may determine the time and conditions under which the Award will vest. Vesting may, in the Committee's discretion, be based solely upon continued employment for a specified period of time, or may be based upon the achievement of specific performance goals which are established by the Committee in its discretion. For all purposes of this Plan, vesting of an Award shall mean (i) in the case of an Option or Stock Appreciation Right, the time at which the Participant has the right to exercise the Award; (ii) in the case of Restricted Stock, the end of the restriction period; (iii) in the case of a Restricted Stock Unit, the time at which a Participant is entitled to have the Restricted Stock Unit settled by transfer of the Shares, and (iv) in the case of a Performance Award the time at which the Participant has satisfied the requirements to receive payment of such Award.

(g) *General*

(i) *Consideration for Awards*. The consideration for Awards shall be services rendered or to be rendered to the Company, and for no cash consideration (or only such minimal cash consideration as may be required by applicable law) shall be required for the grant of Awards; provided that the foregoing shall not apply to the purchase price for Shares to be issued upon the exercise of an Option, Stock Appreciation Right, or other Award requiring payment (including foregoing receipt of cash compensation) for Shares.

(ii) *Awards May Be Granted Separately or Together*. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any Award granted under any Plan of the Company or any Affiliate other than the Plan. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with Awards granted under any such other Plan of the Company or any Affiliate, may be granted either at the same time as or at a different time from the grant of such other Award or Awards.

(iii) *Forms of Payments Under Awards*. Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, promissory notes, other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments. Notwithstanding the foregoing, if any Award, or portion of an Award (including any right to Dividend Equivalents), by its terms is or may be payable after the fifteenth day of the third month following the year in which the Participant's right to the Award is no longer subject to a substantial risk of forfeiture, as defined in Section 409A of the Code, the time and form of payment of the Award shall be specified in the Award Agreement, and shall not thereafter be subject to change unless the Committee determines that the change is permissible under Section 409A of the Code.

(iv) *Limits on Transfer of Awards*. No Award and no right under any such Award shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution; provided, however, that if so determined by the Committee, a Participant may, in the manner established by the Committee, (x) designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant, or (y) transfer an Award (other than an Incentive Stock Option) to any member of such Participant's immediate family (as such term is defined in Rule 16a-1(e) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or any successor rule or regulation) or to a trust whose beneficiaries are members of such Participant's immediate family. Each Award or right under any Award shall be exercisable during the Participant's lifetime only by the

Table of Contents

Participant, or by a member of such Participant's immediate family or a trust for members of such immediate family pursuant to a transfer as described above, or if permissible under applicable law, by the Participant's guardian or legal representative. No Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate. No Awards may be transferred for value.

(v) *Term of Awards.* The term of each Award shall be for such period, not longer than 10 years from the date of grant, as may be determined by the Committee.

(vi) *Restrictions; Securities Exchange Listing.* All certificates for Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations and other requirements of the Securities and Exchange Commission and any applicable federal or state securities laws, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions. If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

(vii) *Attestation.* Where the Plan or any applicable Award Agreement provides for or permits delivery of Shares by a Participant in payment with respect to any Award or grant under this Plan or for taxes, such payment may be made constructively through attestation in the discretion of and in accordance with rules established by the Committee.

(viii) *Sarbanes-Oxley Act.* The Committee shall not permit any Participant who is an executive officer or director of the Company to pay the exercise price for any Award, or any other amount owed to the Company, by a promissory note if such promissory note would constitute a personal loan prohibited by Section 13(k) of the Securities Exchange Act of 1934.

Section 7. Awards to Non-Employee Directors.

(a) *Eligibility for Awards.* Each Participant who is a member of the board of directors and is not an employee of the Company or any Affiliate of the Company (a Non-Employee Director) may receive grants of Non-Qualified Stock Options, Stock Appreciation Rights, Restricted Stock, or Restricted Stock Units, as described in Section 6. Awards to Non-Employee Directors shall be made annually, at the meeting of the board of directors that immediately follows each annual meeting of shareholders, and at such other times as the Committee shall determine. The number and type of Awards to Non-Employee Directors shall be determined by the Committee.

(b) *Stock and Deferral Plan.* Each Non-Employee Director shall be eligible to receive or elect to receive his or her fees for service on the Company's board of directors and the committees thereof in Shares or Restricted Stock Units and to defer the receipt of such Restricted Stock Units, all as described in the Deluxe Corporation Non-Employee Director Stock and Deferral Plan attached hereto as Annex I and hereby made a part hereof.

Section 8. Amendment and Termination; Adjustments.

Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan:

(a) *Amendments to the Plan.* The board of directors of the Company may amend, alter, suspend, discontinue or terminate the Plan; provided, however, that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the shareholders of the Company, no such amendment, alteration, suspension, discontinuation or termination shall be made that:

Table of Contents

- (i) would amend section 4(a), 4(b) or 4(d) of the Plan;
- (ii) would permit Options or Stock Appreciation Rights to be granted with an exercise price that is less than Fair Market Value on the date of grant;
- (iii) absent such approval, would violate the rules or regulations of the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc., that are applicable to the Company; or
- (iv) absent such approval, would cause the Company to be unable, under the Code, to grant Incentive Stock Options under the Plan.

The board of directors shall be entitled to delegate to the Committee the power to amend such terms of the Plan and for such purposes as the board of directors shall from time to time determine.

(b) *Waivers*. The Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively; provided that such waiver does not have the effect of amending an Award in a manner that would not be permitted by the Plan.

(c) *Limitations on Amendments*. Neither the Committee nor the Company may amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, without the consent of the Participant or holder or beneficiary thereof, except as otherwise provided herein or in the Award Agreement.

(d) *Correction of Defects, Omissions and Inconsistencies*. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

Section 9. Income Tax Withholding.

In order to comply with all applicable federal or state income tax laws or regulations, the Committee may establish such policy or policies as it deems appropriate with respect to such laws and regulations, including without limitation the establishment of policies to ensure that all applicable federal or state payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the federal and state taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the payment or transfer otherwise to be made upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (ii) delivering to the Company Shares or other property other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be on or before the date that the amount of tax to be withheld is determined.

Section 10. General Provisions.

(a) *No Rights to Awards*. No Eligible Person, Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons, Participants or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) *Award Agreements*. No Participant will have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly approved on behalf of the Company and, if requested by the Company, accepted by the Participant.

(c) *No Limit on Other Compensation Arrangements*. Nothing contained in the Plan shall

prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

(d) *No Right to Employment.* The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Affiliate, nor will it affect in any way the right of the Company or the Affiliate to terminate such employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.

(e) *Governing Law.* The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the laws of the State of Minnesota.

(f) *Severability.* If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to the Plan or such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(g) *No Trust or Fund Created.* Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other person. To the extent that any person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(h) *No Fractional Shares.* No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(i) *Headings.* Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

(j) *Other Benefits.* No compensation or benefit Awarded to or realized by any Participant under the Plan shall be included for the purpose of computing such Participant's compensation under any compensation-based retirement, disability, or similar Plan of the Company unless required by law or otherwise provided by such other Plan.

Section 11. Effective Date of the Plan.

The Plan shall be effective on the date on which it is approved by the shareholders of the Company.

Section 12. Term of the Plan.

Unless the Plan shall have been discontinued or terminated as provided in Section 8(a), the Plan shall terminate on December 31, 2018. No Award shall be granted after the termination of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond the termination of the Plan, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the board of directors of the Company to amend the Plan, shall extend beyond the termination of the Plan.

ANNEX I
DELUXE CORPORATION
NON-EMPLOYEE DIRECTOR STOCK AND DEFERRAL PLAN
(PLAN)

1. **Purpose of the Plan.** The purpose of the Deluxe Corporation Non-Employee Director Stock and Deferral Plan (the Plan) is to provide an opportunity for non-employee members of the Board of Directors (the Board) of Deluxe Corporation (Deluxe or the Company) to increase their ownership of Deluxe Common Stock, \$1.00 par value (Common Stock), and thereby align their interest in the long-term success of the Company with that of the other shareholders. This will be accomplished by allowing each participating director to elect voluntarily to receive all or a portion of his or her Fees (as hereinafter defined) in the form of shares of Common Stock and to allow each of them to defer the receipt of such shares until a later date pursuant to elections made by him or her under this Plan.

2. **Eligibility.** Directors of the Company who are not also officers or other employees of the Company or its subsidiaries are eligible to participate in this Plan (Eligible Directors).

3. **Administration.** This Plan will be administered by or under the direction of the Secretary of the Company (the Administrator). Since the issuance of shares of Common Stock pursuant to this Plan is based on elections made by Eligible Directors, the Administrator's duties under this Plan will be limited to matters of interpretation and administrative oversight. All questions of interpretation of this Plan will be determined by the Administrator, and each determination, interpretation or other action that the Administrator makes or takes pursuant to the provisions of this Plan will be conclusive and binding for all purposes and on all persons. The Administrator will not be liable for any action or determination made in good faith with respect to this Plan.

