Item 1.01 Entry into a Material Definitive Agreement

At the Annual Meeting of Shareholders held on July 28, 2006, the shareholders of Agilysys, Inc. (the Company) approved the Agilysys, Inc. 2006 Stock Incentive Plan (the Plan). The Plan allows the Company to grant a variety of stock and stock-based awards, including stock options (with or without stock appreciation rights), time-vested restricted shares, performance-vested restricted shares and performance shares (shares granted upon the attainment of performance goals) to officers, other employees, directors and consultants selected by the Committee who has been charged with administering the Plan. The maximum number of Common Shares that may be issued under the Plan is 3.2 million shares. The maximum aggregate number of Common Shares that may be granted as restricted shares, restricted share units and performance shares under the Plan is 1.6 million shares. The aggregate number of Common Shares underlying awards granted under the Plan to any participant in any two consecutive fiscal year period, regardless of whether such awards are thereafter cancelled, terminated or forfeited, shall not exceed 1.6 million shares. The aggregate number of shares underlying awards granted under the Plan in any two consecutive fiscal year period shall not exceed the sum of 1.6 million shares (disregarding any shares underlying awards cancelled, terminated or forfeited during the period) plus the aggregate number of shares underlying awards previously cancelled or forfeited. The Plan prohibits the cancellation, substitution or amendment of a stock option that would have the effect of reducing the exercise price of such a stock option previously granted under the plan or any other modification to such a stock option that would be treated as a repricing under the then applicable rules, regulations or listing requirements adopted by The Nasdaq Stock Market or such other stock market on which the Company's shares are traded. For a description of the material features of the Plan, please refer to the Company's Definitive Proxy Statement filed with the Securities and Exchange Commission on June 26, 2006. The description of the Plan is qualified in its entirety by reference to the full text of the Plan, which is filed as Exhibit 10.1 to this Form 8-K.
