Item 2. Acquisition or Disposition of Assets

On January 1, 2004, F.N.B. Corporation (the Corporation) completed the spin-off of its Florida operations through the distribution to its shareholders of all of the outstanding shares of stock of First National Bankshares of Florida, Inc. (FNBF). As a result of the spin-off, FNBF is currently an independent, separately traded, public company.

The spin-off was effected by way of a pro rata dividend of one share of FNBF common stock for every one share of the Corporation's common stock held at the close of business on December 26, 2003. Shareholders who owned a fractional share of the Corporation's common stock received a corresponding fractional share of FNBF common stock. Based on a letter ruling the Corporation received from the Internal Revenue Service, receipt of FNBF shares in the spin-off is tax-free for U.S. federal income tax purposes.

In connection with the distribution, FNBF and the Corporation entered into an Agreement and Plan of Distribution, a Tax Disaffiliation Agreement and an Employee Benefits Agreement, which are filed herewith as Exhibits 2.1, 2.2 and 2.3, respectively.

Further information concerning the distribution and related matters is contained in Amendment No. 2 to FNBF's Registration Statement on Form 10 filed by FNBF with the SEC on December 22, 2003.
