**Item 8.01 Other Events.**

On May 7, 2009, Capstone Turbine Corporation (the Company) closed a registered offering of 14,450,868 shares of common stock and warrants to purchase an additional 10,838,151 shares of common stock. Pursuant to the offering, the Company issued units at a purchase price of \$0.865 per unit consisting of one share of common stock and a warrant to purchase 0.75 of a share of common stock. Subject to adjustment and cancellation based on the terms of the warrants, the warrants are exercisable for a period of seven years at an exercise price of \$0.95 per share.

The Company intends to use the net proceeds from the transaction to fund product development and for other general corporate purposes. The estimated net proceeds to the Company from the offering totaled \$11.2 million.

Lazard Capital Markets LLC acted as the exclusive placement agent for the offering.

This current report on Form 8-K contains forward-looking statements, as that term is used in the federal securities laws, with respect to the Company's use of proceeds. Forward-looking statements may be identified by words such as expects, objective, intend, targeted, plan and similar phrases. These forward-looking statements are subject to numerous assumptions, risks and uncertainties described in the Company's filings with the Securities and Exchange Commission that may cause the Company's actual results to be materially different from any future results expressed or implied in such statements. The Company cautions readers not to place undue reliance on these forward-looking statements, which speak only as of the date of this report. The Company undertakes no obligation, and specifically disclaims any obligation, to release any revisions to any forward-looking statements to reflect events or circumstances after the date of this report or to reflect the occurrence of unanticipated events.
