CARNIVAL CORPORATION

PRE-CONDITIONAL CARNIVAL DLC PROPOSAL WITH PARTIAL SHARE OFFER

MICKY ARISON, THE CHAIRMAN AND CHIEF EXECUTIVE OF CARNIVAL, SAID:

"As a result of very constructive meetings with P&O Princess, we are thrilled to be in a position to offer a DLC structure to P&O Princess shareholders. Our DLC not only provides P&O Princess shareholders with the superior economic terms of our increased offer, but also enables them to retain their UK listed shares and to participate in the only dual listed company that will be included in both the FTSE 100 and the S&P 500. We value the DLC structure and the benefits it will provide both the shareholders of Carnival and P&O Princess. We are satisfied that we have developed a DLC structure which is effective from tax and legal points of view.

We intend to invite representatives of P&O Princess to join the Carnival board and believe there will be significant benefits in sharing the best practices of the two management teams across our combined enterprise. P&O Princess and Carnival shareholders can both participate in the future of a combined business, which will be one of the most exciting and dynamic in the leisure industry. We believe our DLC proposal provides a superior economic alternative for P&O Princess shareholders to the Royal Caribbean proposal. We therefore expect the P&O Princess board to withdraw its recommendation for the Royal Caribbean proposal and, in due course, recommend Carnival's DLC."

SUMMARY

- o Following negotiations with P&O Princess, the Carnival Board announces a pre-conditional proposal to enter into a DLC structure with P&O Princess. The combination of Carnival and P&O Princess will create a leading global vacation and leisure group.
- o Under the Carnival DLC Proposal, the Equalisation Ratio will be one Carnival Share for every 3.3289 P&O Princess Shares, which is equivalent to 0.3004 Carnival Shares for each P&O Princess Share, the same economic terms as those of Carnival's Increased Offer announced on 7 February 2002. The "look through" value of the Carnival DLC is 504 pence per P&O Princess Share and values the entire existing issued share capital of P&O Princess at approximately (pound)3.5 billion. Carnival Shareholders will hold approximately 74 per cent. and P&O Princess Shareholders will hold approximately 26 per cent. of the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

equity of the Carnival DLC.

- o The Carnival DLC Proposal includes the Partial Share Offer. The Partial Share Offer will enable P&O Princess Shareholders to exchange P&O Princess Shares for New Carnival Shares on the basis of 0.3004 New Carnival Shares for each P&O Princess Share up to, in aggregate, a maximum of 20 per cent. of P&O Princess' issued share capital.
- o Under the Carnival DLC, the boards of Carnival and P&O Princess will be identical and the Carnival DLC will be managed by a unified executive management team. Representatives of P&O Princess will be invited to join the Carnival Board. The DLC Documents between the two companies will align their economic interests and enable them to operate as a single economic enterprise.
- o The existing primary listings of Carnival on the NYSE and P&O Princess on the London Stock Exchange will be maintained and the existing full index participations of Carnival in the S&P 500 and of P&O Princess in the FTSE 100 are expected to be retained.
- o The Carnival DLC Proposal is subject to certain Pre-conditions set out below and to the Conditions set out in Appendix I. If the Pre-conditions are satisfied or waived, Carnival's Increased Offer will not be made except in circumstances described in paragraph 8 of the full text of this announcement.
- o Carnival expects that the earliest date on which P&O Princess would recommend the Carnival DLC is in early January 2003, and that completion would then occur during the first quarter of 2003.

CARNIVAL DLC PROPOSAL

- o The Carnival Board announces the terms of a pre-conditional proposal to enter into a DLC structure with P&O Princess. The Carnival DLC Proposal includes Carnival entering into the Implementation Agreement, the form of which has been negotiated with P&O Princess, under which, and subject to certain Conditions summarised in this announcement, the companies will agree to enter into agreements and modify their constitutional documents (the form of which have been negotiated with P&O Princess) in order to implement the Carnival DLC. Carnival is satisfied that the Carnival DLC is effective from tax and legal points of view.
- o Under the Carnival DLC, the Equalisation Ratio will be one Carnival Share for every 3.3289 P&O Princess Shares, which is equivalent to 0.3004 Carnival Shares for each P&O Princess Share, the same economic terms as those of Carnival's Increased Offer announced on 7 February 2002. On implementation of the Carnival DLC Proposal it is intended that the P&O Princess Shares will be reorganised such that one P&O Princess Share will be equivalent to one Carnival Share. Carnival Shareholders will hold approximately 74 per cent. and P&O Princess Shareholders will hold approximately 26 per cent. of the equity of the Carnival DLC.
- o The Carnival DLC Proposal includes the Partial Share Offer for up to 20 per cent. of the P&O Princess Shares. If the aggregate amount of elections under the Partial Share Offer exceeds 20 per cent. of P&O Princess' issued share capital when the Partial Share Offer is made, they will be scaled down.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

- o If the Partial Share Offer is taken up in full, approximately 79 per cent. of the equity of the Carnival DLC will be held by Carnival Shareholders (including approximately 5 per cent. held by those P&O Princess Shareholders who have elected for the Partial Share Offer) and approximately 21 per cent. by P&O Princess Shareholders who have retained their P&O Princess Shares. The Equalisation Ratio will not be affected by the level of the take-up of the Partial Share Offer.
- o The "look through" value per P&O Princess Share under the Carnival DLC, based on the closing price of \$26.00 per Carnival Share on 23 October 2002, is 504 pence. This represents:
 - o a premium of 59.1 per cent. to the closing middle-market price of 317 pence per P&O Princess Share on 19 November 2001, the last business day prior to the announcement of the Royal Caribbean Proposal; and
 - o a premium of 10.8 per cent. to the closing middle-market price of 455 pence per P&O Princess Share on 23 October 2002, the last business day prior to the date of this announcement.
- o Following completion of the Carnival DLC, it is intended that the regular dividend payments received by P&O Princess Shareholders will be consistent with Carnival's regular quarterly dividend. Had the Carnival DLC been in place for the last four quarters, the dividends received by P&O Princess Shareholders would have been approximately 5 per cent. higher.
- o Under the Carnival DLC, the boards of Carnival and P&O Princess will be identical, and the Carnival DLC will be managed by a unified executive management team. Representatives of P&O Princess will be invited to join the Carnival Board. The DLC Documents between the two companies will align their economic interests, allow them to pursue common interests and enable them to operate as a single economic enterprise.
- o Although they will be operated as a single economic enterprise, P&O Princess and Carnival will retain separate corporate identities and will maintain separate stock exchange listings. Carnival will continue to have a primary listing on the NYSE. P&O Princess will continue to have a primary listing on the London Stock Exchange and is expected to remain eligible for full participation in the FTSE series of indices, including the FTSE 100. Carnival is expected to retain its existing index participations, including its participation in the S&P 500.

