Transaction valuation*	Amount of filing fee
-----	-----
\$9,265,320.75	\$1,173.92

* This calculation is based on 0.00012670 multiplied by the transaction valuation above. For purposes of calculation of this fee only, the transaction valuation is based on the aggregate number of securities to which the transaction applies multiplied by the per unit price or other underlying value of the transaction. The aggregate number of securities to which the transaction applies is based on (i) 3,925,850 shares of Uni-Marts' common stock outstanding and owned by stockholders who will not have an interest in Green Valley Acquisition Co., LLC after consummation of the transaction; and (ii) outstanding stock options to purchase an aggregate of 923,833 shares of Uni-Marts' common stock which will be cashed out in the transaction. The per unit price of (i) each outstanding share of common stock owned by stockholders is \$2.25, and (ii) each outstanding stock option to purchase shares of Uni-Marts' common stock with a per share exercise price less than \$2.25 will be converted into the right to receive a cash payment equal to (a) the difference between \$2.25 and the per share exercise price for the shares of common stock subject to such stock option, multiplied by (b) the number of shares of common stock underlying each such stock option.
