Section 1 Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On September 29, 2004 we signed an agreement with SipStorm, Inc., a company formed by our former Chief Executive Officer, D. Gregory Smith, and former Chief Technology Officer, Charles McDonough. Under this agreement we have transferred selected hardware, software and intellectual property rights to SipStorm. These non-core assets are mainly related to our next generation PVA enhanced services. SipStorm will continue development of these applications and will provide us with access to developed product over the course of the next 15 months. Relative to the purchase, SipStorm has assumed responsibility for certain accounts payable, future maintenance payments and provided a promissory note in the amount of \$3 million. The promissory note is secured by shares of our preferred stock held by Messrs. Smith and McDonough. We previously filed a Form 8-K in connection with this agreement, but a copy of the agreement was not attached to that 8-K as expected. Hence a copy of the agreement is attached as Exhibit 99.1 to this Form 8-K/A.