PRE-CONDITIONS AND CONDITIONS TO THE CARNIVAL DLC PROPOSAL

The signing of the Implementation Agreement by Carnival relating to the Carnival DLC and the making of the Partial Share Offer are subject to the following Pre-conditions, which Carnival may waive at its discretion:

- o P&O Princess withdrawing its recommendation of the Royal Caribbean Proposal within 48 hours of this announcement and not subsequently reinstating such recommendation;
- o P&O Princess Shareholders not passing the resolutions to approve the Royal Caribbean Proposal or the Royal Caribbean Proposal being otherwise abandoned;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

- o P&O Princess having given a termination notice under Section 9.01 (c) of the Joint Venture Agreement or the Joint Venture Agreement having been terminated, at no cost (excluding the existing termination amount set out in the Implementation Agreement between P&O Princess and Royal Caribbean, dated as of 19 November 2001) under Section 9.01 (a); and
- o P&O Princess signing the Implementation Agreement with Carnival and recommending the Carnival DLC by no later than 10 January 2003.

In addition, the Panel has ruled that Carnival may not withdraw its Increased Offer unless holders of not less than 10 per cent. of P&O Princess Shares confidentially, and in terms acceptable to the Panel, confirm to the Panel that they would not intend to accept the Increased Offer if Carnival has confirmed to the Panel that such an offer would be made with a non-waivable 90 per cent. acceptance condition and a non-extendable first closing date and in circumstances where: (i) it would not be recommended by the P&O Princess Board; and (ii) if it were to lapse, Carnival would be obliged to proceed with the Carnival DLC Proposal. On the basis that such P&O Princess Shareholder confirmations are received, the Panel has accepted that if the Increased Offer were made in such circumstances, it could not become unconditional because the acceptance condition would not be satisfied and has therefore ruled that the Increased Offer may be withdrawn subject to reinstatement as set out in paragraph 8 of the full text of this announcement.

If the confirmations referred to above are not received by the Panel prior to 10 January 2003, the Carnival DLC Proposal will be withdrawn and Carnival will be obliged to proceed with its Increased Offer. The Carnival DLC Proposal may be withdrawn, and the Increased Offer may be reinstated, before, on or after 10 January 2003, in the circumstances set out in paragraph 8 below. Any reinstatement of the Increased Offer will allow Carnival the normal flexibility to reduce the 90 per cent. acceptance condition and to extend it beyond the first closing date.

The Carnival DLC Proposal will be subject to the Conditions set out in Appendix I.

BENEFITS OF THE PROPOSED COMBINATION OF CARNIVAL AND P&O PRINCESS

- o A combination of Carnival and P&O Princess will create a leading global vacation and leisure company with a wide portfolio of complementary brands, both by geography and product offering, and will include some of the best known and respected cruise brands globally. The combination will allow the Carnival DLC to offer a wider range of vacation choices for its customers and will enhance its ability to attract customers from land-based vacations to cruise vacations.
- o Under the Carnival DLC the economic interests and incentives of Carnival and P&O Princess will be aligned under a unified executive management team and identical boards. Carnival believes that there will be significant benefits in sharing the best practices of the management teams across the combined enterprise.
- o Carnival expects that the Carnival DLC will generate significant synergies to the benefit of both shareholders and customers. These savings are expected to come from the sharing of best practices to achieve efficiencies from, INTER ALIA, purchasing, marketing and also from rationalising support operations in locations served by both companies. Carnival and P&O Princess have not yet discussed synergies in detail and, accordingly, Carnival has not revised its previously

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

announced cost saving estimate of at least \$100 million on an annualised basis, in the first full financial year following completion of the transaction. Carnival has conducted an update of its analysis to reconfirm this estimate, further details of which are set out in Appendix III.

- o The Carnival DLC will benefit from the financial flexibility of a strong operating cash flow and modest leverage, resulting in a strong balance sheet and investment grade credit rating.

APPROVALS REQUIRED BY REGULATORY AUTHORITIES

- o Carnival, P&O Princess and their respective advisers have had detailed discussions with the Panel regarding the Carnival DLC Proposal. The Panel has consented to the making of this announcement. The Panel has confirmed that, on the basis of information currently available to it, following establishment of the proposed Carnival DLC, neither P&O Princess nor Carnival will be a company to which the Takeover Code applies. Certain of the protections which would apply to shareholders under the Takeover Code will be reflected in provisions in the DLC Documents.
- o Carnival and its advisers have had detailed discussions with the UKLA regarding the Carnival DLC Proposal. Carnival understands that P&O Princess has also had similar discussions with the UKLA. Based on these discussions, Carnival believes, that subject to normal document review, the UKLA will approve the issue by P&O Princess of the circular to P&O Princess Shareholders convening the P&O Princess EGM.
- o Carnival has received clearance from the EC and the FTC for the combination of its business with that of P&O Princess, pursuant to the Increased Offer. Carnival has been advised that the FTC clearance is also applicable to a combination accomplished pursuant to the Carnival DLC Proposal and, therefore, that Carnival is not required to undergo any further regulatory process in the US in relation to the Carnival DLC Proposal. Carnival may be required to submit to the EC a further filing for clearance of the combination pursuant to the Carnival DLC Proposal. Carnival has been advised that there is no reason why the EC's appraisal of the Carnival DLC Proposal would in any way differ from its appraisal of the Increased Offer. Accordingly, Carnival expects to receive a clearance decision from the EC during the first quarter of 2003.

SHAREHOLDER APPROVAL PROCESS AND TIMETABLE

- o Carnival expects that the earliest date on which P&O Princess would recommend the Carnival DLC is in early January 2003, and that completion would then occur during the first quarter of 2003.
- o The implementation of the Carnival DLC requires the approval of the shareholders of Carnival and of P&O Princess. Carnival expects that once the Pre-conditions have been satisfied or waived, appropriate documentation will be sent to both P&O Princess Shareholders and Carnival Shareholders, which will include further information on the proposed combination and which will seek their approval for the combination. The documents will also include a form enabling P&O Princess Shareholders to elect for Carnival Shares under the Partial Share Offer.
- o Micky Arison and certain entities related to the Arison family have entered into undertakings under which they will be required to cause shares representing approximately 45 per cent. of the voting rights in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

Carnival to vote in favour of the resolutions to implement the Carnival DLC at the requisite

Carnival shareholder meeting. Such undertakings are irrevocable except in circumstances where the Carnival DLC Proposal is withdrawn or lapses.

