**Item 1.01. Entry into a Material Definitive Agreement.**

On February 7, 2006, HealthSpring, Inc. ( HealthSpring ) and Renaissance Physician Organization ( RPO ) concluded negotiations of a settlement of all matters related to a prior agreement by HealthSpring to compensate RPO through the issuance of a warrant to purchase up to approximately 1% of HealthSpring s common stock as of HealthSpring s recapitalization on March 1, 2005. The warrant was to become exercisable over a period of five years based upon the achievement by RPO of certain performance goals to be negotiated by the parties. Under the terms of the settlement, HealthSpring made a cash payment of \$4.0 million to RPO on February 8, 2006 in satisfaction of HealthSpring s obligation to issue RPO the warrant described above.

RPO is a Texas non-profit corporation that is an affiliation of 13 independent physician associations providing medical services primarily in, or in counties surrounding, the greater Houston, Texas metropolitan area. GulfQuest, L.P., one of HealthSpring s wholly-owned HMO management subsidiaries, provides medical management, claims processing, provider relations, credentialing, finance, and reporting services for RPO s Medicare and commercial health plan members, and receives a management fee from RPO for these services. RPO has also contracted with Texas HealthSpring, LLC, a HealthSpring HMO subsidiary, to provide medical services and procedures to the members of Texas HealthSpring s Medicare plans covering the RPO service areas. Herb Fritch, the President and Chief Executive Officer of HealthSpring, serves as the President of RPO, and Dr. Pasquale Pingitore, the Senior Vice President and Chief Medical Officer of HealthSpring, serves as the Chief Medical Officer of RPO.
