Activision entered into an agreement and plan of merger (the "Merger Agreement") with Activision Publishing, Inc., Shaba Acquisition, Inc., Shaba Games LLC and the Selling Stockholders. The transaction contemplated by the Merger Agreement was consummated on March 26, 2002.

An aggregate amount of 206,895 shares of common stock, or approximately 21.05% of the total number of shares of Activision common stock issued in connection with the merger, have been deposited in an escrow account (the "Product Escrow Shares"). The Product Escrow Shares are subject to release from escrow and issuance to the Selling Stockholders upon fulfillment of certain software program delivery and ranking requirements and certain revenue requirements.

Prior to the acquisition of Shaba by Activision, Shaba was a party to various development agreements with Activision. Other than such contracts and the fact that the Selling Stockholders were members of Shaba, which became a wholly owned subsidiary of Activision on March 26, 2002 pursuant to the Merger Agreement, none of the Selling Stockholders listed above have had a material relationship with Activision within the past three years.