EXISTING INCREASED OFFER

- o Carnival has received consent from the Panel that it will no longer be obliged to, and will not, post its Increased Offer to P&O Princess Shareholders if the Pre-conditions to the Carnival DLC Proposal are satisfied or waived by 10 January 2003, except in specific circumstances that have been agreed with the Panel and which are set out in paragraph 8 of the full text of this announcement. Carnival will, however, be obliged to proceed with its Increased Offer if the Pre-conditions to the Carnival DLC Proposal are neither satisfied nor waived by 10 January 2003 or if the confirmations referred to above have not been received by the Panel prior to, 10 January 2003.

This summary should be read in conjunction with the full text of this announcement.

CARNIVAL CORPORATION

PRE-CONDITIONAL CARNIVAL DLC PROPOSAL WITH PARTIAL SHARE OFFER

1. INTRODUCTION

Following negotiations with P&O Princess, the Carnival Board announces the terms of a pre-conditional proposal to enter into a DLC structure with P&O Princess. The proposal includes Carnival entering into an Implementation Agreement, the form of which has been negotiated with P&O Princess, under which, and subject to certain Pre-conditions and Conditions described in this announcement, the companies will enter into agreements and modify their constitutional documents (the form of which has also been negotiated with P&O Princess) in order to implement the Carnival DLC Proposal. In addition, the Carnival DLC Proposal includes an option for P&O Princess Shareholders to exchange a proportion of their P&O Princess Shares for New Carnival Shares if the dual listed combination is completed. Carnival is satisfied that the Carnival DLC is effective from tax and legal points of view.

2. CARNIVAL DLC PROPOSAL

The Equalisation Ratio in the Carnival DLC will initially be one Carnival Share for every 3.3289 P&O Princess Shares, which is equivalent to 0.3004 Carnival Shares for each P&O Princess Share, the same economic terms as those of Carnival's Increased Offer announced on 7 February 2002. On implementation of the Carnival DLC, it is intended that the P&O Princess Shares will be reorganised such that one P&O Princess Share will be equivalent to one Carnival Share. Carnival Shareholders will hold approximately 74 per cent. of the equity of the Carnival DLC, and P&O Princess Shareholders will hold approximately 26 per cent. The Conditions of the Carnival DLC are set out in Part A of Appendix I.

The Carnival DLC Proposal includes the Partial Share Offer for up to 20 per cent. of the P&O Princess Shares. The Partial Share Offer enables P&O Princess Shareholders to elect to exchange P&O Princess Shares for New Carnival Shares on the basis of 0.3004 New Carnival Shares for each P&O Princess Share. P&O Princess Shareholders can elect to accept the Partial Share Offer in respect of all or a portion of their P&O Princess shareholdings. If the aggregate amount of elections under the Partial Share Offer exceeds 20 per cent. of P&O Princess' issued share capital when the Partial Share Offer is made, acceptances will be scaled down.

If the Partial Share Offer is taken up in full, approximately 79 per cent. of the equity of the Carnival DLC will be held by Carnival Shareholders (including approximately 5 per cent. held by those P&O Princess Shareholders who have elected for the Partial Share Offer) and approximately 21 per cent. by P&O Princess Shareholders who have retained their P&O Princess Shares. The Equalisation Ratio will not be affected by the level of the take-up of the Partial Share Offer.

The Partial Share Offer will be open for acceptance for at least 20 business days. The Partial Share Offer is conditional on, and will close on, implementation of the Carnival DLC, which is expected to be shortly after the P&O Princess EGM. The Carnival DLC and the Partial Share Offer are inter-conditional.

P&O Princess Shares acquired under the Partial Share Offer will be acquired free

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

from all liens, charges and encumbrances and with all rights attached thereto. P&O Princess Shareholders will be entitled to retain all dividends paid or payable on such P&O Princess Shares in respect of the period from the date of this announcement until the date the Partial Share Offer becomes wholly unconditional.

The New Carnival Shares will be issued credited as fully paid and will rank pari passu in all respects with the existing Carnival Shares. Fractions of New Carnival Shares will not be issued.

Further information on the Partial Share Offer is set out in paragraph 9 below. The Conditions of the Partial Share Offer are set out in Part B of Appendix I.

The "look through" value per P&O Princess Share under the Carnival DLC, based on the closing price of \$26.00 per Carnival Share on 23 October 2002, is 504 pence. This represents:

- o a premium of 59.1 per cent. to the closing middle-market price of 317 pence per P&O Princess Share on 19 November 2001, the last business day prior to the announcement of the Royal Caribbean Proposal; and
- o a premium of 10.8 per cent. to the closing middle-market price of 455 pence per P&O Princess Share on 23 October 2002, the last business day prior to the date of this announcement.

The signing of the Implementation Agreement by Carnival relating to the Carnival DLC and the making of the Partial Share Offer are subject to the following Pre-conditions, which Carnival may waive at its discretion:

- o P&O Princess withdrawing its recommendation of the Royal Caribbean Proposal within 48 hours of this announcement and not subsequently reinstating such recommendation;
- o P&O Princess Shareholders not passing the resolutions to approve the Royal Caribbean Proposal or the Royal Caribbean Proposal being otherwise abandoned;
- o P&O Princess having given a termination notice under Section 9.01 (c) of the Joint Venture Agreement or the Joint Venture Agreement having been terminated, at no cost (excluding the existing termination amount set out in the Implementation Agreement between P&O Princess and Royal Caribbean, dated as of 19 November 2001) under Section 9.01 (a); and
- o P&O Princess signing the Implementation Agreement with Carnival and recommending the Carnival DLC by no later than 10 January 2003.

In addition, the Panel has ruled that Carnival may not withdraw its Increased Offer unless holders of not less than 10 per cent. of P&O Princess Shares confidentially, and in terms acceptable to the Panel, confirm to the Panel, that they would not intend to accept the Increased Offer if Carnival has confirmed to the Panel that such an offer would be made with a non-waivable 90 per cent. acceptance condition and a non-extendable first closing date and in circumstances where: (i) it would not be recommended by the P&O Princess Board; and (ii) if it were to lapse, Carnival would be obliged to proceed with the Carnival DLC Proposal. On the basis that such P&O Princess Shareholder confirmations are received, the Panel has accepted that if the Increased Offer were made in such circumstances, it could not become unconditional because the acceptance condition would not be satisfied and has therefore ruled that the Increased Offer may be withdrawn subject to reinstatement as set out in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

paragraph 8 below.

If the confirmations referred to above are not received by the Panel prior to 10 January 2003, the Carnival DLC Proposal will be withdrawn and Carnival will be obliged to proceed with its Increased Offer. The Carnival DLC Proposal may be withdrawn, and the Increased Offer may be reinstated, before, on or after 10 January 2003, in the circumstances set out in paragraph 8 below. Any reinstatement of the Increased Offer will allow Carnival the normal flexibility to reduce the 90 per cent. acceptance condition and to extend it beyond the first closing date.

The Carnival DLC Proposal will be subject to the Conditions set out in Appendix I.

3. KEY FEATURES OF THE PROPOSED CARNIVAL DLC

3.1 SEPARATE ENTITIES AND LISTINGS

The companies' economic interests and incentives will be aligned and they will pursue common interests with identical boards and a unified executive management team. Through the Carnival DLC, Carnival and P&O Princess will be managed and operated as a single economic enterprise.

Although they will be operated as a single economic enterprise, P&O Princess and Carnival will remain separate corporations and will maintain separate stock exchange listings. Carnival will continue to have a primary listing on the NYSE. P&O Princess will continue to have a primary listing on the London Stock Exchange and is expected to remain eligible for full participation in the FTSE series of indices, including the FTSE 100. Carnival is expected to retain its existing index participations, including its participation in the S&P 500.

3.2 NO TRANSFER OF ASSETS

The implementation of the Carnival DLC Proposal will not involve any transfer of assets between the Carnival Group and the P&O Princess Group. After implementation of the Carnival DLC, management of the Carnival DLC will determine whether assets will be owned by Carnival or P&O Princess as is most efficient and appropriate under the then prevailing circumstances. The Carnival DLC will comprise all of the assets held by P&O Princess and Carnival immediately prior to the implementation of the Carnival DLC.

3.3 RIGHTS OF CARNIVAL SHAREHOLDERS AND P&O PRINCESS SHAREHOLDERS

Carnival Shareholders will continue to hold their shares in Carnival. P&O Princess Shareholders will continue to hold their shares in P&O Princess and/or may acquire shares in Carnival under the Partial Share Offer. P&O Princess Shareholders will continue to receive dividends from P&O Princess, and Carnival Shareholders will continue to receive dividends from Carnival. However, the economic and voting interests of Carnival Shareholders and P&O Princess Shareholders will effectively be in the Carnival DLC as a whole as a result of the arrangements described in this announcement.

3.4 COMMON ECONOMIC INTERESTS

Agreements between Carnival and P&O Princess will align the economic interests of the two companies to ensure that they will be operated as a single economic enterprise under a DLC structure. Carnival Shareholders and P&O Princess Shareholders will have equalised rights to income and capital distributions from the Carnival DLC. The economic interests represented by an individual share in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

one company relative to the economic interests of an individual share in the other company will be determined by reference to the Equalisation Ratio. The Equalisation Ratio will initially be one Carnival Share for every 3.3289 P&O Princess Shares. However, on implementation of the Carnival DLC, it is intended that there will be a reorganisation of P&O Princess Shares such that the Equalisation Ratio will become one Carnival Share for each P&O Princess Share. This reorganisation is intended to ease the comparison between P&O Princess and Carnival Shares following completion and does not affect the economic terms of the Carnival DLC. Accordingly, one Carnival Share will have rights to income and capital equivalent to that of one P&O Princess Share. There will be consequential adjustments to the P&O Princess ADSs.

If one company has insufficient profits or is otherwise unable to pay a dividend, Carnival and P&O Princess will, as far as practicable, enter into such balancing transactions as are necessary to enable both companies to pay dividends in accordance with the Equalisation Ratio. This may take the form of a payment from one company to the other or a dividend payment on an equalisation share.

Dividends will be equalised according to the Equalisation Ratio (and any balancing transactions between the companies will be determined and made) before deduction of any amounts in respect of the tax required to be deducted or withheld and excluding the amounts of any tax credits or other tax benefits. In recent quarters, Carnival has paid quarterly dividends of 10.5 cents per Carnival Share, which, based on the Equalisation Ratio, equates to approximately 3.15 cents per P&O Princess Share. In recent quarters, P&O Princess has paid quarterly dividends of 3.0 cents per P&O Princess Share. Following completion of the Carnival DLC it is intended that dividends received by P&O Princess Shareholders will be made to be consistent with Carnival's regular quarterly dividend. Accordingly, had the Carnival DLC been in place for the last four quarters, the dividends received by P&O Princess Shareholders would have been approximately 5 per cent. higher.

P&O Princess Shareholders will continue to have the option to elect to receive dividends in US dollars or pounds sterling in accordance with P&O Princess' existing procedures.

There will be no interruption to the entitlement of quarterly dividends for shareholders of either company as a result of the Carnival DLC Proposal.

3.5 UNIFIED BOARD AND MANAGEMENT

Carnival and P&O Princess will be operated and managed as a single economic enterprise. As Carnival and P&O Princess will remain separate corporate entities, each will continue to have its own board of directors, but the boards and senior executive management of each company will comprise the same people. Micky Arison will be the Chairman and Chief Executive Officer and Howard S. Frank will be the Chief Operating Officer of both companies in the Carnival DLC. The headquarters of the Carnival DLC will be in Miami, with a significant corporate office in the UK. In addition to their duties to the relevant company, in managing the Carnival DLC, the directors will have regard to the interests of both Carnival and P&O Princess.

Resolutions relating to the appointment, removal and re-election of directors after completion will be considered as a joint electorate action and voted upon by the shareholders of each company effectively voting together as a single decision making body. Representatives of P&O Princess will be invited to join the Carnival Board.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

Carnival and P&O Princess comply with, and the Carnival DLC will comply with, the applicable corporate governance requirements of the Sarbanes-Oxley Act of 2002 and of the rules of the NYSE, which contain corporate governance provisions substantially comparable to those of the Combined Code of the UKLA.

