On August 14, 2008, Visteon Corporation (the Company), Ford Motor Company (Ford) and Automotive Components Holdings, LLC (ACH) amended the following agreements:

The Escrow Agreement, dated as of October 1, 2005 (the Escrow Agreement), among Ford, the Company and Deutsche Bank Trust Company Americas, was amended to, among other things, provide that Ford will contribute an additional \$50 million into the escrow account, and to provide that such additional funds shall be available to the Company to fund restructuring and other qualifying costs, as defined within the Escrow Agreement, on a 100% basis.

The Reimbursement Agreement, dated as of October 1, 2005, between Ford and the Company, was amended and restated to, among other things, require Ford to reimburse the Company for certain severance expenses and other qualifying termination benefits, as defined in such agreement, relating to the termination of salaried employees who were leased to ACH. Previously, the amount required to be reimbursed by Ford was capped at \$150 million, of which the first \$50 million was to be funded in total by Ford and the remaining \$100 million was to be matched by the Company. Any unused portion of the \$150 million as of December 31, 2009 was to be deposited into the escrow account governed by the Escrow Agreement.

The Master Services Agreement, dated as of September 30, 2005, as amended, between the Company and ACH, was amended to, among other things, extend the term that Visteon will provide certain services to ACH, Ford and others from December 31, 2009 to January 1, 2011.

The Visteon Salaried Employee Lease Agreement, dated as of October 1, 2005, as amended, between the Company and ACH was amended to, among other things, extend the term that ACH may lease salaried employees of the Company from December 31, 2010 to December 31, 2014.

The Intellectual Property Contribution Agreement, dated as of October 1, 2005, as amended, among the Company, Visteon Global Technologies, Inc., Automotive Components Holdings, Inc. and ACH was amended to, among other things, to clarify the availability for use of certain patents, design tools and other proprietary information.