4. **Election to Receive Stock and Stock Issuance.**

4.1. **Election to Receive Stock in Lieu of Cash.** On forms provided by the Company and approved by the Administrator, each Eligible Director may irrevocably elect (Stock Election) to receive, in lieu of cash, shares of Common Stock having a Fair Market Value, as defined in Section 4.6, equal to any specified percentage of the cash compensation payable to that director for services rendered as a director (including all Board and committee retainers, meeting fees and extraordinary service fees, the Fees). All Eligible Directors who have made such a Stock Election to receive shares of Common Stock with respect to any specified percentage of such Fees shall be deemed to be a participating director under this Plan (Participating Director) to at least such extent. To be effective, any Stock Election must be filed with the Company (the date of such filing being the date of such election) no later than December 31 of the year preceding the year to which such Stock Election shall apply and shall apply only with respect to services as a director provided for the period of January 1 through December 31 of the following year (Plan Year); provided, however, that an Eligible Director whose initial election to the Board of Directors occurs during the Plan Year, shall have 30 days following such election to make a Stock Election, which shall apply only with respect to services as a director provided following the filing of such Stock Election with the Company during the then current Plan Year, as specified in the Stock Election. Any Stock Election made in accordance with the provisions of this Section 4.1 shall be irrevocable for the period to which such election applies.

4.2. **Issuance of Stock in Lieu of Cash.** Shares of Deluxe Common Stock having a Fair Market Value equal to the amount of the Fees so elected shall (i) be issued to each Participating Director or (ii) at the Participating Director's election pursuant to Section 4.3, be credited to such director's account (a Deferred Stock Account), on March 15, June 15, September 15 and December 15 for the calendar quarter ending on the last day of each such month (each such payment date, a Payment Date). The Company shall not issue fractional shares. Whenever, under the terms of this Plan, a fractional share would be required to be issued, the Company will round the number of shares (up or down) to the nearest integer. In the event that a Participating Director elects to receive less than 100% of each quarterly installment of the Fees in shares of Common Stock (or Stock Units as defined and provided in Section 4.4), that Participating Director shall receive the balance of the quarterly installment in cash.

4.3. Manner of Making Deferral Election. A Participating Director may elect to defer payment of the Fees otherwise payable in shares of Common Stock pursuant to this Plan by filing (the date of such filing being the date of such election), no later than December 31 of each year with respect to payments in the ensuing Plan Year, an irrevocable election with the Administrator on a form (the Deferral Election Form) provided by the Administrator for that purpose (Deferral Election); provided, however, that an Eligible Director whose initial election to the Board of Directors occurs during the Plan Year, shall have 30 days following such election to make a Deferral Election, which shall apply only with respect to services as a director provided following the filing of such Deferral Election with the Company during the then current Plan Year, as specified in the Deferral Election. Any portion of the Fees to be paid in cash may not be deferred pursuant to the Plan. Failure to timely file a Deferral Election shall conclusively be deemed to mean that no election to defer has been made for the applicable period. The Deferral Election shall be effective for the Fees payable (i) during the ensuing Plan Year with respect to elections made on or before December 31 of each year as aforesaid and (ii) for the portion of the Plan Year after the date the Deferral Election is made or the ensuing Plan Year as specified in the Deferral Election with respect to Deferral Elections made by new directors. Any Deferral Election made in accordance with the provisions of this Section shall be irrevocable for the period to which such election applies. The Deferral Election form shall specify the amount to be deferred expressed as a percentage of the Participating Director s Fees.

4.4. Credits to Deferred Stock Account for Elective Deferrals. On each Payment Date, a Participating Director who has made a then effective Deferral Election shall receive a credit in the form of restricted stock units (Stock Units) to his or her Deferred Stock Account. Each Stock Unit shall represent the right to receive one share of Common Stock. The number of Stock Units credited to a Participating Director s Deferred Stock Account shall be determined by dividing an amount equal to the Participating Director s Fees payable on the Payment Date for the current calendar quarter and specified for deferral pursuant to Section 4.3, by the Fair Market Value of a share of Common Stock on such Payment Date. If that computation would result in a fractional Stock Unit being credited to a Participating Director s Deferred Stock Account, the Company will round the number of Stock Units so credited (up or down) to the nearest integer.

4.5. Dividend Equivalent Payments. Each time a dividend is paid on the Common Stock, the Participating Director who has a Deferred Stock Account shall receive a dividend equivalent payment on the dividend payment date equal to the amount of the dividend payable on a single share of Common Stock multiplied by the number of Stock Units credited to the Participating Director s Deferred Stock Account on the dividend record date.