3.6 VOTING ARRANGEMENTS

Under the terms of the DLC Documents, the Carnival articles of incorporation and by-laws and the P&O Princess memorandum and articles of association will be amended to provide for special voting arrangements to be implemented so that in most cases the shareholders of both companies effectively vote together as a single decision-making body on matters requiring the approval of shareholders of either company. The voting interests represented by an individual share in one company relative to the voting interests of an individual share in the other company will be determined by reference to the Equalisation Ratio. Accordingly, after the reorganisation of P&O Princess Shares following the completion of the Carnival DLC, one Carnival Share will have voting rights equivalent to those of one P&O Princess Share. Certain provisions designed to preserve the structure of the Carnival DLC will be subject to the separate approvals of both P&O Princess Shareholders and Carnival Shareholders, further details of which are set out in Appendix II.

These voting arrangements are proposed to be implemented by entrenching them in the constitutional documents of the two companies and through the Equalisation and Governance Agreement and rights attaching to a specially created Special Voting Share to be issued by each company.

Under the Articles of P&O Princess, P&O Princess Shares held by Carnival will have no voting rights at any general meeting of P&O Princess unless the total holding of P&O Princess Shares by Carnival equals or exceeds 90 per cent. of the P&O Princess Shares then in issue.

3.7 CROSS GUARANTEES

Upon completion of the Carnival DLC, P&O Princess and Carnival will each execute a Deed Poll Guarantee for the purpose of guaranteeing contractual monetary amounts owed by the other company which are incurred on or after the implementation of the Carnival DLC. Future creditors of Carnival and P&O Princess entitled to the benefit of the Deed Poll Guarantees will, to the extent possible, be placed in the same position as if the relevant debts were also owed by the other company.

3.8 RESTRICTIONS ON TAKEOVERS

The Panel has confirmed that, on the basis of information currently available to it, following establishment of the proposed Carnival DLC, neither P&O Princess nor Carnival will be a company to which the Takeover Code applies. The Takeover Code provides a number of protections for shareholders, particularly in relation to mandatory offers where a person or group of persons acting in concert acquires in excess of 30 per cent. of the voting rights of a company.

Provisions are intended to be inserted in the constitutional documents of Carnival and P&O Princess which would apply to any person, or group of persons acting in concert, that acquires shares in the Carnival DLC which would trigger a mandatory offer obligation as if the Takeover Code applied to the Carnival DLC on a combined basis. To the extent that the resulting shareholding exceeds one of the limits in Rule 9 of the Takeover Code, such shares would be disenfranchised unless an offer for all shares in the Carnival DLC at a price equivalent to that applicable to the acquisition has been made. A Buy-back will

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

not trigger these provisions. There are certain exceptions to these provisions in the case of the Arison family and certain related entities which together will hold approximately 35 per cent. of the equity of the Carnival DLC. Under the DLC Documents, the Arison family and certain related entities can acquire shares in the Carnival DLC without triggering these provisions provided that, as a result, their aggregate holdings do not increase by more than one per cent. of the voting power of the Carnival DLC in any period of 12 consecutive months, subject to their combined holdings not exceeding 40 per cent. of the voting power of the Carnival DLC. However, these parties may acquire additional shares or voting power without being subject to these restrictions if they comply with the offer requirement described above.

3.9 BUY-BACKS OF CARNIVAL DLC SHARES

Each of Carnival and P&O Princess may purchase shares in the other and P&O Princess may acquire its own shares, or reduce its issued share capital, subject to the provisions of the Companies Act 1985. Carnival may also purchase Carnival Shares. Under the terms of the DLC Documents, no Buy-backs of P&O Princess Shares shall be made in the two year period following the date on which the Carnival DLC is implemented. After expiration of the initial two year period, for each of the next three years no Buy-backs of P&O Princess Shares shall be made in excess of 5 per cent. per year of the issued P&O Princess Shares (calculated as at the first day in such annual period). Thereafter, there shall be no restriction on the number of P&O Princess Shares which may be the subject of a Buy-back. These restrictions may be varied by a Class Rights Action as described in Appendix II. There will be no restrictions in the DLC Documents on the number of Carnival Shares which may be the subject of Buy-backs.

3.10 TERMINATION AMOUNT

The Implementation Agreement will include a provision for a termination amount equal to 1 per cent. of P&O Princess' market capitalisation (on the date the Implementation Agreement is executed) to be paid by Carnival or P&O Princess in certain circumstances. Further details are set out in Appendix II.

4. BENEFITS OF THE PROPOSED COMBINATION OF CARNIVAL AND P&O PRINCESS

A combination of Carnival and P&O Princess will create a leading global vacation and leisure company with a wide portfolio of complementary brands, both by geography and product offering, and will include some of the best known and respected cruise brands globally. This will allow the Carnival DLC to offer a wider range of vacation choices for its customers and will enhance its ability to attract customers from land-based vacations to cruise vacations.

Under the Carnival DLC the economic interests and incentives of Carnival and P&O Princess will be aligned under a unified executive management team and identical boards. Carnival believes that there will be significant benefits in sharing the best practices of the two management teams across the combined enterprise.

Carnival expects that the Carnival DLC will generate significant synergies to the benefit of both shareholders and customers. These savings are expected to come from the sharing of best practices to achieve efficiencies from, INTER ALIA, purchasing, marketing and also from rationalising support operations in locations served by both companies. Carnival and P&O Princess have not yet discussed synergies in detail and, accordingly, Carnival has not revised its previously announced cost saving estimate of at least \$100 million on an annualised basis, in the first full financial year following completion of the transaction. Carnival has conducted an update of its analysis to reconfirm this estimate, further details of which are set out in Appendix III.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

The Carnival DLC will benefit from the financial flexibility of a strong operating cash flow and modest leverage, resulting in a strong balance sheet and investment grade credit rating.

5. EMPLOYEES

The combination of Carnival and P&O Princess will offer employees exciting career prospects. Employees of the Carnival DLC will benefit from a larger operating platform and a business of greater international size and scope. Carnival confirms that the existing employment rights, including pension rights, of P&O Princess employees will be fully safeguarded. Carnival does not expect that there will be significant redundancies arising from the implementation of the Carnival DLC Proposal.

