Registration Statement No. 333-136631
August 17, 2006

In connection with the offering of senior notes due 2036 of Cintas Corporation No. 2, which will be unconditionally guaranteed, jointly and severally, by Cintas Corporation and certain of its subsidiaries, the following additional terms will be applicable. In the following section, unless stated otherwise or the context otherwise requires:

Cintas refers to Cintas Corporation and not to any of its subsidiaries;

we, us, our and Cintas No. 2 refer to Cintas Corporation No. 2, a wholly-owned subsidiary of Cintas Corporation and the issuer of the notes; and

subsidiary guarantors refers to Cintas Corporation's directly and indirectly wholly-owned subsidiaries, excluding Cintas Corporation No. 2, that are guarantors of Cintas No. 2's revolving credit facility, have been organized under the laws of any jurisdiction within the United States and guarantee the notes.

Offer to Repurchase upon a Change of Control Repurchase Event

If a Change of Control Repurchase Event (defined below) occurs, unless we have otherwise exercised our right to redeem the notes, we will make an offer to each holder of notes to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of that holder's notes at a repurchase price in cash equal to 101% of the aggregate principal amount of notes repurchased plus accrued and unpaid interest, if any, on the notes repurchased to the date of purchase. Within 30 days following any Change of Control Repurchase Event, we will mail a notice to each holder describing the transaction or transactions that constitute the Change of Control Repurchase Event and offering to repurchase the notes on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the indenture and described in such notice. We will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the

Exchange Act), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the notes, we will comply with the applicable securities laws and regulations and will not be deemed to have breached our obligations under the Change of Control Repurchase Event provisions of the notes by virtue of such conflict.

On the Change of Control Repurchase Event payment date, we will, to the extent lawful:
accept for payment all notes or portions of notes properly tendered pursuant to our offer;

deposit with the paying agent an amount equal to the aggregate purchase price in respect of all notes or portions of notes properly tendered; and

deliver or cause to be delivered to the trustee the notes properly accepted, together with an officers certificate stating the aggregate principal amount of notes being purchased by us.

The paying agent will promptly mail to each holder of notes properly tendered the purchase price for such notes, and the trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new note equal in the principal amount to any unpurchased portion of the notes surrendered, if any; provided, that each new note will be in a principal amount of \$1,000 or an integral multiple of \$1,000.

Except as described above with respect to a Change of Control Repurchase Event, the indenture does not contain provisions that permit you to require that we repurchase or redeem the notes in the event of a takeover, recapitalization or similar transaction.

We will not be required to make an offer to repurchase the notes upon a Change of Control Repurchase Event if a third party makes an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by us, and such third party purchases all notes properly tendered and not withdrawn under its offer.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of all or substantially all of our or Cintas properties or assets. Although there is a limited body of case law interpreting the phrase substantially all, there is no precise established definition of the phrase under New York law, which governs the indenture. Accordingly, the ability of a holder of notes to require us to repurchase any notes as a result of a sale, lease, transfer, conveyance, or other disposition of less than all of our or Cintas properties or assets may be uncertain.

For purposes of the foregoing discussion of a repurchase at the option of holders, the following definitions are applicable:
