INDEPENDENT AUDITORS REPORT

To the Board of Directors and Stockholders of
Cogdell Spencer Inc.

Charlotte, North Carolina

We have audited the accompanying combined statement of revenues and certain expenses (the Statement) of the Hanover / Verdugo Portfolio (the Properties) for the year ended December 31, 2005. The Statement is the responsibility of the Properties management. Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with generally accepted auditing standards as established by the Auditing Standards Board (United States) and in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. The Properties are not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Properties internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Cogdell Spencer Inc.). Material amounts, as described in note 1 to the Statement that would not be directly attributable to those resulting from future operations of the Properties, are excluded and the Statement is not intended to be a complete presentation of the Properties revenues and expenses.

In our opinion, the Statement presents fairly, in all material respects, the revenues and certain expenses, as described in note 1 to the Statement, of the Properties for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO COMBINED STATEMENTS OF REVENUES AND CERTAIN EXPENSES
FOR THE PERIOD FROM JANUARY 1, 2006 THROUGH MARCH 30, 2006 (UNAUDITED) AND
FOR THE YEAR ENDED DECEMBER 31, 2005**

NOTE 1 ORGANIZATION AND BASIS FOR PRESENTATION

The accompanying combined statements of revenues and certain expenses (the Statements) relate to a portfolio consisting of three properties known as Hanover Medical Office Building One, 1808 Verdugo Boulevard and 1818 Verdugo Boulevard (collectively, the Hanover / Verdugo Portfolio or the Properties). Hanover Medical Office Building One is located on the campus of Memorial Regional Medical Center, an affiliate of Bon Secours Health System, in Mechanicsville, Virginia. 1808 Verdugo Boulevard and 1818 Verdugo Boulevard are located on the campus of Verdugo Hills Hospital, located in Glendale, California.

These Statements are prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (SEC) as a result of the acquisition of the Properties by Cogdell Spencer LP (the Operating Partnership), a subsidiary of Cogdell Spencer Inc. (the Company), on March 30, 2006. Rule 3-14 requires certain information with respect to the operations of real estate assets acquired to be included in certain filings with the SEC. The Statements include the historical revenues of the Properties and certain expenses, excluding items not comparable to the operations of the Properties under the Company s ownership, including depreciation, amortization and interest expense.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue recognition The Properties recognize revenues related to non-cancelable operating leases as earned over the life of the lease agreements on a straight-line basis. The leases generally contain provisions under which the tenants reimburse the Properties for a portion of property operating expenses and real estate taxes which are included in revenues.

Repairs and maintenance The costs of ordinary repairs and maintenance are charged to operations when incurred.

Use of estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Interim information The accompanying Statement for the period from January 1, 2006 through March 30, 2006 is unaudited; however it has been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and in conjunction with the rules and regulations of the SEC. Accordingly, it does not include all of the disclosures required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting solely of normal recurring matters) necessary for a fair presentation for the interim period have been included. The results for the interim period from January 1, 2006 through March 30, 2006 are not necessarily indicative of the results that may be expected for the full year.

NOTE 3 MINIMUM FUTURE RENTAL REVENUES

The Properties are leased to tenants under non-cancelable, fixed-term operating leases with expirations through 2018 and market rent renewal terms. The Properties leases generally require the lessee to pay minimum rent, additional rent based upon increases in the Consumer Price Index and all taxes (including property tax), insurance, and other operating costs associated with the Properties.

Future minimum lease payments by tenants under the non-cancelable operating leases as of December 31, 2005 were as follows:

For the year ending:

2007	3,154,417

(a) Reflects the amortization of acquired above- and below-market leases.