6. APPROVALS REQUIRED BY REGULATORY AUTHORITIES

Carnival, P&O Princess and their respective advisers have had detailed discussions with the Panel regarding the Carnival DLC Proposal. The Panel has consented to the making of this announcement. The Panel has confirmed that, on the basis of information currently available to it, following establishment of the proposed Carnival DLC, neither P&O Princess nor Carnival will be companies to which the Takeover Code applies. Certain of the protections which would apply to shareholders under the Takeover Code will be reflected in provisions in the DLC Documents, further details of which are contained in paragraph 3.8 above.

Carnival and its advisers have had detailed discussions with the UKLA regarding the Carnival DLC Proposal. Carnival understands that P&O Princess has also had similar discussions with the UKLA. Based on these discussions, Carnival believes that, subject to normal document review, the UKLA will approve the issue by P&O Princess of the circular to P&O Princess Shareholders convening the P&O Princess EGM.

Carnival has received clearance from the EC and the FTC for the combination of its business with that of P&O Princess, pursuant to the Increased Offer. Carnival has been advised that the FTC clearance is also applicable to a combination accomplished pursuant to the Carnival DLC Proposal and, therefore, that Carnival is not required to undergo any further regulatory process in the US in relation to the Carnival DLC Proposal. Carnival may be required to submit to the EC a further filing for clearance of the combination pursuant to the Carnival DLC Proposal. Carnival has been advised that there is no reason why the EC's appraisal of the Carnival DLC Proposal would in any way differ from its appraisal of the Increased Offer. Accordingly, Carnival expects to receive a clearance decision from the EC during the first quarter of 2003.

7. SHAREHOLDER APPROVAL PROCESS AND TIMETABLE

Carnival expects that the earliest date on which P&O Princess would recommend the Carnival DLC is in early January 2003, and that completion would then occur during the first quarter of 2003.

The implementation of the Carnival DLC requires the approval of the shareholders of Carnival and of P&O Princess. Carnival expects that once the Pre-conditions have been satisfied or waived, appropriate documentation will be sent to both P&O Princess Shareholders and Carnival Shareholders, which will include further information on the proposed combination and which will seek their approval for the combination. The documents will also include a form enabling P&O Princess Shareholders to elect for Carnival Shares under the Partial Share Offer.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

Micky Arison and certain entities related to the Arison family have entered into undertakings under which they will be required to cause shares representing approximately 45 per cent. of the voting rights in Carnival to vote in favour of the resolutions required to implement the Carnival DLC at the requisite Carnival shareholder meeting. Such undertakings are irrevocable except in circumstances where the Carnival DLC proposal is withdrawn or lapses.

8. EXISTING INCREASED OFFER

Carnival has received consent from the Panel that it will no longer be obliged to, and will not, post its Increased Offer to P&O Princess Shareholders if the Pre-conditions to the Carnival DLC Proposal are satisfied or waived by 10 January 2003. Carnival will, however, be obliged to proceed with its Increased Offer if the Pre-conditions to the Carnival DLC Proposal are neither satisfied nor waived by 10 January 2003 or if the confirmations from P&O Princess Shareholders referred to in paragraph 2 have not been received by the Panel prior to 10 January 2003.

In addition, Carnival will be entitled to withdraw the Carnival DLC Proposal if prior to 10 January 2003 (i) a Competing Proposal is announced; (ii) the P&O Princess Board recommends a competing offer (including a DLC offer); or (iii) the P&O Princess Board announces that it does not intend to recommend the Carnival DLC. If Carnival withdraws the Carnival DLC Proposal in any of the circumstances described above, Carnival will, and will be obliged to, proceed with its Increased Offer.

If the Pre-conditions are satisfied or waived by 10 January 2003, Carnival will enter into the Implementation Agreement, and will not be obliged to, and will not, proceed with the Increased Offer. However, if the Implementation Agreement is terminated thereafter, Carnival will proceed with the Increased Offer, unless the termination has been as a result of (i) P&O Princess Shareholders voting against the resolutions required to implement the Carnival DLC Proposal at an EGM of P&O Princess; or (ii) a condition of the Implementation Agreement being invoked which Carnival notifies the Panel it would invoke in relation to the conditions of the Increased Offer, such invocation requiring the consent of the Panel in accordance with Note 2 to Rule 13 of the Takeover Code. In particular, Carnival will proceed with its Increased Offer where the Implementation Agreement has been terminated by Carnival as a result of the P&O Princess Board withdrawing or adversely modifying its recommendation of the Carnival DLC or because a Competing Proposal is announced.

9. CONDITIONS OF THE PARTIAL SHARE OFFER

The conditions of the Partial Share Offer are set out in Part B of Appendix I. In particular, the Partial Share Offer is conditional upon completion of the Carnival DLC. A P&O Princess Shareholder will be able to elect for the Partial Share Offer, whether or not such shareholder has voted in favour of the resolutions to implement the Carnival DLC. Application will be made for the New Carnival Shares to be issued under the Partial Share Offer to be admitted to listing on the New York Stock Exchange.

10. INTERESTS IN P&O PRINCESS SHARES

Neither Carnival, nor any of the directors of Carnival, nor, so far as Carnival is aware, any other party acting in concert with Carnival, owns or controls any P&O Princess Shares or holds any option to purchase any

P&O Princess Shares or has entered into any derivatives referenced to P&O Princess Shares, except that Mr A. Kirk Lanterman, a director and executive

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

officer of Carnival, owns approximately 10,000 P&O Princess Shares.

11. OTHER

The establishment of the Carnival DLC Proposal is subject to the applicable provisions of the Takeover Code. In particular, in accordance with Rule 13 of the Takeover Code, neither Carnival nor P&O Princess may rely on a condition to the Implementation Agreement as a reason not to proceed with completion of the Carnival DLC, without prior consent from the Panel. Termination of the Implementation Agreement by Carnival on the grounds that a Competing Proposal has been announced will not be subject to the prior consent of the Panel.

Following implementation of the Carnival DLC it is intended to conform the financial year ends of both P&O Princess and Carnival.

Certain additional details relating to the structure of the Carnival DLC are set out in Appendix II. The definitions used in this announcement are contained in Appendix IV. The sources and bases of information used in this announcement are contained in Appendix V.

