Item 1. Changes in Control of Registrant.

Seabulk International, Inc. (the Company) today announced the completion of the issuance of 12.5 million shares of common stock at \$8.00 per share to a group of investors including an entity associated with DLJ Merchant Banking Partners III, L.P., an affiliate of CSFB Private Equity (the DLJ Investor), and entities associated with Carlyle/Riverstone Global Energy and Power Fund I, L.P., an affiliate of The Carlyle Group of Washington, D.C. (the Carlyle/Riverstone Investors). The stock issuance was previously approved by the Company's shareholders at a Special Meeting held on September 5, 2002. The new investors also purchased approximately 5.1 million shares of outstanding Company common stock (including shares issuable upon the exercise of warrants) beneficially owned by accounts managed by Loomis, Sayles & Co., L.P. As a result of the two transactions, the investors will own approximately 72% of the fully diluted shares of common stock of the Company.

In connection with the completion of the transaction:

the Company has amended its Certificate of Incorporation to increase the number of its authorized shares, to remove the classification of the Company's board into three classes of directors and to add certain minority stockholder protection provisions;

the Company has amended and restated its By-laws to (1) provide that a quorum for meetings of the Company's board will consist of seven directors and (2) remove provisions relating to the classification of the Company's board;

Pursuant to the Stockholders Agreement, the Company's board of directors has been restructured to permit the investors to designate a majority (six of ten seats) of the Board. the Chief Executive Officer will serve as a director.

Messrs. Benacerraf, Durkin, Huseman and Webster were designated as directors of the Company by the DLJ Investor and Messrs. Lapeyre and Leuschen were designated as directors of the Company by one of the Riverstone/Carlyle Investors.

the initial continuing directors will not be removed except for cause;

the investors will not take any action that will cause the continuing directors to be less than a majority of the total number of independent directors on our board of directors; and

to the extent an annual meeting is held for the election of the Company's directors, the investors will vote for the election of the continuing directors.

Under the Stockholders Agreement, in the event that the DLJ Investor owns less than 50%, but more than 10%, of the shares of common stock initially purchased by it, it will be entitled to designate only two of the Company's directors.
