Item 3. Incorporation of Documents by Reference.

The following documents filed by the Registrant with the SEC, pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act), are hereby incorporated by reference and shall be deemed to be a part hereof from the date of filing of such document:

- (1) The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2005;
- (2) The Registrant's Current Reports on Form 8-K filed January 23, 2006, February 23, 2006, March 2, 2006, March 17, 2006 and March 20, 2006;

All documents filed by the Registrant pursuant to Section 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date hereof and prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents. Any statements contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or replaced for purposes hereof to the extent that a statement contained herein (or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein) modifies or replaces such statement. Any statement so modified or replaced shall not be deemed, except as so modified or replaced, to constitute a part hereof.

Notwithstanding the foregoing, information furnished under Items 2.02 and 7.01 of any Current Report on Form 8-K, including the related exhibits, is not incorporated by reference in this prospectus or the accompanying registration statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's bylaws provide that its directors and officers will be indemnified against expenses that they actually and reasonably incur if they are successful on the merits of a claim or proceeding. In addition, the bylaws provide that the Registrant will advance to its directors and officers reasonable expenses of any claim or proceeding so long as the director or officer furnishes the Registrant with (1) a written affirmation of his or her good faith belief that he or she has met the applicable standard of conduct and (2) a written statement that he or she will repay any advances if it is ultimately determined that he or she is not entitled to indemnification.

When a case or dispute is settled or otherwise not ultimately determined on its merits, the indemnification provisions provide that the Registrant will indemnify its directors and officers when they meet the applicable standard of conduct. The applicable standard of conduct is met if the director or officer acted in a manner he or she in good faith believed to be in or not opposed to the Registrant's best interests and, in the case of a criminal action or proceeding, if the insider had no reasonable cause to believe his or her conduct was unlawful. The Registrant's board

Table of Contents

of directors, shareholders or independent legal counsel determines whether the director or officer has met the applicable standard of conduct in each specific case.

The Registrant's bylaws also provide that the indemnification rights contained in the bylaws do not exclude other indemnification rights to which a director or officer may be entitled under any bylaw, resolution or agreement, either specifically or in general terms approved by the affirmative vote of the holders of a majority of the shares entitled to vote. The Registrant can also provide for greater indemnification than is provided for in the bylaws if the Registrant chooses to do so, subject to approval by its shareholders and the limitations provided in the Registrant's charter as discussed in the subsequent paragraph.

The Registrant's charter eliminates, with exceptions, the potential personal liability of a director for monetary damages to the Registrant and its shareholders for breach of a duty as a director. There is, however, no elimination of liability for:

a breach of the director's duty of loyalty to the Registrant or its shareholders;

an act or omission not in good faith or which involves intentional misconduct or a knowing violation of law; or

any payment of a dividend or approval of a stock repurchase that is illegal under the Tennessee Business Corporation Act.

The Registrant's charter does not eliminate or limit the Registrant's right or the right of its shareholders to seek injunctive or other equitable relief not involving monetary damages.

The indemnification provisions of the bylaws specifically provide that the Registrant may purchase and maintain insurance on behalf of any director or officer against any liability asserted against and incurred by him or her in his or her capacity as a director, officer, employee or agent whether or not the Registrant would have had the power to indemnify against such liability.

The Registrant's bylaws further provide that, under similar limitations and conditions specified above for its directors and officers, the Registrant is obligated to provide indemnification for its organizers and may provide indemnification for its employees and agents.

The Tennessee Business Corporation Act (TBCA) provides that a corporation may indemnify any of its directors and officers against liability incurred in connection with a proceeding if (i) the director or officer acted in good faith, (ii) in the case of conduct in his or her official capacity with the corporation, the director or officer reasonably believed such conduct was in the corporation's best interests, (iii) in all other cases, the director or officer reasonably believed that his or her conduct was not opposed to the best interest of the corporation, and (iv) in connection with any criminal proceeding, the director or officer had no reasonable cause to believe that his or her conduct was unlawful. In actions brought by or in the right of the corporation, however, the TBCA provides that no indemnification may be made if the director or officer was adjudged to be liable to the corporation. In cases where the director or officer is wholly successful, on the merits or otherwise, in the defense of any proceeding instigated because of his or her status as an officer or director of a corporation, the TBCA mandates that the corporation indemnify the director or officer against reasonable expenses incurred in the proceeding. The TBCA also provides that in connection with any proceeding charging improper personal benefit to an officer or director, no indemnification may be made if such officer or director is adjudged liable on the basis that personal benefit was improperly received. Notwithstanding the foregoing, the TBCA provides that a court of competent jurisdiction, upon application, may order that an officer or director be indemnified for reasonable expenses if, in consideration of all relevant circumstances, the court determines that such individual is fairly and reasonably entitled to indemnification, whether or not the standard of conduct set forth above was met.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and where applicable, each filing of an employee benefit plan's annual report

pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