The Carnival DLC will be implemented by the DLC Documents being entered into or becoming effective. Copies of the negotiated form of the DLC Documents will be available as soon as practicable following this announcement on Carnival's website at www.carnivalcorp.com and at the website maintained by the SEC at www.sec.gov. In addition, copies may be inspected from the date of this announcement during usual business hours on any weekday at the offices of Herbert Smith, Exchange House, Primrose Street, London, EC2A 2HS.

This announcement does not constitute an offer or an invitation to acquire shares or securities.

SHAREHOLDER DISCLOSURE OBLIGATIONS

Any person who, alone or acting together with any other person(s) pursuant to an agreement or understanding (whether formal or informal) to acquire or control securities of P&O Princess or Carnival, owns or controls, or become the owner or controller, directly or indirectly of one per cent. or more of any class of securities of P&O Princess or Carnival is generally required under the provisions of Rule 8 of the City Code to disclose to a Regulated Information Service ("RIS") and the Panel of every dealing in such securities during the period from 16 December 2001, the date of the announcement of the original Offer, until the date of the P&O Princess EGM or, if the Increased Offer is made, until the first closing date of the Increased Offer (or, if later, the date on which the Increased Offer becomes, or is declared, unconditional as to acceptances or lapses). Dealings by Carnival or P&O Princess or by their respective "associates" (within the definitions set out in the City Code) in any class of securities of Carnival or P&O Princess must also be disclosed. These forward-looking statements, including those which may impact the forecasting of Carnival's net revenue yields, booking levels, pricing, occupancy or business prospects, involve known and unknown risks, uncertainties and other factors, which may cause Carnival's actual results, performances or achievements to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include, among others, the following: general economic and business conditions which may impact levels of disposable income of consumers and the net revenue yields for Carnival's cruise products; consumer demand for cruises and other vacation options; other vacation industry competition; effects on consumer demand of armed conflicts, political instability, terrorism, adverse media publicity and the availability of air service; shifts in consumer booking patterns; increases in vacation industry capacity, including cruise capacity; continued availability of attractive port destinations; changes in tax laws and regulations; changes and disruptions in equity, financial and insurance markets; Carnival's financial and contractual counterparties' ability to perform; Carnival's ability to implement its brand strategy; Carnival's ability to implement its shipbuilding

program and to continue to expand its business worldwide; Carnival's ability to attract and retain shipboard crew; changes in foreign currency and interest rates and increases in security, food, fuel, and insurance costs; delivery of new ships on schedule and at the contracted prices; weather patterns and natural disasters; unscheduled ship repairs and drydocking; incidents involving cruise ships; impact of pending or threatened litigation; Carnival's ability to implement successfully cost improvement plans; the continuing financial viability and/or consolidation of Carnival's travel agent distribution system; Carnival's ability to integrate successfully business acquisitions and changes in laws and regulations applicable to Carnival.

These risks may not be exhaustive. Carnival operates in a continually changing business environment, and new risks emerge from time to time. Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

APPENDIX II

CERTAIN TERMS OF THE CARNIVAL DLC PROPOSAL

1. Joint Electorate and Class Rights Actions

Under the terms of the DLC Documents, special voting arrangements will be implemented so that the shareholders of Carnival and P&O Princess will vote together as a single decision making body on Joint Electorate Actions which will be all matters submitted to a shareholder vote other than those designated as Class Rights Actions or resolutions on procedural or technical matters. The relative voting rights of the P&O Princess Shares and Carnival Shares will be determined by the Equalisation Ratio. Based on an Equalisation Ratio of 1:1, each Carnival Share will have the same voting rights as one P&O Princess Share on Joint Electorate Actions. Joint Electorate Actions will include (i) the appointment, removal or re-election of any director of Carnival or P&O Princess or both of them; (ii) if required by law, the receipt or adoption of the annual accounts of both companies; (iii) the appointment or removal or the auditors of either company; (iv) a change of name by P&O Princess or Carnival, or both of them; or (v) the implementation of a Mandatory Exchange described in section 2 below.

In the case of certain actions in relation to which the two bodies of shareholders may have divergent interests, to be known as Class Rights Actions, the company wishing to carry out the Class Rights Action would require the prior approval of shareholders in both companies each voting separately as a class. The matters which will require approval as a Class Rights Action will be (i) the voluntary liquidation, dissolution or winding up of either company for which shareholder approval is required, (other than as part of the liquidation of both companies at or around the same time provided that such liquidation is not for the purpose of reconstituting the business in one or more successor entities); (ii) the adjustment to the Equalisation Ratio, other than in accordance with the Equalisation and Governance Agreement; (iii) the sale, lease, exchange or other disposition of all or substantially all of the assets of either company other than a bona fide commercial transaction for valid business purposes and at fair market value and not as part of a proposal, the primary purpose of which is to collapse or unify the Carnival DLC structure; (iv) any amendment, removal or alteration of any of the provisions of P&O Princess' articles of association and Carnival's by-laws and articles which entrench certain core provisions of the Carnival DLC structure; (v) any amendment or termination of the principal agreements pursuant to which the Carnival DLC is implemented; (vi) any change to the tax related provisions of the Carnival articles that would be likely to trigger a Mandatory Exchange as described in 2 below; and (vii) anything which the boards of both companies agree should be approved as a Class Rights Action.

These voting arrangements will be implemented by embedding them in the DLC Documents and through the issue of a Special Voting Share by each company.

2. Mandatory Exchange

In certain limited circumstances (described in (a) or (b) below) following implementation of the Carnival DLC, P&O Princess Shares, other than those held by Carnival, may be subject to a mandatory exchange for Carnival Shares at the then prevailing Equalisation Ratio.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

- (a) If there is a change in applicable tax laws, rules or regulations or their application or interpretation, and, based on a legal opinion and after using commercially reasonable efforts to explore available alternatives, and the P&O Princess Board shall have reasonably determined that:
- o the change is reasonably likely to have a material adverse effect on the Carnival DLC;
 - o it is reasonably likely that the material adverse effect would be eliminated or substantially reduced by a mandatory exchange; and
 - o the material adverse effect would not be substantially eliminated by any commercially reasonable alternative to a mandatory exchange;

then, with the approval of 66 2/3 per cent. of the shareholders of P&O Princess and Carnival (voting on a Joint Electorate Action), the mandatory exchange will occur.