4.6. Fair Market Value. The Fair Market Value of each share of Common Stock shall be equal to the closing price of one share of Common Stock on the New York Stock Exchange (NYSE) on the relevant date as reported by the *Wall Street Journal, Midwest Edition* (or, if such publication is no longer available, such other authoritative source as may be designated by the Committee); provided that if, on such date, the NYSE is not open for business or there are no shares of Common Stock traded on such date, the Fair Market Value of a share of Common Stock shall be equal to the closing price of one share of Common Stock on the first day preceding such date on which the NYSE is open for business and has reported trades in the Common Stock.

4.7. Separation from Service as a Director. If a Participating Director leaves the Board before the conclusion of any quarter of a Fiscal Year, he or she will be paid the quarterly installment of the Fees entirely in cash or Common Stock on the applicable Payment Date in accordance with such Participating Director s then effective Stock Election or an amount shall be deferred in accordance with a Deferral Election on file with the Company. The date of separation of a Participating Director s service as a director of the Company will be deemed to be the date of separation from service recorded on the personnel or other records of the Company; provided that there is no understanding or expectation that the Participating Director will continue or resume providing services for the Company, or any entity that would be aggregated with the Company pursuant to Section 414(b) or (c) of the Internal Revenue Code (determined without reducing the 80% ownership requirement to 50%).

5. Shares Available for Issuance. This Plan constitutes part of the Deluxe Corporation 2008 Stock Incentive Plan, as amended from time to time (the "SIP"), and is subject to the terms and conditions of the SIP. Any shares of Common Stock issued under this Plan shall be issued pursuant to the terms and conditions of the SIP, and any such shares so issued shall be subject to the limits set forth in the SIP, including, without limiting the generality of the foregoing, the limits contained in Section 4(a) of the SIP.

6. Deferral Payment

6.1. Deferral Payment Election. At the time of making the Deferral Election and as a part thereof, each Participating Director shall make and file with the Company, a deferral payment election on the Deferral Election Form specifying one of the payment options described in Section 6.2. If a Participating Director fails to make a deferral payment election at the time any Deferral Election is made in accordance with this Plan, the Participating Director shall conclusively be deemed to have elected to receive the Common Stock represented by the Stock Units earned during the period covered by the Deferral Election in a lump sum payment at the time of the Participating Director's separation from service on the Board as provided in Section 6.2. Except as otherwise provided in Section 6.2, the deferral payment election shall be irrevocable as to all amounts credited to the Participating Director's Deferred Stock Account during the period covered by the relevant Deferral Election.

6.2. Payment of Deferred Stock Accounts in a Lump Sum. Except as otherwise provided in Section 12 with respect to a Change of Control, Stock Units credited to a Participating Director's Deferred Stock Account shall be converted to an equal number of shares of Common Stock and issued in full to the Participating Director on the earlier of the tenth anniversary of February 1 of the year following the Participating Director's separation from service on the Board (or the first business day thereafter) or such other date as elected by the Participating Director by making a deferral payment election in accordance with the provisions of Section 6.1. All payments shall be made in whole shares of Common Stock (rounded as necessary to the nearest integer). A Participating Director may change the date upon which he has elected to have his Deferred Stock Account distributed by filing a new deferral payment election, provided that such new deferral payment election is received by the Administrator at least one year prior to the Participating Director's separation from service (and, if the separation from service occurs within one year after the new deferral payment election is filed, it shall be null and void), that the new payment date is not less than five years later than the original payment date, and that the change meets any other requirements imposed by the Administrator in order to comply with Section 409A of the Internal Revenue Code.

6.3. Payment to Estate. In the event that a Participating Director shall die before full distribution of his or her Deferred Stock Account, any shares that issue therefrom shall be issued to such Director's estate or beneficiaries, as the case may be, as soon as practical after the date of the Participating Director's death.

7. Holding Period. All shares of Common Stock issued under this Plan, including shares that are issued as a result of distributions of a Participating Director's Deferred Stock Account, shall be held by the Participating Director receiving such shares for a minimum period of six months from the date of issuance or such longer period as may be required for compliance with Rule 16b-3, as amended or any successor rule ("Rule 16b-3"), promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Administrator may, in his or her discretion, require that shares of Common Stock issued pursuant to this Plan contain a suitable legend restricting trading in such shares during such holding period.

8. Limitation on Rights of Eligible and Participating Directors.

8.1. Service as a Director. Nothing in this Plan will interfere with or limit in any way the right of the Company's Board or its shareholders not to nominate for re-election, elect or remove an Eligible or Participating Director from the Board. Neither this Plan nor any action taken pursuant to it will constitute or be evidence of any agreement or understanding, express or implied, that the Company or its Board or shareholders have retained or will retain an Eligible or Participating Director for any period of time or at any particular rate of compensation.

