Item 1.01 Entry into a Material Definitive Agreement.

Renal Care Group, Inc. (RCG) entered into a Dialysis Organization Agreement with Amgen USA, Inc. (Amgen) on December 9, 2005 (the Agreement). The Agreement sets forth the terms and conditions under which RCG will purchase Epoetin alfa (EPOGEN) and Darbepoetin alfa (individually, Aranesp and collectively with EPOGEN, the Products) from Amgen. The term of the Agreement commences January 1, 2006 and ends December 31, 2007.

The Agreement provides for discount pricing for Aranesp and EPOGEN purchased by RCG and its affiliates. The parties have also provided for specific rebates and incentives with respect to the Products, subject to various qualification requirements for which RCG will be evaluated during the term of the Agreement. These qualification requirements are based on a variety of factors including patient outcomes targets, process improvement targets, data submission targets, volume growth of purchases of the Products by RCG and its affiliates and incentives calculated using a combination of these factors.

Item 9.01 Financial Statements and Exhibits.

None.