- (b) In addition, if:
- o there is a change in the applicable non-tax laws, rules or regulations or their application or interpretation, as a result of which the P&O Princess Board has reasonably determined and having received a legal opinion, that it is reasonably likely that all or a substantial portion of the DLC Documents are unlawful, illegal or unenforceable; or
 - o a court or other governmental entity has issued a ruling, judgement, decree or order, which has been appealed to the extent the P&O Princess Board deems reasonably appropriate, holding that all or a substantial portion of the DLC Documents are unlawful, illegal or unenforceable;

and the P&O Princess Board, based on a legal opinion and after using commercially reasonable efforts to explore the available alternatives to the mandatory exchange, has reasonably determined that:

- o the legal basis for the illegality or unenforceability would be eliminated by a mandatory exchange;
- o the illegality or unenforceability could not be eliminated by amendments to the DLC Documents that would not materially and adversely affect the rights of the shareholders of P&O Princess and Carnival, taken together or in relation to each other; and
- o the change in law or the ruling, judgment, decree or order is reasonably likely to be enforced in a way that will have a material adverse effect on the Carnival DLC;

then, if the P&O Princess Board decide, the mandatory exchange will occur.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

3. Termination amount

If the Implementation Agreement is terminated:

- o by either Carnival or P&O Princess because of the failure of P&O Princess Shareholders to approve the Carnival DLC Proposal and a third-party acquisition proposal for P&O Princess exists at the time of the P&O Princess Shareholders meeting; or
- o by Carnival because:
 - o the P&O Princess Board has withdrawn or adversely modified its recommendation of the Carnival DLC or has resolved to take any such action or failed to reconfirm that recommendation upon request by Carnival; or
 - o P&O Princess or the P&O Princess Board has recommended a superior third-party acquisition proposal for P&O Princess; or
 - o P&O Princess has breached its obligations under the Implementation Agreement not to solicit another acquisition proposal for P&O Princess;

then P&O Princess will be required to pay a termination amount to Carnival equal to 1 per cent. of P&O Princess' market capitalisation (on the date the Implementation Agreement is executed) if a

third-party acquisition proposal with respect to P&O Princess is completed within 18 months of the date of the Implementation Agreement.

If the Implementation Agreement is terminated:

- o by either Carnival or P&O Princess because of the failure of Carnival Shareholders to approve the Carnival DLC Proposal and a third-party acquisition proposal for Carnival exists at the time of the Carnival Shareholders meeting; or
- o by P&O Princess because:
 - o the Carnival Board has withdrawn or adversely modified its recommendation of the Carnival DLC or has resolved to take any such action or failed to reconfirm that recommendation upon request by P&O Princess;
 - o Carnival or the Carnival Board has recommended a superior third-party acquisition proposal for Carnival; or
 - o Carnival has breached its obligations under the Implementation Agreement not to solicit another acquisition proposal for Carnival;

then Carnival will be required to pay a termination amount to P&O Princess equal to 1 per cent. of P&O Princess' market capitalisation (on the date the Implementation Agreement is executed) if a third party acquisition proposal with respect to Carnival is completed within 18 months of the date of the Implementation Agreement.

APPENDIX III

ESTIMATED COST SAVINGS FROM CARNIVAL'S DLC WITH P&O PRINCESS

Carnival has conducted an update of its analysis to reconfirm its statement of estimated cost savings announced and reported on 24 January 2002.

In estimating these cost savings, Carnival has not had access to P&O Princess' non-public financial information. However, Carnival's senior management has conducted an assessment of P&O Princess' business relative to Carnival and has identified areas of likely productivity differences between Carnival and P&O Princess.

Carnival expects its combination with P&O Princess through the Carnival DLC will result in cost savings of at least \$100 million on an annualised basis, in the first full financial year following completion of the transaction.

Carnival expects that these cost savings will be generated principally through the application of Carnival's proven best practices to P&O Princess and does not anticipate that significant revenue synergies will be available. One time cash costs of achieving these synergies are expected to be approximately \$30 million.

SOURCES OF SYNERGIES

Carnival expects that the majority of cost savings will come from the following areas:

1. Cost of sales and procurement - the application of Carnival's procurement practices to enhance the Carnival DLC's purchasing rates, particularly in respect of food and beverage, hotel supplies, concessions, excursions and port calls;
2. Rationalisation of Alaskan land based assets - a reduction in duplicated costs from the combined support infrastructure of P&O Princess' and Carnival's Alaskan land based operations; and
3. Selling, general and administrative costs - includes savings from insurance, advertising, payroll and other administrative costs.

These savings will be generated for the benefit of both shareholders and customers. Carnival believes that the opportunities for employees will be enhanced within the combined group and does not anticipate that there will be significant redundancies as a result of this rationalisation.

The above estimate by Carnival has been reported on under the Takeover Code by Ernst & Young and Carnival's financial advisers (Merrill Lynch and UBS Warburg), as set out in this Appendix III.

The above statement of estimated cost savings should be read in conjunction with the notes below.

NOTES TO STATEMENT OF ESTIMATED COST SAVINGS

- (i) The estimated cost savings in the announcement should not be interpreted to mean that the earnings per share of either company in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form 425

the Carnival DLC for the current or future financial years will necessarily match or exceed their respective historical published earnings per share;

- (ii) In arriving at this estimate, the Carnival Board has assumed that there are comparable operations, processes and procedures within P&O Princess as within Carnival, except where publicly available information clearly indicates otherwise. In addition to Carnival management information, Carnival has used the following sources of information in arriving at this statement:
- o P&O Princess' annual report and accounts and the annual report and accounts of its former parent, P&O
 - o P&O Princess' quarterly results;
 - o P&O Princess' presentations to analysts and investors;
 - o documents and statements issued by P&O Princess in connection with its proposed merger with Royal Caribbean and in connection with its defence against the Carnival offer;
 - o brokers' research;
 - o other public information; and
 - o Carnival's knowledge of the industry and of P&O Princess.
- (iii) In arriving at this estimate set out above, the Carnival Board has assumed that there will be no significant impact on the business of the Carnival DLC arising from any decisions made by competition authorities;
- (iv) The Carnival Board has not had access to the information provided to Royal Caribbean by P&O Princess, nor has it been able to discuss the reasonableness of the assumptions supporting this estimate of cost savings with P&O Princess' management. Therefore there remain inherent risks in this forward-looking estimate; and
- (iv) Due to this inequality of information and the scale of the combined Carnival and P&O Princess operations, there may be additional changes to the operating procedures of the Carnival DLC. As a result, and the fact that the changes relate to the future, the resulting cost savings may be materially greater or less than those estimated.