8.2. Nonexclusivity of the Plan. Nothing contained in this Plan is intended to affect, modify or rescind any of the Company's existing compensation plans or programs or to create any limitations on the power of the Company's officers or Board to modify or adopt compensation arrangements as they or it may from time to time deem necessary or desirable.

9. Plan Amendment, Modification and Termination. The Board may suspend or terminate this Plan at any time. The Board may amend this Plan from time to time in such respects as the Board may deem advisable in order that this Plan will conform to any change in applicable laws or regulations or in any other respect that the Board may deem to be in the Company's best interests; provided, however, that no amendments to this Plan will be effective without approval of the Company's shareholders, if shareholder approval of the amendment is then required to exempt issuance or crediting of shares of Common Stock or Stock Units from Section 16 of the Exchange Act under Rule 16b-3, or pursuant to the rules of the New York Stock Exchange. The amendment or termination of the Plan shall not affect Deferral Elections made for the Plan Year in which the amendment or termination occurs, and all Deferred Stock Accounts shall continue to be held and distributed in accordance with existing Deferral Elections, unless the Board, in connection with a Plan termination, also amends the Plan to provide for the distribution of all Deferred Stock Accounts to the extent permitted by Section 409A of the Internal Revenue Code.

10. Effective Date and Duration of the Plan. This Plan shall become effective on the date on which the SIP is approved by the shareholders of the Company and shall continue, unless terminated by action of the Board, until the expiration or termination of the SIP, provided that the expiration or termination of this Plan shall not affect any rights of Participating Directors with respect to their Deferral Accounts which shall continue to be governed by the provisions of this Plan until the final distribution of all Deferral Accounts established under this Plan.

11. Participants are General Creditors of the Company. The Participating Directors and beneficiaries thereof shall be general, unsecured creditors of the Company with respect to any payments to be made pursuant to this Plan and shall not have any preferred interest by way of trust, escrow, lien or otherwise in any specific assets of the Company. If the Company shall, in fact, elect to set aside monies or other assets to meet its obligations hereunder (there being no obligation to do so), whether in a grantor's trust or otherwise, the same shall, nevertheless, be regarded as a part of the general assets of the Company subject to the claims of its general creditors, and neither any Participating Director nor any beneficiary thereof shall have a legal, beneficial or security interest therein.

12. Change of Control. A Change of Control shall be deemed to have occurred upon the completion of any transaction or series of transactions that results in a change in control event as defined in Section 409A of the Internal Revenue Code and the regulations thereunder. In the event of the occurrence of a Change of Control, then, notwithstanding any contrary deferral payment election, the Stock Units credited to a Participating Director's Deferred Stock Account as of the business day immediately prior to the effective date of the Change of Control shall be converted to an equal number of shares of Common Stock (rounded as necessary to the nearest integer), or, if as a result of the Change of Control Common Stock is converted into stock or securities of another entity, or other property (including cash), then the Stock Units shall be converted into the number of shares, or amount of property, into which such number of whole shares of Common Stock would be converted. Such whole number of shares of Common Stock shall be issued, or such other securities or property shall be distributed, to the Participating Director as soon as practical following the effective date of the Change of Control.

13. Miscellaneous.

13.1. Securities Law and Other Restrictions. Notwithstanding any other provision of this Plan or any Stock Election or Deferral Election delivered pursuant to this Plan, the Company will not be required to issue any shares of Common Stock under this Plan and a Participating Director may not sell, assign, transfer or otherwise dispose of shares of Common Stock issued pursuant to this Plan, unless (a) there is in effect with respect to such shares a registration statement under the Securities Act of 1933, as amended (the Securities Act) and any applicable state securities laws or an exemption from such registration under the Securities Act and applicable state securities laws, and (b) there has been obtained

any other consent, approval or permit from any other regulatory body that the Administrator, in his or her sole discretion, deems necessary or advisable. The Company may condition such issuance, sale or transfer upon the receipt of any representations or agreements from the parties involved, and the placement of any legends on certificates representing shares of Common Stock, as may be deemed necessary or advisable by the Company, in order to comply with such securities law or other restriction.

13.2 Section 409A. The Plan shall be administered in accordance with Section 409A of the Internal Revenue Code, and the regulations promulgated thereunder. Without limiting the generality of the foregoing, in no event shall the Committee permit any change to the time or form of payment of any portion of a Participating Director's Deferred Stock Account (including the payment of any dividend equivalents) unless the Committee determines that such change is permitted by Section 409A.

13.3. Governing Law. The validity, construction, interpretation, administration and effect of this Plan and any rules, regulations and actions relating to this Plan will be governed by and construed exclusively in accordance with the laws of the State of Minnesota.
